## Construction approval sought

# \$1.5 million plan to trustees

A five-point SF State construction project of over \$1.5 million will be submitted to the Board of Trustees of the California State Colleges at their April 1-2 meeting in San Francisco.

The construction program, totalling \$1,603,800, must be approved by the trustees and the California Legislature. The California State Colleges have before the present session of the Legislature a budget of

\$59,338,120.

Heading the proposed construction list for this college is a \$950,000 appropriation for equipment to outfit the music-speech building addition.

This appropriation will be used for radio-TV equipment in the building addition under construction in the southwest corner of the campus by Holloway and Tapia streets.

President Paul Dodd said the music-speech addition will be one of the finest facilities of its kind in the country.

Other proposed expenditures include:

- \$125,000 for equipment in

the HLL building addition presently under construction with a completion date set for September 15, 1964.

- \$48,000 for equipment to be installed in the \$200,000 music recital hall that will be constructed in the CA courtyard. This building has a tentative completion date sometime during the fall of 1965.

- \$183,000 for the remodeling and improvement of the football stadium track and PE fields.

- \$240,000 for the preparation of working drawings for the proposed Physical Sciences Building.

The Physical Sciences Building project will total between \$3-4 million and is expected to be completed in 1967. Plans call for construction to get underway in 1965.

This building is expected to be as large as the Life Sciences Building and is very badly needed, said Dodd.

In addition to the proposed major projects, \$57,800 has been budgeted for additional equipment in the physics laboratory, conversion of science rooms to chemistry laboratory, and campus alteration and improvement projects of \$5,000 or less.

## No legal action yet in apartment strike

No legal action has yet been taken in the feud between the De Wolf realty agency and two of its most stubborn tenants—SF State art major Jean Torre and her roommate Kerstin Joern—who have refused to pay rent since it was raised a month ago.

According to Miss Torre, last week a representative of the De Wolf realty agency offered the girls \$100 if they would move. They refused. The next day another man from De Wolf offered the bid to \$200. They refused again.

Since the apartment "confiscation" a month ago, the girls have received letters, which, according to Miss Torre, informed them of a change in ownership of the apartment building; a change in management from the De Wolf agency to another agency; a reinstatement of the De Wolf agency's management; and a letter telling the girls to pay their rent as "usual," with no mention of the amount of money involved.

"It seems difficult to communicate with De Wolf," Miss Torre said, "and they seem to be confused about who owns the building."

She added that only one of the three apartments which had been vacated by their former tenants after the rent increase had been rented again.

## NSF awards lectures today

Robert W. Webb will present the first two lectures today in a series awarded to SF State by the National Science Foundation.

Webb, associate professor of geology at UC, Santa Barbara, will speak in S114 at 10:30 a.m., on "Emplacement and Displacement in Plutons" and again at 2:30 p.m., on "The Basin Ranges: A Study in Classical Geomorphology."

Tomorrow he will speak in S101 at 10 a.m. on "The Sierra Nevada of California and Its Yosemite."

## Communists discussed by Mandel

William Mandel, author of three books on the Soviet Union, talks about whether Communists should be allowed to speak at state college campuses today at 12:15 in S 101.

Mandel will also show an anti-House Committee on Un-American Activities movie. Admission is 25 cents.

Mandel was called before HUAC in 1960 during the City Hall riots protesting the Congressional group.

The 47 year-old authority on Russia has conducted a radio survey of what the Russian public is reading, every Monday night on KPFA for several years.

Mandel last spoke on campus December, 1962 when he blasted US foreign policy, blaming cold war tensions between the East and West on the West.

He has been to Russia several times and once attended Moscow University. He has also been to Cuba since Castro's takeover.

He is a one-time Fellow in Slavic studies at Stanford's Hoover Institute. During WW II, he was an expert on Russia for the United Press.

Three books he has written are: "The Soviet Far East and Asia," "A Guide to the Soviet Union," and "A Primer on Russia."

## Gater's civil rights coverage protested

Thirty-five pickets came to the Gater offices Friday morning to protest the paper's coverage and editorial opinion of the civil rights demonstrations taking place at the Sheraton-Palace Hotel.

The demonstrators were represented by Sandra Pirtle, Beverly Radcliff and Guy Sandler, members of the Ad Hoc Committee to End Racial Discrimination.

The three spokesmen conferred with Gater editor Jack Hubbard and charged that:

- The Gater's coverage of last weekend's hotel demonstration was inaccurate and slanted;
- The Gater's editorial

opinion of the Ad Hoc committee's civil rights movement and methods was biased;

- The Gater does not express the views of SF State students;

- The Gater is "behind the times" and not a part of the "Freedom Now" movement;

- The Gater is part of a "smear" campaign against the Ad Hoc committee;

- The Gater is not a part of the liberal tradition of SF State.

After hearing the charges, Hubbard informed the pickets they could file a formal complaint with the Board of Publications if they wished.

The board meets today at 2 p.m. in AD 162.

## Picketing dispute

### Ex-Mayor hits Shelley

SAN FRANCISCO (AP) — The door-blocking tactics used by demonstrators in support of demands that hotels hire more Negroes brewed a continuing dispute Monday.

A municipal judge refused to drop charges of disturbing the peace against more than 100 arrested pickets, saying he would be no party to any agreement by the Sheraton-Palace Hotel not to prosecute.

Former Mayor Roger D. Lapham telegraphed Mayor Shelley that the present mayor's failure "to take the aggressive action needed stands out as an example of what not to do."

Shelley, before heading for Washington, D.C., shot back that Lapham did not seem to realize "there would have been the worst, bloodiest riot in the city's history."

U.S. Attorney Cecil Poole, at his regular news conference Monday, said: "Former Mayor Lapham and other business men can be blamed for some of this..."

"When the moderates went to them and tried to impress a need for access to employment, they did nothing... Then youngsters with fire in their eyes finally brought about this direct confrontation."

## Palace pickets scheduled for arraignment Monday

Arraignment of the 167 pickets arrested early Saturday morning at the Sheraton-Palace Hotel for disturbing the peace after the massive all-night civil rights demonstration has been set for Monday, March 16, in Municipal Court.

The 167 elected to be arrested Saturday morning rather than "sleep-in" at the hotel.

## Student in serious condition

An SF State student was found unconscious in his Merced Hall room Sunday night, apparently from an overdose of sleeping pills.

The Creative Arts major was found by a resident assistant at approximately 9 p.m. An ambulance was called, which took him to San Francisco General Hospital.

He is reported to be in serious condition. Neither Ferd Reddell, dean of students, or anybody at the hall would comment on the incident.

## Britten's opera tickets sold

Tickets are available now for the upcoming performance of Britten's "The Beggar's Opera," performed March 13, 14, 20, 21, in the Main Theater at 8:30 p.m. Contact the Creative Arts box office (JU 5-7174) for \$1.50 and \$2.00 tickets.

Coming also is a SF State Children's Theater production of "Pinocchio," March 19, 20, 21 in the Little Theater. Tickets are 50 cents for children and \$1.00 for adults.

## Special meetings

The Young Democrats meet at 12:15 today in BSS 202 to elect officers.

The Student California Teachers Association will meet today to review issues of the 1964 Northern Professional Problems Conference at 12:15 p.m. in ED 141.

# Letters to the editor

Like gold-fever

Editor:

I am shocked by the deplorable situation in San Francisco today in regard to the sit-ins that seem to be the newest past-time. The majority of the collegians who demonstrate are not particularly moved by what they are demonstrating for, but rather they go along for the fun and excitement of the sit-in.

They become over-patriotic and are literally abusing their rights under our Constitution. They are harrassing and intimidating the owners of the Sheraton Palace Hotel and no one seems to care. It's like gold-fever. It spreads and everyone is afflicted. No one seems to want to stop it.

The demonstrators are trying to reach a settlement by today (March 6). They say if they reach an agreement with the hotel and it's too late to call off the thousand demon-

strators, then the whole division will move on to another location on 8th St. What do they care whom they sit-in on, just as long as they are sitting-in!

As for the arrests last Sunday of SF State students, the police are just as impulsive as the demonstrators. They asked three sailors on the corner if they were with the demonstrators. When one of the sailors replied, "Nope, but I wish we were," the policeman said, "Okay, get in the wagon." Since when do the police of our American society arrest people for wishing they were doing something?

This senseless mass movement discriminates against caucasians, forcing them to give up jobs for which they were qualified. If the sit-in is the popular mode of these near-sighted "patriotic" Americans, then I suggest the only way to deal with them is to have a sit-in on the sit-inners.

Marjorie Cohn

A dear school

Editor:

The Gater staff is to be commended for its concern with the dangerous traffic situation on 19th Avenue. All SF State is shocked by the "pedestrian injury explosion."

Editorial statements have been made to the effect that traffic speed laws be more strictly enforced . . . school zones posted. These are valid points.

There is the other side of

the coin, pedestrians are responsible for their acts also. Students and other who walk or run across 19th Avenue against a red light are legally wrong. Worse yet, they are living in a fools paradise if they think that because many others take the chance, it is safe. Two girls have been hit. Still, they ignore the lights.

"Experience keeps a dear school, but fools will learn in no other, and scarce in that."

Gerald Walter

## Savage stricken by ulcer in residence halls

Jack Savage, a sixth floor resident of Merced Hall was rushed to Mt. Zion hospital Wednesday with an apparent ulcer attack, according to Steve Covington, Merced Hall head resident assistant.

Covington said Savage didn't realize he had an ulcer until he was examined at the hospital. Savage is in good condition and is expected back in school within a week.

## SF State is third for Danforth Teacher Grants

Of the 350 colleges and universities in the US, only Brigham Young and Florida Universities have received more Danforth Teacher Grants than SF State.

"Many students fail to realize what an excellent school we have," said York Mandra, associate professor of geology.

Mandra is the campus chairman of screening committee for Danforth Teacher Grant applicants.

The Danforth Foundation, established in 1954, awards 40-75 grants each year for the purpose of improving the quality of teaching in American higher education. The grants are available to teachers between the ages of 25-40 who

## Defense loans are available to students

Contrary to what it sounds like, the National Defense Student Loan Program is not a recruiting program for our armed forces.

It is a program, according to the Student Loan and Scholarship office, started during World War II to defend our country through education.

The National Defense Education Act has provided for the creation of loan funds at American colleges and universities, from which needy undergraduate and graduate students may borrow on reasonable terms to help meet expenses in completing a higher education program.

These funds are available at SF State for students who

have already matriculated as well as for those who are seeking admission to the college as new freshmen or transfer students.

To be eligible, a borrower must be registered as a full-time student, and in the opinion of the college, capable of maintaining a good academic record in his chosen field of study. If a foreign student, a borrower must be a United States national.

Application forms and other information can be obtained from the Student Financial Aid office, Room 180 of the Administration Building.

Application period for the academic year 1964-1965 will open on March 9 and will close on May 1.

## Student to sing calypsos

Tomorrow at 1 p.m. in the Gallery Lounge, a student will ask his audience to suggest a word. Using the word as his theme, the student will compose and sing a calypso verse.

Born and raised in Nassau, Bahamas, Godfrey Pinder is

well qualified to sing authentic calypso.

He came to the United States four years ago on a basketball and soccer scholarship to USF.

After a leg injury cancelled the scholarship, Pinder attended SF State Downtown Extension one semester. He now studies English Literature at UC Extension.

Pinder sings for his supper at Coffee & Confusion and other coffee houses in North Beach, but prefers to sing at foreign students' social events.

In his free time, he gives steel-drum lessons at Hunter's Point Boys' Club.

Using as his theme a word suggested by the audience, Calypso singer Godfrey Pinder will compose and sing calypso verse today at 1 p.m. in the Gallery Lounge.

## Gater briefs...

1 p.m. — Godfrey Pinder, Calypso — Gallery Lounge.

1 p.m. — Varsity Golf at Univ. of San Francisco.

2 p.m.—Inter-Sorority Council — turn in preference slips — AD 162.

3:45 p.m. — Encore Workshop — "Home of the Brave." — ED 117.

7 p.m. — Encore Film Series — ED 117.

## A Clue to Reality

"For God so greatly loved and dearly prized the world that He (even) gave up His only-begotten (unique) Son, so that whoever believes in (trusts, clings to, relies on) Him shall not perish—come to destruction, be lost—but have eternal (everlasting) life.

He who believes on Him—who clings to, trusts in, relies on Him—is not judged he (who trusts in Him never comes up for judgment; for him there is no rejection, no condemnation; he incurs no damnation). But he who does not believe (not cleave to, rely on, trust in Him) is judged already; he has already been convicted; has already received his sentence) because he has not believed on and trusted in the name of the only begotten Son of God. He is condemned for refusing to let his trust rest in Christ's name.

The (basis of the) judgment (indictment, the test by which all men are judged, the ground for the sentence) lies in this: that the Light is come into the world, and people have loved the darkness rather than and more than the Light, for their works (deeds) were evil.

For every wrongdoer hates (loathes, detests) the light and will not come out into the light, but shrinks from it, lest his works—his deeds, his activities, his conduct—be exposed and reproved.

But he who practices truth—who does what is right—comes out into the light; so that his works may be plainly shown to be what they are, wrought with God—divinely prompted, done with God's help, in dependence on Him." Amplified New Testament, John 3: 16-21.

# Not two Chinas -- Tung

By DOROTHY SMITH

There is an old Chinese proverb which says that there can not be two suns in the sky.

"And there can be no two Chinas," said S. T. Tung, leader of the Chinese Peasants Party, speaking to about 80 students in the Gallery Lounge yesterday afternoon.

"One must disappear," he said, "and Red China is much bigger.

Peering through thick spectacles and nervously jabbing his forefinger into the air, Tung gave his version of what is going to happen in Asia in the next 10 years.

"Many other nations will follow France and recognize Red China," he said. "Even Japan is anxious."

"Soon, Red China will replace Nation-

alist China in the U.N.," he continued. "Then she'll demand that the US get out of Formosa."

He stepped back and nodded his head slightly. "And the US will have to yield."

Tung prodded on with his analysis: "After Formosa, Hong Kong will be seized."

In quick succession, he predicted that India, Japan, and Africa would be absorbed by Red China.

He paused, "There's not much left after that."

Tung conceded that some people might call him pessimistic. "But it's the only logical outcome if Red China is to become the only China," he insisted.

"Now, I'm not saying that Nationalist China is perfect," he added. "But it is the lesser of two evils."

Tung then outlined his plan to save Na-

tionalist China: "The US must send them more arms and equipment. Let Nationalist China fight the Reds. I think they would have a very good chance."

"After the Nationalists invade the mainland," he continued, "the mainland Chinese will help them."

A question period followed. One student suggested to Tung that the Russians might intervene if the Nationalists attempted an invasion of the mainland.

"Oh, no, no, no," he replied waving his hand. "Khrushchev would be happy if Nationalist China invaded Red China. Next question please."

Another student suggested that nuclear war might enter into a conflict between the two Chinas.

"The Chinese are not afraid of the bomb," he declared.

S. T. TUNG

"... Oh, no, no, no"

## New Frosh society

Phi Eta Sigma, a national honor society for freshmen men founded in 1923, holds its initial meeting here today at 8 a.m. in AD 174.

Students who achieve a 3.5 grade average in either their freshman term or first semester are eligible to join. Interested students should reach Dean Earlenbaugh in AD 174, ext. 353.

The purpose of Phi Eta Sigma is to encourage and reward freshman scholarship.

## Official notice

### SECONDARY EDUCATION

The Department of Secondary Education is now accepting advanced applications for Fall Enrollment in its two-semester ("fifth year") credential program. Advanced applications are necessary to determine whether enrollments will justify the establishment of a new section for next September. Filing an application does not constitute a commitment on the part of a student but does assure his placement if the new section is established.

Application forms and additional information can be secured from the Secondary Education office, Room 31 of the Education Building, and should be received by that office preferably before March 20th.

Eligibility for entrance into the program includes 1) an A.B. Degree, 2) be able to complete a teaching major and minor within the next two semester periods, 3) a grade point average of 2.5 in each of the major and minor subject areas.

The two-semester sequence, sometimes referred to as the "new" program, is offered in addition to the Department's long-standing three semester program.

### Degree Deadline

Applications for all degrees and California teaching credentials must be on file in the Registrar's Office not later Friday, March 13, 1964 for all persons expecting to graduate on June 5, 1964.

### Summer Sessions

The 1964 Summer Sessions Preliminary Announcement of Courses is available to students in AD 215.

### Caps and Gowns

Graduating seniors may order and be measured for caps and gowns at the Bookstore through April 1. Rental costs are \$3.75 for Bachelors or \$6.75 for Masters Candidates.

### National Defense Loans

March 9 to May 1 is the application period for college financing through National Defense Loans. This is the only application period and covers the 1964-65 academic year including Summer Sessions 65. Applications and further information about financing college expenses are available in Student Aids Office, Ad. 180.

## THE NEW HUE IN EAGLE BUTTON-DOWNS: FORESEEABLE FUCHSIA

LOOKS pink,\*doesn't it? ★ We chose the name for this color from among the entries in our recent competition for new color-names because of its aptness: we predict great things. Remember you heard it here first. ★ What makes our solid pink new is that it isn't solid pink: the vertical yarn (or warp) is somewhere between a Robert Shaw Coral and a Lawsy Miss Scarlet; whereas the horizontal yarn (or woof) is a sort of 'Enry 'Iggins Just You White. ★ Thus creating an illusion, but of the finest oxford cloth all the same; with button cuffs and our dear, old bulgy collar, about \$7.00. If you don't know where to buy this and other Eagle Shirts in your town, please write Miss Afflerbach who does; at the address below.

\*Use your imagination; this paper doesn't print in pink.

# Baseballers kick Holy Hell out of Gaels, 11-4, 16-4

By GEORGE BOARDMAN

With the cross of Mt. Davidson looming in the distance, the Gators executed the Holy Trinity of baseball Saturday to beat St. Mary's Gaels, 11-4, and 6-4.

In so doing, SF State ended a two-game losing streak, that saw the enemy score 28 runs, and evened its record at 5-5.

The Gaels, who looked more like bookworms than ballplayers, couldn't handle the pitching of Gator aces Mike Campas and Terry Christman, not to mention 22 hits and some alert base running.

Campas gave up seven hits in the seven-inning first game, striking out 10 and walking one. First baseman Jim Loustalot drove in two runs with a triple and single to lead the Gator seven-hit attack.

While not at his best, Christman had more than enough to put the Gaels down in the second game. He struck out six, walked seven and gave up six hits. The slender southpaw also hit two triples to lead the hitters.

But the Gators were still

afflicted with drowsy. They made seven errors in the two games, giving St. Mary's six unearned runs.

The first game was a weird one. Each team got seven hits, but the Gators got six more runs. They scored nine runs in the third inning on just three hits.

With the score tied, 2-2, State centerfielder Don Meroff reached first when Gaels pitcher Rich Morosi hit him with a fast ball. Meroff made a delayed steal of second when first baseman Charlie Lafferty moved in for a bunt.

After shortstop Bob Cavalli walked, second baseman Rich Jefferies sacrificed them along with a long fly to left. Christman, who played right field, was walked intentionally to load the bases.

The strategy misfired when Gator leftfielder Randy Ketlinsky walked, forcing in Meroff. Loustalot then drove in two runs with a single.

Morosi got catcher Bob Bivins to ground out to third, but was lifted for reliever Terry Bliquez when Gator third baseman Larry Sheppard walked to load the bases.

Ketlinsky scored when Bliquez threw a wild pitch, and two more runs scored when Campas singled to left.

Burke fielded a grounder hit by Meroff and, ignoring Campas coming to third, threw wide of first to keep the inning going. Campas scored when Burke took another grounder, this one hit by Cavalli, and threw it high to first.

Jefferies ended the scoring when he drove in two runs with a single to left.

State used 15 hits to score 17 runs in the second game, topping its performance with an eight-run sixth inning. They iced the game with five runs in the fifth.

Jefferies started the fifth by hitting St. Mary's pitcher Steve Pruitt's first pitch for a double. He scored when Loustalot, now playing right field, singled to center.

Loustalot scored when centerfielder Mike Jaramillo, making his first start in a week, doubled to left. He went to third when first baseman Ron Benevides grounded out to short.

After catcher Don Martinez singled to third, Jaramillo scored when Sheppard hit a long fly to center.

The catcher scored when Christman blasted a triple to the 363-foot sign in right field. Christman scored when Meroff singled to left.

**TRAPPED** — Gator pitcher Terry Christman pulled a mental boo-boo when he got picked off third base in Saturday's doubleheader with St. Mary's. Gael third baseman George Peterson gets set to throw to catcher Harry Laiolo who tagged out the red-faced Christman. Gator photo.

## SF tracksters fall prey to SCYV at Davis Relay

SF State had to buck 30-mile-per-hour cold winds and members of the Santa Clara Youth Village Saturday afternoon, but still managed to hold its own against FWC members in the Davis Relays.

The Davis Relays, a warm-up meet for Far Western Conference Colleges, was dominated by the Santa Clara Youth Village squad, which captured all but four first places.

Strongest showing for the Gators came in the triple jump when SF State captured second, fourth, and fifth place honors.

Buck Carr sailed 44-4½ for second, while Jim Crum finished fourth with a jump of 43-7 with John Harvey close behind at 42-1¾.

The Gators finished third in the two-mile relay with a 8:12.9 clocking. Davis finished first at 8:11.9, and Nevada escaped with second place crossing the tape only three inches ahead of the Gators.

SF State finished second in the distance medley relay with a time of 10:58.1.

George Holland turned in one of the top individual performances for the Gators when he leaped 22-9½ in the long jump for fourth place. Holland finished only three inches short of the meet record of 23-1.

Freshman Nick Minkovich added 20 feet to his best javelin mark when he hurled the stick 170 feet to finish sixth. Teammate John Williams was fifth with a toss of 172.

The Gators will meet Westmont College Saturday afternoon in their final practice meet before opening conference action against the University of Nevada.

## Golfers on USF's greens

SF State linkers get back on the greens today when they battle the University of San Francisco at the Hill-top course at 2 p.m.

The Gator golfers are coming off an upset win over powerful Stanford last week but the match today should prove to be a real test of their abilities.

The Gators are headed by Mike Moriarity, the leading low-score golfer, and first-year men Gary Hofstede, Dennis (Deacon) Drucker and Grant Fahs.

Saturday the Gators start their Far Western Conference play when Humboldt State College comes to town for a match at the Bayside Country Club.
