

CITY OF OXNARD

CALIFORNIA

August 22, 1973

Dear Mayor Tolmach,

Here's hoping this letter finds you in your best well-being you always seem to posses. Recently, I arrived from my trip to the Philippine Islands under the Youth For Understanding Program. I was asked to present our city key to the mayor of the city in which I'd preside in. This mission was accomplished when Kim Riggs, also from Oxnard, and I went to see Mayor Armaranto of Quezon City. We were accompanied by my foster father, Mr. Mario Young, my foster brother, Marlon, and a Y.F.Uer from Palo Alto, Daphne Riemier.

The Honorable Mayor Armaranto extends his most gracious thanks to the city's "very warm and friendly people". He hopes more of Oxnard's citizens will be his guest when in Quezon City, Philippines. It was indeed an honor to represent ^{the} people of Oxnard as an Ambassador of Goodwill through the Youth For Understanding International Teenage Exchange Program.

Yours very truly,

Steven K. Rodriguez
