SEVENTEENTH
ANNUAL
COMMENCEMENT
CALIFORNIA
STATE
UNIVERSITY,
FULLERTON
MAY 28, 29 & 30, 1976

MESSAGE FROM THE PRESIDENT

It is a special pleasure, in this bicentennial year, to welcome you to the campus of California State University, Fullerton. For at commencement exercises here today, we both recognize the academic achievements of the Class of 1976 and the educational values that have enhanced the prestige of our nation over the last 200 years.

During this, its seventeenth year, the University is holding eight separate graduation ceremonies. In this way, programs can be personalized to individual groups and students can be given individual recognition. As a consequence, the experience is more meaningful for all concerned.

May those completing degree requirements at this time in the years ahead lead lives of greater depth, scope and productivity because of knowledge acquired at CSU Fullerton.

L. Donald Shields
President
California State University, Fullerton

School of Mathematics, Science and Engineering Exercises (Including Computer Science and Environmental Studies)	43
Acknowledgements	47

EXPLANATORY NOTES

LISTS OF CANDIDATES: Students eligible to participate in the 1976 Commencement exercises are January 1976 graduates and June 1976 and August 1976 candidates for degrees. This program does not constitute an official degree listing. The appropriate diplomas will be issued to candidates who have completed all requirements.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages follow: Honors, 3.5; High Honors, 3.85; Highest Honors, 4.0. Honors and High Honors notations appearing in lists of June 1976 and August 1976 candidates are based on the student records at the end of the fall semester 1975. Highest Honors notations are carried only after the students either have completed their degree requirements or performed at the 4.0 level in their final courses. Official designations are dependent upon the students' complete records.

CARILLON: Aided by a contribution from the Friends of the State University, Cal State Fullerton in 1975 installed a Schulmerich carillon. Westminster chimes and hour strikes are produced by five tiny bell-tone generators of bronze, struck by miniature clappers. The tones then are electronically amplified and transmitted through speakers mounted on the Library roof. Through its amplification system, carillon music recorded on magnetic tape is played for Commencement and other special events.

PHOTOGRAPHS: Guests wishing to take photographs during the exercises are requested not to block the view of others or to enter the area between the audience and the platform.

FOOD SERVICE: Beverages, cold sandwiches and snacks will be available for purchase from McTitan's, located immediately northeast of Langsdorf Hall. It will remain open until the start of the final exercises on each day of Commencement. In addition, there will be receptions after most of the exercises.

SMOKING: Please, no smoking during the exercises.

EMERGENCIES: Personnel from the Student Health Center and the University Police Department will be on duty to provide aid in the event of emergencies. The emergency phone number is 870-3333.

LOST AND FOUND: The University Police Department will operate a lost and found service during the exercises. The phone number is 870-2515.

REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are common and uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctor's degree. The bachelor's and master's gowns have no trimmings. The doctor's gown is faced down the front with black velvet and three bars of the same material across the sleeves — or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctors' caps have gold tassels.

TRIMMINGS: Color trimmings on doctors' gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters; and light coffee (drab), Business Administration.

THE MACE: The mace, first used in 1975, was designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973 and Master of Arts in Art in 1976. The design of the mace reflects the University's architecture, colors (blue and white), and location — the site of the first commercially grown Valencia orange grove. The stem is of cocobolo, a wood orange in color, while the University's colors are represented through the use of ivory and niello. At the top of the mace is the University seal.

SPECIAL HONORS DINNER

May 28, 1976

8:00 p.m.

Commons II

WELCOME Ivan L. Richardson
Vice President, Administration

REMARKS L. Donald Shields
President

SCHOOL OF MATHEMATICS, SCIENCE AND ENGINEERING

May 28, 1976

5:00 p.m.

Green West of Music-Speech-Drama Building

PROCESSIONAL "Pomp and Circumstance"

(Faculty Marshal: Richard C. Gilbert, Professor of Mathematics)

INVOCATION Richard C. Gilbert

WELCOME L. Guy Donaruma
Dean, School of Mathematics, Science and Engineering

INTRODUCTION OF SPEAKER David L. Walkington
Associate Dean, School of Mathematics, Science and Engineering

ADDRESS Frederick Reines
Professor of Physics, University of California, Irvine

PRESENTATION OF AWARDS FOR GRADUATION WITH HIGH HONORS Mary Mark Zeyen
Vice President, Academic Affairs

RECOGNITION OF HONOR CANDIDATES Mary Mark Zeyen

PRESENTATION OF ACADEMIC UNIT CITATIONS Mary Mark Zeyen

PRESENTATION OF DEGREE CANDIDATES L. Guy Donaruma

DEPARTMENT / DIVISION / FACULTY / PROGRAM CHAIRS: Marvin J. Rosenberg, Biological Science; Carl F. Prenzlowl, Chemistry; Ronald W. Colman, Computer Science; Margaret S. Woyski, Earth Science; Eugene B. Hunt, Engineering; Richard R. Brock, Civil Engineering / Engineering Mechanics; Jack E. Kemmerly, Electrical Engineering; James J. Rizza, Mechanical Engineering; Prem K. Saint, Environmental Studies; Michael H. Clapp, Mathematics; Edward L. Cooperman, Physics

SYMBOLIC HOODING Giles T. Brown
Dean, Graduate Studies
Robert C. Belloli
Chair, Faculty Council

CONFERRING OF DEGREES L. Donald Shields
President

RECESSIONAL "Pomp and Circumstance"

A reception south of the Commons will follow.

SCHOOL OF MATHEMATICS, SCIENCE AND ENGINEERING

MASTER OF ARTS IN BIOLOGY

JANUARY 1976

Laurence K. Grill
Robert Settineri
