15TH ANNUAL COMMENCEMENT
CALIFORNIA STATE UNIVERSITY, FULLERTON
JUNE 1 & 2, 1974

5

MESSAGE FROM THE PRESIDENT

Welcome to the 15th annual Commencement of California State University, Fullerton

To candidates for degrees, may this day be one of fulfillment; to the parents, spouses and friends, may it be one marked by pride in the candidates' accomplishments.

The 1974 Commencement is the first to be conducted on the campus since 1969 when a crowded Gymnasium housed dual exercises. At that time, we were honoring approximately 2,000 candidates as compared with more than double that number on this occasion.

As is the case with any large institution, Cal State Fullerton has faced the problem of relatively impersonal ceremonies. Last year, for example, Anaheim Stadium was the setting for the exercises. This year, however, rather than holding a large single exercise, we are conducting nine separate exercises arranged along school and division lines. The objective is to provide a greater amount of individual recognition and thereby a more personal experience for both candidates and guests. Your comments on this approach are invited.

We trust that the exercises will be memorable and meaningful to all, and we wish the candidates continued success in their future endeavors.

L. Donald Shields
President
California State University, Fullerton

EXPLANATORY NOTES

LISTS OF CANDIDATES: Students eligible to participate in the 1974 Commencement exercises are January 1974 graduates and June 1974 and August 1974 candidates for degrees. This program does not constitute an official degree listing. The appropriate diplomas will be issued to candidates who have completed all requirements.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages (as of press time) follow: Honors, 3.5; High Honors, 3.85; Highest Honors, 4.0. Honors notations appearing in lists of June 1974 and August 1974 candidates are based on the student records as of the end of the fall semester 1973. Official designations are dependent upon the complete student record.

PHOTOGRAPHS: Guests wishing to take photographs are requested not to leave their seats during the exercises.

SMOKING: Please, no smoking during the exercises.

EMERGENCIES: Personnel from the Student Health Center and the University Police Department will be on duty to provide aid in the event of emergencies.

LOST AND FOUND: The University Police will operate a lost and found service during the exercises.

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are common and uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctor's degree. The bachelor's and master's gowns have no trimmings. The doctor's gown is faced down the front with black velvet and three bars of the same material across the sleeves—or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctors' caps have gold tassels.

I arise today
 Through the mighty strength
 Of the Creator of Creation
 In prayers of patriarchs,
 In prediction of prophets,
 In preachings of apostles,
 In faiths of confessors,
 In deeds of righteous men.

I arise today
 Through the strength of heaven;
 Light of sun
 Radiance of moon
 Splendour of fire,
 Speed of lightning,
 Swiftmess of wind,
 Depth of sea,
 Stability of earth
 Firmness of rock.

I summon today all these powers
 Against every cruel merciless power that
 may oppose my body and soul.
 I arise today
 Through the mighty strength
 Of the Creator of Creation.
