## CAPSTONE (Upper Division)

CAPSTONE provides an interdisciplinary experience at the *upper-division level* in which the skills and knowledge developed in CORE and BREADTH are integrated.

### Policies for CAPSTONE

The CAPSTONE requirement may be fulfilled in one of two ways — either by completing a minimum of 6 units (two courses) in specific interdisciplinary courses (IntD and/or IntD \_\_\_\_Nex) or by completing a minimum of 6 units (two courses) in a single cluster from two different departments or programs, after 56 units have been completed.

A student must take at least one upper-division Critical Thinking (CT) course not listed in CORE or BREADTH in order to graduate.

No CAPSTONE course may be used to fulfill a requirement toward an undergraduate major or a master's degree.

All CAPSTONE courses require a written paper, research project, or performance equivalent exploring the course or *Cluster* theme.

In the case of *Cluster* courses, the student must select from at least two different participating departments.
