

Dear Michele,

2.10.2011

¡ Feliz cumpleaños! Happy 45! Lia tells me you like red. The Lady here was painted by a dear friend from SoCal, Jim Tanaka, who passed onto the spirit world at age 90 (2x45) but left a great legacy of his artwork. Enjoy! The best is yet to come (I can testify, having already crossed the 50 yr. mark).

Salud y mucha felicidad!
