Dear ~~Miss Tolmach~~ *Jane*:

After a careful study of reports from most of the states, I am convinced that Stevenson and Kefauver will be elected November 6th -- provided they carry California. If you believe with me that this nation -- indeed our world -- needs a dedicated Democratic administration, then you understand the stakes.

I have written today to the volunteer Democratic workers throughout the state emphasizing that the margin of victory may be in their precincts. These devoted people will not fail us, but they cannot do the job alone. Money, as well as shoe-leather, must be expended. Frankly, we must again turn to our few loyal friends, and it is in this spirit that I am writing to you, asking for immediate help. Your contribution, from \$100 to \$1000 will help tremendously toward a Democratic victory in November.

Half of your net contribution will remain here to strengthen our California campaign, while the other half will go directly to the National Committee to be used for television, radio, and other national campaign purposes. Would you please send your check, payable to the Democratic National Committee, in the enclosed stamped and addressed envelope?

Yours for a Democratic victory November 6th.

Sincerely,

*Paul*
