Dear Mr and Mrs. Pollock,

Thank you for your holiday greetings. What a beautiful way to share your travel experiences with the drawings you enclosed! We appreciate your thoughtfulness so much.

It was really interesting to read all the information you gave me after studying the records of Fresno Assembly Center and Jerome at the National Archives in Washington, D.C. How fascinating it must have been for you, Mr. Pollock. I'll have to note in my records my departure date from Jerome to Ann Arbor and also that of my parents to Gila. I think it's wonderful that you have taken the time and the interest
