Dear Patricia:

I'll be going to Palo Alto tomorrow morning. The Peninsula School in Menlo Park - attended by Mrs. Rizer's son, Johnny, to whom I have become an idolized person, is having Open House, and I feel somewhat obliged to go. However, I'll be back in the early P.M. so will be available to take you to & from the Clinic in the afternoon. If I have time I might get out to the house, in which case I may bring a little table back as you suggested.

I'll see you Sat 3:30 as usual. I enjoyed the "broasted" chicken dinner with you. Shall we go to our weekly dinner directly from the Clinic as we did a week or so ago - or from

your apartment? Either
is O.K. for me - However it
works out best for you.

Love - Carl
