Remodeling Project Adds New Cabana, Storage Area

By Herman Waltzer

The construction work for the shuffleboard building and cabana was commenced in May. Completion was scheduled by June 15. The structures are provided for use by the general Village populace, i.e. exercise groups, etc. The east side of the shuffleboard building will be used for storage purposes. The total cost of these improvements approximates \$167,000. HMH Construction was the contractor.

LV Telephone Directory Delayed Until September

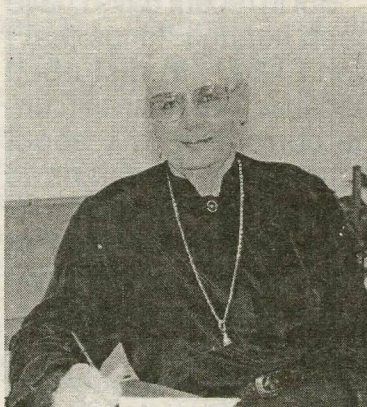

By Doris Achterkirchen

The new village telephone directory will not be distributed until September. The usual publishing date in July has been delayed, according to Rudy Regen, V 42, of the Purchasing and Research committee. The Directory will have a new format. It will have a reverse directory to enable you to identify you neighbors.

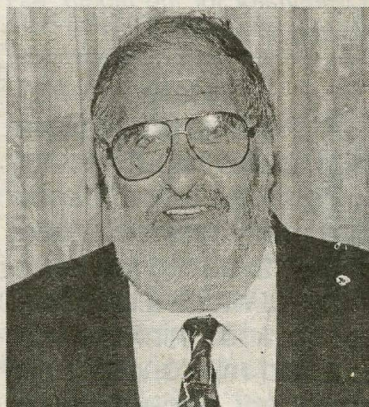

The directory will have an enlarged yellow pages section and the Village is slated to receive \$10,000 or 12 1/2% of the revenue accrued from the sale of the ads. The new publisher is Marcoa, Inc. of San Diego.

Meet Your Neighbor Group Hears Speakers Today

By Carol Heyerick

Meet Your Neighbor will meet on June 30 at 1:30 p.m. in the Garden Room. Hildi Taylor will welcome all and will introduce new arrivals to Leisure Village.

The first speaker will be Howard Hinig who is chairman of the Architectural and Landscape Committee. This group oversees the state of the buildings as well as the condition of the landscape. He will tell about plans to remove trees and correct raised sidewalks.

Jack Whalen, the second speaker, is chairman of the Channel 12 committee. He has written many

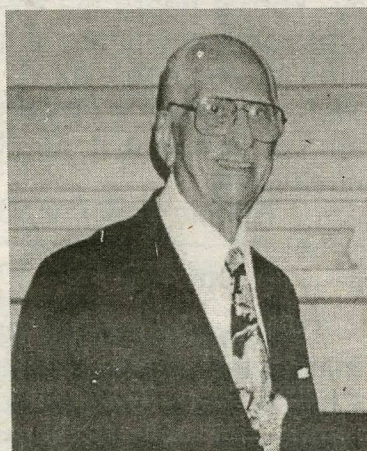

articles for *Inside Leisure Village* and the Current Issues group.

Hildi will describe the many clubs and groups available to villagers. She will talk about the Vial of Life, introduce her committee and thank Channel 12 for taping the meetings.

Meet Your Neighbor wishes to thank the two speakers for May: Susan Rockwell, the new manager of the Recreation Center facilities, and Dick Griswold, member of the Board of Directors and Board treasurer.

See you on June 30, 1:30 p.m. in the Garden Room. Refreshments will be served.

Senior Citizen Of The Year

Rube Davis

One of the top Camarillo Chamber of Commerce award winners was Rube Davis, V.8, founder of the seniors' speakers bureau, chairman of the Leisure Village Current issues Forum as well as a number of other volunteer activities. The Chamber honored the top ten citizens at a banquet at Spanish Hills Country Club recently.

First Aid/CPR Classes Offered By E.S.O.

By Ken Wilson

There are immediate openings in the First Aid/CPR classes. These are offered at no charge. Their purpose is to provide a measure of comfort and perhaps save the life of one of your neighbors. An earthquake doesn't have to be involved. Injuries can happen at any time to anyone. Red Cross Certificates are awarded upon completion of the classes.

Please picture yourself watching a friend or neighbor suffering from a painful or life-threatening injury. How will you feel standing helplessly, waiting for someone to arrive with a little know-how? Will help arrive in time? An investment of two afternoons could make you capable of making a big difference in a neighbor's life.

Please call Libby Pierce at 987-3134 between 8:00 a.m. and 4:00 p.m. and reserve your spot. Classes are held each Thursday and Friday beginning at 1:00 p.m.

New Features For July 4 Picnic Gala

By Doris Achterkirchen

Leisure Village will be having its Independence Day bash July 4 at the picnic area starting at 12 noon. Susan Rockwell, LV social and entertainment director, will start the day's entertainment by introducing the Rhythmettes, followed by Kurt Godfrey and his nimble fingers on the keyboard. There will be various dancing groups showing their stuff, and those interested in kicking up their heels, will have the opportunity to learn country western line dancing. Memory song booklets will be distributed, for a sing-a-long of "ol favorites."

The fare for the afternoon will include hamburgers or chicken with baked beans, potato salad and condiments, topped off with ice cream, lemonade and coffee. Food will be served to the tables with paid tickets. However, all villagers are welcome to bring a picnic lunch, TV table, chair or blanket, and are invited to join in the festivities.

Plan to come early. Wear your red, white and blue bib and tucker, and bring your friends.

INSIDE LEISURE VILLAGE

• O P I N I O N •

Let's Talk About Security

Most people upon moving to Leisure Village consider its security system to be one of the prime reasons for choosing to live here. This system features a perimeter with guarded gates to control access to outsiders, officers in patrol cars frequently passing through the streets, officers available at the doorstep within minutes if an emergency or illness arises and officers familiar with each Village who recognize many villagers on sight. Having our own security system is great comfort to us all.

Villagers feel free to walk alone any time of the day or night and to leave their homes when traveling, knowing that all will be safe upon their return.

The officers are devoted to their duties and to their Chief and have, upon occasions, risked their own safety to assist a villager or to defuse situations with trespassers.

The Board recently hired three new department heads for the Association. Security, however, is the only department with longevity and experience in the Village.

The LVA Board of Directors has asked the Chief of Security to prepare a 5-year plan for improving security for the Village. Specific objectives for this plan have not been disclosed but it is hoped that the results of the effort will be to enhance the performance of a system that has already served us well.

Let All Homeowners Participate

A significant number of owners of properties here in Leisure Village do not reside in the Village. Candidates' statements regarding their objectives and reasons for running for office appear in *Inside Leisure Village* and are not likely to be seen by those who do not live here.

Non-resident homeowners also have the right to full information regarding all candidates' positions and issues affecting the Village.

Since a well-informed electorate is essential to the democratic process, it would seem appropriate that for future elections the Association should make the names and addresses of non-resident homeowners available to ALL candidates for offices and to proponents and opponents to propositions that appear on our ballots.

Letters

ILV has obligated itself to publish Letters to the Editors that are not profane nor libelous. Views or statements expressed as facts are the beliefs of the writer and are not necessarily supported by the Staff of ILV. Letters should be brief. They must include your signature, address and telephone number. We reserve the right to edit and/or condense. Place in ILV box or give to the Coordinator for the month, as printed on page 2 of ILV.

Safety

At the June Board meeting I spoke about security in Leisure Village. I know that many residents were unable to attend the meeting or to watch it on Channel 12, and I think the subject and my concerns are important enough to repeat for the "Letters to the Editor" section of our paper.

My wife Dorothy and I have lived in Leisure Village since 1979, a period of 16 years. We've enjoyed those years among the many new friends we've made. Above all we thank our lucky stars every day for the unmatched peace and security we've had these many years.

Pick up the local paper any day of the week and you'll read of robberies, assaults, and crimes of all sorts going on within the city. We here in the Village lead charmed lives, free of the fears and concerns that trouble other areas and communities.

Our Chief of Security, Max Moses, deserves our everlasting thanks for the safe and peaceful life we enjoy and so often take for granted. In his many years of service to our community Max has dedicated himself to developing and maintaining the finest in-house security system of any similar condominium development. In addition to keeping us crime free, Max has led a security force that has been responsible for the saving of many lives with its quick response to life threatening emergencies.

Our security people who protect us are not strang-

ers. When we enter our gates we are greeted with familiar faces, and often a friendly wave of the arm. Our security people patrol our streets 24 hours a day, moving in and out of our Villages quietly, making sure all is in order. It's a good feeling to know that protection is only seconds away.

But in recent days I have been hearing things that I don't like. I'm disturbed because I've heard an undercurrent of talk about actions that threatens to change and possibly destroy the foundations that Chief Moses has laid down and administered so successfully these many years. I hear of attempts being made to change the structure of our security system. I deeply hope that the proven safety and security of our community will not be made the scapegoats of some ill-advised attempts toward change.

The dictionary defines security as "freedom from danger or risk. Safety; freedom from apprehension." I want to know that my wife can walk down our streets any day or evening of the week and never have to wonder who is walking behind her. That's the kind of secure life we now have here in the Village. And I'm sure that's what we all want as a continuing thing. I'm not ready to gamble on change for the sake of change. Reduce our security and we reduce our property values as well.

To put it into proper context. We don't need change, we need continuity. You've heard the expression many times "If it ain't broke don't fix it." Well, our security system ain't broke and it don't need fixing.

Robbie Karlin, V 38

Chorale

Thank you, villagers, for making the Leisure Village Chorale Pops Concert so successful. We gazed in awe as the audience poured through the door,

and thus created the first SRO concert. We were thrilled, elated and high. We loved the type of music we sang and knew that you did, too. Nothing is so rewarding as an appreciative audience - we did work hard.

Thanks to the direction of Marcene Jardine and accompanist Dorothy Weiss, we were able to bring you such a good time. Did you like what we did? Would you like to be part of our family? Keep watching Channel 12 over the summer for further information. Meanwhile, if you can't wait, and are anxious to be part of the Chorale, just give me a call, 482-3198. Remember, we don't memorize, and we work only two hours on Mondays. Again, thank you all for making us happy.

Miriam Hasen, V 15
Chorale president

Remembering Anna Igel

Anna Igel, beloved wife of Leo and mother of Rachel, died on June 2 after a lengthy illness. Anna and Leo practiced medicine, and for 38 years were on the staff of Maimonides Hospital in New York before leaving for California and settling in Leisure Village in 1979.

Anna will be sorely missed by her family and by her many friends in Leisure Village. She will be remembered by those whose lives she touched for her warmth, her wit, her wisdom and her keen intellect. Dr. Anna was truly "a woman of valor whose price is far above rubies." May she rest in peace.

Selma Lich V 42

All the cards, prayers, gifts and calls have meant so much to me, since my recent surgery. Thank you so much for all your love and support.

Letters.....see pg 3

Letters.....from pg 2

Dear friends of Gussie Filerman: Emily Post and my mother would disapprove of my method. I wish I knew and could thank each one of you individually. Your cards, contributions and warm sympathy have helped us so very much. The situation at the moment demands priorities, mainly organizing, packing and getting my Dad ready to move back to Chicago. My method of a mass thank you may not be the one of choice but it is most sincere. I'm grateful for all the love you shared with Mom.

Gerri Moll
(Gussie's daughter) V.9

To those who so kindly expressed your condolences on the loss of my beloved brother, Phillip Guravitz, please accept my heartfelt thanks.

If you knew him growing up in East L.A. (Harrison St. School, Belvedere Jr. High, Roosevelt H.S.) or at any time in his adult years, but lost track of him, I would welcome your getting in touch with me.

Bernice Nossoff, V.39

Blood Pressure Up!

It was Monday evening and a group of dedicated Villagers prepared to set up in the Assembly Room to measure the blood pressure of Villagers.

The apathy of the villagers was underwhelming.

Only a handful showed up. It is sad that such a valuable service is being ignored. People should avail themselves of this valuable service before they suffer a heart attack!

Annelies Regen V.42
P.S. As a volunteer at

Pleasant Valley Hospital I am sensitive to paying attention to maintaining food health in preference to healing.

It is indeed difficult to express my appreciation to all of you who have been so supportive of me during my recent illness.. The love and caring you have shown me is so warmly appreciated, and it made my recent surgery much more bearable for me.. Thank you, thank you.

Anna Ezralow, V.42

Many thanks to all my friends for their warm get well wishes after my hip surgery. I am glad to report I am doing well now. Thanks again.

On The Occassion Of A 60th Wedding Anniversary

Forever constant is my need for you,
Unchanged by tides of time or circumstance,
No matter how my talents waned or grew,
Unaltered by the churning winds of chance.

The love that fills my heart stays constant too,
Across the three-score years that we were wed;
Through years that stumbled on or swiftly flew,
Through days of joy or hopeless nights of dread.

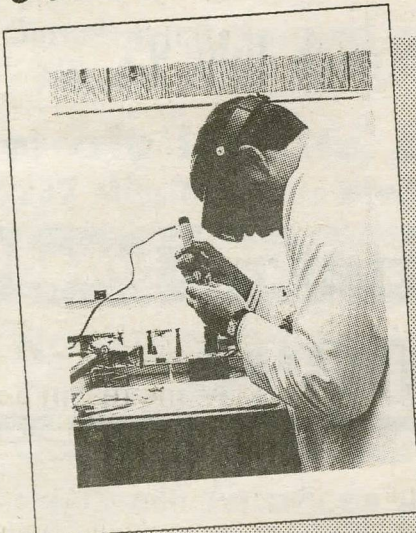

Why then do love and need so constant stay,
No matter how we can or cannot cope?
Why still this need that never goes away,
Untouched by strength or wit or shifting scope?

A single knot that cannot be undone,
Both need and love through all the years are one

Village Briefs

Betty and Kay Murray, V 4, swept the Senior Olympics held in Sacramento on June 3. They garnered 7 first place medals in 7 swimming races. Betty states modestly "There was not much competition in our age brackets." The Murrays compete in both California and Arizona state Senior Olympics swimming contests.

Charles and Ann Belante, V 24, are proud of their daughter, Edith

Santangelo. She was recently hired as executive director of the Camarillo Hospice, after serving on its board of directors for 9 years.

Edith's experience with Hospice, her professional work as a marriage, family and child counselor in Oxnard, and her business skills make her well qualified to guide the Hospice in caring for terminally ill people and their families.

She will spend 25 hours a week on Hospice duties each week. There are four

other part-time employees, plus a 60-member auxiliary to help with office work and fund raising events. The annual budget is about \$150,000.

Jack and Elizabeth Neumeier, V.17 proudly report that their son Larry was ordained a Priest on June 3, following 5 years of study at St. John's Seminary here in Camarillo. A graduate of Alemany HS and San Francisco State, Larry will begin his priesthood on July 1 at Lady of the Rosary Church in Paramount, Ca.

Computer System In LVA Office

By Bob Atz

The Leisure Village Association staff continued to express their enthusiasm over the newly-installed computer system during a recent interview.

The system, assembled and installed by Computer Products Incorporated of Westlake Village, was built following specifications prepared by an ad-hoc committee consisting of villagers Gil Chuck and Dick Travis and staff members.

The equipment consists of a file server connected to 11 separate computers placed in various locations in the Administration Building. All departments except Security are connected to this system. A separate system for the Security Department is planned for the coming future.

Each of the 11 computer stations is equipped with a monitor, computer, keyboard and a mouse. The previously installed printers have been retained and are located in the Accounting Room. The entire system is served by a dedicated power line equipped with surge protection to prevent damage to the equipment in event of an Edison malfunction.

The Leisure village Board of Directors ordered procurement of the new system to increase accounting and publishing productivity and improve accuracy. This change was also needed because of limitations of the old system; not only was it slow, it was unreliable.

The original Skyline program is still in use and is augmented by the latest versions of Lotus and Word Perfect. Some of the uses for the new system are payroll processing, preparation of financial statements, budgets, de-

preciation schedules and personnel records.

The system is also used for inventory control and all other accounting activities. The new programs also permit preparation of charts and graphs and bet-

ter quality printed materials, such as reports and procedures.

This new system cost \$46,000, which came from a depreciation account maintained for this purpose. Thus it did not represent an expenditure of current funds.

Susan Rockwell Appointed Manager, Recreation Center

By Jack Whalen

Susan Rockwell, a native Californian, recently assumed the position of manager of the Recreation Center. She's very visible these days, note pad in hand, as she inspects the many and varied pieces of equipment and space within her scope.

Susan is showing great enthusiasm for her new assignment and recently remarked, "I'm amazed and delighted with the high degree of skills and volunteering by many villagers. With so many willing to give of themselves, this promises to be a rewarding assignment."

She graduated from Cal. State Northridge in 1979, earning a BA in Physical Education and a minor in Recreation. Her assignments have included being athletic director at the Pt. Mugu Na-

val Air Station, and a 7-year assignment as manager of a large parking complex beneath an L.A. high rise building where 35 employees were under her supervision.

Three years ago she moved to the San Fernando Valley and managed the 7,700 stall parking facility at Warner Center. The January earthquake reduced the avail-

able stalls to just 1,200 and in the weeks that followed she became responsible for 30 additional employees, 500 cones, 4 sets of temporary ramps, 100 signs, 30 directional flashlights plus many raincoats for the downpours that followed. She reports that within 5 months everything was up and running normally.

She is in the Navy Reserve at Pt. Mugu, was honored with numerous awards and won the expert marksman Rifle award last year.

Susan resides with her husband Phil, in Santa Paula. Since this is the second marriage for both, they have nine children, six children's spouses, nine grandchildren with another expected soon. It is truly a big, happy family.

We say, "Welcome aboard, Susan. You have all the earmarks of being a fine skipper."

Gardens are beginning to reward the LV Farmers Club with the fruits of it's labors. All villagers are welcome to walk our carefully tended paths and enjoy looking at the plants. Please remember that the produce is the property of the individual gardener who works the patch.

Re-alignment of the dumpsters has greatly improved sanitation and the appearance of the area. The dumpsters are for the use of the recreation facility, including the gardens. Use of the dumpsters for the disposal of household waste is prohibited.

We are grateful for the craftsmanship of Farmer Al Ventura who built our new bulletin boards. Thanks to Farmer Al Fox for providing Dallas Brown,

manager of Baron Brothers Nursery, as the guest speaker at our June meeting.

There has been an overwhelming demand for tickets to the First Annual Barbecue. Farmer Georgia Griswold (388-1383) is in charge of ticket sales and may be forced into a second printing of tickets. We may reluctantly have to close sales before the planned date of August 18. We don't know if it is the fame of Farmer Joe Kremer, who is in charge of the Barbecue, or is it the allure of the fresh veggies, but early ticket sales have exceeded all expectations.

Farmers are reminded of Dallas Brown's caution against watering foliage. Water the bases of your plants. **Over-watering is as harmful as under-watering.** When the ground is damp approximately two inches below the surface, established root systems have enough water.

THE LEISURE VILLAGE WOMEN'S CLUB

By Eileen Cohen

The June meeting of the Women's Club was a salad pot luck luncheon. Admission was a salad for six and "tickets" were two free Bingo cards. After sampling a delicious variety of salads, accompanied by croissants and muffins, they played several games with \$5.00 winners and a final round with three players each winning \$10.00.

The Campbell's labels collected have been put to good use by Las Colinas School. Velma Hughes read a "thank you" from the school for their new body-building sports equipment.

Do you know that when you take an \$8.50 See's Candy certificate, purchased from Mary Kay, 484-3477, or Eleanor, 482-2260, or at a meeting, to any See's Candy store, you may pick out any \$9.90 box of candy? Or you may choose each candy to fill a box. They

make great gifts.

Are you looking for an interesting old item of clothing for the November Nostalgia Fashion Show?

The July 6 meeting will feature magician Duane Bertonneau with a most unusual show. His credits include appearances at the Magic Castle, Disneyland Hotel, Victoria Station at Universal Studios, Sportsman's Lodge, Valley Hilton, Beverly Hills Hotel and many more. The meeting will start at 1:30 p.m. in the AR.

Dorothy Fencil still has room for a few good workers at the Tuesday morning Workshop. It's a pleasant way to spend the morning with a congenial group of fellow crafters and needlers.

Membership is now at 515. We have good times at great meetings. Come to the next meeting, July 6, and pay your \$5.00 dues to Marion Sanders — it's a bargain!

On Saturday, June 10, the new Cabana was used for the first time for the **Big Outdoor Trading Post**. The area was almost

crowded with bargain-hunters; there was a steady stream of happy buyers carrying their treasures off to their cars or homes. By mid-afternoon, hungry shoppers had nearly depleted the ample supplies of hot dogs, drinks and cake. Thanks to the Herculean efforts of a great group of workers, the first **Big Outdoor Trading Post** held in the newly refurbished area was an outstanding success, taking in \$2800.00.

Come to the next meeting, 1:30 p.m., Thursday, July 6 in the AR and be astonished!

L. V. Trading Post

By Irene Cunningham

What a fabulous outdoor happening for the Village and the Trading Post! The Cabana was completed enough for us to use the area.

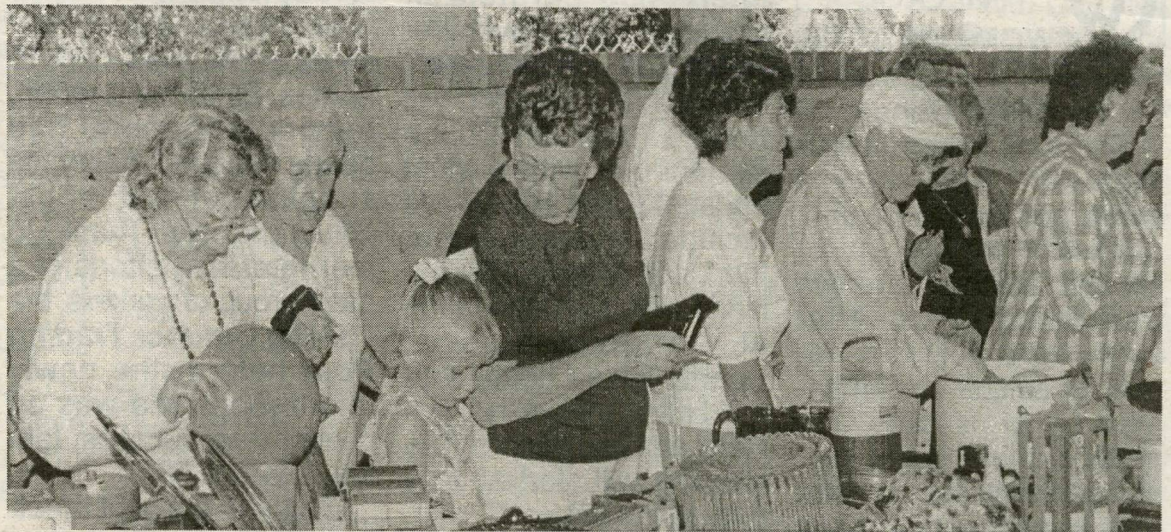

Sales were brisk and bargains abounded.

Many thanks to all the volunteers. Space will not allow for all their names, for assisting in this worthy event. The Village as a whole and Camarillo in general will benefit from their efforts. Net receipts for the Trading Post, including the hot-dogs, etc. were \$2526.00.

Thanks also goes to the villagers who support us in their donations and purchases. We now have room to accept more of your treasures. For pickup of salable items in preparation for our next monthly sale on Thursday, July 6, call Betty 484-5606 or Irene 987-2627.

Village shoppers earnestly pour over merchandize offered for sale at the Women's Club Trading Post held outdoors on June 10.

PLAYERS GUILD

By Hunter Cohen

The Players Guild Workshop on July 20 will be a special treat. At 7:30 p.m. in the AR, villagers will learn what happened to the characters in *Fiddler on the Roof* after they arrived in Camarillo.

The Guild will present an original musical take-off on *Fiddler on the Roof*. Plan to attend the first

showing on any stage of *Goodbye Anatevka, Hello Camarillo*, written, directed and produced by Irv Goodnick.

Follow the careers of the Fiddler, Tevya, and the rest of the villagers as they meet the challenges and opportunities of their new homes in Leisure Village.

Workshops are presented on the third Thursday of the month at 7:30 p.m. All villagers are welcome to enjoy the show and refreshments in the AR.

LOOKING AT CHANNEL 12

By Janet Hof

Channel 12 needs programmers. If you type a little and are willing, we will train you to put messages on Channel 12. Your morning assignment would be for an hour or two on the same day each week. Please call Art Kaufman at 482-3131.

Further, if you can press three buttons and give us about an hour a week, please join us for a rewarding and useful experience in putting on programs for Channel 12 viewers as a tape technician.

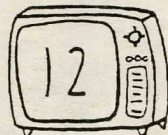

If photography is a pleasant pastime, you might like to learn how to operate a video camera.

We have knowledgeable people who will train you in this exciting venture. Call Channel 12 at 388-1243 and be a volunteer.

Some of the July programs will be: July 1 at 10:00 a.m. the Current Issues Forum with Leon Kaplan, who will speak on "Social Security, Medicare and You"; July 3 at 10:00 a.m. LVA Board meeting, and at 5:00 p.m. Shared Experiences featuring Oleg Lopatin; July 18 at 6:30 p.m. Olde Tyme Showcase's "Fiddler on the Roof"; July 22 at 10:00 a.m. "Damn Yankees"; and on July 31 an interview with General Manager Jean Verbeck, followed by a short film "Security, Safety and Speed". Check Channel 12 for the complete schedule.

"TOGETHER OVER 20 YEARS, SERVING CAMARILLO"

Profile: Herb Arnold, Electronic Wizard

By Ben Perry

Many times we villagers rub elbows with our nearby residents really not being aware of what had been contributed to our well being by these individuals.

One such contributor is Herb Arnold of V. 15. One would never know of his background unless one twisted his arm and saw a smile come to his face. Just mention Ham Radio and the light goes on. He'll tell you that he's from Brooklyn, N.Y., and a darn good place to be away from.

Herb enlisted in the Army Air Force in 1941. As Flight Intelligence Specialist, which constituted briefing and interrogating combat crews prior to and subsequent to combat missions, he was with the 57th Fighter Group, the only Americans assigned to the British Royal Air Force of the 8th Army under the command of Gen. Montgomery in Egypt. To the dismay of British High Command officers, the American soldiers were receiving higher pay than they themselves, and consequently the Americans weren't very popular. Herb remained with the British command until the end of the Italian Campaign, before leaving the Italian campaign. he received the Bronze Star Medal for his superb service.

In 1945 Herb was assigned to a B-29 Bomber group, again as the Intelligence Specialist. He was destined for the Pacific Theater but before he was scheduled to leave, the first atomic bomb was dropped. As there was no longer a need for his services, Herb got his discharge in September.

After his service with the Army, Herb completed his education by spending two years at the University of Alabama and 2 years at

Photo by A.D. Flowers

HERB ARNOLD

the University of California in Long Beach.

Having found no palm trees in Brooklyn, he decided to move to California in 1953.

Herb went to work at Ft. McArthur as a civilian engineer from 1955 to 1965, working on the NIKE missile. He subsequently helped establish 16 air defense sites for missiles around the Los Angeles area as the Radar Techni-

cian. For two years he was an instructor to the NATO troops in Huntsville, Alabama, giving instructions on the maintenance and operation of missile systems that were furnished by the U. S. Army.

Prior to the establishment of NASA, Herb and many well known scientists, worked for the Army Ballistic Missile Agency which was the forerunner of NASA, many times con-

sulting with Dr. Wernher Von Braun and other rocket scientists.

Coming back to California he worked for NASA from 1965 to 1976. In this time frame Herb worked on the Lunar Landing project. He did a lot more than make sure that the toilet seat was placed in the right spot. Quality assurance was his specialty, testing all electronic components of all space vehicles and familiarizing the astronauts with the operation of the electronic systems. In 1973 he was assigned to the Space Shuttle program until his retirement in 1976. As we all know, that program is still active.

On the lighter side, Dr. Wernher Von Braun came to Herb for advice. Herb convinced him that a Chevy Corvette had too much power for him and advised him to stick to a regular car. Neil Armstrong visited the Huntington Beach Douglas plant and was impressed with the Sky Lab which Herb was Top Man. Rather than shake hands with Armstrong, Herb preferred to shake the foot of the first

human to land on the moon.

Herb Arnold's career, upon reflection, is very impressive: Army Air Force Intelligence Specialist, NASA, Nike Guided Missile System, Apollo-Saturn Lunar Landing Program, Skylab-U.S., First Space Station and the Space Shuttle.

Coming down to earth, Herb moved into Leisure Village in 1976. With his interest in Amateur radio revived, together with Bob Guhl, Bob Kumler, the late Myron Travis, Ellis King and perhaps a few others, Herb convinced the L.V. Board of the importance of having an Amateur Radio Club associated with an Emergency Service in L.V. The board eventually agreed. Today the Club boasts of 25 ham operators as well as the radio shack belonging to villagers, ready to serve in the event of an emergency. Even the City of Camarillo depends on the L.V. Amateur Radio Club should a situation arise.

This is Herb Arnold's contribution.

SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

On June 24 the Saturday Night Ballroom Dance group celebrated its 19th Anniversary, hosted by its Executive Committee. This gala event with its festive decor and party atmosphere was enjoyed by all who attended. Live music by the Keith Shaw Trio highlighted the occasion.

Our next dance will be on Saturday, July 8 with Charlotte and Joe Romero hosting. The following dance on July 22 to be hosted by Willie Smith, will have a "Hawaiian nite" theme. Ladies muu muus

and gents bright printed shirts are encouraged. though usual casual attire is equally appropriate if desired.

Pleasant sociability and good music for dancing are the main ingredients for our Saturday Night Ballroom dances and we welcome all our villagers and their guests to join us. Listening and watching in a friendly environment is great fun too. Dancing from 8-11 p.m. in the AR. Admission only fifty-cents per person. Usual refreshments coffee tea punch and ice available. BYOB. Be sure to view Ch.12 for the Saturday Night Ballroom Dance regular messages and updated information.

Advisors: Past Presidents Cy and La Rue Boynton; Decorations; Historian and round dance tapes Gerry and Norman Fuller; Sunshine Belle Ross.

After a varied costume dance and a special red white and blue dance, the month ended with the annual anniversary pot luck dinner and party. Cy Boynton played square dance tapes and round dance tapes and Mary Kovach lead us in enjoyable line dances. As usual, Minna and Hal Hudson supervised and participated in the preparation and serving of the dinner which out-sizzled the Sizzler.

This month, the club celebrated the birthday of Rae Gimpel and the anniversary of Hal and Minna Hudson.

LV ROUND DANCE

By Bob Vanicek

With a full quorum on June 11, Round Dance Club members elected the following officers for the ensuing year: President Bob Vanicek, Vice-President Anne Wolfson, Secretary Georgia Schneider, and Treasurer Mary Kovach.

The first event will be a round dance performance at the LV Fourth Of July Picnic. Members are also looking forward to a festive celebration at the club's anniversary dance party

on July 16 at 1:00 p.m. featuring a buffet luncheon.

Gus DeFore from the Cam-A-lots will cue this special event in the AR. He and his wife, Lynn, are popular round dance instructors and currently teach in Camarillo. Song numbers cued at the party will include all levels through intermediate-plus, with perhaps a few surprises to challenge the more adventurous dancers.

Tickets are available now. Donation is \$5 per couple in advance and \$7 per couple when purchased at the door. Call 389-1404.

SWING DANCE GROUP

**By Marguerite
Abdelnour**

Swing Dance Group will meet Thursday at 7:30 p.m., in the AR for a review of taped dance music. We will also meet Friday at 10:00 a.m. for a Committee meeting. Please plan to attend both meetings.

All Villagers and their friends are invited to join us in our July Theme

Dances. Saturday, July 1, at 8:00 p.m., in the AR "Stars and Stripes Dance," with hosts Irv and Anne Dubin. Saturday, July 15, Paul and Luella Kelwin will host the "Country Western Dance," 8:00 p.m., AR.

Our special thanks to all our volunteers who so ably assist at the dances. We never have too many helpers, so if you'd like to volunteer a few hours on a Saturday night, please call Marguerite 482-1183.

Refreshments provided, BYOB, donation 50¢.

DANCE WORKSHOP

**By Marguerite
Abdelnour**

Dance Workshop will continue dance instructions during the month of July.

Beginners will meet

Thursdays at 9:00 a.m., in the Village Room, and Intermediates will meet at 3:00 p.m., in the AR every Tuesday.

We will participate in the July 4 picnic program and have audience participation. Come to share the fun.

SHUFFLEBOARD CLUB

By Cy Maller

The L.V. Shuffleboard Club is now concentrating on August 1, the date of our annual gala picnic. Ticket information, menu, and other data will be forthcoming on Channel 12.

The June general meeting was mainly concerned with the mystery of the re-

moval of the netting and lights. Eleanor Kramer, club president, and Sid Friedman, who act as liaison between the Club and Recreation and Education committee, were both contacted regarding the removal of the two items. Eleanor and Sid both assured the caller that both items were essential in order to maintain interest in shuffleboard operation. Well they both were removed, by who and why, remains a mystery.

By Jack Whalen

Bowlers are now having time off during the summer months but some can be seen on most Fridays at Harley's Camarillo Bowl getting ready for the new season which will start in mid-September. Channel 12 and *Inside Leisure Village* will keep you posted.

Last fall's tournament winners were: Group A Herb Roberts; Group B Paul Moyer; Group C Irv Goodnick; Group D Shirley Johnson and Group E Edith Baker.

The spring tournament found the winners, Group A Barney Simon; Group B George Stutsky and Group C Chase Gregory. In the ladies this spring, Group A Lindsey Merrill and Group B Frances Gold.

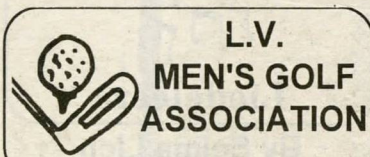

Chase Gregory won the trophy "Most Improved Bowler of the Year" while Joe Kremer won a trophy because "He's Just Plain Joe."

Rosemary Hanson, an excellent bowler and winner of high series scratch with a 504 and boasting the high average 140, will be president of the bowling group for 1995-96. We wish her the very best!

The organizational meeting to form the 1995-96 league will meet in the multi-purpose room on Monday, Aug. 14 at 7 p.m. All interested bowlers are urged to attend and bring along their checkbook to pay league fees.

There is lots of golf to report for LVMGA members for the month of May, beginning with the President's Cup played at LV on May 2 and 9. The winner in Flight A was Ben Alexander with a net 103. Bill Marvel and George Nolte tied at 111 with Bill winning an 18 hole playoff. Flight B went to Ed Hirschtick who shot 102. Second place was a tie between Vern Tyler and Bill Himstreet. The honor went to Vern on a coin toss. Flight C top man was Chuck Elrick (103) followed by Ed Fitzer (106).

As part of our twentieth anniversary celebration, a third shoot-out was held on May 20. A pitch to the first green resulted in Ben Alexander being closest to the hole. Tony Gregg, Jerry Vaught, Charlie Bellante and Ed Hirschtick rounded out the top five.

The big regulation golf tournament was held on May 25 at Soule Park. This was a regular tournament combined with the Tournament of Champions. To be eligible for the T. of C. a player was either low gross or low net in any flight in any tournament in the last 12 months. A Flight co-champions were Ben Alexander and Warren Sugg with a low gross of 92. John Rice won low net (73). Ben, Warren and John repeated in the regular tournament. Flight B had four men shoot 95 to tie for low gross in the regular tournament: Joe Kremer, Ted Rose, Jerry

Vaught, and Dave O'Connor. Ray Milewsky's 71 took low net. The T. of C. had the same winners in low gross with the exception of Dave. Flight C, in both tournaments, saw Ernie Ohmstedt win low gross scoring 103. Low net to Bruce Calkins (74), with Al Sullivan (77).

The Mixed Couples Tournament on May 28 had Charlie Basile winning low gross with a 54. Low net to Ben Alexander, 52, two strokes ahead of Jerry Vaught. Tony Gregg's 62 won Flight B low gross. Ernie Ohmstedt won low net with a 52, one better than Ted Rose. Chuck Elrick took Flight C gross shooting 63. Ben Hanson (52) won low net. Second, with a 55 was Bill Merrill.

The final event to write about occurred on May 11 at Soule when 36 members of both LVMGA and LVWGA played together. Non participants joined the golfers for lunch and all 55 people had an enjoyable day. Golf results saw Chuck Thomas (86) and Joe Kremer (99) winning low gross in the two flights for the day. Picking your best nine of 18 holes resulted in some very low net results. Don Laird was first in Flight A while George Kroll took the honor in Flight B.

Thanks to the very hard work of Ted Rose and Ernie Ohmstedt this was a fun-filled memorable 20th Anniversary day.

In this article I mention Ben Alexander as being the top winner in five separate events. I've often referred to Ben as Arnie (as in Palmer) and the reason was very evident in May. Congratulations, Ben, on a great month.

Plans are being made for the annual picnic on August 10. Be sure to get your tickets when they go on sale. They often sell out.

Activities are moving at a fast pace for the Racquet Club with exciting plans on the agenda.

The picnic of June 17 was a huge success. Before lunch, a tournament was held with the even numbered Villages competing against the odd numbered Villages. Cy Ross and his committee did a wonderful job of organizing the picnic and collecting many door prizes.

If you missed the Annual Billiard Club picnic, you missed a delicious BBQ meal and a memorable afternoon of fun and games. Our two vice presidents really know how to throw a party.

The Billiard table has been repaired. The slate was adjusted, new rubber cushions on the rails and special Simonis cloth cover was installed. The Billiard players are very appreciative of the result.

Plans for the annual dinner dance to be held October 7 in the AR are almost complete. This includes a variety show with local talent, plus a live band dance.

The Mission Oaks Tennis Courts will be closed while the park is renovated. The courts will be located in a different area, since the parking lot is to be enlarged. Work will continue until the end of the year.

The next meeting of the LV Racquet Club will be July 12, the 2nd Wednesday of the month. Refreshments will be served. Please attend.

thur Kates, Charlie and Ruth Kent, Ted and June Rose. A Membership roster is available to every paid up member.

The door prizes went to Charlie Kent, Donna Duke, Dudley Rigg, Ernie Ohmstedt, Betty Moore, Dave Robbins, Ida Rose and Eunice Donahue. Happy birthday greetings were sung to the fifteen celebrants.

After the close of the Meeting, Barbara Pardue stood in for our hospitality Chairperson, Kay Gregg, and presented a tasty array. The goodies were donated by Mim Evans Max Kastner, Ann Rose Meltzer, Betty Moore and Barbara Ohmstedt.

LV PARKINSON'S SUPPORT GROUP

By Robert Brackenbury

The monthly meeting of the Parkinson's Support Group featured an "Overview and Overall Review of Parkinson's Disease" by Kimberly Kirkland Seidman. The meeting was held on Wednesday, June 14, at 10 a.m. in the Village Room.

All Villagers are invited to attend the meetings which are held the second Wednesday of each month at 10:00 a.m. The PD Support Group has much in common with other such groups. For example, Dr. Joyce Brothers, writing in a recent issue of Family Urology was addressing a cancer support group, but she could just as well been speaking to a PD group. Support groups "arrange for speakers, provide information for the treatment of patients and pass along reports from national and regional meetings. While scientists have yet to find the cure for cancer (or Parkinson's), they continue to gain more knowledge about the disease. They continue to investigate potentially better treatment methods, and as these developments progress, patients owe it to themselves and their families to pursue the most up-to-date information."

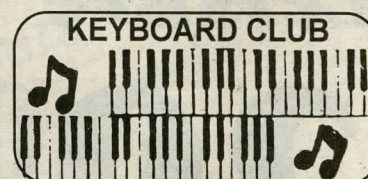

Anyone interested is invited and encouraged to attend future meetings.

There are more and more new faces at Keyboard Club which meets the third Friday of the month at 1:30 p.m. in the AR.

After a short business meeting, members of the club perform on various instruments after which refreshments are served. Occasionally, a sing-along is part of the entertainment.

Everyone is welcome. Mark it on your calendar.

AMATEUR RADIO CLUB

By Benson Smithkin

June was a busy month for members of the LV Amateur Radio Club.

The June 6 meeting featured ESC chairman Ken Wilson who gave a comprehensive review of the emergency plan. Members then gathered at the ECC room to examine the ever-increasing equipment there.

Following this, the club was represented at the June 10 open house of the Camarillo Police Department. Club president Dick Travis, Marge May, Mina Maxfield, Floyd Cook, and Paul Kelwin were there to accept membership in RACES (Radio Amateur Civil Emergency Service) organization and explain the benefits of packet radio. (Messages sent by computer and radio).

Finally, club members spent June 24-25 working the annual Field Day at Pt. Mugu. The goal was to contact as many radio stations as possible in a 24-hour period. Various points are awarded for contacts via voice, Morse code, and packet. Our club's points last year totaled over 4,000, which we hope was exceeded this year.

Some personal notes: Jack Myers (KE6SXX) has recovered well from right-carotid surgery and was able to handle the weekly radio net. Ben Smithkin (KE6NEP) is roaming around Turkey and will do some research on amateur radio there.

The July club meeting has been canceled, which will give president Dick Travis a chance to recharge his batteries, both human and chemical. Next meeting will be on Tuesday, August 1 at 10 a.m. in the Sun room. All are welcome.

By Don Holmes

The Leisure Village Orchestra will be playing at the Victoria Care Center in Ventura on Tuesday, July 18, starting at 2:30 p.m. We always enjoy playing there. In case you are considering a convalescent care center, our playing there will be a good opportunity for you to look it over.

The orchestra has tentative plans to play for the Annual Meeting.

The orchestra was invited to play at the Fourth of July Picnic, but orchestras do not do too well outdoors, so we declined and will be available for indoor affairs.

We have a concert coming up which is nearer than the Ventura affair, and that will be at Club Camarillo. We will play there on Monday, September 18 at 1:00 p.m.

THE CERAMIC PLUS CLUB

By Don Holmes

The Ceramic Plus Club is planning a caravan trip to Ventura, to visit the display of ceramicists Vivika and Otto Heinco at the Ventura Museum of Natural History. This will be on Thursday, August 22, leaving at 10:00 a.m. Watch the bulletin board in the Ceramic Room for car-pool sign-up sheet.

You are warned: This will be an "eat-your-heart-out" trip. The Heincos are professionals, and of course their work is outstanding. But come along, and see for yourself. Perhaps you will find something to buy that you didn't know you needed.

The next Ceramic Plus Club meeting will be Thursday, July 27 at 10:00 a.m. The time has been changed from 10:30 a.m.

Liedeleers

By Selma Lich

The Liedeleers singing group continues to meet twice monthly. Music lovers are invited to join and to participate in a bit of musical nostalgia, and to enjoy an expanding repertoire of songs of many lands. Newcomers will be spared the embarrassment of auditions, and recent appearances at "La Scala" or the "Met" are not among the requirements.

Meeting times are on the second and fourth Tuesdays of each month at 9:30 a.m. Please note change in meeting place from the Sun Room to the Lanai Room. This change is only for the months of June and July. Come and join the group for song, fun, and camaraderie. Try it, you'll like it. Please call 484-8129 for information.

Hearing Impaired SUPPORT GROUP

By Gabriel Barkley

The July meeting of the Hearing Impaired Support Group will be held Wednesday, July 26 at 1:00 p.m. in the MPR. The members will be favored by Miguel Navarro who is the Coordinator for the Outreach Activities of the GTE Special Needs Center. He attended Calif. State University in Northridge where he majored in Deaf Studies. Mr. Navarro knows the sign language, and is fluent in Spanish. He is going to make a presentation of the various types of telephone equipment that are available for the hearing, vision, speech and motion impaired. All this equipment will be on display at the meeting.

Our club is in need of a secretary to take minutes for a couple of hours at our meetings on the second and fourth Wednesdays every month. Those interested please phone Sara Kass at 987-4452. The only pre-requisite is to have fair to good hearing ability.

*"When you're living at
the Ventura TowneHouse,
you're as independent
as you can be."*

Independent Living

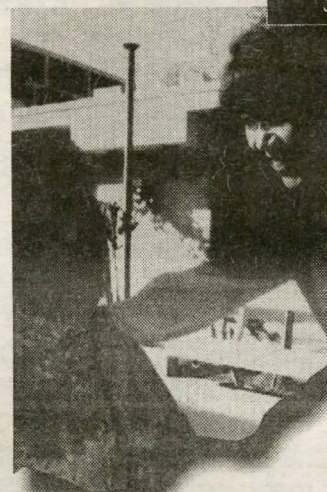

I talked a lot about independence when I had a house, a garden, and a car. There were so many things I needed to take care of. But that was before I discovered the joy of Ventura TowneHouse. Now I have a roomy apartment with maid service, delightful meals, transportation on a regular basis, and plenty of time to enjoy new activities. At the Ventura TowneHouse, I've learned a whole new definition of independence.

My sons used to worry about me living alone, as I can't take care of myself as easily anymore. They were afraid I'd fall and I was concerned about having to trade my freedom for security. When we learned about Assisted Living at the Ventura TowneHouse, all of us were pleased. I receive the help I need with bathing, dressing, and remembering my medicines. They make my bed, clean my apartment, and prepare three delicious meals a day. Best of all, though, is that I'm part of things again. I still feel like I'm on my own—but now I'm not alone.

Assisted Living

Skilled Care

This illness of mine was at a point where Anne couldn't take care of me at home any longer. At least for now, I needed to be in a skilled nursing facility. We both knew, however, that being separated would make things harder for both of us. It was a real problem, but Ventura TowneHouse had the answer. Now I'm here at Venturan Convalescent and Anne is just a garden away in her own TowneHouse apartment. She says the meals are marvelous and the maid service is likely to spoil her. She feels wonderfully taken care of, and I can understand why. Here, at Venturan Convalescent, so do I!

CAMERA CLUB

By Sam Weinstein

The May 17 Camera Club meeting featured Ventura College Photography Instructor Tom Roe who spoke to us about the rapidly expanding linkage between computers and photography.

The June 7 meeting was a competition meeting and the assignment was "Patterns/Textures." Our judge was world traveler and well known Ventura County photographer Janice Rice. Janice has recently returned from Photo Workshops in South and Central America and had some interesting tales for us. She chose as winners in the "Patterns/Textures"

category: first place and Picture of the Month to Jack Burden for "Warehouse Window," second place to Marion Sevren for "Vegas Sign" and third place to Sam Weinstein for "Rivets."

The winners in the Open category were, first place and Picture of the

Month to Sam Weinstein for "Paragliding the Colors," second place to Joan Ellis for "Malibu Morning" and third place to Bill Huffman for "Camel Ecstasy."

We meet every first and third Wednesdays with the exception of July and August when we meet only on the first Wednesdays for our competitions. Watch Channel 12 for our announcements and join us at a meeting. Visitors are always welcome.

COMPUTER CLUB

By Ben Perry

The LV Computer Club had its third meeting chaired by Dick Travis and Rudy Regen in June. The club has shown an increase in membership since its inception. On the surface it would appear that there was a lack of interest in computers but this thought was laid to rest when they had wall to-wall attendance.

Eddie Saeta of Village 18 gave a fast dissertation from the floor, answering many questions regarding "On-line" nets, banking and paying bills though the use of the computers. The group had the pleasure of having Jim Moran of Teltron Computer, Inc. tell

of the many facets of his company, and he also answered questions from the floor. By the time a new computer is purchased it is already obsolete. Those in L.V. cannot understand all these advancements but it would be advisable to focus on the things of interest, such as word processing, spreadsheets, keeping records of finances and perhaps "on line" with some network just to have a world of information available. Once having mastered any of the programs that are available it becomes an enjoyable tool in our daily living.

After the formal meeting, small "Special Interest" groups were formed to help members get answers to problems and to become more computer knowledgeable.

GEM AND MINERAL CLUB

By Don Holmes

The LV Gem and Mineral Club met in May and June, as always, on the fourth Wednesday of the month. This is some times confusing, as some clubs

meet on the "last" particular day of the month. For instance, August will have five Wednesdays but the Gem and Mineral Club will be, as always, the fourth. So, with that down, the July meeting will be Wednesday, July 26 at 7:30 p.m. As of now, a slide show is planned.

R.V. CLUB

By Ed Vasquez

There will be no RV Club meetings in July and August. Coming events: September 9 Club Picnic; September 19 regular meeting at 7:30 p.m. in the MPR; November 16, Dinner Theater party at Ottavios.

A club suggestion to all villagers for a different experience on your next highway travels is to try the new truck stops such as the Flying "J" Travel Plazas, Love's Travel Stops, Giant Travel Center, and the 76 National Auto/Truck Stops Inc. They have such amenities as beauty and barber shops, showers, Mini-malls and food services, and dump stations. Do not forget to pick up a Truck Stop directory.

Appreciation and kudos go to Nick Dahl and other volunteers for their faithful service in decaling our motorhomes, fifth wheels, boat trailers, and verification of our assigned parking spaces at the RV lot.

We welcome all the new villagers interested in RVing.

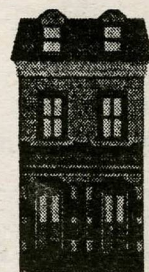

Happy and safe motor-ing

WRITERS ROUND TABLE

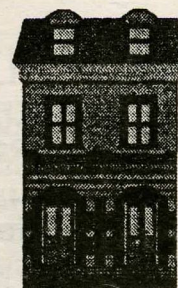

By Cele Porges

Information on a poetry contest opened the May 23 meeting of the Writers Round Table for those interested in entering their poetry. Then an article about a Pulitzer Prize winner of poetry was read, as were a few poems, which triggered a discussion on poetry.

Meetings will be held on July 11 and July 25. All meetings are held on the second and fourth Tuesdays of each month in the Lanai Room at 1:30 p.m. Irwin Porges conducts the writing group. Anyone needing more information may call Irwin at 482-0142.

THE SAWDUSTERS CLUB

By Martin Alfred

If you are interested in woodworking the Sawdusters can be the club for you. If you are new at it and would like to learn more, or if you are experienced and want to exchange ideas, then give us a try on the third Thursday of each month at 2:30 p.m. in the Lanai Room.

At our main meeting, Phil Farber showed us a

cute kiddie car that he made for a grandchild. It was well made and practical.

We received a request to construct a cabinet for the new pool-side patio area and several members volunteered to work on the project.

A film on the use of a band-saw and a drill-press was shown with lots of good information on their use and versatility.

Call Phil Farber at 482-0973 for questions about the club.

CERAMIC MOLD DECORATORS CLUB

By Pepper Heimowitz

The Ceramic Mold Hand Decorators Club met on June 7, Nominating Chairperson Evelyn Durham presented the 1996-96 slate of officers: Pres. Florence Neely; Vice Pres. Gladys Gray; Secy. Mary

Levy; Treas. Isabelle Kelly.

Our Annual Meeting will be held at the Sizzler Restaurant on July 5 at 11:30 a.m. after which we will return to the L.V. Ceramic Room for our membership meeting and installation of officers. Yearly dues will be collected at that time.

Workshop is every Wednesday from 10:00 a.m. to 3:00 p.m. in the Ceramic Room.

offs of \$3 and \$4. Smiles on faces as players left was an indication of a profitable evening.

The 6:30 p.m. starting time will continue. It seems to satisfy players who want to be home in time to view TV movies.

The fine panel of callers make the games very pleasant. We urge you to bring a friend.

How To Avoid Violations

By Bill Himstreet
For
Building & Grounds
Committee

The following items describe some problems that should be corrected by residents. Violation letters are being sent by LVA to owners only; renters must then be informed by the property owners.

1. Vines and other plants growing through fences to common area side.

2. Plantings outside fences or around trees in common area. Note that concrete and brick-edged planter areas may extend 16 inches beyond the fence line when approved by permit.

3. Household items such as rugs, brooms, mops hanging on fences.

4. Only three (3) geraniums are allowed in a planting area before the area becomes red-staked territory and homeowner responsibility.

5. Torn or cracked screens, if unsightly. Use judgment.

6. Brooms, mops, clotheslines, and other tools stored on patios where they are visible to other residents.

7. Unused planting pots and boxes, as well as fertilizer bags, ladders, and gardening tools stored in planter areas. They may be stored inside patios but not visible to other residents.

8. Shrubs and tree limbs

on roofs if from fenced or red-staked areas must be removed by homeowner.

9. Trash placed for pickup before 4 p.m. of the day prior to scheduled pickup.

10. Residents doing yard cleanup and pruning may place cuttings, neatly sacked or bundled, near their trashcans for LVA pickup the same day and must call the Association office for this service. Clippings must not be placed on LV or Mountain View Drives and must not be left overnight.

11. Although red-staked areas often become unmanageable for homeowners for a variety of rea-

sons, the homeowner is responsible for the maintenance nevertheless.

12. Fence boards missing or loose must be replaced or repaired by homeowners. LVA may handle these as billable services.

13. Excessive oil in driveways is unsightly. Homeowners are responsible for cleanup.

14. Homes empty and/or for sale are not exempt from violations. Corrections must be made before escrow's can be completed.

Taxes For Domestic Workers

By Paul Kelwin

I'm writing on a subject that I hope will save villagers a lot of trouble. Please do not let happen to you what has happened to so many. It was brought out by those cases 2 or 3 years ago, where two appointees to the U.S. Attorney General office had to bow out. I'm not speaking of hiring illegal entrants to the U.S. but of the avoidance of taxes on domestics, like care-takers. I know. I lived and worked it as a Social Security Administration Field Representative for over 30 years.

For instance, a person had to file for disability or survivor(s) benefits with the Social Security Administration. We'd request the earnings record from our central record keeping office. In too many cases there was practically no earnings on which to base and compute benefits. Questioning then brought out that the disabled or deceased had worked as a maid, household help or in similar employment for several different employers or maybe just one em-

ployer. We'd get the employers name and address. I then had to go and reconstruct the earnings record. The employer was devastated to learn he had to pay Internal Revenue taxes for several years back...Plus interest, Plus penalty!

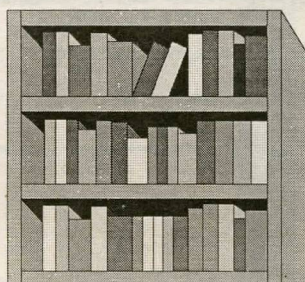

The employer(s) had paid cash to the employee and NOT reported those payments to Soc. Sec. Adm. for those taxes, nor to Internal Revenue Service for income taxes that should have been withheld or reported by the employer.

Many workers, caretakers, will say they are self-employed and in some cases may be. But it would be wise for anyone in Leisure Village to at least file a Form 1099 with Internal Revenue. Any doubt or questions call Internal Revenue at 1-800-829-1040; Social Security at 1-800-772-1213. Also, California State Employment Development Department here in Ventura County (805) 654-4505.

LIBRARY COPIES

One of the responsibilities of the monthly coordinator for *Inside Leisure Village* is placing a copy of the paper in ILV file in the library at the Recreation Center. This service is done to enable villagers to read back issues when they seek confirmation of previously published information.

Apparently there are a few people who feel that the presence of this file is for their own personal use and papers may be removed at will. This thoughtless act deprives all of our neighbors of access to this trove of information and is frustrating to those who publish *Inside Leisure Village* as a service to the whole village.

ESSENTIAL ELEMENTS OF A SUCCESSFUL SPINAL EXERCISE PROGRAM

Most spinal problems are related to the muscles and joints which support the back. An appropriate exercise program can help heal, rehabilitate and maintain the flexibility and strength of your musculoskeletal system. But there is more to a beneficial exercise program than just going through the motions. Observing some essentials will ensure the benefits.

Seven Essential Elements Of A Successful Exercise Program

1 Wear comfortable clothing which does not restrict your movement. Use a pad rub for floor exercises.

2 Keep your movements long, slow and gentle

3 Move with your breath. Breathe through your nose. Inhale when you lengthen or stretch your body. Exhale when you curl or fold your body.

4 Keep your mind attentive to what you're doing. If your mind is one place and your body another, they can't pool their resources to give you the maximum benefits.

5 Listen to your body's signals. When it signals pain, ease up. Stay in the range of "sweet challenge"; that's where you make progress toward flexibility and strength.

6 Exercise regularly. It's best to do it daily at the same time. Your mind and body will look forward to this pleasant experience, and will help you establish and exercise habit.

7 Create an exercise environment which is pleasant and quiet, with plenty of fresh air. Enjoy it!

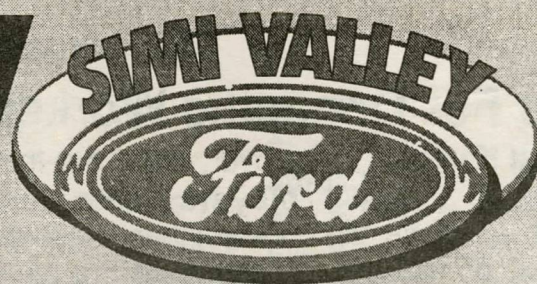

Exercise Your Right To Strength And Suppleness

Immobility causes more pain and risk of injury. We can change the stalemate by learning how to move and exercise regularly in ways which heal, restore and maintain the health of our muscles and bones, as well as improving our overall well-being.

L.V. WOMEN'S GOLF ASSOCIATION

By La Rue Boynton

The Ojai golf tournament on May 11 had some exciting results. Joyce Bookwalter came in first with low gross and low game score for flight A. Flight B: Iolene Beach was first in low; gross. Freddie Mason was first in low game score.

The women's regulation golf played at Camarillo Springs on May 8 had the following winners: Flight A: Low gross, Carol Vaught shot a score of 103. Low net, Alda Kroll came in with a score of 77. She was followed by June Rose who had a score of 79. Flight B: Low gross winner was Joyce Bookwalter at 105. First low net, Marty Gregory at 73. Second low net, Mary Giesler with 76. Flight C: First low gross, La Verne Groves at 119. First low net resulted in a tie between Ginny Sowder and Connie Santangelo, both at 81. Flight D: Low gross winner was Joan Johnson, who scored 130. The low net winners were Della Gageby and Anna Snyder, each at 84.

Geri Nolte, who tracks the handicaps and the "END-OF-MONTH" scores reports winners for the month of May. Talk about great scores, Birdies and Pars all over the course. Eighteeners: Low gross; It's a tie between Alda Kroll and June Rose. They each shot a 58. That is remarkable! Low net for the eighteeners is a four way tie. Della Gageby, 70-21=49. Shirley Goldstein, 76-27=49. Alda Kroll, 58-9=49 June Rose, 58-9=49. To top off Della's great score, she had a "HOLE IN ONE" on the 13th green on May 31.

Now for the Niners: Marge Kelly won first low gross and low net. Her score on the front nine was 29 gross. Also on the front nine she had a low net of 29-7=22. Maybe our

women golfers should invite the great Greg Norman to come play golf with them.

To correct an omission that was made in the May golf column, two women elected are First V.P. Shirley Heller and Second V.P. Edna McCormick. All the new officers were installed by Corky Milman at the installation luncheon.

The luncheon and installation was a success. However, there was triumph and joy all through the room when the golf awards were presented by Pat Holly, awards chairperson. Those of us who did not receive an award or trophy were most happy for the success of others.

Here are the winners of awards for 1994-95 tournaments: "Medal Play" Niners: Flt. B. Low Gross; Millie Mullery. 1st Low net, Helen McGinnis. 2nd Low Net, Ginny Dunnion. Flt. A. Low Gross. Marge Kelly. 1st Low Net, Dora Cronyn. 2nd Low Net, Lindsey Merrill.

Eighteeners: Flt C, 3rd Low Net, Cara Hatfield. 2nd Low Net, Doris La Prell. 1st Low Net, Shirley Goldstein. Low Gross, Denka Nelson, Flt. B: 3rd Low Net, Laverne Groves. 2nd Low Net, Connie Santangelo. 1st Low Net, Shirley Johnston. Low Gross, Hattie Stern. Flt. A: 3rd Low Net, Adeline Littenberg. 2nd Low Net, Fran Mead. 1st Low Net, Alda Kroll. Low Gross, June Rose.

Now for the SUPER SENIOR Tournament. Niners (eighteen holes) Flt. B 2nd Low Net, Katie Anderson. 1st Low Net, Millie Worth. Flt. A. 2nd Low Net, Lindsey Merrill. 1st Low Net, Marge Kelly. Eighteeners: Flt B. 2nd Low Net, Shirley Goldstein. 1st. Low Net Edna McCormick. FLt, A: 2nd Low Net, Iolene Beach. 1st Low Net, Dorothy Praeger.

"Club Championship Tournament" A two-day tournament and the winners are: Niners. 2nd Low Net., Savinah Harpending.

Here are the winners for Flt B. 1st Low Net, Ruth Smith. Low Gross Helen Sierich.

Flt A; 2nd Low Net, Millie Mullery. 2nd Low Net. 1st Low Net, Helen McGinnes. Low Gross, Lindsey Merrill.

Low Net "Over The Field" winner was Sharon Green. Low Gross winner of over the field and Niner Club Champion, Marge Kelly. Eighteeners: Flt. C. 2nd Low Net, Sherley (Goldstein. 1st Low Net, Evelyn Bearman. Low Gross, Edith Dowsing. Flt B. 2nd Low Net, Rosemary Hanson. 1st Low Net Gella Gageby. Low Gross Hattie Stern. Flt A. 2nd Low Net, Adeline Littenberg. 1st Low Net, Martha Nunn. Low Gross, June Rose. Denka Nelson won Low Net "Over The Field". Alda Kroll was the winner for Low Gross and "Over The Field". She is the acclaimed "Club Champion"

Winning putter of the year is Marge Kelly. Lowest net for niners of the year is Nancy Whittaker. Hers was a score of 33-13=20 on the back nine. Eighteeners, Marianne Senko had a score of 66-21=45. Lowest gross of the year for the niners is Marge Kelly. She shot a 29 on both the front and back fairways. Maria Meyers also shot a 29 on the front. Dorothy Praeger who plays eighteen holes shot a 57 gross.

The acclaimed most improved golfers are; Jackie Filbry for the Niners, Marianne Senko for the Eighteeners.

What a great year for golf and friendship. Next year will be even better.
