Dearest Patricia:

Disregard my
other note. My eve-
ning commitment
is not going to mater-
ialize, so I'll be at
home the rest of the
afternoon + evening.

And I'll welcome
a buzz from you any
time you get in.
Your loving self. - Carl.

The tomatoes are part
of some that were given
to me by Clarice
(Mrs. Snark) Gale.

I had a waffle
breakfast & nice
visit with them
this morning.
