Subject: Clearwater Port LNG - meeting

Hi:

As some of you know, we are scheduling a meeting to discuss the Clearwater Port LNG proposal. EDC staff will be available to present information regarding the process and issues that we have identified thus far. The meeting will take place at the CAUSE office on October 17 from 11:00 - 1:00; please let us know if you can attend.

Also, please remember that the deadline for submitting scoping comments is October 18.

Thank you,
 LK
