GOVERNOR'S OFFICE
SACRAMENTO 14

Mr. Les Maland
811 Teague Drive
Santa Paula, California

Dear Mr. Maland:

Our files show that the Governor hasn't received any recommendations from the Ventura Democratic County Central Committee with reference to the three term expirations on the 31st District Agricultural Association.

We would appreciate having your committee's recommendations on this board at your early convenience.

Sincerely

(Mrs.) May Layne Bonnell
