

Outline For Presentation During  
Christian Science Reading Room  
Opening Ceremony  
Thursday, June 14, 10:00 A.M.

Welcoming Remarks

- I. Thank you. It's a pleasure to welcome all of you to this ceremony officially opening the new Christian Science Reading Room.
- II. I know what an important day this is for those of you associated with the Reading Room program. Many of you have devoted a great deal of time and energy to the planning and implementation of this remodeling and expansion project. Each of you has good reason to be proud of the excellent results of your effort.

III. Today is an equally important occasion for downtown businessmen and city government since it marks the re-opening of a facility which broadens the services available to patrons of the downtown area; the services provided by the Reading Room are a fine complement to the commercial goods and services offered in this area. With the opening of this facility, the community moves one important step closer to its goal of providing a balanced, attractive and convenient central district which meets the diverse needs of local residents.

IV. On behalf of the City Council, I would like to congratulate the Christian Science Reading Room upon the completion of this beautiful facility, and commend the project sponsors for their contribution to the community's effort to rejuvenate the downtown area. Thank you.

(End of welcoming remarks)

Door Opening Ceremony

(Brief statement to be made upon unlocking the door to the building at the end of ceremonies)

It's my honor to unlock the door to this facility and, thereby, open the Christian Science Reading Room to the many local residents who will be using its services during years ahead (unlock door).
