Much has been happening in the Emergency Services Organization. Although we're all only on

### Oxnard College Expands Classes For Fall Semester

By Genevieve M. Leventhal

Oxnard College and the L.V. Education and Recreation Committee will present an expanded program of fall classes here for residents.

The Oxnard College 1991 Fall Dimensions Schedule of Classes will be available in mid-July. Class registration will be held in Leisure Village during July and August.

For information: 482-6660 or 484-8495. Present plans are to offer about 12 classes, mostly meeting on Saturday mornings.

standby, several issues have come up and probably will continue to surface as time marches on.

First, about that SECURITY AND SAFETY SURVEY FORM that was released in the April "Village Voice", unexpectedly, and before we in ESO were prepared to do a correct job. That SURVEY FORM got mixed up with the ENF (Emergency Notification Form) referred to in the April ILV. Thus, many SURVEY FORMS were tossed away. But that will be straightened out, we hope, by the time this "hits the street".

Secondly, with an increasing awareness of liability, the LV Board has restricted the functions of our ESO Medical Unit. Doctors' emergency contributions have been limited to the level of Red Cross First Aid, cutting back on the Medical

See ESC.....Pg 6

### Board Candidates Named

The Nominating Committee, chaired by Ann Levey, has named five villagers as candidates for the Board of Directors to fill the offices of the three persons whose terms expire. The Annual Meeting when election takes place will be June 26.

Everyone will have a chance to see, listen to, and ask questions of the candidates on June 11, Meet the Candidates Night.

ILV is pleased to feature the five candidates, and has asked each of them to give us a review of their educational backgrounds, work, career, or professional experience, their activities since coming to LV, and their evaluation of what they would like to see changed/accomplished/improved in L.V. during the next two years.

Please turn to pages 16 and 17 for their replies.

### The Other Side Of Y.N.C.G.

By Sandy Okum

Last month I explained the main functions of Y.N.C.G. There is, however, another very important role that Y.N.C.G. plays.

Leisure Village's original concept is not to delve into the social or health problems of its residents. Leisure World, in contrast, employs social workers, has a hospital, etc. We don't. Consequently, a vacuum exists for help to residents who have social, health or mental problems, dementia, etc., who are acting strangely and causing our Security Department problems that they are not trained or equipped to handle.

A committee of concerned residents was formed many years ago by Joe Gaynes. It struggled along getting no cooperation from the various L.V. Boards of Directors until about 1½ years ago

when Ann Levey joined the group. An ad hoc committee within Y.N.C.G. was formed, and the present Board allowed cooperation between it and the Security Department in attempting to solve problems as they arise.

With the help of some very professional retirees in the geriatric field, we were able to give the Security Department a guide for talking to and handling this type of individual, as well as a list of outside

See YNCG.....Pg 5

### Main Gate Remodeling

Remodeling of the Main Gate is slated to start on June 3. Normal traffic will be affected on a 2-3 week period

During this time residents are asked to use the East and West gates to reduce congestion. Regular gate hours will be maintained.

# INSIDE LEISURE VILLAGE

## • OPINION •

### Your Proxy As An Absentee Ballot

The most important meeting of the year for homeowners in Leisure Village is the Annual Meeting in June when we elect fellow residents to the Board of Directors. The Nominating Committee has concluded its work with the presentation of five able candidates to fill vacancies on the Board. We must choose three of them.

Homeowners should have received in their mail this week the Call to Annual Meeting, set for June 27. Enclosed with this announcement is a proxy ballot. Homeowners have the opportunity to cast votes to elect three new members to the Board of Directors, which is responsible for making Village policy decisions.

At the Annual Meeting last June, not enough ballots were cast, either by proxy or in person, to reach a quorum sufficient to constitute a legal meeting.

Non-voting villagers evidently are not aware of how much money that postponement cost them. The Call to Annual Meeting, ballots and instructions cost the Association over \$1100 to mail, first class postage required, plus the labor of creating that material and having it reproduced, stuffed and mailed. CC&Rs require our LVA attorney to be present at the meeting (at \$150 an hour). He had to come back for the rescheduled meeting, also at \$150 an hour.

In order to pass the clean-up of the CC&Rs last year, a 'yes' vote of 75% of the homeowners was required, more than a quorum. A second partial mailing of proxy ballots was made, followed up by dedicated villagers who personally called on people who had not voted or sent in proxies. The dollar value of that effort is difficult to access.

This year the Board has decided to shut down all activities and sports at the Recreation center for half a day on June 2, to draw attention to the voting process.

Voter registration in the MPR will be from 8:30 to 10:00 a.m., just prior to the meeting in the AR. Homeowners are encouraged to attend and vote. Those unable to come in person are urged to vote ahead of time by using their proxy as an absentee ballot. There are three ways to mark a proxy:

1. Cast your three votes for the candidate or candidates of your choice.
2. Designate a friend or neighbor to vote your ballot.
3. Designate the Board to vote your ballot.

The number of proxies turned in determines whether a new Board will be elected on June 27, or whether the expensive and laborious process must be repeated for lack of a quorum. If you cannot attend the Annual Meeting in person, ILV recommends you use your proxy as an absentee ballot and turn it in early.

## Letters

*ILV has obligated itself to publish all Letters to the Editor that are not profane or libelous, but views or statements expressed as facts are the beliefs of the writer and are not necessarily supported by the staff of ILV.*

### Barbeaus Resign Food Share Program

For the last 6½ years, my wife, Val, and I have been in charge of the distribution of food every week to a dozen or so villagers who needed a helping hand. Because of my failing health, we have reluctantly decided that the time has come to entrust someone else with this program.

Beginning May 22, Sydney and Bea Rittenberg, V.17 will be in charge of this wonderful work sponsored by Y.N.C.G.

Val and I want to take the opportunity to thank the many clubs and the individuals who by their contributions of food and money have made it possible to help these, our less fortunate friends. We dare not mention any names lest we forget some generous helpers. We will simply say thanks a million and may God bless you.

We sincerely hope you will continue to generously support Mr. and Mrs. Rittenberg as you have supported us. We personally wish them well and will help them in any way we can.

I will continue to work for Y.N.C.G. and Food Share but in a different capacity.

Rolland Barbeau, V44

### Inconvenient Bus Schedule

People who drive are the luckiest people in the Village.

Bus riders are the most neglected people in Leisure Village.

Our bus system has always been inadequate, and finally changes have

been made. However, the City of Camarillo is the beneficiary, while the Village is being short-changed.

I suggest that people who are unaware of our transportation system take a day off and ride the bus for appointments. Nobody knows when they will have to join the ranks of bus riders.

I have attempted single-handedly to improve the service, and am being blamed for the new, depressing bus schedule started on May 9th.

Those riders who are angry should re-direct their anger to the city officials who are responsible for this deplorable situation.

It is very obvious that the powers-that-be are only concerned with the City of Camarillo, and not L.V.

I want to see action as soon as possible on the part of the Board of L.V. Once again the City Engineer has promised an improved schedule.

Dolly Riskin, V34

### Open Executive Committee Meetings

Almost every decision that the Board of Directors makes is made behind closed doors. The Executive Committee and the Board consist of the same five people. We residents are not allowed to

be present at these Executive Committee meetings.

It is at these closed meetings of the Executive Committee that all the business of the Association is transacted and all Board decisions are made, except changes of rules and matters considered of major importance.

**ALL MEETINGS OF THE BOARD OF DIRECTORS AND/OR EXECUTIVE COMMITTEE SHOULD BE OPEN MEETINGS.**

We homeowners should demand the right to be present at all these meetings.

The homeowners should not be allowed to speak or in any way interfere with the conduct of these meetings.

However at the Board Meeting held the first Monday of each month the owners would have the right to speak on an action taken by the Executive Committee.

I suggest that Inside Leisure Village cover and report on all these meetings.

This year more than ever it is up to us to keep the Board from spending unnecessary money. We must keep our capital expenses to an absolute minimum. I do not advocate cutting down on services.

## INSIDE LEISURE VILLAGE

Editorial Staff

Lois Atz - Jeanne Carlson - Frances Gold  
Jim Holthouse - Romaine Lambert - Betty Murray

Coordinator for this month: Betty Murray

Photographers: Bob Novick and Max Klapperman  
Staff: Jack Whalen and Betty Sullivan

## ABOUT NEXT MONTH

Coordinator for next month will be Frances Gold, 484-3293. Please follow guidelines and be as brief as you can. Deadlines for the June 28 issue will be Monday June 10. To arrange for a photographer, call coordinator at least 3 days in advance.

**LETTERS.....From Pg. 2**

We are faced with a 45% to 55% increase in the price of water not counting penalties if any. This will mean an expenditure for water of at least \$100.00 per home in this fiscal year not covered by the budget.

The opening of Executive Committee meetings will bring a better understanding of Village problems that can only lead to making Leisure Village a better place in which to live.

The Executive Committee has nothing to hide.  
Moses Kadish, V44

XXXXXX

Ada and I and our daughter Barbara Grell wish to thank everyone in this wonderful village for your expressions of sympathy on the sudden loss of our very wonderful son-in-law David.

Even though we have not been here a year yet it's hard to believe we

have acquired so many caring and kind friends and neighbors.

Ada and Al Rubin, V. 33

XXXXXX

It was heart-warming to receive get-well cards, phone calls and flowers from my good neighbors and friends during my recent recovery from surgery.

Sidney Friedman, V35

XXXXXX

A big Thank You to all my friends and neighbors who have contributed aluminum cans for Channe-laire Chorus expenses. Members will be performing in the British Isles in July.

It gives me great pleasure to report that the Chorus proudly wears blue ribbons once again as a result of regional competition in Bakersfield. This means we will be competing internationally in Baltimore, Md., October 1992. So keep dropping those cans at

my doorstep, 11232 V 11. They are greatly appreciated.

Yours in harmony.

Piff DeSimone, V. 11

XXXXXX

As Senior citizens we dread hearing the sound of an ambulance siren.

Is the traffic on our streets that heavy that a siren is needed?

I do not think so.

Bill Berman, V.7

XXXXXX

My family and I wish to thank all of you for your tremendous out-pouring of concern and caring during Allan's illness and for your generous contributions and cards following his passing away. To know that you are there helps.

The Kaplan Family V. 31

XXXXXX

Many thanks to all my good friends and neighbors in the Village for your sympathetic words, cards, and donations to various charities in the

name of my beloved husband, Urho, who passed away December, 29, 1990.

Wanda Saari, V. 25

XXXXXX

How does one express the appreciation they feel for all the cards, notes, food, pastry, telephone calls and condolence visits I received when my husband, Addie passed away? Thank you so much!

Mitzie Friedman, V42

XXXXXX

Sophie and I wish to express our thanks to all those wonderful people who were so helpful to us when Sophie was immobile because of a broken ankle.

We appreciate the thoughtfulness of the phone calls, visits, cards, gifts, and food that we received. We realize that we are fortunate to be residents of Leisure Village. Sam & Sophie Brown, V 7

XXXXXX

My deepest gratitude is expressed to all of you who so thoughtfully called to offer condolences following the death of my husband, Frank, and to so many who brought food to my home and to the reception following the funeral. Your kindnesses helped me through a difficult time.

Velda Brady, V26

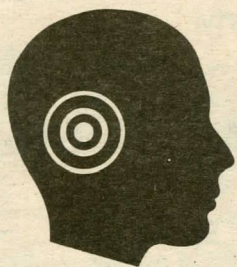

XXXXXX

Words cannot express what a wonderful feeling it was to have received so many beautiful cards and donations in Sam's name from our lovely neighbors and very dear friends, as well as all the delicious goodies and food.

With many thanks and God bless all of you.

Sylvia Wactler & Family, V28

**What A Dance**

By Sandy Okum

Big Band sounds of the forties came to life on April 27 as the seventeen piece Valley Senior Dance Band directed by Walton Veurink played in L.V.

The occasion was a benefit for the United Way of Ventura County, arranged and sponsored by Y.N.C.G. Permission was granted by the Board of Directors because of the benefit to families of men and women in the Persian Gulf War, and to other agencies.

Thanks are due to villagers who performed the many tasks necessary for planning the event: Jean and Archie Aird, Max Schwartz, Marion Tavano, Elmer and Elise Eyman, Roy Lester, Evelyn Okum. Peggy Griffiths, on loan from So. California Edison Co. to United Way for three months, arranged for the band. Pau-

line Hunter and Beverly Viola, members of the band, greeted guests and collected tickets. Trudy Orsan led the pledge of allegiance and sing-along "America the Beautiful."

April anniversaries and birthdays were honored and a mixer dance with teddy bears provided more fun. During intermission, drawings for the door prizes were held: a trip for two to Las Vegas donated by Thunderbird Travel, and two \$50 gift certificates from Carlota's Fashions. Ray Favacho of State Farm Insurance donated the five teddy bears. All contributors' businesses are in Santa Rosa Plaza.

The most important item was the check for \$1,117.50 which was presented to the United Way from the efforts and support of those attending the dance.

Because they sat in the lucky chair at their table, 26 persons took home the flags and blooming plants which were the colorful decorations for the gala party.

**A.C.S. Store**

By Sonia Brink

The Ventura County Unit of the American Cancer Society had a Grand Opening of their new "Discovery Shop" at 434 E. Main St. in Ventura.

If you like bargains, don't miss this opportunity to visit as soon as you can. The ACS has collected beautiful things for months in anticipation of this event. Their merchandise is outstanding--clothes for men and women, jewelry, household items and much more. This is no ordinary thrift shop but an elegant place with a variety of handsome goods. Besides finding real bargains you get the great feeling that you are contributing to a good cause.

agencies where help can be found. Our committee cannot and will not personally solve problems. We only advise where help is available.

The major problem we have had up to now is lack of personal information about villagers to help them in an emergency--earthquake, sudden illness, accidents, dementia, etc.

With the cooperation of Y.N.C.G., the Security Dept. and the Emergency Service Organization, a "Security and Safety Survey Form" was put together to gather the information which will serve better and more quickly in the event of need.

This form was included in last month's "Village Voice" and also reprinted in ILV. The information given will be confidential and held by the Security Dept. Filling out this form could save your life or that of your loved ones.

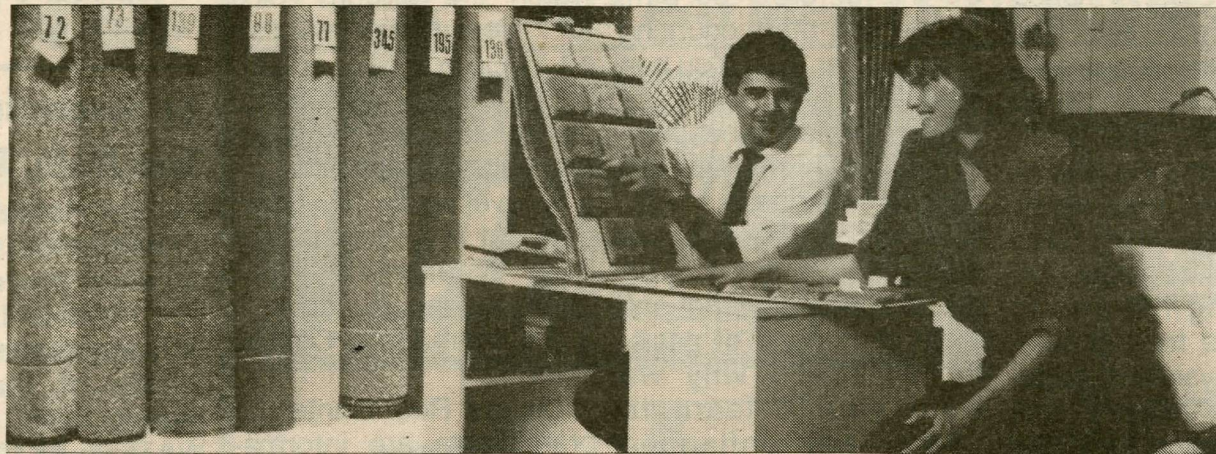

Don't put it off, or say it couldn't happen to me. If you live long enough, all the above and more could happen. Be prepared for the worst. Another big problem is convincing your children--if we can reach them--that you have developed dementia. Denial--"it can't happen to my parents, only to others." Do it now and keep the information up to date.

A Village Helper/Coordinator will call on you to help fill out the form if necessary. Get to know your Helper. He or she may save your life someday.

Committee members are Joe Gaynes, Chief Max Moses, Sonia Brink, Sandy Okum, Ann Levey, Marion Gordon, Bernard Goldman, Bernice Ennis, Lillian Hawthorne, and Paul Kelwin.

# Carpeteria.

## The Right Choice For All The Right Reasons.

### LEADERSHIP

Carpeteria's leadership in selection, service, expertise, volume purchasing, and installation gives us the edge on other floorcovering retailers. We've been committed to bringing our customers the very best in products and services for more than 30 years.

We are one of the leading floorcovering retailers in the nation because we deliver value. Carpeteria has covered more than a million rooms and that adds up to a lot of satisfied customers. With a track record like ours, we're the best choice to satisfy your flooring needs. **Carpeteria is the largest floorcovering retailer in the Western United States with over 70 showrooms.**

### FULL SERVICE

Starting from the moment you enter our showroom and through the many years you'll enjoy Carpeteria Flooring in your home, you can be sure that Carpeteria will be there for you. We will help you choose the right flooring for your taste, needs, and budget. Then, if you choose, we'll install it and advise you on proper care and maintenance procedures. And with Carpeteria's Advantage Guarantee, your complete satisfaction is assured.

- SATISFACTION GUARANTEE
- BEST PRICE GUARANTEE
- LIFETIME INSTALLATION GUARANTEE
- ACCURATE MEASUREMENT GUARANTEE
- QUALITY & WEAR GUARANTEE

see store for complete details on Carpeteria's Advantage Guarantee

### SELECTION

Every Carpeteria showroom features the most extensive selection of quality brand name floorings you can find. More styles, in more colors and patterns, than you can imagine. Including quality carpeting of **Anso V Worry Free Nylon**. **Anso V worry Free carpets feature the latest in soil and stain protection, so durable, they're warranted for a full 5 years.**

### EXPERIENCE

Serving the public for more than 30 years, Carpeteria is unsurpassed in experience and reputation. From helping you select the best value in flooring to suit your lifestyle, to expertly installing your purchase, Carpeteria people make the difference.

Our knowledgeable sales staff and installation teams are thoroughly trained and constantly updated with the latest developments in the industry. All this training and information is designed to provide you with the highest standards of professionalism and experience.

### VALUE

Carpeteria is your best choice for outstanding value for three important reasons.

As one of the country's largest retailers, we purchase in volume and pass the savings on to you. The buying power of 70 stores is on your side.

Our sales staff is trained to precisely measure every angle of every room inch by inch. They will show you in writing, exactly how much material you need. No unnecessary seams and little waste - exactly enough for a first class job.

Carpeteria carries only those products that meet our high standards. No matter what your taste or budget, you are always assured of getting the finest quality product for your money.

### INSTALLATION

One of the most critical and demanding aspects of new flooring is the installation. Carpeteria employs only skilled installation teams to ensure that your flooring looks great in your home.

These professionals have worked in thousands of homes and from that experience we have developed a pre-installation checklist for you to ensure that the installation goes smoothly.

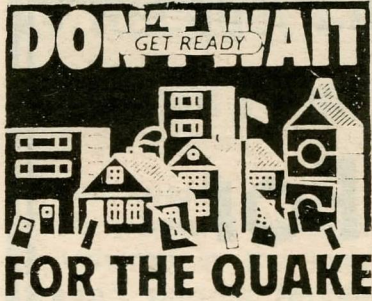

Carpeteria will also arrange installations convenient to your schedule, not ours.

We are confident that you will be completely satisfied with the installation on your new flooring. In fact, we stand behind each and every installation with our complete labor guarantee.

# Carpeteria

Unit's entire performance. Thus, First Aid Red Cross training is currently being provided for Village co-ordinators and alternates, and anyone else interested who may apply. The Nurses' Unit functions at full capacity, being strengthened to compensate for the hold-back on physicians' capabilities. The Nurses' Unit is also updating their Red Cross CPR and First Aid cards.

Third, we will have another DPX (Disaster Preparedness Exercise). Surprise! It will be starting at 7:30 p.m., Thursday EVENING, June 13. That way, those early morning

health and sports enthusiasts will not be inconvenienced. We're asking ALL you folks to "flag" (any white cloth) your residence, where it's easily visible from the street, to show that all is OK at your house. IF you know a neighbor will be gone, please "flag" their house. Do this before 7:30 p.m. as we will start counting shortly after that. You can take the "flag" down by 8:30 p.m...or whenever. We will NOT enter any unflagged residence. BUT, in a real emergency, we would have to enter in order to verify that no one there is in need of assistance. That's why we want you to learn to "flag" any unflagged house where you know no one is home. In a real emergency, that will save a lot of unnecessary work by our Search and Rescue teams.

We will get or have available to you, before June 13, a one page set

of instructions. It will be either an insert in the "Village Voice" or located at main distribution points. As this is the last issue before June 13, please hold onto those instructions. Keep them for the evening of June 13.

Also, we urge you Village Co-ord/Alternates to watch the Village Voice for "New Move-Ins" listed. Hope you have adjusted your village occupants on that list we gave you a year or so back.

I gave some of you in the past few months, our ESO Emergency Plan. Look to see if pages 5 and 6 are missing. Call me if so.

On our Rec. Center Library table are informational Cal. State Emergency Service articles. April's focus was "Duck, Cover and Hold". May's focus is on an "Emergency Water Supply". How much bleach to purify how much water! If none are there, phone 987-1446.

## Current Issues Forum Calendar

By Sol Robin

The next Current Issues Forum will be held the 4th Friday in September at 7:30 p.m. in the AR. The subject will be "Libertarian, Democratic or Republican--You Do Have a Choice."

Representing the Libertarians will be Sandy

Webb, Simi Councilwoman; the Democratic position will be presented by Eddy Tabash, prominent Beverly Hills Attorney; William D. Jones of Simi Valley will present his views on what the ultra-conservative position of the Republican Party should be.

## Strawberries Liked The Rain, But...

By Jim Holthouse

Juicier strawberries; greener mountains and hills; healthier lawns, flowers and plants. All were results of the heavenly March rains. BUT THE WATER PICTURE GOT NO ROSIER.

One rainy month can't wash away the adverse effects of the five-year drought throughout California. Population grows, demand increases, but the water supply is finite within the state and from export sources. Water agencies are forced to drastically cut the allocations to all cities, municipalities and communities. Rates are raised to compensate for lost revenue as customers use less water.

Leisure Village obtains its water from the Camarosa Water District. This year - 1991 - the Village will receive only 80% as much water as was used in 1989 and 1990. Obviously, this means 20% less water for lawns, greenbelts, golf course, planted areas and for internal use in every home. If the 80% allocation is exceeded, LVA pays a severe penalty for the additional water.

Fortunately, the March rains did leave us a valuable by-product. We now have one more opportunity to enroll full-time in a water conservation program. LV homeowners can easily save water in the kitchen, laundry, bathroom and outside the home. Terry Craig and his maintenance and resident

services people are doing all they can to intelligently use water for maximum benefit at lowest cost. We should do no less.

The time is now to stop taking the water supply for granted and to learn new ways of using water. Here's a check list to help you.

In the KITCHEN and LAUNDRY:

- \* Use the automatic dishwasher and washing machine only for full loads.

- \* When hand washing dishes, collect cold water in bucket as water gets hot.

- \* Check faucets and pipes for leaks.

In the BATHROOM:

- \* Check toilet for leaks and flush toilet less often.

- \* Install low-flow shower heads.

- \* Turn off water when brushing teeth or shaving.

- \* Check faucets and pipes for leaks.

- \* Take ship-board showers. Wet down - shut off shower to soap up - turn shower on to rinse.

OUTSIDE the home:

- \* Don't use hose to clean sidewalks and driveway - USE A BROOM.

- \* Water plants sparingly - never during the sunny heat of the day.

- \* When car needs washing, take it to a car wash outside the village.

Look at it this way. If we cut water usage in our homes by more than 20%, there's more water available to preserve the natural beauty of the Village. It's a win/win situation -- we all conserve water and maintain the curb appeal of village homes at the same time.

*Just what the doctor ordered!!*

## LV War Veterans Give History Lesson To Newbury Park Students

By Jack Whalen

For the seventh year in a row, students from Newbury Park came to our picnic area to hear first-hand, stories of war-time from veterans who brought along photos, newspaper items, instruments of war, combat ribbons and even ration books.

John Uelmen, US history teacher who has brought his students here on all previous occasions, said, "This is a marvelous learning experience for my students. They look forward to it because it's not just history out of a dull textbook."

War is something that is quite close to this teacher also. He has a son who is currently serving in the Persian Gulf.

The 45 men and 3 ladies who were positioned in groups of two or three at each of some 20 ta-

bles, fielded dozens of questions by the students, all of whom took many pages of notes throughout the two-hour session. After one-hour the students, as a group, moved to another table in order to get additional stories from veterans who served in other global areas.

Space simply does not allow the individual coverage of all residents who contributed to this history lesson but a few who seemed to truly interest the students included Grant Sessions, a radio operator in the Army Air Corps; Morris Erney, an Army Staff Sergeant who was a POW in Germany, and Tommy Lewis, a defense industry specialist in the building of aircraft engines.

Legendary Harold Lee, a veteran of the Abraham Lincoln Brigade that

Photo By Novick

Close to fifty L.V. men and women met high school students to discuss their experience in WW II.

fought in the Spanish Civil War, thrilled his groups with stories of the war against France. Today only 200 of the 1,500 brigade members are alive.

John Lauten, Paul Kelwin and Sol Robin were other prominent villagers

who were observed contributing to the history lesson.

May 31, the day this issue reaches you, will find veterans at the picnic area before 10 a.m. to talk with Camarillo High School history students. Rube Da-

vis, the leader behind this worthy program, continues to search for volunteers for this as well as his School Speakers program. It's a rewarding experience and Rube, at 987-3359, would enjoy hearing from you.

**THE LEISURE  
VILLAGE  
WOMEN'S CLUB**

May 2 was the day of a most unusual meeting of Women's Club. President Sandy Linka presided. A potluck salad luncheon and a session of Bingo had been planned. However, the production of "Oklahoma" was scheduled for the A.R. and there was no way the two could be reconciled in the one room because of the large amount of numbered chairs which had to be set up and kept in order for five performances.

So Women's Club had a pleasant meeting outdoors in the picnic area. The food was tops. As some Shakespearean buff remarked, "What foods these morsels be." That area is so attractive that we should use it more often.

Bingo could not be done outdoors but Mar-

guerite Abdelnour came to the rescue with a great group of country and western dancers, "The Southwesterners". This group is part of the Dance Workshop. Those who took part were Rhoda Smithkin, Helen Endo, Tom Endo, Eleanor Kramer, Libbie Laidlaw, and Marguerite herself. They danced, clogged, swung, and tapped to records coordinated by the "Old Master" Ed Abdelnour.

Everyone had fun and enjoyed the novelty. The club thanks the Recreation Department employees who made it possible with their patience and kindness.

Looking Ahead: June will be a salute to Flag Day with a program about the American Flag put on by the Masonic Lodge. We will also have patriotic music and our own celebration.

We promise that Bingo will be rescheduled for some future meeting.

## Special Trading Post Election Day Outdoor Sale

**Tuesday, June 4  
Picnic Area**

Tuesday, June 4, is the date of Trading Post's long-awaited outdoor Election Day sale!

Coffee, doughnuts, and hot dogs will be served. Meet your friends for a snack, and sail through the sale.

This is your chance to come out and vote and, at the same time, take advantage of the best bargains of the year. You'll find everything from Algebra books to zithers. As a matter of fact, zithers will be in short supply, so come early and zith.

**BOOK  
REVIEW  
GROUP**

The May book review featured a "new book" which actually is 15 years old. It has been a quiet unadvertised best-seller and was recently reissued.

This charming book is "The Education of Little Tree" about a five-year-old Indian Huck Finn. He is orphaned and goes to live with Gramaw and Grampaw and a pack of hunting dogs in a log cabin. It is sad, funny, and thought provoking.

Gramaw says that good things must always be shared and this little book is certainly "a good thing".

Next Review will meet Monday, June 10, (second Monday), 10:00 a.m. GR. Everyone welcome - no membership, no dues - just readers. Please come.

Give me a sense of humor, Lord:  
Give me the grace to see a joke,  
To get some happiness from life,  
and pass it on to other folk.

## Additional House Numbers To Aid Workers

By Bill Himstreet

To assist various members of Buildings and Grounds and Architectural Committees who must monitor green belt areas behind homes, the Board has approved a project to place the last three digits of each address on the rear of each residence. House numbers on the rear of the homes may also be helpful to operation of the L.V. Emergency Services Organization, maintenance workers, and fire and ambulance services.

The numbers used will be small metal figures, similar to those used on mail boxes, that may be securely mounted in an upper or lower corner of a rear window in such a way that they will not be obvious from inside the home. They also will not interfere with normal window washing.

The project will be completed sometime this summer by volunteers and the Buildings and grounds Committee. Hopefully, the time will be announced in the Village Voice.

**INTERNATIONAL  
FOLK DANCE  
CLUB**  
By Florence Friedman  
General meeting of the International Folk Dance will be Monday, June 3, at 2:00 p.m. in the AR.

Dance times are Mondays 1-3:00 p.m. teaching and dancing, Wednesdays 9-10:30 a.m. review and new dances, Fridays 9-10:30 a.m. continuous dancing, in the AR.

Beginners are welcome. Join us and participate. Success of our club is due to villagers who love to dance and faithfully attend. We enjoy the camaraderie of all our members.

Our instructors make the learning process simple and enjoyable. Dances from all areas of the world are taught, with every attempt to keep current with the latest folk dances.

**VILLAGE  
SWINGERS  
SQUARE  
DANCE CLUB**  
By Al Siegel  
The Village Swingers honored their members who have been married 50 years or more, with a "Purple Heart" for valor, at a square dance in the AR on April 30. It was a heartwarming and well attended dance - a very special event for all the members, as well as the 12 honored couples, still dancing, who were in attendance.

May is Nominations month, but we will have to wait till next month to learn who the candidates are. On May 7, the Swingers were entertained by a wonderful group of young, 13 to 18 year olds, the Cotillion Ballroom Dancers. The Swingers started that evening with a "Brown Bag Dinner" and before the square

dancing started, there was also a period of round dancing. Attendance was very gratifying and everyone commented on how much they enjoyed the entertainment.

Looking forward to June, the General Election on June 4 and L.V. Candidates' Night on June 11, will necessitate shifting the Annual Pot Luck Dinner and Installation to June 18 because we will be dark on previous dates.

Our annual anniversary dance, will be on Sunday June 9 with Deborah Parnell calling. This is a must affair for all swingers and their dancing friends. We need a big turnout for this one. Pre-rounds start at 1:00 and squares with rounds between tips are 2:00-5:00 p.m. Rounds will be cued by Larry Warner. Delicious refreshments will be served mid-dance. This a special - mark your calendars, Sunday, June 9.

The guest caller for June is our old friend Wyane Simpson. It would be very nice to welcome him back with maximum attendance. The reason we have guest callers monthly, and undertake extra expense on that occasion, is to to attract a larger number of dancers to hear a different voice and not to fall into a rut by listening only to our club caller. It helps your dancing ability, your club, and it is great fun for everyone.

I've glossed over several dances because the news of our special events take up a bit more space, but rest assured, that the Swingers, who dance every Tuesday night, are enjoying the activity and there is always something going on at these weekly dances to complement the dancing.

It's spring so put a spring in your step and enjoy dancing with the Swingers!

The Rhythmettes will begin a new year of rhythms and tempos on June 28 at the Installation Luncheon. Come to our Tuesday sessions at 1 p.m. in the AR and watch Channel 12 soon for details.

All registered members who have missed recent jam sessions have been missed and we hope to see you among us soon.

We are still looking for blood - NEW BLOOD - that is, to help round out our musical staff for greater harmony, and invite newcomers to the village to come for a visit. Once you do, you will surely be convinced of the enjoyment you will have by joining our group of rootin', tootin', clanging, etc. members who band together in this universal language of feelings.

The new slate of officers was presented at the May 7 meeting and will be voted on at the next general meeting. All members are urged to attend, as every vote is important.

The Rhythmettes are honored to have been asked by the Rec. Dept. to play again for the Annual 4th of July Picnic. So watch for further details.

Our own picnic for members, spouses and friends is scheduled for August 13 in the picnic area of L.V. and a dinner is scheduled for October 4.

Some new but old blood was added by me to the musical field of organ playing when no one else was available. This is an entirely new endeavor for me and helped liven up an otherwise quiet session and was well received at our April 30 meeting.

We hope to see more of you loyal members plus newcomers on Tuesdays at 1 p.m. in the AR.

By Vee Flowers

The L.V. Bowling League ended the season with the Awards Luncheon May 3 and plans are already in the making for the coming year.

Top award went to Team #14 for first place by virtue of a win over Team #6, the winner of the first half. Members of the winning team were A.D. Flowers, Ed Krakover, Lois Killeen, Marie Bremberg and Dorothy Caster, who finished the season for Marie.

Members of Team 6 who received trophies for placing second were Mary Whalen, Shirley Green, Carl Santangelo and Sam Smith.

Other awards went to Al DeFusco and Millie Harris for High Handicap series. Nate Goldstein, Edith Baker and Katie Anderson won for High Handicap game. Most improved bowlers were Bill Walters 14 pins and Joan Johnson 12 pins.

All teams received prizes for points won and all seemed happy. Door prizes were plentiful and the plants on each table were beautiful and were added to the prizes.

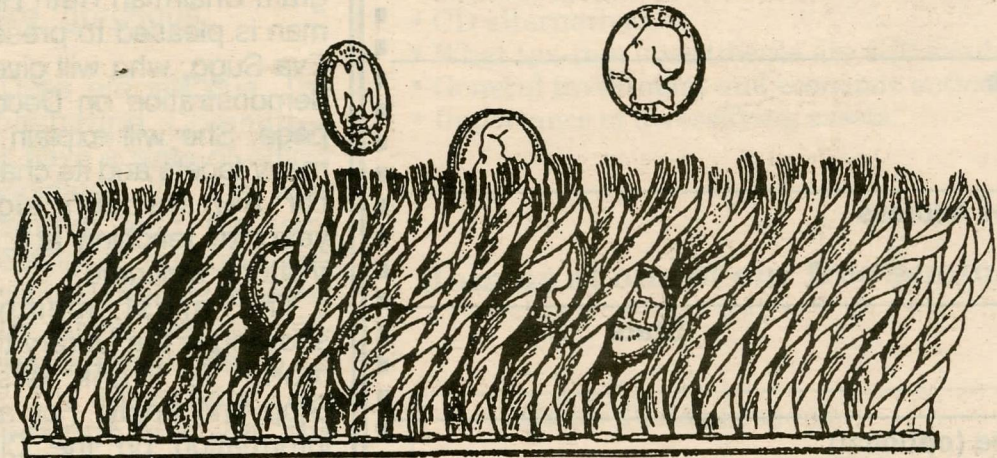

Bob Vanderhaven was there, finishing up the anticipated film of his inside look at the bowlers in action, mostly filmed at the bowling lanes, showing the strikes, miscues, "professional form" and reactions.

Don't miss this show, it should be a winner, to be shown on Channel 12, Saturday June 22 at 10 a.m. and narrated by Jack Whalen. Set your VCR to enjoy the re-runs.

The League will be moving to Camarillo Bowl in September under the leadership of new President A.D. Flowers. New time 10:00 a.m. same day, Fridays.

Thanks to Ernie for his two years of service.

# This Week Only. Deep Pile. Skimpy Prices.

Now you can carpet your whole house without spending a whole lot.

Because this week only, we've trimmed the prices on our entire stock of luxurious Philadelphia Carpets.

Every rich color, style and texture is priced to please.

## VILLAGE PAINTERS

By Mildred G. Oberg

The Spring Art Show Sunday, May 12 was a real success, showing various media and forms of artistic talent of members in the Village. The people who came enjoyed the variety, beauty and expanded interests of the artists.

On Wednesday, June 5 at 1 p.m. in the MPR Program Chairman Ruth Hellman is pleased to present Eva Sugg, who will give a demonstration on Decoupage. She will explain its many facets and its charm for her through eight years of teaching at L.V. Visitors welcome.

The artist member showing in the Library this month is Frank Wise. Stop and enjoy. For any information on the Club please phone Marion Jayne, 484-5112.

## Library Committee

By Marilyn L. Holthouse

The library committee says THANK YOU to--

\*The donor of the recent Business magazines.

\*The villager who returned the large print books to the LV Library.

Someone else can now enjoy them.

## Leisure Village Travel

By Ruth Resnik

Leisure Village Travel Committee is planning several outstanding trips.

Aug. 4, Solvang Theater, featuring "BABY". End of Aug., Colorado Rockies, and the very popular Balloon Festival in Albuquerque.

Check bulletins and Channel 12 for all upcoming trips. Office hours are, Tues., Wed., Thurs., 9:00 a.m. - 11:45 a.m. Committee members are happy to answer any questions. The more support we have the better trips we will be able to offer.

## KEYBOARD CLUB

By Guy Moshier

The Keyboard Club met at 1:30 p.m. Friday, April 26. As the club gathered, we were favored with beautiful piano music provided by Bill Marvel. A brief business meeting was held during which new members and visitors were introduced by Jules Nayfack. Tickets will be on sale soon for the Keyboard musical bonanza presenting Jean Largo, accordionist, who appeared on both the Ed Sullivan and Lawrence Welk shows, and Choy Lozada, a well-known organist, in a dual concert July 15.

The money from this event will go toward the purchase of another piano for the Association. After the business meeting many members (10) played favorite songs for our enjoyment. The theme for the month was flowers in love songs - such as "Moonlight and Roses."

Again, we do invite all villagers who enjoy piano and organ music to join us on our club meeting day. Try us - you'll like us.

## SPIRITUAL GROWTH

By Dorothy Holcomb

Spiritual Growth Group has been meeting for the month of May at the home of Mildred Oberg.

During the month of June, meetings will be held in the home of Bernice Jenkins, 6138 V.6, 484-1106, on Tuesdays at 9:30 a.m.

Instead of Bible study on June 25, there will be a fellowship time at McCarthy's restaurant. The next meeting will be on Sept. 3.

All women are welcome. For further information, call Vi Shirk, 484-2389.

## Help for the Hearing Impaired

**By Sonia Brink**

As we grow older, we all have a certain amount of hearing loss. Some people do not even notice it, while others wear hearing aids and are not always happy with them. All of us, though, should know the latest devices that are available that could make life easier: devices that can help one to understand people on the phone, to enjoy TV, theater, movies, and concerts without frustration.

On Monday, June 3 at 7:30 p.m. in the AR. YNCG will present a lecture by Gerald Dominick, who was born with a severe hearing loss. After years of frustration, he has made a career out of his handicap and dedicates himself to helping

## Hearing Assistance

**By Herb Marks**

A group of residents is interested in exploring the possibility of installing a large area listening system in our AR, similar to those available at the Schubert and other theatres, the Music Center, and numerous churches and synagogues. Such a system would enable those with hearing problems to more fully enjoy the numerous and wonderful events offered in our auditorium.

A meeting of this group will be held on Thursday, June 6, 1991 in the Lanai Room at 10 a.m. Those interested are invited to attend.

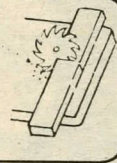

For further information call Herb Marks, 482-1311.

others with hearing problems. He does counseling work, education, and assists people in their search for the right hearing aid. He founded the

Ventura Chapter of Self Help for the Hard of Hearing (SHHH) which meets once a month.

Mr. Dominick will give lots of information and also will show various devices that could help anyone with impaired hearing.

## THE SAWDUSTERS CLUB

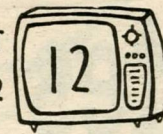

**By Dana Street**

The Sawdusters' program for the May meeting on 3-D decoupage was well attended and presented by an excellent speaker, Eva Sugg, who showed beautiful examples of the work. It offers a new field for talent, also expertise in framing.

In the Show and Tell, a device called a "Lion" was shown by Sid Baum for cutting very exact mitered corners for framing, using two blades shaped like a guillotine, rather than a saw. The only problem is \$128. Another

**LOOKING AT  
CHANNEL 12**

**By Jack Whalen**

Al Pachter, who is screening many of the plays that were taped years ago, announces that his Olde Timer Showcase of June will be the very popular "Harvey" which was performed here in November '85. It was produced by John Zoller and will play on Channel 12, Wednesday evening, June 12 at 7 p.m.

On Saturday, June 22 at 10 a.m. the "LV 1990-91 Bowling" tape will be

item shown by Milford Eisenberg was one of the three boxes for plastic bags, which were made in the "secret project".

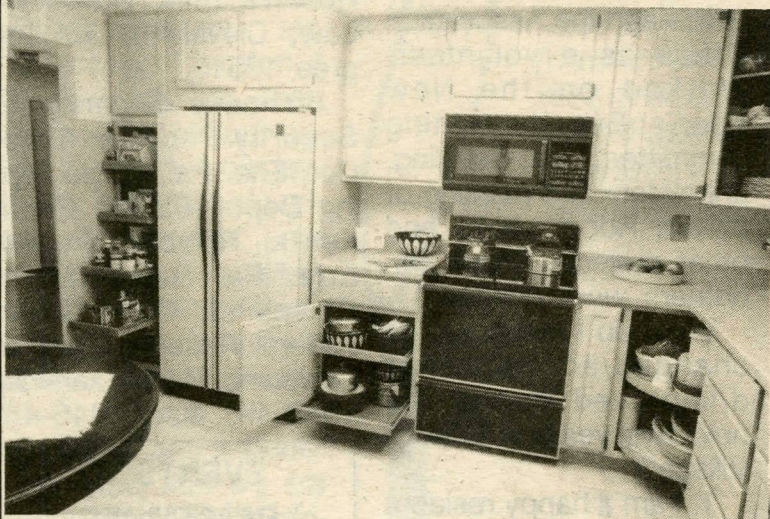

The program for the June 6 meeting will be on how to construct a wood shop work bench. Election of officers for the coming year also will be held.

shown. Bob Vanderhaven spent long hours taping it to show great strikes, some not so great, plus marvelous body action that has to be seen to be believed. The tape ends with highlights of the Luncheon Banquet with awarding of prizes at the Pt. Mugu Officers' Club in early March. It's narrated with voice over, in some segments, by Jack Whalen.

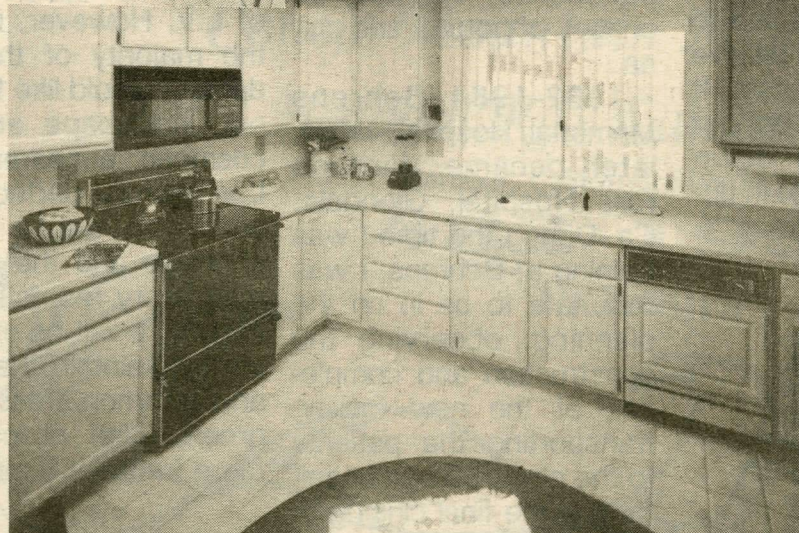

George Huddleston promises a bocce-shuffleboard tape at a future date and word has it that Art Kaufman is working on a documentary featuring the RV Club.

Maturing is the process by which the individual becomes conscious of the equal importance of each of his fellow men. Alvin Goesser

# Showcase Kitchens & Baths proudly presents

This kitchen features Merillat white washed oak cabinets, Corian counter tops, and color coordinated appliances, faucets, and accessories. The new layout contains the latest space saving features such as lazy susans, roll-out shelving, built-in bread boards and cutlery trays.

**Another beautiful kitchen remodel located in Leisure Village. Our referrals are our most important assets. May we present this lovely kitchen remodel recently completed for Mr. & Mrs. Poders in Village 26.**

# Candidates Review Their Own Experience,

**DAN DAVIS**

I was born in Chicago, Illinois in 1919 where I attended Crane Tech High School class of '36½. I took a specialized course geared around architecture while working for a general contractor after school hours. In January of 1937 I moved to Los Angeles where I worked in the construction field while attending extension division courses at U.C.L.A.

I married my childhood sweetheart in 1942, had two daughters and five grandchildren. All of them live close to me. I served almost four years in the Air Force during WW II. My last assignment was with the 54th Troop Carrier Sqdn. of the 11th Air Force based at Elmendorf Field near Anchorage, Alaska.

After military service, in approximately 1950, I went into business for myself as Dan Davis Development Co. and Dan Davis Realty Co. The Development Co. engaged in the construction of homes and commercial property while the Realty Company engaged in the subdivision of lots. I conducted these two businesses until retirement in 1986 when my wife Betty and I moved to the Village from the Van Nuys area. Betty

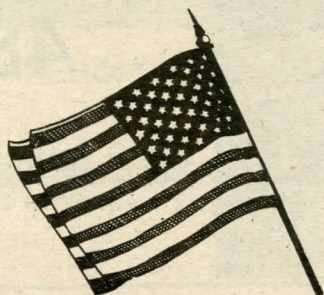

passed away in September of 1990.

Since residing in the Village, I have worked continuously on various committees. Architectural/Landscape Committee three years, two of which were as chairman. Later I served one year on the Finance Committee. Presently I am serving on the Purchase/Research Committee. I am an officer in the Billiard Club; active in the Sawdusters Club; have served on the board for the woodshop. I have drawn all the Village architectural plans for the past five years and continue to do so. I try to play golf in the Village everyday.

I have a love affair with the Village and expect to remain here. I like the atmosphere and the comforts and will do my part to keep and maintain it. I am a booster for the Village Committee System and Village Self Government and get satisfaction from being involved.

If elected to the Board of Directors, I'll welcome the opportunity to address myself to the more important problems facing us all: The water shortage and the Village physical and functional obsolescence. I hope my construction background and my management background will serve well with those problems.

We have a wealth of human talent residing in the Village and I'd like to see us tap into it. I believe we call it Volunteerism. It is one way to keep our Association fees down and keep our Village in tip-top condition.

**LUELLA KELWIN**

Full time Leisure Village resident since Nov 1984.

Paul and I have been married 43 years. We have one daughter, Judy, married and living in Glendale, Ca., one granddaughter, Lisa.

Education: Graduated from St. John, Kansas High School; United Airlines Stewardess Training School; Glendale School of Cosmetology. Attended Glendale Junior College, Glendale, Ca. and Coastline Community College, Fountain Valley, Ca.

Career experience: 1942-1946 Lockheed, Burbank, Ca. Aircraft wiring, then final checkout; inspection of crash items. 1946-1962 Gladding-McBean Franciscan-ware, Los Angeles, Ca. Management training in all departments; worked all phases of pottery and china.

1962-1984 Behrens Memorial Hospital, which later became Verdugo Hills Hospital, Glendale, Ca. During the time I was training at Behrens, I was fortunate to be in on the planning, observing the construction and completion of the new facility, transporting the patients to the new 150 bed hospital and the final closing of the old Behrens. I was

Credit and Collection Manager for six years. Represented the hospital on all legal collection accounts. Served eleven years as Business Office Mgr. in charge of Admitting, Emergency Room clerks, Communications, Insurance, Accounts receivable and Business Office personnel.

Leisure Village activities: Security and Safety Com., 5 yrs. (Secretary 5 yrs.). Nominating Com., member, 3 yrs. (Secretary 3 yrs.). Channel 12 Com., member 5 yrs. (Chaired, 3 yrs.). During the 3 yrs. I chaired CH 12 Com., I regularly attended the Advisory Board Meetings. Bocce Club, 3 yrs., Billiard Club, Sec, 2 yrs., Women's Club, Y.N.C.G., Emergency Services Organization, Swing Dance Group, International Folk Dance, Ballroom Dance Groups, Golf Club, Garden Club and Chinese Brush Painters. I have worked in the Recreation Office and the Association Office as a volunteer. Worked on the New Year's Eve decorating committee, car decaling, upholstery and painting of Billiard Room chairs and other projects where volunteers were needed.

What do I feel could be changed/accomplished/improved during the next two years in Leisure Village?

1. I am a happy resident of L.V. However, I'm like the majority of the residents; I would like to have our landscape and the cosmetic appearance of L.V. picture perfect. But, with the acute water shortage and the current mandatory restrictions on its use, it will be impossible to maintain the lawns and common areas a lush green. With proper and more frequent trimming of

# Qualifications, Ideas About Leisure Village

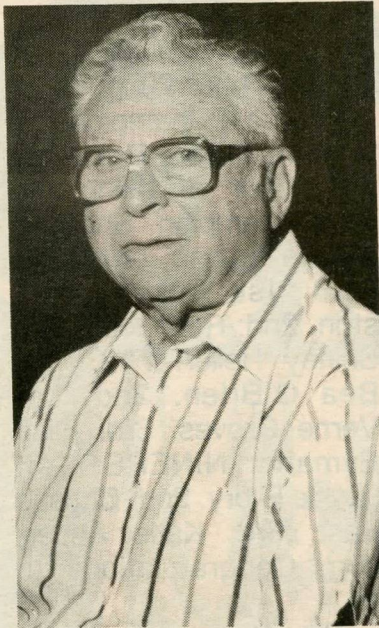

Supply Officer U.S. Naval Reserve 1944-46; Baker and Hostetler, Cleveland, Practice of law 1951-56; Case Western Reserve Univ, part time lecturer in Accounting while in law school full time 1958-60; the Cleveland Clinic Foundation (Medical group and hospital) administrative officer in charge of legal, financial and property matters 1956-70; Security-Peoples Trust Co., Erie, Pa. Vice President and Trust Officer 1971-79; Commonwealth of Pennsylvania Dept. of Banking, Trust Bank Examiner 1979-83. Retired Sept. 1983.

#### LVA Involvement:

Finance Comm 6 yrs. chairman last term; Security and Safety Comm 3 yrs, Ad Hoc Comm that drafted sweeping amendments to CC&Rs.

We purchased our LV home in 1977, and became residents on retirement in 1983. I have attended Board meetings, have worked on six annual budgets, and feel well informed on LVA affairs.

I feel that LV is well managed, financially sound, and I see no necessity for any major changes. The major problem is shortage of water, and studies are already under way.

**HERB ROBERTS**

For all intents and purposes I consider myself a native son of California, having moved to Los Angeles from Boston in 1923. I still remember Los Angeles as it was prior to World War II as a quiet town with very little traffic, no smog and very little crime. I saw all of these things disappear until I came to Leisure Village in 1989. You have created an enviable environment here. You may take it for granted, but to a newcomer it is a wonderful place to live, and I would like to do my part to keep it that way.

I graduated U.C.L.A. and went on to Southwestern University to get my law degree. After the war I decided against law and went into business instead. I owned a plant in South Gate that manufactured china toilets and wash basins. In 1970 I went to work for Credit Managers Association of California as a field man, taking charge of bankrupt firms.

It is easy to make suggestions as to what I would do if elected to the Board. Making suggestions without knowing whether it can be funded or if it has been tried before and discarded is not a proper approach. How-

ever I do have a few suggestions for the new board to consider.

I have had many requests from friends for a wider choice of T.V. channels in our basic cable costs.

Landscaping might be done cheaper by an outside contractor. He might also provide landscaping for individual homes at the homeowner's expense.

Water is probably being wasted\* in many homes through dripping faucets. We might be able to reduce our water bills by having the association service-men repair the faucet at no cost to the homeowner.

The CC&R's are interpreted too rigidly. Several homeowners have told me that they have made additions to their homes to comply with the CC&Rs, and after inspection, have made changes to give them what they want. A compromise position should be reached.

It is obvious from the short time I have been living here that there are two groups of homeowners. One group has an adequate discretionary income and wants a nice place to live and are willing to pay for it. The other group has a very limited discretionary income and the demands of the first group create a hardship for them. A compromise must be found between the needs of the two groups.

#### VILLAGE VERITIES

**BETTY SULLIVAN**

Education: Central High School, South Bend, Ind. 1940. Business and secretarial courses later on. Employed in school office 3 years in lieu of some classes, plus monetary compensation. Employed part-time in bank 1½ years while in high school.

Experience: Continuous banking departments, Civil Service and Office of War Information, Purchasing agent for A&P Tea Co, Underwriters Insurance Adjusting Company, Architect and Engineering companies; secretarial, accounting, personnel positions.

Retired 1972.

Moved to LV December 1978 with husband Joseph R. 1980 and '81 - Part-time employee of LV Assoc. Office. Since 1982 and currently, volunteer on as-needed basis.

LV Activities: Information for New Residents (now Meet Your Neighbor) 2 yrs- 1 yr. Chairman. Building & Grounds Committee, Security & Safety Committee. Clubs: Shuffleboard Club, Women's Club, Organ Club, ESO - CB/Communications.

What could be accomplished/changed/improved during the next two years in LV are tasks that can not be completed by any one member of the

Board of Directors, nor any single resident--and rightly so. No individual of the Village should have such power. Only by every member of the Board, a committee or the personnel staff, working together (not necessarily in unison) can we expect adjustments of LV procedures and conditions.

In my opinion, improvements could be made in the resident services and landscaping departments. The resident should be informed of all services available and more often than every two years.

When any Association employee promises to "look into" or "check out" a situation, they should do so and reply to the resident.

On the reverse of the coin it is important for residents to understand that our homes, recreation center buildings and grounds are aging. This naturally means more maintenance and many times complete renovation or replacement. The homeowner must recognize his responsibility to his own residence.

Also, every resident must learn by reading carefully the Association's monthly publication of the "Voice". So much time and expense could be saved with attention to the published information that is given. This paper covers ALL departments of LV, starting with the Board Minutes.

It is many people's opinion, and mine, these minutes could be more complete with facts and explanations. A Board member's name doesn't need to be shown in every sentence.

The key words of living in LV, is "be informed". We would be more tolerant, more friendly and

## L.V. WOMEN'S GOLF ASSOCIATION

By Betty Bruce

The L.V.W.G.A. have been congratulating Dorothy Caster and Jeddy Fornes for their holes-in-one on April 3. Dorothy on #10, Jeddy on #11.

The Ringer tournament is completed. Low gross results as follows: F1.A: Dorothy Caster, F1.B: Della Gageby, F1.C: Bea O'Brien, F1.D: Louise Houser, Niners: Shirley Baker.

The Scotch Twosome tournament on April 16 and 17 was, as always, fun but also frustrating. Why can't we make those little putts the way we usually do? The picnic lunch, hosted by the men, was delicious as usual. 1st place winners were Mary Whalen and Al Sullivan.

Regulation golf at Los Robles on April 18 was well attended. There were

48 players. The low net 1st place winners were: F1.A: Marge Kelly. F1.B: Corky Milman. F1.C: Esther Malkin. F1.D: Nettie Baum. Donna had an eagle on #4, low gross of 73, and only 28 putts.

The Club Championship winners: Donna Duke has the honor of being the Club Champion. She had a hole-in-one on #10. F1.B: 1st: Shirley Johnston. 2nd: Roz Golin. 3rd: Shirley Heller. F1.C: 1st: Bea O'Brien. 2nd: LaVerne Groves. 3rd: Elise Eymann. NINERS: 1st: Jackie Filbry. 2nd: Christie East. 3rd: Katie Anderson. Congratulations to all.

The Nominating Committee presented the following slate of candidates for July 1, 1991 to July 1, 1992. Pres, Donna Duke: 1st VP, Sylvia Tockerman; 2nd VP, June Rose; 3rd VP, Edna McCormick; Secy, Louise Houser; Treas, Cynthia Maier; corr secy, Betty Bruce.

Low gross for April was won by Donna Duke. Low net won by Bea O'Brien. The Niners: low gross; Katie Anderson. low net: Lee Whittinghill.

## DANCE WORKSHOP

By Evelyn McKay

At the May meeting of Dance Workshop the nominating committee presented a slate of officers for the 1991-92 term of office.

Nominated are: Rhoda Smithkin, Pres., Marguerite Abdelnour, 1st V.P., Sylvia Belsky, 2nd V.P., Ruth Tomales, Treas., Evelyn McKay, Rec. Secy., and Ida Kubica, Corr. Secy.

Election of officers will be held at the June 4 meeting. Members are urged to attend this important meeting to cast their vote.

An installation dinner will take place at the Golden Gate Restaurant on June 7 at 4:00 p.m. Following the dinner the new officers will be installed. We will then return to the AR for dessert and entertainment.

## BOCCE CLUB

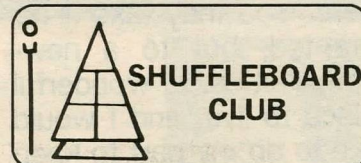

By Luella Kelwin

At the Bocce Club's April meeting, members and guests had the pleasure of being entertained by the LV Orchestra. Another specialty was Hal Hughes playing our old favorite tunes on his musical saw! They were great! After the program, refreshments were served.

We are looking forward to the May meeting. Ben and Rhoda Smithkin will be presenting a slide show of their recent trip to Hawaii. Ben and Rhoda present excellent programs and this is one you will not want to miss. Everyone is welcome!

Members: come prepared to buy your tickets to the June picnic; watch CH 12 for details.

The Club will be "dark" June, July and August.

## SHUFFLEBOARD CLUB

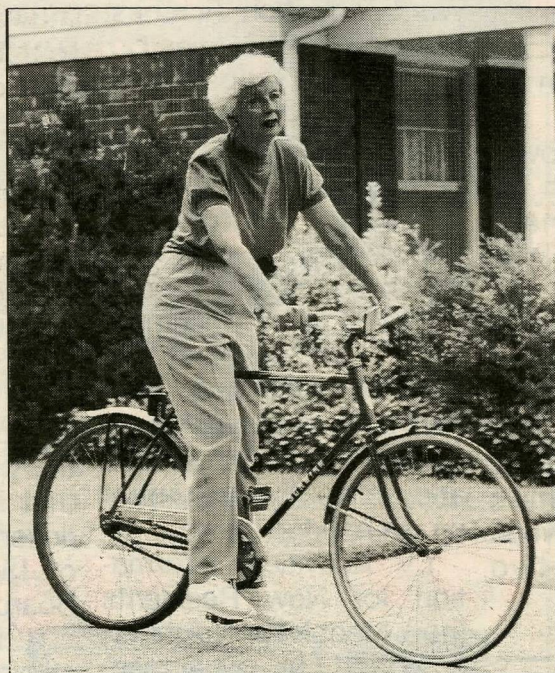

By Cy Maller

Pres. Nate Brod of the L.V. Shuffleboard Club announced that starting May 16, Thursday evening organized sessions will be resumed at 7:15 p.m. Installation of officers for the '91-92 term will take place at the June 4 meeting at 7:30 p.m. in the MPR. All members are reminded that the annual dues of \$2.50 will be accepted at the June meeting. A barbecue picnic is being planned for some time in July.

Education is what remains when we have forgotten all that we have been taught.

Marquis of Halifax

## "Yesterday, I had cataract surgery..."

## ...Today I can't believe my eyes!"

A new method of cataract treatment now lets you return to your normal lifestyle almost immediately after surgery. With SingleStitch™ surgery, the cataract is removed and a foldable lens is implanted through an opening so small it takes only a single stitch to close. (Compare that to the six or more stitches required by traditional cataract surgery.) This smaller incision means your naturally heals faster. And the quicker recovery means a quicker return to the things you love most in life!

KELWIN.....From Pg.16

the shrubbery, proper street care and continued maintenance on the structures, the Village can still be attractive.

2. Good Security is a high priority for all our residents. I commend the Security Dept. for their efforts to make this a secure place to reside. Equipment is not yet available for Security to properly screen outsiders coming through our gates. It would be my aim to provide Security with the equipment to make good security a reality.

3. Communication between the Board and the residents has greatly improved over the past few years but more can be done. The standing committees are the very heart of the operation of LV. I would encourage residents to become involved, to participate in the committees, attend Board meetings. This leads to a

greater understanding within the Village.

4. Since we have non-controllable cost of water, sewer, trash, cable TV, insurance and etc., it is essential that the items we do have control over be purchased wisely. The Purchasing Com. is very instrumental in keeping all costs in line. it is important that Management, the Board and the Purchasing Com. continue every effort to control costs to keep the monthly Association fee at a level

that is financially reasonable for everyone.

SULLIVAN.....From Pg 17

more considerate if we read about and listen to the information given us by many sources regarding our village.

As a prospective member of the Board, I can only give you my promise to continue to listen to you, endeavor to answer your questions and help you, as I have over the past 11 years.

## Superior Television Reception Assured Withing A Few Months

By Jack Whalen

Over the years many villagers have experienced rather poor TV reception on one or more channels, often Channels #2 & #4. All this will change shortly, according to General Manager Bob

Cullati.

"Only a few minor obstacles remain to be solved, all beyond our control," says Bob. "Once they are, we will start receiving 'line-of-sight' reception from Mt. Wilson, to the dish on a ridge high above Moorpark, and directly to our Village dish."

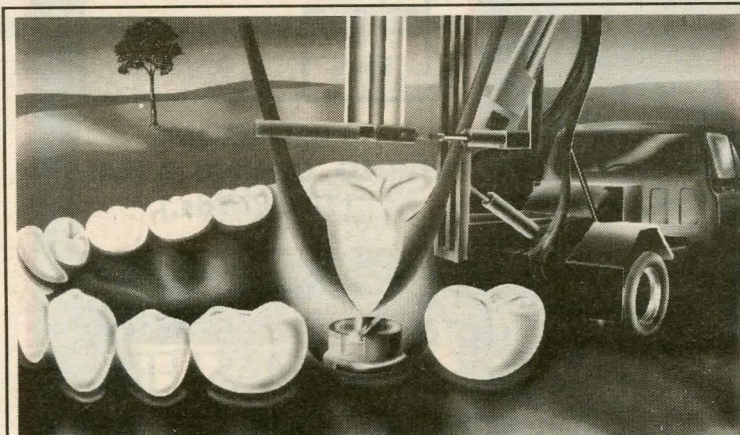

He explained that until the new system starts, the signal we have been receiving is refracted, with all its inherent problems.

"Within weeks," he promises, "we will be in a test period and soon thereafter, all stations should come in sharp and clear."

## Library Committee

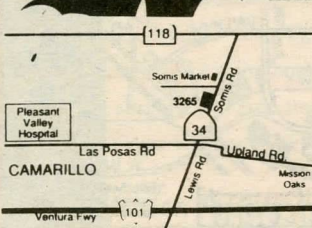

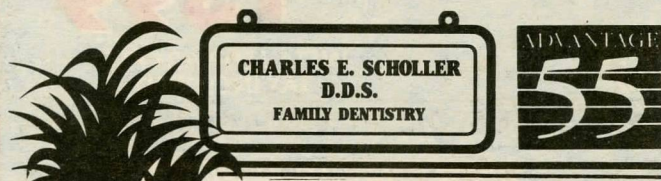

Library Committee wishes to remind you that the library is YOUR library. Suggestions for improvements are always welcome. However, the committee can not do everything alone.

Books from the library tend to get lost. Maybe they run away or get buried in someone's wine cellar. The committee asks that library-users check around to see if they are holding some innocent book hostage. Come home, books, all is forgiven!

### DENTAL IMPLANTS FILL THE VOID

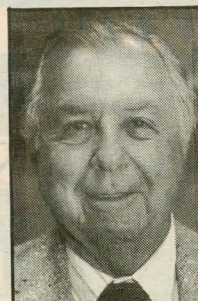

Teeth that succumb early to injury or disease are gone but rarely forgotten. Each time you chew or smirk or smile you are constantly reminded of a void in your life. If you have missing molars or roving canines (eye teeth), **dental implants** can effectively fill the bill. The L.V. Orchestra played five concerts in April, as reported in an earlier column. We don't have a single engagement for May, but so far we have three in June. We probably will not schedule engagements over the Summer because several of our people will be off on vacations. With only twelve players to start with, the loss of one or two makes a big difference. In some cases, the loss of a single player could require changing the program to suit.

Which brings me an unexplained mystery: Why won't other musicians in the Village join the orchestra? As of now half of our players are from "outside", and while we could hardly continue without them, we feel that the orchestra should be "of and for" the Village, and that the majority of players should be villagers. If you think that you are "too good for us" which I doubt that you are, then you should share your expertise to improve our level. If you feel that you are "not good enough", not to worry. If you are willing to put in a reasonable effort, we'll be proud to have you as one of us.

Musicians are a queer lot; we know that we are trained and skilled in doing something that few people in the Village can do: Play a musical instrument, and we like to show it off. How many of your friends know that you can play? We have three concerts in June in which to show our talents: The L.V. Board of Directors Meeting, the "Meet Your Candidates" night, and the Women's Club meeting. Rehearsals are every Thursday evening, 7 to 9 in the MPR.

*This months featured employee is our Secretary/Receptionist, Cindy Lopez.*

*Cindy has been with Conejo Mountain Memorial Park since November 1990. She is the smile that greets you and makes you feel at home when you walk through the door.*

*She was born in Pomona, CA and raised in San Dimas. Cindy and her husband, Herman moved to Oxnard after getting married in 1971. They have a daughter, Donna Marie, 18 and a son, Danniell age 13.*

*The love of Cindy's life is her 5 month old grandson, Christopher. He has grandma's smile and winning personality. He also has her wrapped around his little finger.*

*If you haven't met Cindy, we invite you to stop by for a cup of coffee.*

*Conejo Mountains Memorial Park is a very friendly place. We offer our families the opportunity to have their needs met in one location by professionals. We are a Funeral Home, Cemetery and Crematory nestled against the Conejo Mountains and amid farm lands.*

## CAMERA CLUB

By Marion Sevren

On the first Wednesday in April, the Camera Club held the monthly competition meeting. Themes were Statues and Open. Milt Mankoff took first place in Statues with his photo of a dramatic, green, sculptured hand. Sam Weinstein was second with The Fallen Adonis and Milt Mankoff third for Holocaust Remembered. In the Open category, a picture of Chinese

children playing cards called The Card Game, by Imogene Gregory was awarded first place. Second went to Sam Weinstein for Distortions.

On the third Wednesday, the Club had a slide show given by Sam Weinstein called "On the Santa Fe Trail." Sam who has been taking pictures since the age of ten drove to Santa Fe for an Elderhostel Program. At the first stop, Grand Canyon, Sam took many slides of this unusually beautiful scenery. In Santa Fe, he made slides of the town including architectural details of build-

ing, missions and museums. Sam covered art galleries and the Indian market plus examples of Southwestern art a la Georgia O'Keefe. On the return on 140, he went through the Painted Desert. Sam gave an excellent, well prepared narrative, at times accompanied by music on the history, art, and architecture of this Southwestern City. We had quite a few guests at this presentation and hope that some of you will be our guests in the future. See Channel 12 for future programs.

## Stroke Support Group

By Sandy Okum

"Your Neighbors Care Group" will sponsor a "Stroke Support Group" if interest is shown. The

"Stroke Support Group" at Pleasant Valley Hospital has been disbanded and feels that perhaps there are people here in the Village who would be interested in having a

group for Village residents.

If you have had a stroke or, if you are a care-giver of someone who has had a stroke, please call Marjorie Walters at 482-5817.

## THE CERAMIC PLUS CLUB

By Don Holmes

The April meeting of the Ceramics Plus Club hosted Celia Cantor whose sister, villager Muriel Summer is a member of the club and lives in V 28. Celia holds a Masters Degree in Clay and Glass. She demonstrated the three methods of clay construction, pinch, coil and slab. She had pieces showing examples of each method, and one with all of them combined in the single piece which was very interesting. She also showed one which was four cylinders which had been cut and assembled one inside the other to create one piece. This was also an interesting construction. Besides forming, she discussed glazing and firing.

In May the Club went to Santa Barbara City College for luncheon at the restaurant of their Hotel and Restaurant Management School. We have been there several times and highly recommend it. Since they sometimes have the entire restaurant reserved exclusively for groups like ours, a call for individual reservations is a must. If you happen to be there, however, and cannot get into the restaurant, they have an excellent coffee shop right next door.

After the meal we walked to the College Ceramic Shops, where they do all classes of ceramic ware, including Raku, which we cannot do here in the Village, and Glass, which is another field entirely.

See Channel 12 for the place and time of the June meeting - trip to Ojai is being planned which might be in place of the meeting. Also watch for the July Picnic in the Park, which will be on our regular meeting day.

## SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

In celebration of their 15th Anniversary, the Saturday Night Ballroom Dance Committee will host a gala evening on Saturday, June 22. Festive decor, special refreshments, and a choice selection of music from their extensive inventory of top dance bands recorded on tape will highlight the occasion.

Admission is \$1.50 per person. Purchase tickets M-W-F in the Rec. Cntr. foyer.

Our May 24 dance was hosted by Ben and Rosalie Miller and Sid and Ruth Dubin. For our June 8 dance, Ben and Rhoda Smithkin and Bernice and Harold Wells will be hosts.

Dancing from 8-11 p.m. in the A.R., regular admission only fifty-cents per person. Refreshments of coffee, tea, punch and ice are always available. BYOB.

We welcome all villagers, old-timers and newcomers, as well as visiting guests, to come and enjoy dancing and listening to top dance bands recorded on tape, playing favorite tunes at our Saturday Night Ballroom Dances.

## BINGO

The Wednesday evening L.V. Bingo Games returned after the "Oklahoma" blackout to a near capacity crowd hungry for Bingo action. Jackpots were up, more games were played and a fun evening was had by all. Bernie (Two-two) Silverstein, one of our regular callers, kept the crowd in good spirits throughout the evening with his inimitable manner of calling.

EDUCATIONAL WORKSHOPS AVAILABLE AT YOUR REQUEST

By Gertrude Kern

Staging OKLAHOMA was an ambitious undertaking, and the Players Guild is to be congratulated for the five excellent performances that over 1600 Villagers enjoyed.

The following deserve special mention: Joan Johnson for direction; Jackie Solway for production; Jack Beardsley for set design; Helen Gold for choreography and the entire cast on stage and production support backstage that put together an outstanding show. OKLAHOMA is a musical based on early frontier days, it calls for the energy, liveliness and verve of a nation in the making. It was almost unbelievable that seniors caught and maintained that spirit throughout the performance. Congratulations especially to Don

Pearlman (Curly), Sheila Sucher (Laurey), Dorothy Karlin (Aunt Eller), Bob Freedman (Will), Irving Weiss (Jud Fry), Irving Leeds (Ali Hakim), Sophie Lebetkin (Ado Annie), and Al Law (Andrew).

Players Guild was able to bring to the L.V. stage, youngsters from El Rancho Elementary School in a performance of "The Sound of Music". There was an outstanding turnout for this occasion. As always, Villagers strongly support community participation. The Guild was happy to make a donation to the school toward the cost of putting on the program. Through the efforts of Mrs. Carline Hamilton and other teachers at the school, these children had the opportunity to perform, and the Village the pleasure of being their audience.

**SPECIAL ANNOUNCEMENT:** Players Guild meeting/workshop Thurs. June 20 will be a "spoof" of OKLAHOMA.

The theme, a "roast" of Jackie Solway, producer. An opportunity to appreciate the collective wit, humor and talent of our performing members. Laughter guaranteed. Tell a friend, bring a friend June 20, AR 7:30 p.m.

## The Show Must Go On!

Talk about pluck!

During the Thursday performance of Players Guild's "Oklahoma," in the dream sequence at the end of the first act, Anne Janoff who played the dancing, dreaming Laurie, missed her footing, bumped against the scenery causing her to fall to the floor, and injured her wrist. She got right up, unnoticed by most of the audience, and finished the last few measures of music to close the scene.

Security personnel came to help her during the intermission, and she was taken to the hospital

Photo by Novick

### Anne Janoff with smile and cast.

where her broken wrist was put into a cast.

Anne was out of the second act on Thursday, but she didn't miss a scene or a beat during the performances on Friday, Saturday, and Sunday, cast on arm and all.

The spectacular lifts that dance partner Bill Fox

gave her had to be curtailed after the accident, but the audience didn't even realize that the dance had been modified.

Players Guild generates unusual loyalty and devotion among its members. Anne's "beyond the call of duty" performance is an example.

L.V.  
MEN'S GOLF  
ASSOCIATION

By Jack Whalen

The President's Cup, played the first two Tuesdays in May, is an annual event of 36 holes, medal play. This means total score minus your handicap.

Winning Flight A was Ted Rose, who, believe it or not, is president-elect for this coming fiscal year. His net score of 105 was just one stroke better, or shall we say less, than George Shimada.

Flight B found Dick Griswold with a 102 net, the lowest net of the entire tournament. His fine score was three shots better than second place finisher Carl Santangelo.

Harry Helmstead, with a 106 net captured first place in Flight C, with a tie between Tony Gregg and J. Schneider just one stroke behind.

May's regulation golf

was held at River Ridge. And the wind blew, and blew and blew and scores soared. Through it all, always dependable Harvey Shirk carved a fine 87 to take low gross honors. Low net in Flight A went to Warren Sugg, followed by Warren Stanfield.

Flight B found George Kroll firing a fine low gross to take top honors with Al Sullivan winning low net and a three-way tie for second place between George Fritz, Ernie Mueller and John Mason.

Indomitable Sam Saltus topped all in Flight C, winning by some ten shots over his nearest rival. Bill Sauers took low net with Coenraad Meyers close behind. All agreed, it seems, the wind played a major role in the high scores while the greens were reminders of putting on a billiard table.

The Mixed-Couples Tournament, played very late in April, was won by Ned Volan with a low gross 57. Tied for low net were George Kroll and John Rice.

Ryan Kelly took low net in B Flight with a tie for

second between Charlie Gilchrist and Cecil Gan-yard.

Flight C found Ernie Olmstedt winning low net followed by Al Walker.

The 1991-92 slate of officers promises to be a strong one. Ted Rose will assume the Presidency, with Charlie Bellante as 1st VP and Don Dance as 2nd VP. Ken Wilson will be Secretary with Al De-Fusco as Treasurer.

Have you noticed and enjoyed the new redwood benches on the tee at holes #12, 13 and 17? They are beautifully made and we are very thankful to George Kroll and Bob Bell for making them. The Association paid for the wood but George and Bob were the men who made them. Thanks for a great effort of time and skill, fellows.

The annual Installation Banquet, always a popular event, will be held Wednesday, June 12 at beautiful Saticoy Country Club. The luncheon promises to be super. Call Don Dance, Willis Sanders or Al Sullivan for ticket information.

## EYE PLASTIC SURGERY

## MEET YOUR NEIGHBOR

By Mary Erbsen-Kent

On Friday, May 26, 1991, Hildi Lustig, Chairperson of Meet Your Neighbor will introduce Dan Davis a member of the LV Architectural Committee who will offer information relating to requirements for residential alterations and other items of interest to all residents.

At our April meeting, John Russo, Chairman of LV Education & Recreation, gave a detailed explanation of the committee structure within the Village. Hildi also presented Louetta K. Westphal, M.D., who, in addition to being a surgeon specializing in cosmetic and reconstructive

surgery, has earned an MPH Degree in Public Health Nutrition. Dr. Westphal expressed her views on both subjects and then answered many questions from those present. A short presentation on the future programs of the LV Travel Group was given by Charlie Kent.

Our June meeting will feature Terry Craig, Maintenance Superintendent of LV who will tell us of landscaping problems, and the do's and don'ts of water usage.

Meet Your Neighbor gives an opportunity for new residents to meet villagers who have been here for awhile a chance to ask questions and to make new friends while enjoying cookies and coffee. Everyone is welcome. Please join us.

**INDOOR  
OUTDOOR  
GARDEN  
CLUB**

By Emma Norvig

Jerry Sortomme of Santa Barbara City College addressed the Garden Club at the May 9 meeting on the subject of water efficient and water conserving plants, trees and flowers. Illustrating his talk with beautiful slides, he described important characteristics of these types of plants, such as compatibility with the soil, each other, and individual water requirements. Members welcomed the information he shared with them and appreciated his refreshing presentation of the material.

The field trip to Santa Barbara was an unqualified success. The docent at the Santa Barbara Court House, the gourmet lunch at the City College, and a tour of Everbloom Nursery in Carpinteria, where acres of many colored gerbera daisies are grown, were all outstanding. Plaudits to Eleanor Nichols for arranging the outing.

Eleanor has arranged for another trip on June 18, which will include a tour of the Japanese Gardens in Encino, lunch at the Odyssey Restaurant in Granada Hills, and a visit to the Merle Norman Museum.

At the next meeting on June 13. Bill Ross, Garden Club Photographer, will offer a slide program of flowers. The quality of Bill's work is well known in L.V. and we are looking forward to a fine presentation.

As usual, refreshments will be served at 9:30 a.m. in the MPR. All Villagers are welcome.

Nature does not require that we be perfect; it requires only that we grow, and we can do this as well from a mistake as from a success.

Rollo May

**L.V.  
RACQUET  
CLUB**

By Len Koenig

The Racquet Club meeting was held on April 10 in the MPR. The main order of the evening was the forthcoming Mission Viejo weekend. Committee chairmen made their reports about the preparations under way for the big event. Rose Woronow and her crew will host the breakfast. Roy Lester and his able staff are preparing the picnic luncheon dividing the morning and afternoon play. All other plans are moving ahead full steam. The traditional evening dinner dance is expected to be super as usual.

Our membership roll has been increasing and more individuals are coming out to avail themselves of the fun and exercise experienced from playing the two types of tennis.

**GEM AND  
MINERAL  
CLUB**

By Don Holmes

The Gem and Mineral Club had a splendid slide show at its April meeting. President Bill Huffman showed his "Jewels of the Alps", a trip to Switzerland, from Chicago to Langnau, by way of Frankfurt and Zurich. This must have been a most interesting trip; the slides certainly were. Bill narrates it well, and his slides were gorgeous.

Dues are still due. The Nominating Committee will have a slate of officer candidates for the May meeting, with the joint meeting of outgoing and incoming officers in June, after which the new officers take over. Watch Ch 12 for programs; the meetings are on the fourth Wednesday of each month, at 7:30 in the MPR.

### FREE

#### SPINAL EXAMINATION

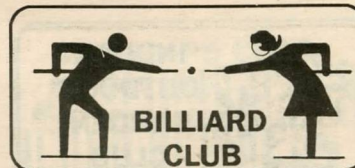

call for an appointment and you will  
receive a free spinal examination that  
will include one of each of the follow-  
ing tests: orthopedic, neurological,  
blood pressure, muscle strength, a  
spinal alignment analysis and exami-  
nation for restricted or excessive  
motion in the spine, plus a private  
consultation with the doctor.

## Annual Ritual

Well organized volunteers, headed by Nick Dahl,  
and security personnel made the annual decaling of  
L.V. autos quick and easy.

Photos By Novick

By Morley Goldberg

The Billiard Club thanks  
Bill Blauer and Russ Sie-  
vert for the donation and  
installation of the new  
pool table clock. It's a  
welcome addition to the  
Billiard Room decor and  
an accurate timepiece.

Painting of the chairs is  
proceeding on schedule,  
thanks to the unflagging  
efforts of Luella Kelwin,  
Anita and Larry Trindl,  
and Russ Sievert. Makes  
the room look newer and  
neater.

If you're interested in  
joining a Billiard Club  
bowling team, get in touch  
with Joe Rottersman,  
987-9831, who is trying to  
organize a group.

Did you attend the last  
meeting and learn more  
on the art of playing pool  
from the tapes shown?  
We will be videoing more  
at succeeding meetings  
so attend and improve  
your game.

Are you an afternoon or  
evening player? How  
about changing to morn-  
ings? There are always  
tables open and you  
should be able to play bet-  
ter when you're awake  
and full of vim and vigor!  
On top of that, you'll get  
the latest "gossip" before  
the later-in-the-day crowd!

With the sign-up of six  
new members, our roster  
is now 107 paid-up.  
C'mon--if you have not  
paid do it now. You can  
drop your \$5 in the box  
next to the bulletin board.

At the last meeting, six  
attendees won lottery  
tickets plus a \$30 certifi-  
cate for service from Ro-  
toRooter and a \$25  
certificate for two dinners  
at Country Harvest res-  
taurant. Maybe you'll be  
lucky at the next meeting.

Politeness is like an air  
cushion; there may be  
nothing in it, but  
it eases our jolts wonder-  
fully.

## HAPPY HOOFERS

By Dorothy Karlin

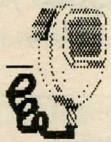

The Happy Hoofers celebrate the coming of spring not with a maypole dance but with extra tap dance practices. We don't want to be late for some very important dates in the coming months. By the time this column hits print, "Oklahoma" will be but a lovely memory. So it's onward and upward, shooting for that goal of a new stage floor.

We are looking forward to our installation of officers and to performing at

the Oxnard Shores Mobile Homes. That night will add to our coffers.

But the really BIG news is our upcoming show for the village! On June 26, the Happy Hoofers will take great pleasure in presenting our summer extravaganza entitled "Dances and Fashions". We will present wearable and most affordable fashions without once losing the beat.

The tickets will be \$3.50 and the time will be 2 p.m. in the AR. Watch Ch 12 for the start of ticket sales. We'll be looking for you to attend while we Keep On Dancin'!

## AMATEUR RADIO CLUB

By Ellis King

At the May meeting of the Amateur Radio Club, Bill Skellinger gave an interesting demonstration of the Portasol butane unit which powers a soldering iron and a "hot knife" as well as being a butane torch.

He also displayed the Uniden 300E hand held CB transceiver with accessories for base or mobile use -- a compact and versatile unit.

Marge May announced a new ARRL publication, "Now You're Talking,"

## SELF AWARENESS GROUP

By Maxine Fritz

The Self Awareness Group meets on Monday evenings from 7:15 to 9:00 p.m. in the Lanai Room. However, we will not meet on Monday, May 27, Memorial Day.

Understanding, accepting and forgiving the differences in another's opinions beliefs and behavior is the key to emotional maturity which leads to one's own peace

and happiness. We are all different personalities with different needs and preferences. Instead of attempting to change others, inflict our opinions and be determined to prove the righteousness of our beliefs and behavior--learn to accept and enjoy the differences.

It is our expectations that make us unhappy. When we expect others to think, believe and act as we do, we are setting ourselves up for unhappiness.

## EXERCISE GROUP

By Shiprah Maller

The L.V. Exercise Group is busier than ever. Besides the daily stretching exercises at poolside from 8:30-9:00 a.m., we are collecting our annual dues of \$2.00.

On June 14, we will have free donuts and coffee for all paid-up members at the picnic area at 9:00 a.m.

Then on June 21 our annual picnic will be at Mission Oaks Park. We will have a fantastic menu including half a skinless, broiled chicken, salad, baked potato, bun and margarine, soft drink, and cake for only \$5.50 each! Of course we will have our usual games and prizes but most of all we will all be together again with our friends.

A potluck dinner and card party is scheduled on Oct. 24 in the AR.

## HIGH TWELVE CLUB

By Gabriel Barkley

The High Twelve Club will hold its next general meeting on Monday June 17 at 10:00 a.m. in the AR. The guest speaker will be one of our own L.V. residents, Mr. Warren Eastham. Thirty-two years of his life were spent as an officer in the U.S. Army. He retired as a Lieutenant Colonel. Mr. Eastham is a veteran of the Second World War, a holder of the Purple Heart among other decorations. As the nation will have just celebrated Flag Day on June 14, Mr. Eastham will show the history of the American Flag on slides starting with the flag of the thirteen colonies under British rule. With such a broad military background, Mr. Eastham's talk should be most interesting.

During our social half

## DUPLICATE BRIDGE

By Lou Dektor

New players are continuing to join the L.V. duplicate bridge ranks.

During the month of April the following persons began their duplicate playing: Helen Tangren, Morris Vrouble, Jules Wintz, Trudy and Harold Wolpa.

This also was a good month for other residents of L.V. to get in their first duplicate games. There were: Donnie and Bill Wei-

hour prior to the meeting while everyone enjoys coffee and donuts, we will be entertained by the Camarillo Band playing martial music befitting the occasion. We hope there will be a good attendance at this meeting honoring Warren Eastham, our Camarillo Band and our American Flag. Everybody is invited.

gel, Frances Seamster, Rubin Finkel and Edwin Pollaine.

The individuals in April getting the most wins with different partners were: Eleanor Girard and Lou Mickelson.

Partnership winners of the month with three wins were: Midge and Lou Dektor. This included a 77% game.

Duplicate bridge games are held four time weekly in the GR. Times are Mondays at 1:00 p.m. and 7:00 p.m., Thursdays at 1:00 p.m. and Fridays at 7:00 p.m.

Try our friendly games. You'll like it.

**SOLO CLUB**

By Monica Alves

Several Solo Club members enjoyed three days in San Diego early this month. They traveled by Amtrak, and spent the time visiting the zoo, touring downtown San Diego, and shopping.

On May 23, a large group of members had a delicious dinner at Top of the Harbor Restaurant in Ventura.

Activities for June begin with the Round Robin Bridge Awards Luncheon on Friday, June 7, at noon in the MPR.

The potluck dinner will be on Friday, June 14, at 6:00 p.m. in the AR. A-G bring dessert; H-O, salad; and P-Z, a meat dish. Entertainment will be by the Santa Rosette Cloggers, who range in age from 4 to 40. The date for our July dinner out will be announced at this potluck.

Regular brown bat meeting will be on Friday, June 21, at 12:30 in the GR. Members are encouraged to invite other single residents to join us.

When I hear somebody sigh that "Life is Hard," I am always tempted to ask, "Compared to what?" Sydney Harris

## A Fable:

# The Care And Nurturing Of Rara Avis: Voluntaris Publicus

By Betty Murray

The Voluntaris Publicus is a bird much prized and sought-after by public groups, agencies, organizations engaged in activities ranging from the most serious to the most frivolous.

Voluntaris Publicus is courted, his feathers preened, his vanity is puffed up with words of utmost support and confidence. When he accepts his commitment (and that is the value of this bird-volunteering), he is placed on the highest perch in the area, and allowed to do his thing, whatever that might be.

Some Voluntaris can work unaided by "constituents" and almost ignored. Other Voluntaris are quite sensitive to the opinions of the general Publicus and must be given regular doses of appreciation. Members of the Publicus sub-group are often forgetful of the burden they have placed upon Voluntaris, and must be prompted to give the bird acknowledgement and credit for his wisdom and accomplishments.

Many members of the Publicus group also take turns at some Voluntaris level in their organization, so must understand the sensitive nature of being

on the top perch and making decisions for others. It isn't always comfortable because birds from the bottom of the cage sometimes make squawks and demands and criticisms without knowing the total circumstances governing the case.

To keep your Voluntaris happy and on the job, remember to serve him regular helpings of praise and gratitude, and keep the complaints to a minimum. He certainly deserves the kudos, and his salary will not be affected. Remember, if he acts too much like a dictator, he can be overthrown at the next election.

## NEW SERVICE BLIND CLEANING SPECIAL

**\$12<sup>50</sup>  
EACH**

Any size blind, up to 8 feet.  
Includes: Removal and reinstallation.  
5 blind minimum.  
Not Valid With Any Other Offer

After thoroughly looking into the methods available to clean blinds, we chose what we believe to be the most advanced process possible today. It is called the HPA System 90, and is the safest way to clean your blinds and verticals without any chance of the paint being removed. When we rinse them, we use a special water that will not spot. This process is a step ahead of ultrasound and power wash currently being used.

### Measure "G"

Although we generally don't talk about political things in this paper, we consider Education so important that problems of the schools cannot be ignored. We know many people with grandchildren are sure to be concerned. On page 31, we offer "The Facts" as submitted by the Pleasant Valley School District, for your information.

## Pleasant Valley Elementary School District Fact Sheet

Please see "Measure G" on page 30

On Tuesday, June 4, 1991, the Pleasant Valley Elementary School District will ask every voter in the community to consider Measure "G". Measure "G" allows a bond issue of up to \$75 million over a 25-year period which will rehabilitate Camarillo's schools and build new classrooms in the district.

### OUR CLASSROOMS ARE OLD.

One-third of the schools in the district are over 30 years old. If they are to continue to serve the students of our community, they need major repairs now.

### ENROLLMENT IS INCREASING IN OUR SCHOOL DISTRICT.

Our student population is growing. The district must find room for an additional 3,600 students in the next eighteen years.

### BOND MONIES WILL NOT BE USED FOR SALARIES.

All of the money raised from Measure "G" will go directly to local school facilities. The money cannot be used for administrator salaries or normal operating expenses.

### PLEASANT VALLEY'S SCHOOLS NEED IMPROVEMENTS.

The Pleasant Valley Elementary School District must bring the electrical, heating, and plumbing systems up to standard code now.

### THE LOTTERY WILL NOT PAY FOR NEW CONSTRUCTION.

State law specifically forbids the use of lottery funds for the acquisition of real property or construction of facilities.

### THE BOND MONIES RAISED WILL BE USED IMMEDIATELY

Measure "G" funds will be used to remove harmful asbestos throughout the district; add new permanent classrooms for the children of the district; upgrade heating, plumbing, and electrical systems in classrooms; renovate existing facilities; and supplement state funds to build new schools.

### EVERYONE IN THE PLEASANT VALLEY ELEMENTARY SCHOOL DISTRICT WILL BENEFIT.

Passage of Measure "G" will benefit all Camarillo students and their families. Quality educational facilities enhance property values and community image.

### THE COST OF MEASURE "G" IS VERY REASONABLE.

Measure "G" will do all of the things listed above at a reasonable cost not to exceed \$35 per year per \$100,000 of assessed valuation. The typical homeowner in our community will be asked to pay \$1.95 per month to provide Camarillo's children with the room they need to learn and grow.

## LV Racquet Club Hosts Costa Del Sol From Mission Viejo

By Len Koenig

The weekend of April 13 ushered in the long awaited paddle tennis tournament between the Leisure Village Racquet Club and Mission Viejo teams. The latter came up

tournament between the Leisure Village Racquet Club and Mission Viejo teams. The latter came up

Rapt observers watch tennis matches between L.I.V. and Mission Viejo.

Eating was a big part of successful weekend.

Photos By Novick

with their supportive entourage of spouses and friends from Costa del Sol Village. It was a beautiful day for the scheduled activities -- clear, sunny, temperate weather.

This was the eighth annual contest since the inception of the games in 1984 between the two villages. Each club hosts the games on alternate years. The two rival teams had been practicing for months for the big event. Eighteen paired teams (thirteen men's and five women's doubles) battled it out on the courts to the delight of an enthusiastic crowd of spectators.

The number of winning sets for each side saw-sawed back and forth and it wasn't until the very last game (a tie-breaker no less) that the event ended in a 9-9 overall score between the two clubs. Since it was a tie, the beautiful prized and coveted trophy will remain in the possession of Mission Viejo who had won it the previous year. To date, statistics indicate that each side has won three times and wound up twice in a draw!!

Budd Samuels was in charge of organizing the home team. He was aided by Jack Kassel and Kay Bell. Madeline Brooks managed the visitors. The regular tennis courts were not neglected and several spirited matches were played although the results did not figure into the tournament scores.

Presidents Max Farber for Leisure Village and Woody Woodard for Costa del Sol greeted guests at a splendid banquet held in the evening to end what has been considered one of the finest get-togethers during the past several years. The LV Racquet Club members are looking forward to the continuation of these annual games which help to solidify the friendships formed.

It's over for now, but --- WAIT UNTIL NEXT YEAR!!!

## Camarillo Children Need Our Support

Your YES vote on Measure G will provide for the Pleasant Valley Elementary School District to build the Woodcreek Site School (behind Von's Grocery) and other needed renovations to existing schools.

\*We must find classroom space for an additional 3,600 students in the next 18 years (per District Master Plan).

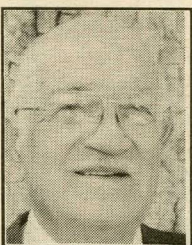

\*One-third of the schools in the district are over 30 years old and need major repairs...now.

\*Measure G funds will provide new classrooms; remove harmful asbestos; bring heating, plumbing, and electrical systems up to standard code; renovate facilities; and build needed new schools.

\*State law forbids the use of lottery funds for construction projects.

\*The cost is reasonable and determined by one's assessed valuation. The typical homeowner will pay about \$23.00 per year or \$1.95 per month.

\*The quality of education our students receive will be determined by your YES vote on Measure G.

"It's difficult to maintain pride in our schools when they are falling down around us. Our community now has a chance to fix our schools by voting YES on Measure G. Since we can't count on funds from the state government, we must make our own investment in our kids and the quality of education we give them. Please vote YES on Measure G on June 4th."

Senior Senator Joseph Gaynes,  
California Senior Legislature

"With the growth of the city, it is inevitable that our schools will be overcrowded unless we continue to provide suitable facilities. Further, many of our current facilities have suffered due to lack of adequate funding from the state. Since we cannot count on funds from the state in the foreseeable future, it is imperative that we as the citizens of Camarillo and the surrounding area support Measure G."

F.B. "Bill" Esty  
former Mayor, City of Camarillo

"Having children attending school in Camarillo I have witnessed the significant growth in population. Measure G is of utmost importance to the continuation of the excellent education our students receive. It is imperative that we continue to meet the needs of our most prized possessions---our children. Please support Measure G."

Kathy Swenson  
PTA President, Las Colinas School

## Affirmation To Celeste

On the occasion of our 50th Anniversary

By Leon Kaplan

Could we have shaped a life and love--dear heart--  
Had we not shared a vision long ago--  
Or fought so hard and parried every blow,  
And marched, as one, from worlds so far apart?  
Could we have come to this, without the might  
Of friendships, grown and nurtured through the  
years--

Through storm and stress and all the laughs and  
tears--

Though worlds have changed and loved ones fade  
from sight?

This life and love of children and of friends--  
How will it play--what will be fresh and new,  
As a new century looms into view?  
Who can foretell--or where and how it ends?

Though vision blurs, and oft all seems askew--  
Our book is incomplete--more chapters due!!!

## Is There An Answer

By Lillian Wallace

We might have won the war,  
But, have we lost the peace?  
Is this what we've achieved for them,  
Anguish, that won't ease?

As they trek across the desert,  
Dragging life along the sand--  
Thirsting for an answer,  
One they will understand.

What is their sin, where did they fail?  
When will Allah hear their plea?  
Why does the desert just keep stretching on,  
There is nothing else they see?

The air is filled with anguish,  
It rides upon the tongue--  
And rises towards the heavens  
On the ears of old and young.

Do we know where we have failed,  
Why it never came to be--  
We fought, we died, we gave our all,  
What does it take, just to be free?

While they trek across the desert,  
Despondent, sick at heart--  
What do they tell their children,  
Where are the words, where do they start?

## CLASSIFIED

ILV regulations permit us to accept classified ads only from L.V. residents for properties which they own personally or ads which offer jobs or services to Villagers exclusively. Please deposit your ad on a full sized sheet of paper, along with one dollar, in the ILV box which is next to the Sewing Room door. **No checks**, please. Name and address of person submitting ad must appear on submission but will not appear in publication. ILV reserves the right to refuse ads if these guidelines are not followed. Repeat ads must be resubmitted.

## CYNICALLY SPEAKING

By Esther Robbins

We hide behind our smug facades  
And fool the world with glee,  
They think that we are someone else  
When all we are is "we"...  
They might not like the things they'd see  
If they could look behind,  
Or think we're even half as nice  
If they could read our minds...  
We never say the things we mean,  
Or mean the things we say...  
So no one knows us as we are,  
It may be best that way...

## YOUR EYE CARE

## WHAT IS MACULAR DEGENERATION?

As the eye looks straight ahead, the macula is the point of the retina upon which the light rays meet as they are focused by the cornea and the lens of the eye. Similar to the film in a camera, the retina receives the images that come through the camera-like lens. If the macula is damaged, the central part of the images are blocked as if a blurred area had been placed in the center of the picture. The images around the blurred area may be clearly visible.

Macular degeneration is damage or breakdown of the macula. The eye still sees objects to the side, since side, or "peripheral" vision is usually not affected. For this reason, macular degeneration alone does not result in total blindness. However, it can make reading or close work difficult or impossible without the use of special low vision optical aids.

The retina is the delicate layer of tissue that lines the inside wall of the back of the eye. The macula is a very small area in the center of the retina. In size, the macula is about the same as a capital "O" in the type of this article. This small area is responsible for our central "straight ahead" sight used for reading and other fine tasks.

Macular degeneration can cause different symptoms in different people. Sometimes only one eye loses vision while the other eye continues to see well for many years. If both eyes are affected, however, reading and close-up work may become extremely difficult. Macular degeneration alone does not cause total blindness. Since side vision is usually unaffected, most people can take care of themselves quite well.

Macular degeneration can be detected and diagnosed early by an ophthalmologist if periodic eye examinations are part of health care. Early detection is important since people may not realize their vision is impaired. Having your eyes checked is especially appropriate if other family members have a history of retinal problems. For patients with macular degeneration, early diagnosis by an ophthalmologist may prevent further damage or help the individual in making a visual adjustment with low vision aids.

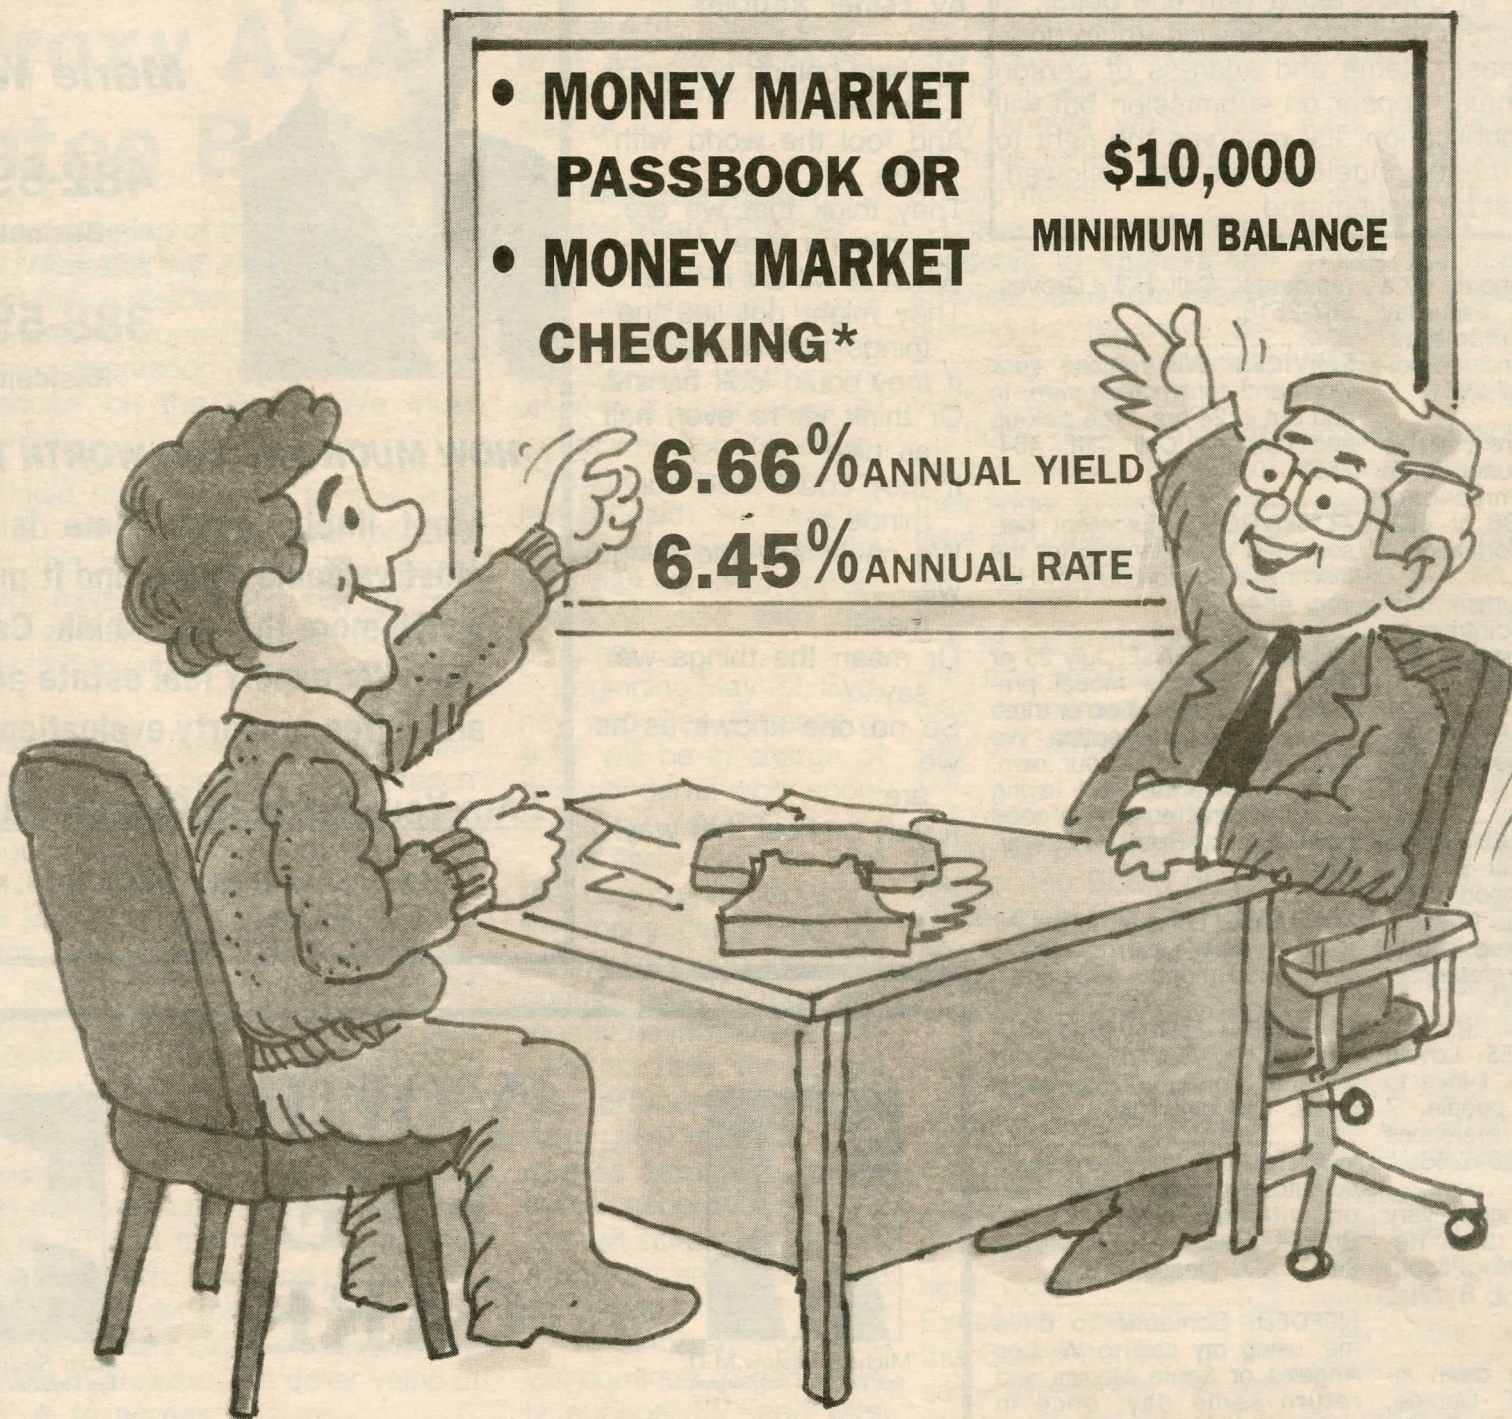

If you have any questions about other eye problems, call our office for more information.
