I can understand.

The master's program.

She is the economic development community for the agency and is also the agency's designee on the California Coastal Commission, the California State Job Training Coordinating Council, and the Displaced Homemaker Advisory Council, with an annual budget of approximately \$4 billion.

01:35:28:29 - 01:35:36:08

Speaker 2

Including both federal and state funding for business, transportation, and housing. Agency's primary objectives are just to rethink.

01:35:36:16 - 01:35:45:18

Speaker 5

California's business and housing climate and develop a safe and effective system. What I want to know is what is everybody else in our government often doing? She's doing.

01:35:45:18 - 01:35:59:15

Speaker 2

It all. But she has also received award from the Hispanic Business Association, Greater Long Beach Chapter, California Hispanic Chamber of Commerce, Mexican American Foundation, our Civic Leadership.

01:35:59:15 - 01:36:03:25

Speaker 5

Award, as well as numerous others. This is the kind of woman to represent our community.

01:36:04:00 - 01:36:04:08

Speaker 1

What.

01:36:04:08 - 01:36:06:09

Speaker 2

We can be and what we've come.

01:36:06:11 - 01:36:08:03

Speaker 5

A native Californian.

01:36:08:05 - 01:36:22:28

Speaker 2

Capital resides in Los Angeles and been very involved in numerous civic media groups and in the arts. Please join me in welcoming Kathleen Calvert all.

01:36:23:00 - 01:36:46:21

Speaker 5

Thank you very much. You know, I come in listening just to the introduction, and you were so generous. it reminded me of something I heard someone say. My grandmother would have enjoyed it. My mother would definitely believe that. I I've got to tell you two, I appreciate it. And I'm going to take this podium with me because I do a lot of traveling and a lot of public speaking.

01:36:46:24 - 01:37:09:13

Speaker 5

As a rule, I need to rise you. Last week, I was doing a speech in San Diego. It almost fell through the floor on the bus they gave me. So this is this is very, I wanted to mention, an individual, in the room, too, because when we talk about commitment to our community and, and those people that when we make that that commitment to you, keep it.

01:37:09:15 - 01:37:32:18

Speaker 5

I want to assure you of one thing. And that is that as long as I've known this gentleman, he has always done that. There are two of them I reproduce, and all of them certainly reflect this. one of them was just introduced to you, one of my dearest friends, and the person to whom, whenever I needed anything, anything, advice, assistance, whatever, he was always there for me.

01:37:32:18 - 01:37:44:26

Speaker 5

And I know that he always will me. And that's right. That is. Please give him another round.

01:37:44:28 - 01:37:48:12

Unknown

You know what? I like this guy Kathy Jaffe.

01:37:48:19 - 01:37:53:01

Speaker 1

Yeah, sure. What am I even what? A Republican is mentored in my office. Hey, I.

01:37:53:01 - 01:38:17:04

Speaker 5

Told you didn't get in to do something with them. We won. And the other individual is someone, a colleague, someone that I've worked with for great many years in Sacramento. Someone who I've come to love dearly as a friend and appreciate because of his strong commitment to everyone. And he never asked whether you were Republican, Democrat, you were in Spanish, and that was all that mattered to him.

01:38:17:06 - 01:38:30:22

Speaker 5

One of my dearest friend, a member of your organization, and that is, Bill Garcia.

01:38:30:24 - 01:38:53:08

Speaker 5

I can't begin to tell you how strong and happy you have in Bill. I want to take this opportunity to thank you, chair. your state chair, Victor Garza. And, Rosa Amador, your to your convention chair for extending me the invitation to be with you here today. I'm particularly pleased to be addressing you at the women's luncheon.

01:38:53:11 - 01:39:14:14

Speaker 5

And if any of the women, in the audience are wondering how we're doing, we're making progress. do we have a ways to go? You have. How will we know when we get there? Because gender won't be an issue. Because we'll all be seen as people first. I was listening to a gentleman making a speech not too long ago.

01:39:14:16 - 01:39:36:24

Speaker 5

he's really impressed about the progress we've made. he was discussing women and the power that they've attained. He told the audience the story of a woman who was standing in a cemetery, crying and rocking and pacing and reeling and said. And the caretaker of the cemetery noticed her and walked over to her. And he said, well, madam, he said, what's what's the problem?

01:39:36:24 - 01:40:04:20

Speaker 5

What's troubling you? She said, all smiles. But Mary two days ago. Wow, these people everywhere are. We were all here and he was right here. Now I can't find him anywhere. The caretaker says, please don't worry about it. I know the names and location of every individual in this cemetery. What's his name? Barry Webster. Oh, let me see.

01:40:04:20 - 01:40:20:25

Speaker 5

Webster Webster's. No. He says we don't have a Henry Webster, but we do have a Dorothy Webster. Well, that's have everything's in my name.

01:40:20:27 - 01:40:27:29

Speaker 5

Okay.

01:40:28:01 - 01:41:11:09

Speaker 5

Prenuptial agreement. There may be for. A lot of things have changed over the last 30 years. For instance, in California, today, 28% of Nonagricultural sole proprietorships are owned by women. And that total is about 450 500,000. In this nation, 25% of all the small businesses are owned by women. So that, in fact, when I started businesses in this country at a rate 5 to 1, in terms of men, there are women throughout the country proving every day that hard work, commitment and dedication to excellence creates success for women.

01:41:11:09 - 01:41:12:00

Speaker 1

All over.

01:41:12:00 - 01:41:46:27

Speaker 5

The world. making a difference for all of us in this country at the national level and in California, at the state level of government, women hold positions where they impact directly policy decisions that affect our lives every day. In my position in the business, transportation and Housing Agency, I've had the opportunity to travel not only throughout the state of California in every state across the nation, outside of the country, to speak to business organizations, trade organizations, women's organizations.

01:41:46:27 - 01:42:07:25

Speaker 5

And I've got to tell you that when I hear people talk about doom and gloom and about how we're not making it, and even the youth in our community, Hispanic youth, I've seen the best and the brightest that this country has to offer. And I'll tell you what, most of them, the majority of them were right here in the state of California.

01:42:07:28 - 01:42:35:13

Speaker 5

And I tell those youngsters that the future for all of us is in their hands. And I'll tell you, after spending some time with all of them and with the entrepreneurs that represent us throughout this state, we're in fine shape. I've been responsible for the Department of Housing and Community Development, the California Housing Finance Agency, the Department of Real Estate, the Enterprise Zone Program, and I am the economic development coordinator for the agency.

01:42:35:16 - 01:43:05:17

Speaker 5

I am the agency's designee on the state job Training Coordinating Council, which provides funding for women for veterans, senior citizens, at risk youth and men and the handicapped. We provide funding for education, for economic development. We establish policy for all of these programs. We are public servants. Our charge is to provide you, the citizens of this state, with an economic climate where you can prosper.

01:43:05:19 - 01:43:38:11

Speaker 5

Education for your children's future, a social climate where none of our citizens are forgotten, and opportunities so that every citizen that wants a job can have one. The men and women in this room today are about success. Let me tell you about the traits and characteristics I've found in your

membership over the last eight years. A single minded dedication and persistence, absolute honesty in evaluating circumstances, facts and people.

01:43:38:13 - 01:44:11:02

Speaker 5

You have the ability to motivate and persuade others, method creativity, agility and flexibility to see opportunities that many others do not, and mental toughness to bounce back no matter what confronts you. I think you're all winners today. I want to talk about positives, about winning, about success, power, leadership and character, and the responsibility that goes with it. Why do people win and win consistently?

01:44:11:05 - 01:44:52:21

Speaker 5

Because they earned the right. They earned the right because they take them in every situation. Personal power and personal power has three ingredients class competence, skills, knowledge, education, enterprise. Know competence. Your ability to be socially skillful, to sense others feelings, and to be personally persuasive and charisma. Personal power is about who you are all the time. The more personal power that you take into a relationship or setting, the less vulnerable you are to intimidation by anyone, the more the best capitalized on that.

01:44:52:21 - 01:45:15:16

Speaker 5

I can take into any situation. Me at my absolute best. The less vulnerable I am to anyone who tries to make me feel smaller than I am. Four feet 11.25in is where I draw the line.

01:45:15:18 - 01:45:16:14

Speaker 1

I must tell you.

01:45:16:19 - 01:45:45:26

Speaker 5

That I have never met a person in this world or in my life, that I couldn't do something better than he or she could, and I never met a person who couldn't do something better than I could. We all know, and

every situation is unequal. Today I'm going to use the definition of assertiveness. The assertive person is the one who asks for more, expects more, and gets more successful.

01:45:45:26 - 01:46:10:07

Speaker 5

People know who they are, enjoy who they are, and know how to balance their skills and personal qualities. The most successful people are those who have overcome the biggest problems. For instance, I'm one of 15 children now. That's competition and I was raised by only my mother and my grandmother, and we were quite poor by most economic standards.

01:46:10:14 - 01:46:37:24

Speaker 5

So one of my and I never had the opportunity to acquire a college degree. I have only a high school diploma and that didn't stop me. For 14 years I was a battered housewife. So what? That didn't stop me. I was raised by an incredible woman who taught me that there were no limits to what I could become or do, except those I set for myself.

01:46:37:26 - 01:46:54:29

Speaker 5

She taught me to survive. She taught me to be proud of my Mexican heritage and who I am. And I gotta tell you, every time I hear a mariachi, I want to get up and dance. It takes everything I can muster. All the.

01:46:55:01 - 01:47:25:14

Speaker 5

You taught me to see the beauty and the value in every precious human being that God has placed on this earth. To believe in myself and to recognize my worth. You see, no one ever told me I couldn't. And you're never going to let anyone tell you that you can't. You have great leadership in this organization. I've seen them at work for you in Sacramento, and you have influence, respect and power.

01:47:25:16 - 01:47:55:19

Speaker 5

Leadership is not personality. It helps. Leadership is not a title. It helps. Leadership is not ability. It helps. Leadership is a price that can be paid by any one of you, anytime, anyplace. It begins with a price called loneliness. Making the tough decisions and choices, then making them your decisions and choices and standing by them no matter what you.

01:47:55:22 - 01:48:19:18

Speaker 5

I don't have to tell men and women in this room who have served in the defense of this country about leadership choices, people who my fondest memory is of a few days. I use them. A few years ago, when the Mexican War on their mothers in Sacramento invited me to march with them from the proper art museum to the state Capitol in memory of.

01:48:19:22 - 01:48:20:18

Speaker 1

Former war.

01:48:20:25 - 01:48:49:22

Speaker 5

prisoners of war. My great grandmother abandoned me. There was 103 years old when she passed away several years ago, and the last time I saw her was when we shared the celebration in the 102nd birthday. She had taken my Uncle Luciano out of a Veterans Administration hospital and taken him home, determined that she was going to take care of him herself till the day she died.

01:48:49:25 - 01:49:12:23

Speaker 5

Six months after he passed away. She passed away. She nursed him until the day of his death, and he, during World War two, was one of the 70,000 Americans who were surrendered to hostile forces on the day he died from the injuries suffered on the hands. You like you, the men and.

Honor and courage. You have long supported and defended your country. You have had a confident belief in the true value.

01:49:49:01 - 01:49:50:09

You are nature, his handsome face and courage and I salute you.

01:50:11:25 - 01:50:20:00

Speaker 5

You, the women and men who have had to face the toughest.

01:50:20:02 - 01:50:35:22

Speaker 5

To succeed because of your strength and character, no one ever spoke more eloquently on the subject of character than another woman made a transition. I would like to close by sharing a radio broadcast.

01:50:35:23 - 01:50:40:20

Speaker 2

Delivered by her during World War Two. If the past.

01:50:40:20 - 01:50:48:13

Unknown

Has taught us anything, and every time brings us, in fact, every action has a consequence.

01:50:48:15 - 01:51:26:26

Speaker 5

We Chinese have the same. If a man plans now, he will retaliate. If he sells beans, he will reap beans. And this is true of everyone's life. Good begets good and evil leads to evil. True enough, the sun shines on the saint and the sinner alike. Too often it seems that the wicked prosper. But we can say with certainty that with the individual, as with a nation, the flourishing of the wicked is but one is an illusion for and see for unceasingly.

01:51:26:29 - 01:51:53:23

Speaker 5

Life keeps books on us all. In the end, we are the sum total of what our actions have. There cannot be counterfeited, nor cannot be put on and cast off as if it were a gun. To meet the weight of the moment, like the markings on wood which are ingrained in the very heart of the tree. Character requires time and nurturing for growth and development.

01:51:53:25 - 01:52:31:02

Speaker 5

That's also day by day. We write our own destiny for the nature of life. We become what we do. I don't know, I think most of the women and the men in this room can certainly look back to mom, grandma or someone in their lives. You're all made of strong and sturdy stuff. I know I am the thing that keeps me going every single day of my life is the memory of my Uncle Luciano, of my great grandmother, Amalia Rivera, and my mother and of my grandmother.

01:52:31:05 - 01:52:54:05

Speaker 5

Those women whom I loved, who gave me strength, who taught me about what was important in this life, who gave me real value. And it's about people. It's not about money, and it's not about title, because those things are so temporary. It's about you and the friends that I'll make sure they cherish always in my memory and in my heart.

01:52:54:08 - 01:53:24:01

Speaker 5

Thank you for inviting me. May God bless each and every one of you, and I wish you great good fortune in all of your endeavors, and know that if you ever need me, as long as I am in Sacramento, as long as I can stand, and as long as I can fight, I'll be there with you. Thank you.

01:53:24:03 - 01:53:24:18

Speaker 1

And hear about.

01:53:45:10 - 01:53:58:18

Speaker 2

We have Anita run for office. I'm running for Congress in California, and I hope we have Happy Valley.

01:53:58:20 - 01:54:01:00

Speaker 5

Without an entertainment time.

01:54:01:03 - 01:54:03:17

Speaker 2

but before the entertainment comes along.

01:54:03:20 - 01:54:04:09

Speaker 5

That we had a.

01:54:04:09 - 01:54:06:28

Speaker 2

Women's luncheon, which was very successful. But I've been told.

01:54:06:28 - 01:54:10:27

Speaker 5

That all of these events by the GI forum have been over attended.

01:54:10:29 - 01:54:14:29

Speaker 2

You've had incredible turnout, you've had successful speakers.

01:54:15:02 - 01:54:17:23

Speaker 5

And that doesn't just happen. It takes a lot of work.

01:54:17:25 - 01:54:19:07

Speaker 2

And I want everyone right now to.

01:54:19:07 - 01:54:19:29

02:06:07:28 - 02:06:48:25

Speaker 1

Our next region very, very popular. It's the region I bear across the regions. The women's dress is highly influenced by the Spanish domination in Mexico. Or it was through Veracruz that the Spaniards arrived and entered on their way to conquest, making. Leaves worn by human ears of cotton. And it's decorated with lace. In lieu of wearing a blouse, the woman wears a commission that, due to the hot and humid climate of Iraq, she also wear the sheer shawl made of lace in case the weather cools down.

02:06:48:28 - 02:07:01:08

Speaker 1

But of course also for modest reasons. The heart also uses the wet color to her costume.

02:07:01:10 - 02:07:20:03

Speaker 1

Another article of adornment is the red arrow, which may be utilized to wipe her face when she perspire. You've got, for example. Now, of course, sometimes maybe not look ladylike for her to be like your face, but like so. She carries her.

02:07:20:03 - 02:07:22:17

Friend.

02:07:22:19 - 02:07:37:21

Now that, of course, it looks very innocent. But young gentlemen should perhaps try to get forward. She just snap him on the nose like a book. No, no.

02:07:37:23 - 02:08:10:08

The code was incorporated by the Folklore Dance Groups of Mexico, and in turn have been operated by the group the United States, as well.

02:08:10:11 - 02:08:23:07

Speaker 1

Now finally, the costume is complemented with the flowers, usually carnation, on one side of the face, well, yet more on the.

02:08:23:09 - 02:08:47:29

Speaker 1

Is called very simple, yet very versatile. Again, like sunrise for coffee. This gentleman also wears the wire. You'll notice the white pumpkins all the way up in a certain. These were typical in the old days, when the men would go out and bring the way of the Royal African, they would stop the coins in their pockets so they would during the war.

02:08:47:29 - 02:09:17:19

Speaker 1

And now, as in my case, they used for coffee cigarets. What are the. again, you see, it's with long white stands for one year because you don't want to go too much in exposed because that's the sun. It wears the dress, the white color of the way. And then I'm sorry. I mean, very simple or very elegant.

02:09:17:22 - 02:09:47:04

Speaker 1

They can be embroidered, but we're not enough for this. About the life and of course, the money you have, the probably the members of them, usually have a heart and another soul for this one. But yellow,

you don't have a floor here or again, you also raise a quite well around his neck for the same purposes.
The man from employees.

02:09:47:06 - 02:10:15:16

Speaker 1

It's that, for the first operation. And also, it's quite an expensive way to protect the color because of you, you know. You don't know. And that's what many people get in sombrero. They don't want to wear one. It is also hand-woven, made of straw. It has more points of merit to know the company of the from that they have their idea for one.

02:10:15:18 - 02:10:43:03

Speaker 1

And that's why metal is not only used for protecting the image of the sun, but also if you sitting under a tree, it's still hot. So he uses that. Woman. So this is a beautiful combination on the region of.

Here we.

02:10:51:11 - 02:11:27:02

Speaker 1

Have Cindy. We have a few minutes ago. This cup is made of numerous, numerous yards of material as well as numerous numerous yards and ribbon. As you can see, they look very beautiful. I can tell you

that. They get very heavy at times. The skirt is patterned after the full length of the work that was, that helped the ladies used during the Revolution of Mexico for the purpose for the herd those days was the help the women who got most of the guns and ammunition across enemy lines.

02:11:27:04 - 02:11:39:19

Speaker 1

They would smuggle it underneath their skirts because no man would dare. To this day, they bit or none. Their hook under a woman's skirt that.

02:11:39:22 - 02:11:45:02

Speaker 1

Know well, of course, in this.

02:11:45:04 - 02:12:11:07

Speaker 1

Now the boots that are worn are also from the Revolution era. Cindy here has modified these for dancing purposes, but as you can see, there have buttons along the sides and they're very different for that man. I try and I used to dance when I see these girls putting them on, I don't know how they do it. And I have thrown my wife in a shirt.

02:12:11:09 - 02:12:37:18

Speaker 1

Of course, the women always use the petticoat word bloomers, which you will never show unless, of course, is dancing and it's carried away. and a simple thing really does slip for I don't the doorman to the entire policeman is the famous. Which is commonly worn throughout Mexico, as you've seen with our other. There are many used for that also as well.

02:12:37:18 - 02:12:46:17

Speaker 1

For me, the shawl. But when it gets chilly out, it is also used by the woman. When she goes to church, she covers.

02:12:46:19 - 02:12:50:15

Unknown

For him.

02:12:50:17 - 02:12:52:20

And rebels the woman.

02:12:52:23 - 02:13:16:24

Speaker 1

It has her outfit with their bows and ribbons in her hair, and also with the jewelry to give the outfit the finishing touches. The crown that you see, and of course, the symbol of many people in terms of how these.

02:13:16:26 - 02:13:42:26

Speaker 1

The most popular of Mexico, due to its abundant use by the mages throughout Mexico, in the United States and throughout the world, actually, Victor here is wearing a typical black in the most always, these suits are custom tailored to the middle one. Only in Mexico can you really find someone who truly knows how to have the intricate patterns for these outfits.

02:13:42:29 - 02:14:10:23

Speaker 1

This suit here is made of wool, but other materials are very popular, like cotton wool blend or suede. The adornment down the side of the legs is called great, which is made of suede. Now the grapevine is hand-cut and it's very, very time consuming, but as you can tell, it's very now. Another type of adornment used on the black is out, which are the silver or gold buttons that are often used by the mariachis or the singers.

02:14:10:25 - 02:14:35:05

Speaker 1

Another generic term for the icon itself is plateau. Of course, naturally more than likely is silver plated, a real gold. So the minimalist will always use both on the taro. As you can see here. And of course, they they're very useful because when he's out of the top, it's a very rough country out there and snakes and stuff may appear.

02:14:35:08 - 02:14:40:23

You've got to be prepared to stand there. The brains of.

02:14:40:25 - 02:15:08:11

Speaker 1

Now, he also, of course, you'll notice his belt, very fancy, takes great pride and all that intricate design around the belt. now, the true symbol, of course, of political and maybe equal, for that matter, is. And better. One. Don't forget the rock and sombrero. It's, very durable, very white. The reason why is because while he's on his horse in the middle of the sun, the sun get very hot.

02:15:08:13 - 02:15:30:27

Speaker 1

It's a shade. The shades are from the sun, and it was sun. But it's going to have to come along. But it also protection from the rain by letting the water run off the sides of the runner hat. I'm sorry for the horse. He has to get wet though. Now you'll notice around the hat there is the water on it.

02:15:30:29 - 02:15:55:25

Speaker 1

It's called the sun here. Well, in the old days the charro while he was out on the range and it was putting up fences or whatnot, had to measure. He would take the picture of the hat and use it as a measuring instrument. It's very useful. Or else if the horse noticed that we found gold, he would use it as a whip on his horse and gentle with.

02:15:55:27 - 02:16:25:04

Speaker 1

Yeah, as you see now, he also wears the a white shirt with a bow tie, which compliments the, the costume. Right. The the jacket is very typical of the Spanish influence. Matadors. Most of, the

bullfighters with that notice that's also very much. So, ladies and gentlemen, I like to once again present all of our regions.

Good evening. It's nice to be with you this evening. I have to start back on the formal affair. I think this is the way to go. The G.I. forum holding its statewide convention here in San Jose. And that's my here to be with you today. In fact, I would be interested to know that I spent the whole day painting a book.

02:28:23:01 - 02:29:02:02

Speaker 2

I still have some of the paint to show. important for me, because I have a lot of books lying around a third bedroom waiting to be put up so I can find and read, treasures. And, I heard that for your campaign this year was on illiteracy or perhaps more illiteracy. And I have to congratulate you on the campaign, because I have to say that there's probably nothing that has given me more freedom than the

ability to read and therefore the ability to be educated, and therefore the ability to make my own decisions and to decide for myself what I can do in my life and how to be successful and how to

02:29:02:02 - 02:29:22:20

Speaker 2

contribute to my community and I think it started off a long time ago, when my mother took her children to the library and said, sit. And we listened to the librarian for an hour, and then we went and we picked up four of us, picked out four books apiece, and we all took them home. And at the end of the two weeks, we'd all exchange those books and we went back again.

02:29:22:22 - 02:29:41:13

Speaker 2

And that's how we read, and we read and we read and we read so much. I remember Saturday mornings when mom said, it's time to clean. She had to hide her books, so we'd help out first, and then she'd give them back to us was a great sacrifice, but, we both compromised. So I have to support you in any way I can in your literacy campaign.

02:29:41:13 - 02:30:11:14

Speaker 2

I think it is a marvelous, marvelous way to start out, your year and your efforts. And, I'm glad to be here to support you in that effort. 02:44:54:17 - 02:45:23:16

Speaker 2

Good evening, ladies and gentlemen. In order to honor the theme of this year's convention advancing intelligently into the 90, I'd wish to review history for an example of education, dedication, and family unity. Born on July 2nd, 1931 was Anna, born in Guadalajara, Mexico. Nevertheless, her parents are small market near their home, in which her mother would run while her father would work at a telephone company.

02:45:23:18 - 02:45:37:15

Speaker 2

As the rising cost of living grew so did their household. Soon there would be 11 children to clothe and feed. So at a very young age they would all begin to work to help support themselves.

02:45:37:18 - 02:46:02:19

Speaker 2

To help support themselves. In 1947, Anna's father decided to take a job working in the United States as a brothel. He would diligently send money home to the families that he had left behind. That wasn't till he decided to create a new life for himself. A life without poverty. A life without fear. A life without hunger. Unfortunately, this all meant a life also without his family.

02:46:02:21 - 02:46:23:10

Speaker 2

At the age of 17, Anna began working illegally in the United States. Her jobs were not glamorous, nor were they high pay. She would earn \$3 a day that would go to help support her family, while Anna would be away at work. She would lose four of her brothers and sisters. Death was another obstacle or family thing. Not just poverty.

02:46:23:10 - 02:46:30:19

Speaker 2

Alone. In 1949, Anna would meet a hardworking young truck driver named Manuel. Two years later.

02:46:30:19 - 02:46:34:28

Unknown

They would marry. Together they would travel wherever, work, carry them.

02:46:35:01 - 02:47:02:08

Speaker 2

In 1958, they had finally saved enough of their own money to buy a truck. This had always been manual strength. And on December 12th, 1966, something very special had happened for Anna. She had finally become a United States citizen. This was her dream, and now it had become a reality. In 1971, they had their 10th child, all ten of which would graduate from high school and four of which would even begin college.

02:47:02:11 - 02:47:27:18

Speaker 2

Stability down began to form for Manual and Anna today being June 30th, 1990 manual. Anna are still married and now they own their own trucking company and are trying to put their 10th daughter through college. Since the day Anne was born, she spent many obstacles and many adversities. But never did she quit. Never did she give up hope and never stop dreaming.

02:47:27:20 - 02:47:30:17

Speaker 2

The reason that I am able to give this speech here tonight and.

02:47:30:17 - 02:47:32:03

Speaker 5

Say it with such persistence.

02:47:32:03 - 02:47:48:18

Speaker 2

And conviction, and know that it is true, is because that young, hardworking girl named Anna is my mother.

02:47:48:20 - 02:48:10:17

Speaker 2

Similar to this would be the hands of sacrificial part of the Father God or this other selfless act. So, Nina Hoffman, who can assemble a hand to collect your soil, put them in this place that you want to see happen. Yours. They will come for me from this. Get on to the front before me.

02:48:10:20 - 02:48:15:04

After the chance to get some amazing results.

02:51:20:13 - 02:51:47:04

Speaker 2

And it's the leadership. Be a leader, not a follower. Today there are 5% leader and 95% follower. A leader achieve great things in life. Taking drugs or joining a gang is being a follower. A leader believes in himself, a follower defends himself. A leader finds a way to succeed. A follower finds a way to fail. A leader admit when he is wrong.

02:51:47:06 - 02:52:13:22

Speaker 2

A follower blames others. I is for investing. The best investment we can make is feed our own mind. Learn to program yourself for success. When you take drugs or alcohol, you are not investing in your life, only your death. Make a positive statement each day to encourage yourself. Maintain a good image in your future will be secure a great education.

02:54:47:24 - 02:55:03:08

Speaker 2

A very special person. In my heart, Dennis Chavez was one of the very first United States senators from New Mexico. When he was only 13 years old, he left school to work on behalf of local Democratic candidates. He later served as a Spanish interpreter.

02:55:03:08 - 02:55:04:13

02:55:36:15 - 02:55:47:19

Speaker 2

Prejudice was a large problem that he tried to conquer. Unfortunately, there's so many more problems to deal with, such as find work and stress again, strengthening our education system, giving every child.

02:55:47:19 - 02:55:49:17

Speaker 5

An opportunity to succeed.

02:55:49:19 - 02:56:11:20

Speaker 2

And saving our environment. The world class. I know things are going to come easy. It's going to take a lot of hard work, education, and dedication to fulfill my dream of being a senator. As a senator, I feel I can help others, especially Hispanics, in our community and throughout the country. It's so very important to me to help achieve peace and equality for all people.

02:56:11:23 - 02:56:39:13

Speaker 2

As a proud Spanish American, I feel we can achieve our dream because we have the love and freedom from each other. Above all, we are proud of double nationality. My great uncle proved that a person can have a goal for his people, achieve it and make a difference in this world. Someday I will also do. At this time I would like to thank my father, Sarah Jane, FBI, Foreign, my parents and Mr. Diaz for all their support, and I would like to thank you all.

Today in Santa Clara County, our Spanish population have one of the highest percentages of high school dropouts, teenage pregnancies and dread, leading to the many stereotypes and our words used to classify us. We need to see more Hispanics in politics, mom, and in the school system. Today we are faced with so many problems such as the drug, the homeless, Aids, poverty and gang violence. I've been blessed with parents that provide me with an unconditional love, religious, moral, and a good education. For the past two years, my community involvement has included serving as Director of New South America, such for School of Dance, teaching both children and adults. By doing this, I gain not only a appreciation of pride, but a better understanding of my culture.

03:00:35:01 - 03:01:00:23

Speaker 2

But it's not only our community. We need to work on unifying. It's our family all around us. I wish to become a role model and return to where my ancestors worked to help them fulfill their dream. I want to give a part of myself. By the year 2000, our state population will be well over 65% minority. Therefore, we need to take a step forward towards creating a more united and nonviolent society and a human.

03:01:00:26 - 03:01:30:11

Speaker 2

Well, I'm a thief just like my uncle. Yes. That said, Make America responsible for your country. Want to be the guardian? And what can we do that can accomplish that? My first thing I my, you know, going forward about the but it's not a okay map is that these things I look them up. Yes. Amanda. Yes. We went to catch up.

03:01:30:14 - 03:01:35:25

Thank you guys for now, I think that you, ladies and gentlemen.

Speaker 2

And while the judges are telling the course, I'd like to take this opportunity to thank the very special individuals who have worked very hard on putting this party together. And the pageant committee headed by Kamikaze Yano, Armando Casiano, who arranged for all the flowers and especially manual, our mascot who worked on every aspect of the program. Please give them my big hand.

03:04:39:12 - 03:04:40:09

03:04:47:03 - 03:05:33:23

Speaker 2

I don't know about you folks, but I don't envy the judging job this evening. These are wonderful role models for the future. Articulate, intelligent and beautiful. Where count in the soul. I have no worry about putting my future in their hands. So good luck, judges. Meanwhile, another young woman who also has a brilliant future ahead of her. And I'm going to present her to you for the last time, and she will bid farewell and take her final walk as reigning California State Queen, Queen Lorena.

03:05:33:25 - 03:05:35:02

Unknown

Last February, I had.

03:05:35:02 - 03:05:56:22

Speaker 2

The opportunity to go Las Vegas, Nevada at the mid-year National Media Conference and Anthony Conference helped me to reduce the Queen rule. And I found something hidden within those rules a

little bit too well hidden. And I thought, that's something I thought that should be brought out. It says that each Queen contestant must have classic interest, and to me, that's something that I think should be emphasized.

03:05:56:24 - 03:06:18:15

Speaker 2

Scholastic interest. In today's society, less than one out of every 200 Hispanic females graduate from college. So I think these four girls up here should be committed just on their commitment to higher education class and.

03:06:18:17 - 03:06:40:07

Speaker 2

This is considered a beauty contest, and I think it is because to me, beauty is more than a pretty face. Beauty of the mind, the quest for knowledge and the ambition to do and be everything that you can be. And I think that all four of these ladies possess true beauty.

03:06:40:10 - 03:06:41:01

Unknown

If I could leave.

03:06:41:01 - 03:07:04:27

Speaker 2

You with one thing leaving California, I ask this of you in the American form. Go back to your local chapter or your state or national scene and question her scholastic interest for academic interest. After what she wants to do or what she wants to become, nothing is more important to the young lady and standing and lady and encouragement of others.

03:07:05:00 - 03:07:17:16

Speaker 2

And I think that this is the most important thing, as we all know in the American form, because education is our freedom.

03:07:17:18 - 03:07:22:01

Unknown

I'm going to thank my for my whole reign throughout this year, and I hope I remember everybody.

03:07:22:06 - 03:07:37:27

Speaker 2

But if you know, I'm going to do that same to you. And I did it, it's in my heart. I have a hard time slipping my mind. I like to start with my corporate sponsors for my year at least, who sponsor me at a local, state, national level and who provided the financial support that we could have had the detail.

03:07:37:27 - 03:07:43:26

Speaker 2

And that's Anheuser-Busch.

03:07:43:28 - 03:07:45:01

Unknown

And I think from.

03:07:45:01 - 03:08:07:12

Speaker 2

People throughout the state starting, of course, the most important person in the California farm, the state chairman, Victor Garcia. One day, I was proud he gave me the support I needed. If we must remember, I was a little bit shaken up when I was crowned Miss California for last year, and he was there to hold me up, and he kind of kept that fall throughout the year, just providing support for me emotionally or mentally, however I needed it.

03:08:07:12 - 03:08:09:06

Speaker 2

And I thank you, Victor. I don't know where you are.

03:08:09:06 - 03:08:14:21

Unknown

So I can come out.

03:08:14:24 - 03:08:17:16

Unknown

And have the people up and down the stage. I'd like to thank and I hope I.

03:08:17:16 - 03:08:38:00

Speaker 2

Remember everybody and I just can't get through you really fast that I can get this. I know they're all nervous and I want to get it over for them. I'd like to thank our team from San Bernardino and Judy, as you put on the Queen pageant last year, she's been a tremendous support this year as well. From Stockton, Doctor Sam and his wife, Mrs. Ramada at nationals.

03:08:38:00 - 03:08:56:10

Speaker 2

They were always there to give me an encouraging word and word and telling me to sell a dirty shirt. But we'll forget about that. I'd also like to say. And Santa Maria, Mr. Galvan, who have always been there, Mr. Galvan, who's been my role model ever since I found out that her father had taken this part of her life.

03:08:56:10 - 03:09:18:06

Speaker 2

I think that's really important. I also, in the San Jose chapter, I'd like to thank, Mr.. Mrs. Campos, who is always willing to open up their hands for me. I never had a chance to use that opportunity, but they were all in there. Of course, I'd like to thank Daniel and Rose for helping put this on. And finally, from my home chapter, Oceanside chapter.

03:09:18:07 - 03:09:37:11

Speaker 2

I'd like to thank Mr. and Mrs. Magana, who obviously, if it wasn't for them, I could have never came to the state pageant. They have just been there all the time, and they have been such support and love, and they're just a new family to me. And I thank you.

03:09:37:13 - 03:09:40:11

Unknown

And finally, I'd like to thank my family.

03:09:40:11 - 03:09:57:29

Speaker 2

My mom's here and usual. And you guys know me. I'm sure you know my mother. She's always by my side and with me is not unlike this beautiful person in my life. But to me, the most beautiful woman in the world, my brother who's also here, and his girlfriend, who's been my support throughout the years as well. I like to thank them for everything.

03:09:57:29 - 03:10:18:14

Speaker 2

But right now, this man has a Captain America guy for me. My home away from home. This past year being at Stanford, I had another home GI form chapter up here and I got to attend a lot of events, which was really exciting for me because of San Jose. And I want to thank you for that. And finally, the four girls up here, I commend you for your beauty, for your courage, for your dedication.

03:10:18:16 - 03:10:37:01

Speaker 2

And I wish that each of you could experience what I've experienced. But of course, only one girl can be kind of miss. Find this one. And to her I think that's this. I think you gain as much an experience as I have. There's so many opportunities for you through the American GI form, and I hope that you take advantage of it.

03:10:37:03 - 03:10:54:05

Speaker 2

I also hope that you stayed okay and found a community and the American form. And best of all, I hope that you be Texas.

03:10:54:08 - 03:10:57:02

Unknown

Thank you all for coming to see me. She's my class. Yes.

03:10:57:04 - 03:11:38:03

Speaker 2

God bless each and every one of you. Your campus can be. Let us.

03:11:38:05 - 03:11:59:11

Speaker 2

Well, I want to congratulate, Marina, because I think she's a major politics, political science and communications that she's going to be great. And both I can tell she's already know how to, sweet talk. And he also knows how to, ad lib. And I like both of those qualities. So she's going to be a winner in both those career.

03:11:59:13 - 03:12:21:10

Speaker 2

And now we are going to have, just a short amount of entertainment. she's certainly filled a lot of time, but our judges also had to take that extra time because we have four fabulous contestants up here, and it took a long time making those final decisions. Are Carly judges furrowed brow over there, adding up those, last, numbers.

03:12:21:12 - 03:12:28:12

Speaker 2

And while, he does that, we'll have a little more music from those who.
