LA TORRE

FOREWORD

● Progress bears with it attendant trials — trials that challenge the youth of today perhaps more than in any past era. The progress of American civilization has reached a climax; the challenge sounded is climactic.

● Modern youth may either accept or spurn this challenge; it accepts. To the institutions of learning thousands of young Americans are turning for that counsel and guidance which they must have to weather this storm. In education alone is to be found a means of brightening the horizon ahead. Education alone will make such progress bear other than the bitter fruit we now reap of it.

● The 1934 LA TORRE bids, then, progress to its forward march, and pleads that it call to its right hand the wisdom of the ages held in store by education to make its advancement more steady and secure.

President MacQuarrie

DR. T. W. MacQUARRIE

I've just been looking over the La Torres of recent years. They are beautiful books and worth more and more as time goes on. They give me a lonesome feeling; so many familiar faces, and all gone. Many a graduate yearns for the college days, but I must insist that we who stay here have our days of yearning too. You all look so nice in your best, so young, happy, jolly. We hate to see you go. We have sort of a bereft feeling. I hope you've had a good time and that you will go on to some other truly satisfactory accomplishment. Come back for a visit when you can. You're always welcome. San Jose State is now your college home. The old College needs you. We shall all be glad to see you at any time. Good luck.

DR. MacQUARRIE,
President of San Jose
State College.

A.W.S. Representative.....Margret Keesling
Sergeant-at-Arms.....Harry Hardiman

Opening their activities with a dance and barbecue at Redwood Estates on November 3, the junior class launched a program of intense and successful activity which was maintained throughout the year. Gus Standish, as committee chairman, aided by Louise Hocum, George Harrison, and Ruth Whidden, contributed to the success of the affair.

The Junior Prom, held on February 3, was the highlight of the winter quarter. Of a semi-formal nature and held at the Women's Club with a night club theme, the affair was handled by Clyde Fake aided by Louise Hocum, Ruth Whidden, Bob Levin, Duncan Holbert, and George Harrison.

A Junior-Senior meeting in the Men's Gym was featured by dancing, entertainment and luncheon.

As an innovation, a dinner dance was held at the Hotel DeAnza on April 13, attended by 75 couples. Louise Hocum was general chairman, assisted by Ambrose Nichols, Elmer Stoll, Ruth Whidden, and Clyde Fake.

Jack Fidanque
Byron Lanphear
William Moore

Under the direction of Jack Fidanque, sophomore activities for the year got off to a good start with a successful Cord and Calico Dance held at the Saratoga Country Club.

Winter quarter activity was featured by a series of four afternoon dances, put on under the management of John Longinotti, Sidney Abramson, and Byron Lanphear.

A sophomore party on April 6 was featured by games and dancing. Byron Lanphear was chairman of the committee, assisted by Ed Wetterstrom, Louella Gerreil, and Mary Koshenko.

The Alumni Association has had a very interesting and active year. Membership in the association has increased steadily, and funds were made available for stimulating creative writing in music and art among active students of the college. The association contributed $200.00 in prizes for original compositions in the fields of music and art.

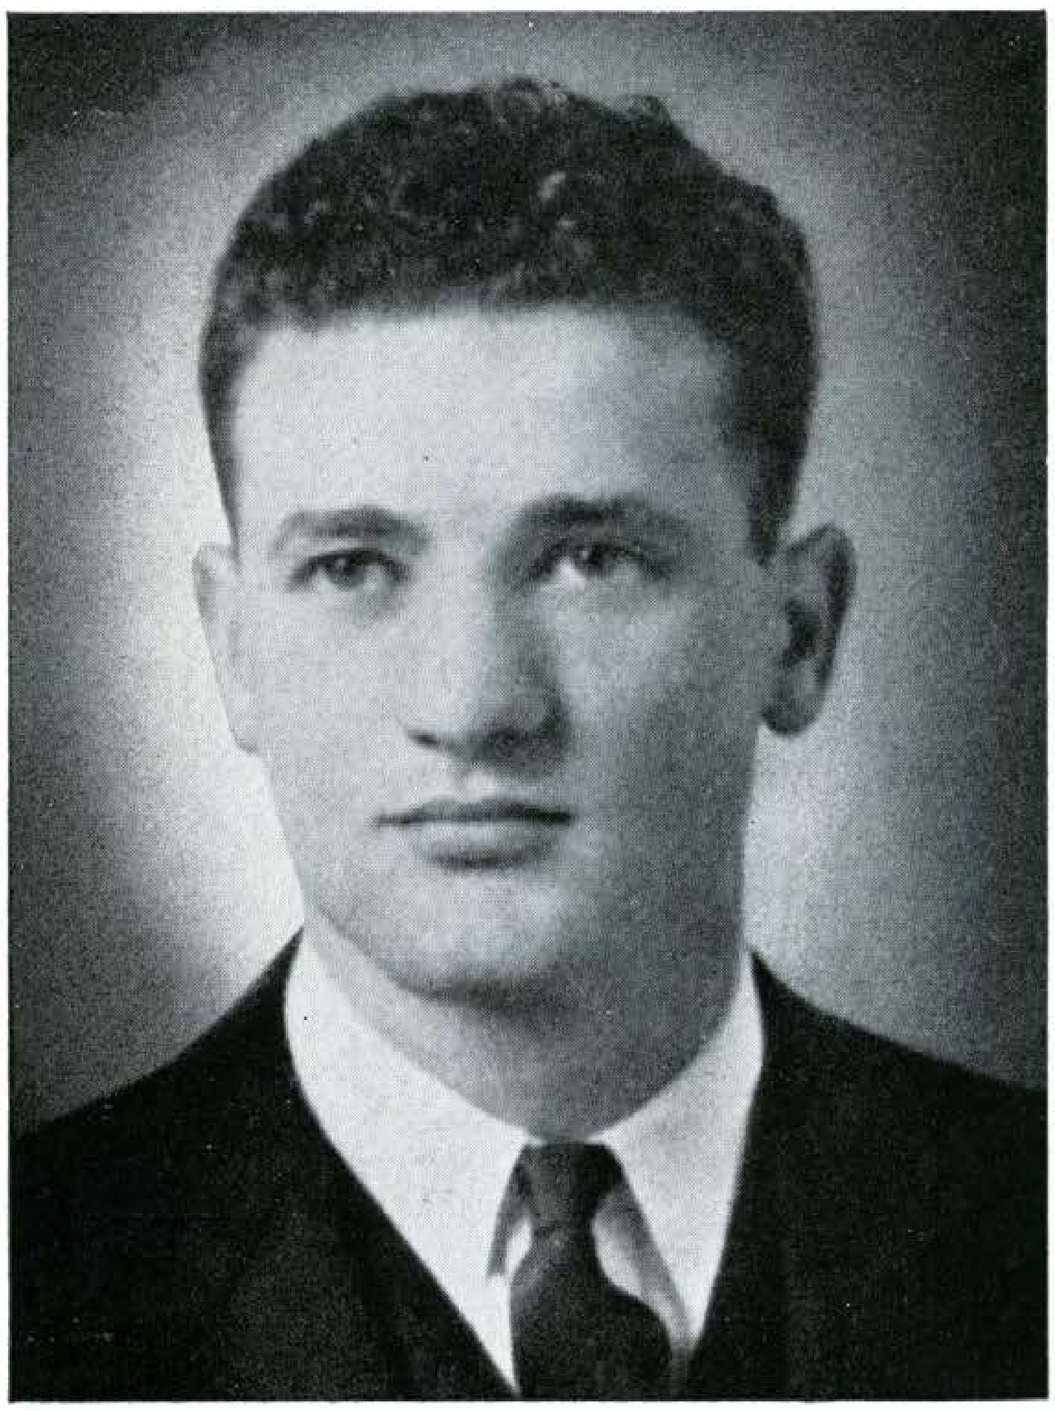

Alumni reunions have been held in Monterey, Watsonville, Modesto, Sacramento, Stockton, Santa Barbara, Madera, Santa Rosa, Ukiah, Patterson, and Bakersfield.

Six issues of the Alumni Bulletin were distributed between October and April. The souvenir issue is being sent to alumni in May.

Plans are complete for Homecoming, the center theme of which will be the Gay Nineties. At that time a huge boulder will be dedicated to Professor Allen and Professor Norton. An honorary degree of the college will be conferred upon Judge W. H. Langdon of the class of 1892. Miss Martha Trimble, a member of the faculty for twenty-four years, is the general chairman for the day.

● Student Body President

FRANK J. COVELLO

This has been a most exciting and enjoyable experience. It is always pleasant to work with people who are energetic and willing to help. The enthusiasm with which you received the activities we suggested spurred us on to better performances, and any accomplishments which we may have achieved these past three quarters are due wholly to your participation and interest.

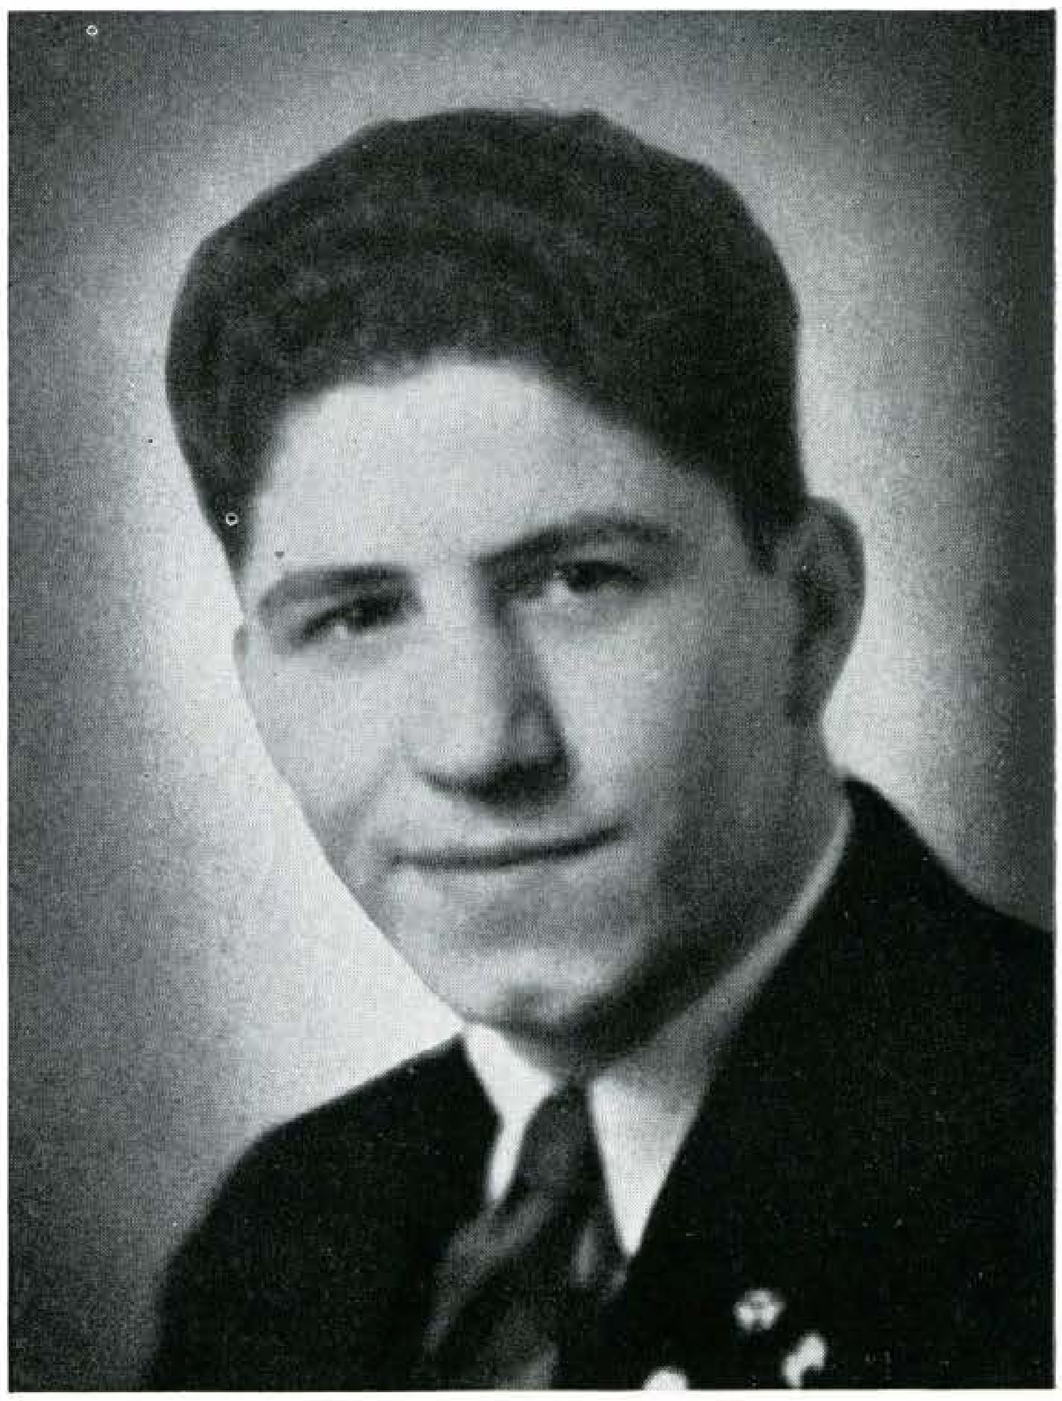

It has been a pleasure to serve you and to work with so many conscientious, helpful, and delightful personalities.

My very best wishes for continued success and happiness in the future.

Sincerely,

Frank J. Covello.

Student Body Vice-President

DARIO SIMONI

The sun rising over the mountains means the beginning of a new day, a day full of opportunities for friendship, romance, activity, and intellectual pursuit. The sun setting in the west is only the anti-climax of a busy college day, to be followed by athletic contests, concerts, plays, dinners, meetings, and other social activities, where again many life-long friendships are formed.

Be sure to make friends, especially while you are in college. For after all the years will come and go, the textbooks will be forgotten, but your dear friends will remain.

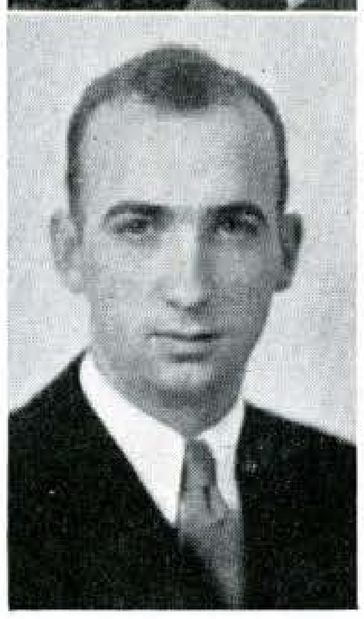

I hope that the year now closing will be one of intellectual achievement, as well as one that will yield many happy memories for the years to come.

DARIO V. SIMONI,
Student Body Vice-President.
