Camarillo officials to speak at LV

Representatives of Camarillo city government will return to Leisure Village's Assembly Room on Friday, Oct. 12, at 7:30 p.m. to report on current projects and future plans for our city.

This annual visit by our city's officials is informative and has been well-

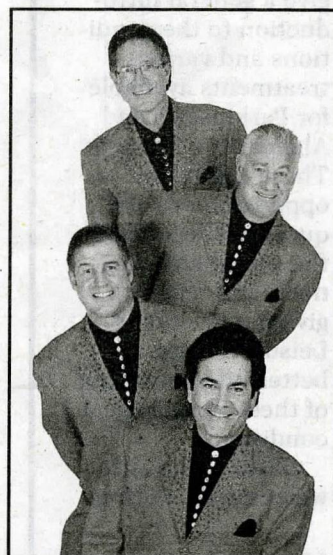

received. Questions and answers are welcome.

Mayor Jan McDonald will be accompanied by Mike Morgan, longtime City Council member; Jerry Bankston, city manager; Bob Burrow, Camarillo planning director; and Tom Fox, public works director.

The usual slide presentation will illustrate discussions on completion of the new library, completion of Old Town improvements, and the conversion and remodeling of older shopping centers to include up-to-date shops, a pedestrian mall

and apartments.

Leisure Village is a part of Camarillo and is affected by developments in our city. Friday, Oct. 12, at 7:30 p.m. in the Assembly Room is your opportunity to hear and question our city officers.

It will be a trip down memory lane for kids of all ages as this vocal quartet presents an array of timeless 1950s hits. Aren't sure if you remember the words? Come join the fun, and you will most certainly be surprised at how quickly those cobwebs disappear! Please see **DIAMONDS** on 2

By Jerry Spector

The 3rd annual Pumpkin Festival is now in full swing and is looking for those Villagers who want to display their creativity.

The Pumpkin Festival will be held on Monday, Oct. 29, at 1 p.m. in the AR. It will be a day of fun, food and entertainment — one you do not want to miss.

This year, the Pumpkin Festival is being co-sponsored by the Leisure Village Camera Club and Farmers Club. The Rec Center will provide popcorn and punch, coffee and tea. Those LV residents who signed up to compete will provide a variety of chili and pumpkin dishes, and the pumpkins promise to be another outstanding display of hidden

Assistant GM is a perfectionist

By Milan Weiss

Mary Hurt is the Assistant General Manager of Leisure Village. She has worked for the Village for five years. She is a wonderful accomplished lady, hardworking, and she fills this position with a passion to do the best job possible. She applies her thinking as a perfectionist to the job and is additionally an understanding person. Leisure Village has a gem!

Mary is married and has three daughters and five grandchildren. She was born in Emporia, Kansas, a town with a population of approximately 27,000. It is basically a two college town with a history that goes way back.

She attended Kansas State Teachers College. Her ambition, at that time, was to become an elementary school teacher. That didn't occur, by her own choice, and she decided to go to work at the Emporia Public Library as an assistant reference librarian. She worked for the library for five years.

She believed that opportunities for younger people were not in Emporia, so she decided to

move elsewhere.

She moved to South Gate, Calif., and went to work for Ducommun Metals in the City of Vernon. While living in South Gate, she and her husband had the mischievous fun of crashing Hollywood parties. And with reason: Her husband was and is an actor, and they knew others in the industry.

Her husband Keith was raised in a bed and breakfast that catered to the acting community. To drop a few names, Benny Hill and Greer Garson were occasional guests.

Mary worked for a company named Mallinckrodt Chemical in the City of Vernon as an inventory control clerk. And guess who was the manager of this company? None other than past Leisure Village Board Member Nick Fiore.

Mary also worked for Rockwell International on the B-1 Bomber program, where she was secretary in four programming departments. While at Rockwell, she received an Employee of the Year Award and also won Employee of the Month awards twice.

Mary and her husband managed to travel from

Mary Hurt has assisted the general manager for five years.

time to time and once spent six months touring the continental United States. They were in all the states except Louisiana. Her favorite vacation spots are the New England states.

They had a particularly momentous occasion in Plains, Georgia. They had the pleasure of attending a church Sunday school class that was taught by past president of the United States, Jimmy Carter.

Mary is striving to increase her knowledge of homeowners association management. She is taking classes to become certified. She has taken the first two tests and, as of this writing, is awaiting results.

Her personal interests are varied. For sports, she is just beginning to enjoy soccer. She loves to do puzzles and likes to read biographies and World War II history. She likes movies and loves the theater and plays. She enjoys cooking and baking. She favors Italian food and Chinese food on occasion.

Mary and her husband have been active in community theater and the arts. She has been on the board of directors of the Downey Civic Light Opera Association. She has been the president, secretary and hostess coordinator of the Friends of the Leland R. Weaver Library in South Gate. She has served the Huntington Park and La Mirada Community Theaters as secretary to the director, stage management and costuming. She was a board member of the South Gate Museum. Additionally, she once did all the work in putting on the Annual Azalea Festival. She did the whole thing!

How's that for a diversified Leisure Village Assistant General Manager?

You can't say she lets a lot of grass grow under her feet. She is very active, she is very giving of her time in helping others and she does all this also for the Village.

She is a very friendly, knowledgeable person — a true asset to the Village.

Alzheimer's talk Oct. 12

By Mary Jane Porter

Your Neighbors Care Group will be presenting Dr. James P. Sutton, neurologist, speaking on Alzheimer's Disease and Parkinson's.

His presentation is Friday, Oct. 12, at 10 a.m. in the MPR.

He will give a general introduction to the conditions and various treatments available for Parkinson's and Alzheimer's Disease. There will be an opportunity to ask questions regarding the treatment, diagnosis and research, giving residents of Leisure Village a better understanding of these neurological conditions.

Please join us to welcome Dr. Sutton.

VILLAGE HAPPENINGS

THE GOLDEN YEARS

**By Robert Maclean
Senior Deputy**

I would like to inform you of a program we are going to start here in Camarillo that involves sending crime information out to residents.

The idea behind the program is to use e-mail as another avenue to get important information out to the community regarding current crimes and crime trends.

The purpose of sending the information out is to educate the public about current crime trends in the hopes that you can be better prepared to identify suspicious and possibly criminal activity and report it to the police.

Do you want crime updates sent to you through e-mail?

This program has been in place in the city of Thousand Oaks for a few months now, and they have already had some success with it. An arrest of a burglary suspect was made after an alert citizen observed a vehicle that was described in one of the e-mails sent out.

I envision sending out a few e-mails a month, depending on current crime trends and what information our detective unit feels is appropriate to release to the community. I do not want to inundate people with these e-mails, and e-mail addresses will not be shared with anyone.

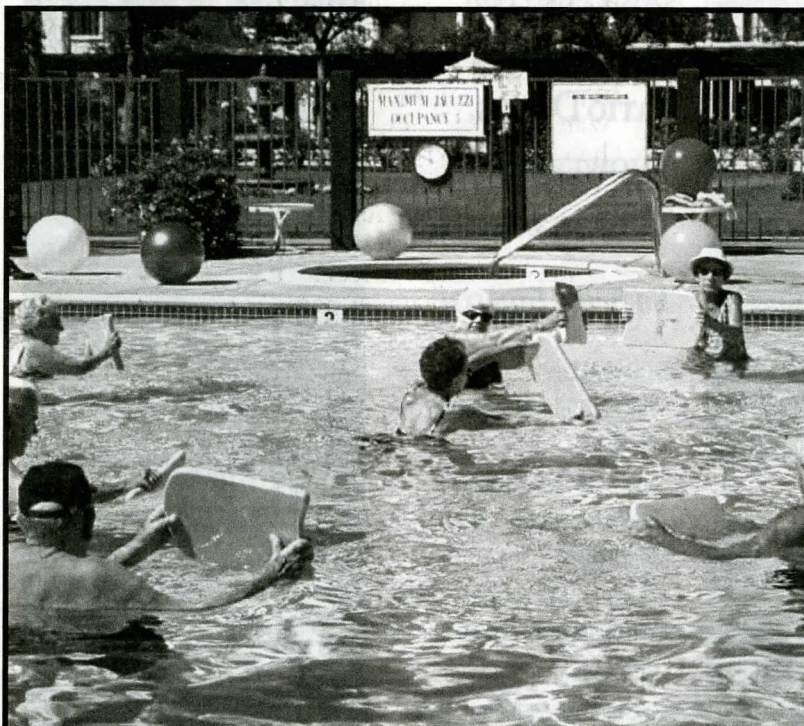

If you are interested in

being placed on the e-mail list, please send an e-mail to camcity.watch@ventura.org. This is the address that has been established, and I will be the one who sends the information out from that address.

Also, if you think this would be worthwhile, I encourage you to share this information with your neighbors and friends. You would also be welcome to forward any of the e-mails to your friends and neighbors.

If you have any questions or concerns, please let me know.

(Robert Maclean is a crime prevention officer with the Camarillo Police Department.)

We had several new people at the September class wanting to learn how to improve their breathing so that they can enjoy life here in Leisure Village.

Our returning members let the new people know how much help they receive at our monthly

get-together. The questions asked were helpful to others in the class, which is why our support is so valuable. We are there to help each other and give the support needed.

So, once again I remind you to remember better breathing techniques that will help you get things

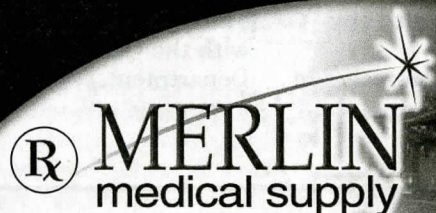

BETTER BREATHING

done a little easier. If you need a refresher, let's get together and discuss taking care of ourselves.

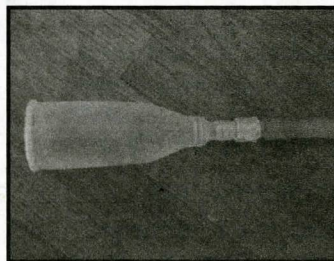

During each of the Better Breathing sessions, we discuss how to conserve energy when doing daily activities, which will allow us to perform many of the things that make life

here in Leisure Village so good. Proper breathing techniques will give us the added benefit of making tasks and fun times easier to participate in during the day.

Hope to see all of you the second Wednesday of the month at 10 a.m. in the Sun Room.

55 Alive set for Oct. 18

By Claudia Roberts

There was such a great response to the first 4 1/2-hour AARP-sponsored 55 Alive Class that it will be repeated on Thursday, Oct. 18, from 1 to 5:30 p.m. in the MPR for the residents of Leisure Village. Please be on time, as the class will start promptly at 1 p.m.

This class is open to those drivers who have at one time attended the previous two-day, eight-hour class. Those who take this class will be eligible to receive a discount on automobile insurance for three years, according to California law. The class will also be helpful in preparing for the exam required to

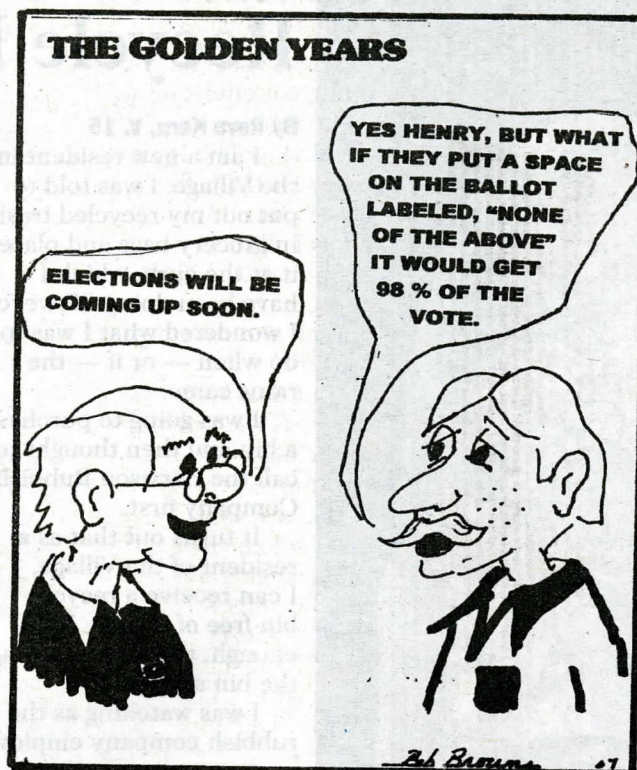

renew your drivers license. All drivers age 70 and over must pass this exam.

We encourage all drivers to take advantage of this class for updated DMV laws and regulations and to make you a safer and more cautious driver.

Because there is limited enrollment, and the October class is almost full, there will be another 4 1/2-hour class offered on Thursday, Nov. 15.

Register by submitting a check made out to AARP for \$10 to Claudia Roberts. Be sure to bring your drivers license and a pen or pencil to the class.

For further information, please call Claudia at 482-9904.

Recycle bin available for free

By Reva Kern, V. 15

I am a new resident in the Village. I was told to put out my recycled trash in grocery bags and place it at the curb, which I have been doing. However, I wondered what I was to do when — or if — the rains came.

I was going to purchase a bin and then thought to call the Harrison Rubbish Company first.

It turns out that as a resident of the Village, I can receive a recycle bin free of charge. Sure enough, the next morning the bin arrived.

I was watching as the rubbish company employ-

ee went to the neighbor's and put their recycled trash in a bin he was carrying alongside the truck. He was working alone. He drove the truck to one neighbor, got out, placed their recycled materials in the bin, went back into the truck, emptied it, and went to the next house, where he did the same thing, all, of course, in very hot weather. When he came to my house, the mechanism of the truck put aside the bin it was carrying, lifted the one I had and emptied it. He did not have to leave his truck.

My question is: Why is

there no publicity about this "free-of-charge" bin to the residents? My neighbor was unaware of this service and made plans to call. I felt concern for the employee who had to get out of his truck at each stop, empty the recycle material into his bin, then get back into the truck, etc.

I thought it best to make others aware. Imagine the surprise and relief the employee would feel seeing that he did not have to "get out and get in" of the truck at every stop in every Village all day long.

Homestead exemption

**By Susan Eggert
Fox Home Real Estate**

Here is a piece of good news! A seldom used, longstanding law offers you protection of up to \$100,000 against debts you may incur through accidents, illness or misfortune. It is called a "homestead exemption."

This exemption can protect the equity in your home up to 100,000 against judgment liens. The homes in Leisure Village qualify to be homesteaded.

You are eligible to homestead your personal residence. For a person 65 years or older the exemption limit is \$100,000. The homestead exemption is recorded with the county of Ventura. A homestead will remain in effect until your house is sold or you abolish it by recording an "Abandonment of Homestead."

Note: The homestead will have to be removed to secure a loan that uses the property for collateral. But once the loan is secured, you may re-homestead your residence.

The above is for general informational purposes only and should not be considered legal advice. We therefore suggest that you contact an attorney for any legal advice on your specific situation.

(Susan Eggert and the Fox Real Estate Team – Al Fox, Cindy Fox and Susan Eggert — can be reached at 490-5856.)

Who pays for what

**By Sharron Parker
Troop Real Estate, Inc.**

The California Association of Realtors has specific forms for all real

estate transactions. When a buyer wants to make an offer on a home, the buyer's agent will complete a California Purchase Agreement and Joint Escrow Instructions.

Relevant items to this form are the price offered, the close of escrow date and deposit and loan information, unless it is a cash sale.

Typical seller expenses are the pest control inspection and correction, an environmental report, a title insurance policy, escrow fees, county and homeowner association transfer fees and a home warranty policy. Agents can provide a net sheet to show these expenses.

The contract allows for the buyer to have a contingency period to inspect and approve all disclosures and relevant paperwork. This contingency period is usually the first 17 days after acceptance, but it can be shortened. After the buyer's home inspection, there is a second round of negotiation regarding a buyer's request for repair/correction.

Your agent will guide you through these steps, explaining appropriate paperwork and assisting you to a satisfactory escrow closing.

(Sharron Parker and Troop Real Estate, Inc., can be reached at 443-1998.)

Legacy possible at Leisure Village

By Lin Grant, V. 19

At some point in life, we all question ourselves on how we will be remembered. What will our legacy be? Besides our children, what permanent things will be left behind to carry and commemorate our names?

The Leisure Village Planned Giving Committee would like to be of assistance in helping you plan your legacy.

If you do not have a current will or trust document in place, placing a bequest to the Leisure Village Association as part of those documents is merely an uncomplicated sentence in that document.

If you have an existing will or trust document in place, you can simply add an amendment or codicil. This codicil template can be provided for you from the Planning Committee

through the Administration Office. It is easy to create, and its addition to your will or trust will bequeath something permanent and beautiful in your name for the Leisure Village community to enjoy.

Although a real-time gift to Leisure Village is not tax deductible, giving a gift through the Planned Giving process will allow you to see your gift in action immediately. You can donate cash, or an asset — sculpture, trees or gardens, a statue, a bench — so that you can immediately see it in place. By donating an asset now, you ensure that your wishes will be carried out exactly as you wish, and you can enjoy that gift during your lifetime.

The Planned Giving Committee is ready to aid you in seeing your vision realized.

Ideas for your donated legacy can be obtained through communications with the Planned Giving Committee using the mailbox in the Recreation Office. Your legacy gift will be honored and administered by not only the Leisure Village Planning Committee, but also the Board of Directors. Your friends in the community and your families will enjoy your legacy and be beholden to you for your generosity for years to come.

Please see the Planned Giving Committee for any questions. We are at your service.

Letters

By Aleta Trogon

Isn't a letter a wonderful thing?
The excitement and joy that it can bring
Pregnant with secrets all tucked inside,
And readied for mail, nationwide.

I pour my thoughts into a pen
And squeeze them out the other end
Onto paper, I bare my soul,
Emotions spent, my story told.

From millions of names, it reaches one
O'er land or sea, it makes its run
The heartbeat quickens when the postman rings,
Isn't a letter a wonderful thing?

FEST

Continued from 1

noted:

1. All entries in the pumpkin carving/decorating, chili and pumpkin dish contest must be in the AR between 10 and 11 a.m. because the judging of these three contests will be promptly at 11:30 a.m.

2. The doors to the Pumpkin Festival will open at 1 p.m. for all Village residents.

3. The Costume Contest will start at 1:30 p.m. and will be judged at that time.

Last year, Village 34 donated three beautiful gift baskets that were created from donations from the residents of Village 34. They were beautiful, big and jam-packed with a variety of goodies. They were great prizes! This year, several other villages have volunteered to donate gift baskets as well. If any village would like to participate in giving a gift basket, please call Clay Starr at 389-3537 and she will give you some assis-

tance and guidance.

This is an exciting event, and the intention of this festival is for all residents of Leisure Village to have a fun day, exhibit their creative talents and enjoy some entertainment and food while visiting with your friends.

There is no charge to attend, and there will be many nice prizes given to those winners who participate in the four contests. There will be a grand prize, the People's Choice Award, for the best overall pumpkin. This award will be determined by which pumpkin receives the most number of votes.

Each Village resident gets to vote one time for the one pumpkin they feel is the best carved or decorated.

If you want to participate in any or all of the four contests to be held on that day, please contact the chairperson of the particular contest you are interested in. You must have an entry form for each contest you participate in, and you can

pick up an entry form in the Rec Center Office or contact one of the following chairpersons:

- Pumpkin Carving/Decorating Contest: Clarice Shapiro, 987-85235, or Jessica Fox, 384-1190.
- Chili Contest: Georgia Griswold, 388-1383.
- Pumpkin Dish Contest: Clay Starr, 389-3537.
- Pumpkin Dish Contest: Mary Jane Porter, 484-1962.

The deadline for submitting your entry form is Saturday, Oct. 20.

If you would like to volunteer some of your time and help at the Pumpkin Festival or if you have any questions, please contact Jerry Spector at 384-9039.

Save the date, Monday, Oct. 29. Participate and have a wonderful time with your friends and neighbors.

to go to Somis from the Village and then onto Highway 118 East to the Moorpark-Fillmore area. The 118 route goes side-by-side with the railroad tracks and trains. This route tells a lot about transportation in the area, past and present.

When you arrive in the Moorpark-Fillmore area,

the two cities seem to blend into one.

Moorpark has more current housing and a nice community college serving the county. Fillmore has several homes and businesses in turn-of-the-century style and an area called "Old Fillmore." It is worth a look.

Your trip back to the Village might well take place after lunch at one of the nice cafes in the area.

Showtyme

By Phil Kamens

For Monday, Oct. 15, at 7:30 p.m. in the AR, we will have the vivacious Mara Joyce entertaining us with her voice and songs. She has played the Broadway stage, appearing in such shows as "Grease," with John Travolta, "Bye, Bye, Birdie" with Chita Rivera and Dick Van Dyke and "Hello, Dolly!" with Carol Channing. She has also entertained on many cruise ships. In fact, that is where she met her husband, Jimmy Chapel.

Hopefully, we will have a large turnout for the show.

In November we will have "The Diamonds," a

fantastic singing group. This show will be a big hit. Get your tickets early. Do not miss this show.

L.V. New York Club

By Gerry Schulman

The New York Club will have the Cotillion Dancers at our next meeting on Thursday, Nov. 2, at 7:30 p.m. in the AR. They appear annually, and it is a show not to be missed.

The annual election is in December, and we need people to run for office. This is a very rewarding challenge, and we look forward to having a number of our new members run for office.

Articles are still needed for the New York Club Newsletter. Any article

that pertains to New York is fully acceptable. Send all articles to Sheila Bachelis at the following e-mail address — sheilaghb@aol.com — or call her at 389-7631.

Outdoor chess under way

By Ed Colbert

The Leisure Village Outdoor Chess Club meets on the third Friday of each month at 10:30 a.m. at the Chess Court.

We are continuing to discuss the techniques and strategies of the game of chess with Jack Cashman, the Ventura County Chess Club and Ivan Bjel leading the way.

Last month we had a most interesting day, with Jack Cashman challenging four of our members simultaneously. It was most invigorating to see five minds at

work.

Some grandparents are teaching their grandchildren chess at the Chess Court. We are considering a program for children in the near future.

Tickets are still available at a cost of three for \$1 for the donated glass chess set.

October 19 is our next meeting. We hope to see you all there, as all are welcome to come and present themselves, even as a student.

For further information, contact Ivan Bjel at 482-6528 or Ed Colbert at 987-6521.

Happy Hoofers

By Ida Zeller

Did you know moderate physical activity can help you live longer? It's true. Because we enjoy dancing so much, we Hoofers don't feel that we

are exercising. But what we do know is that it helps keep our bodies limber and controls blood pressure, weight and cholesterol levels.

So, if you have a basic tap background and want to incorporate fun exercise into your life, why not join us? We're in the AR Thursdays from 9:30 to 10:30 a.m. learning new dances and polishing old ones with a professional instructor.

Jerry Spector and a couple of pumpkin artists will demonstrate pumpkin carving for the upcoming extravaganza to be held on Monday, Oct. 29, in the AR. Our meeting will take place on Oct. 9 in the MPR at 7 p.m. I'm sure some of us will be inspired to participate in the fun.

The October movie, on Oct. 16, will be the award winner "The Queen," starring Helen Mirren, at 7 p.m. in the Annex.

Cards will again be played at the following week's meeting, Oct. 23, in the Annex.

Shuffleboard Club

By Mary Barkemeyer

The date for Shuffleboard's Open House is October 10 from 10 to 11:30 a.m. There will be an opportunity for you to try your skill, watch demonstrations, visit and enjoy refreshments. The lanes have been refinished, and many discs have been buffed and cleaned. It is so much easier now to drive the discs. We'll look for you.

Players averaging over 200 this past month are: Susan Kusak, 251; Diane Hawrylo, 220; Kelly Peedan, 206; and Pam Peedan, 202. We believe the improved lanes have contributed to the increased scores, not the sugar treats in mid-game.

If 9:30 Wednesday mornings is not convenient for you to play, the courts are open from 8 a.m. to 10 p.m. for you and your guests. Rules and instructions are posted in the open storage closet. It would be nice to know how many are using the courts, so please sign the register, that tacky clipboard hanging on a nail.

Ceramics Plus

By Aurelie Zachary

It has been decided to have our annual sale in the Ceramic Room the same day as the Art & Craft Show, November 4. One of our new members who has great knowledge in ceramics has volunteered to help us make items for this sale.

Last Thursday, the members who attended

the workshop shaped plates, bowls, etc. Norm rolled out the clay and showed Marty and Helen how to shape the clay in molds and to decorate them with items in his collection. Aurelie made three small bowls and a small vase. Gil is making small bunnies that have been very popular in the past. Norm is turning items on the wheel. Gertrude, Donna, Ron and Betty B may also have some items for the sale. There will be a great assortment.

There will also be some colorful origami items.

We meet every Monday and Thursday mornings from 9 a.m. to noon. All are welcome.

Billiard Club

By Jack Quinn

The straight 8-ball tournament in August was an exciting event. Ray Martinez and Bob McQuivey put on a performance in which the spectators were more emotional than the two players.

The winners are Ray

Martinez, with first place in the SA group, with Bob McQuivey a close second. Deja vu has Aleta Trogdon winning third.

In the A group, Frank DeSimone came from behind to get first place, and Bob Cryder captured second place. Holding in there was Howard Koehn for third place.

Congrats to Walt Maich. His consistent playing won him first place and the opportunity to move into the A group. Sonia Hughes gets second, and James Bayer held on for third in the B group.

Be sure to mark your calendar for the October 23 club meeting when we will nominate the new board for January 2008. Also, we will have a 50/25/25 drawing.

Special recognition will be given to exercise leaders. Those to be honored are: Hanna Huber, Della Carmona, Shirley McQuivney, Bill Fox, Evelyn Lerner and Lil Mankoff. Seating is limited, so prompt reservations are advised.

The latter part of December is the time for the annual Holiday Cheer Visit to residents of Camarillo Convalescent Hospital. Small gift bags of toiletries are distrib-

uted, along with holiday refreshments. Songs of the holiday season round out this good cheer visit.

Exercises are held Monday through Friday from 8:30 to 9 a.m. at the Pool Pavilion. This program is devised to benefit senior adults.

Bending and stretching movements can help to promote flexibility and better balance.

The Leisure Village Exercise Group is open to all residents. Regular attendance can be very helpful in the maintenance of good health and happy days. Join this welcoming group. You will be glad you did.

Village Painters

By Aurelie Zachary

The highlight of our September 5 meeting was

the constructive criticism of our paintings by Ron McKee, an established professional artist. He was most gracious in his comments for improvements to each of the members who brought his/her paintings.

Participants were: Marge Curry, Lorraine Comer, Margaret Buxkemper, Rea Williams, Gertrude Stern, Charlotte Olonoff, Mike Mancusi, Onni Manni, Naja Kim, Sara Frank, Reggie Katz, Hy Golditch, Sylvia Wachter, Irene Davis, Alice Doretalina and Kelso Chandler.

We discussed the upcoming annual Art & Craft Show on Sunday, Nov. 4. In order to display paintings, every artist must be a member of the Village Painters.

We have a busy schedule this month.

We have a campout at Far West in Santa Paula October 23-25. Roger and Betty Williams will be the wagonmasters, so call them for details at 482-4800.

The RV Picnic is set for Saturday, Oct. 20. Tickets are \$10. Call Shirley Jewett at 987-9074 for tickets. The picnic was changed to October 20. If you bought tickets and now cannot make the new date, call Shirley for a refund.

Well, I thought we had a dine-out this month,

but, as of this writing, was unable to confirm anyone setting one up for October.

The next club meeting will be Tuesday, Oct. 16, at 7:30 p.m.

If you have an RV, come visit our club meeting. We love to talk about trips, RVs and everything in between.

Saturday Night Dance

Special thanks to Betty Herrmann and Bill Foeller for hosting the three dance nights while the directors of the SNDP

were globetrotting. And a special thanks to Bill Foeller, John Wirtz and Sandy Foeller for their collaboration and artistic job decorating and doing the lights on the stage for a desert scene. It was "hot!"

L.V. Women's Golf Association

By Lillian Turnbull

October brings our prestigious President's Cup Tournament on October 17 and October 24. All members look forward to the challenge of this important tournament.

Regular weekly tournaments began October 3.

The October 10 tournament will be followed by our board meeting at 1 p.m. and the general meeting at 2 p.m. Don't forget our "social time"

beginning at 1:30 p.m. All members and potential members are welcome.

Month-end tournament will be played on October 31.

All new residents of the Village are encouraged to join our golf club. A round of golf with this club gives you the necessary walking, just the right amount of friendly conversation and an hour or two in the healthy rays of the California sun, adding Vitamin D to your body.

Happy Halloween to all!

Country Line Dance

By Ida Kubica

Country Line Dance Workshop meets on Tuesdays from 3 to 4:30 p.m. in the AR.

For a lesson on dance steps or review, be there at 2:45 p.m. with Betty Dean or Rhoda.

Two new members, Reuben and Merle Ruiz, joined us this summer. They are quick learners, and we welcome them to our dance club. They have a second home and will be

with us again in the fall. Reuben recorded some music to take with them to keep connected to the dance steps. Says something about our dance, right?

We've had good member turnouts and hope everyone keeps coming. It's the only way to learn the dances.

The dance is a good way to cool off and save energy at home. Turn off the air conditioner and "come on down!"

Our club meetings are held the first week of every other month. Andrea Moran, our first vice president, announced she will be providing refreshments at the meetings, another incentive to be there.

If you have questions about the club, call Rhoda Smithkin at 484-8132.

International Folk Dancing

By Raye Gabriel

The world of dance is a charmed place. Some people like to inhabit it, others to dance it away. It is by no means a series of exercises, but each one

puts into it something of themselves.

Valerie has us starting at 12:30 p.m. and dancing until 2:30 Mondays in the AR, with extra time allotted for beginners.

You are welcome to join us and learn to love your dancing to ethnic music from all over the world. Call 384-9620 or 383-0130 for more information.

At our August meeting, Stan shared with us his original work in its premiere presentation called "Bout Time." It's a great piece of music that was accepted with a standing ovation, and we encouraged him to have it published.

Our meetings are on the fourth Friday of the month. The next meeting is Friday, Oct. 26, in the AR at 1:30 p.m. All residents are welcome to join our musical group, and a special invitation goes out to those who can perform on any musical instrument.

Sing-a-long Group

By Margarete Nayfack

Music and camaraderie is what we are all about. Our attendance keeps growing, and everyone loves the music and songs.

We have three different books of lyrics which are constantly rotated so you are not always singing the same songs.

Jules Nayfack is still at Brighton Gardens, but we are happy to report that his health and strength are improving. Our stand-by leaders, Stan Vansant, Dick Berman and Anita Lind, are doing a wonderful job in Jules' absence, as is our accompanist, Irene Olson, who keeps on going like the Energizer Bunny.

Our hearts go out to our good friend, Bob Koster, on the loss of his

dearly beloved wife, Sarah Jane.

Please join us on the second and last Monday of the month — Monday, Oct. 8 and Oct. 29 in the AR at 7:30 p.m. Everyone is welcome.

Arlen Miller, our caller known up and down the coast, has you enjoying his calls made to music we often recognize.

Share the kindred spirit of those who square dance like you on Tuesdays from 7 to 9 p.m. in the AR. What a way to make new friends and enjoy dancing.

Refreshments are served. Call 987-2865 or 484-9928 for additional information.

And on the lighter side of today's news ...

A lady goes to the bar on a cruise ship and orders a Scotch with two drops of water. As the bartender gives her the drink, she says, "I'm on this cruise to celebrate my 80th birthday, and it's today!"

The bartender says, "Well, since it's your birthday, I'll buy you a drink.

In fact, this one is on me."

As the woman finishes her drink, the woman to her right says, "I would like to buy you a drink, too."

The old woman says, "Thank you. Bartender, I want a Scotch with two drops of water."

"Coming up," says the bartender.

As she finishes that drink, the man to her left says, "I would like to buy you one, too."

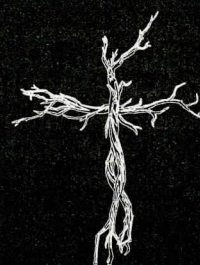

The old woman says, "Thank you. Bartender, I want another Scotch with two drops of water."

"Coming right up," the bartender says.

As he gives her the drink, he says, "Ma'am,

I'm dying of curiosity. Why the Scotch with only two drops of water?"

The old woman replies, "Sonny, when you're my age, you've learned how to hold your liquor. Holding your water, however, is a whole other issue."
