

WOMEN'S POLITICAL APPOINTMENTS COALITION

11/4/93 6:30 p.m. Oxnard Library

Members present: *Bonnie Warrington, Jeannette Scovill, Loma Siegel, Marci Curran, Celeste Weingardt, Virginia Rogalsky*

A report was given from Thousand Oaks by Marci. She indicated that she has contacted several of her people and made referrals for them. Also, one or two have indicated that they do not wish to pursue an appointment at this time.

Ann Hauer phoned in her report of contacts made in Ojai.
Loma agreed to take the areas of Fillmore and Santa Paula.

Virginia agreed to take Oxnard and Port Hueneme, since Gloria Postel has not been able to carry out this work. (In a phone conversation on 11/5, Roma Armbrust volunteered to take the Oxnard/Port Hueneme along with the city of Ventura.)

Marci is continuing with the computer work. Celeste's work of refining the categories is complete. City boards and commissions seem to fall into the same broad categories.

Virginia reported on the session led by Kathy Long at Oxnard Women's Day. The group attending the session was small, but the day was very worthwhile in many ways.

Kathy Long has reserved a session at Creative Options at CLU in February 1994.

It was pointed out that we have gender equity on many boards throughout the county, with the exception of "air pollution, water, fish & game". We need to search for persons who fit these categories.

Contact needs to be made with Trey Carpenter about our presentation to the NWPC West group. Ted Cartee(Sp) might be contacted as well as Maggie Kildee and Nina Shelley, Ojai city councilperson.

Marci and Virginia will meet separately to refine the board and commission categories.

It was decided that from now on we will make contacts with cities on a quarterly basis. It was also decided that from now on we will meet quarterly instead of monthly.

NEXT MEETING; February 2, 1994, 6:30 p.m. Oxnard Library.
