SACRAMENTO

January 13, 1964

Mrs. Daniel Tolmach

Dear Jane:

Thanks so much for your thoughtful note. I deeply appreciate your kind words of support, and I'm very flattered by your suggestion. However, my only ambition at this time is to do the best job I can as California's Governor and, believe me, that is challenge enough for me.

With every good wish to you and your family,

Sincerely
