Mr. William Randolph Hearst,
La Cuesta Encantada,
San Simeon, California

Dear Mr. Hearst:

Enclosed are three prints of the end
of the new Gothic Study, showing space available for
the tracery window.

It has taken more time than I thought
on Sunday to get the complete Neptune Pool drawings
made, but they are ready for the printer tonight and
will be mailed tomorrow. The statuary we hope will
be improved upon in real life.

As always,

Yours very truly,

JM-M
