Hartley Everett Jackson
1866-1950

Hartley Jackson, nationally known typographical designer who came to SJSC in 1940, organized the printing management course, the only one of its kind in the west. *Newspaper Typography* and *The Printing Primer* are two of his well known books. *Industrial Arts Printing*, a high school text completed shortly before his death, will be in use next year.

"Printing is the poor man's art. Her temple opens wide its doors even to the humblest, with his tithe of simple craft. And from her shrines, oftimes hid away from sight, come marvelous messengers that take men's desires and hopes and clothe them with the glorious garments of fulfillment."

Jackson

Dedication

Dr. Paul M. Pitman

Dr. Paul M. Pitman, well-known and loved former Dean of Men, left San Jose State during the summer of 1950 to become president of the College of Idaho. During his 15 years on campus, he inspired many activities which we now accept as college traditions. Freshmen first met the jovial gentleman through the orientation program. Dr. Pitman was known to others as adviser to the student council for many years and as chief faculty backer of the Student Y. Largely as a result of his efforts the Memorial Chapel fund now totals more than $40,000. He was also the mainstay in Community Chest fund-raising campaigns on campus.

Dr. Robert D. Rhodes, known to students of the Death Valley West Coast Nature School as the singin', strummin' "Dusty Rhodes," vacated his position as professor of biology to fill a post at Long Beach State College where he is slated to become Dean of Instruction. He came to San Jose as a faculty member in 1937. Dr. Rhodes served the college as a class adviser for eight years, as chairman of the freshman camp committee, as chairman of the campus visitation program for high school students, as a member of the Spartan Shop board, and as director of summer school recreation activities. He was one of the original founders of the college co-recreation program.

Dr. Stanley C. Benz, Dean of Men

Dr. Benz of Purdue University was appointed Dean of Men in the summer of 1950. He had been a member of the Purdue faculty and director of counseling in men's residence halls since 1942.

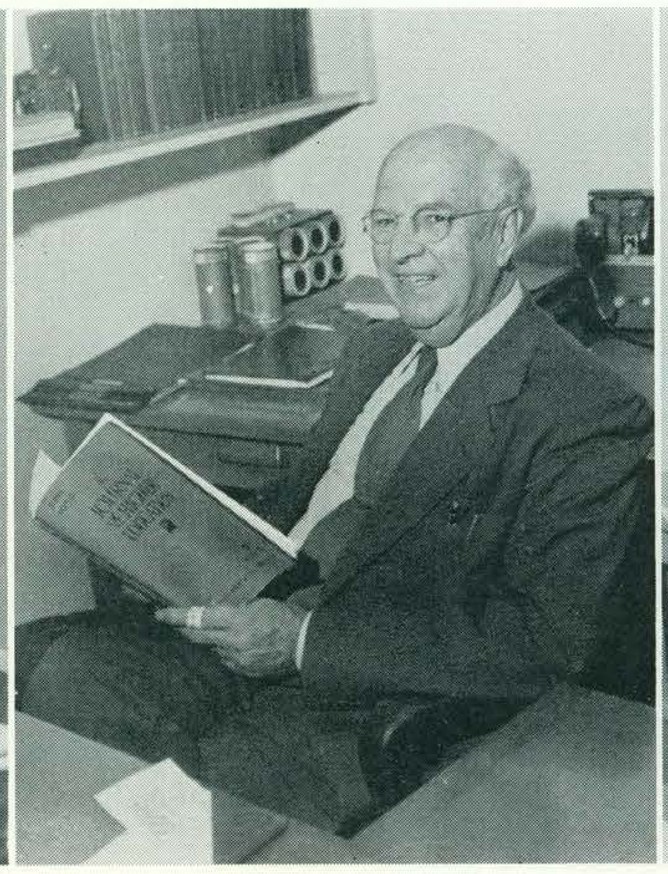

During his student years, Dr. Benz was active in athletics and as a student leader. His training and experience in counseling is proving very valuable to State students.

ART—Dr. Marques E. Reitzel. The San Jose State College Art Department trains students to become teachers, commercial artists, and interior decorators. Several students have won prizes at the State Fair and in national competition.

Each quarter the Art Department brings to the college current exhibits of paintings, commercial art, etchings, lithographs and block prints from well-known museums and art galleries.

The accompanying picture shows a class of evaluation in beginning painting of which Dr. Marques E. Reitzel is the instructor.

Departments

COMMERCE—Dr. E. W. Atkinson. The Commerce Department is one of the most popular special departments at San Jose State College. Each year at least one out of every six college students on the campus is a commerce major. Of this group, major interests are: Business Administration first, Merchandising second, Accounting third, Secretarial Training fourth, and Commercial Teacher Training fifth.

The Commerce Department has a faculty of twenty. The most urgent need in the department is for more room and more equipment.

EDUCATION—Dr. William G. Sweeney. Of the 7,000 students at San Jose State College approximately 3,000 are working for teaching credentials. Enrollment in education has increased materially since the war, as evidenced by the fact that between five and six hundred people will be doing their student teaching during this school year.

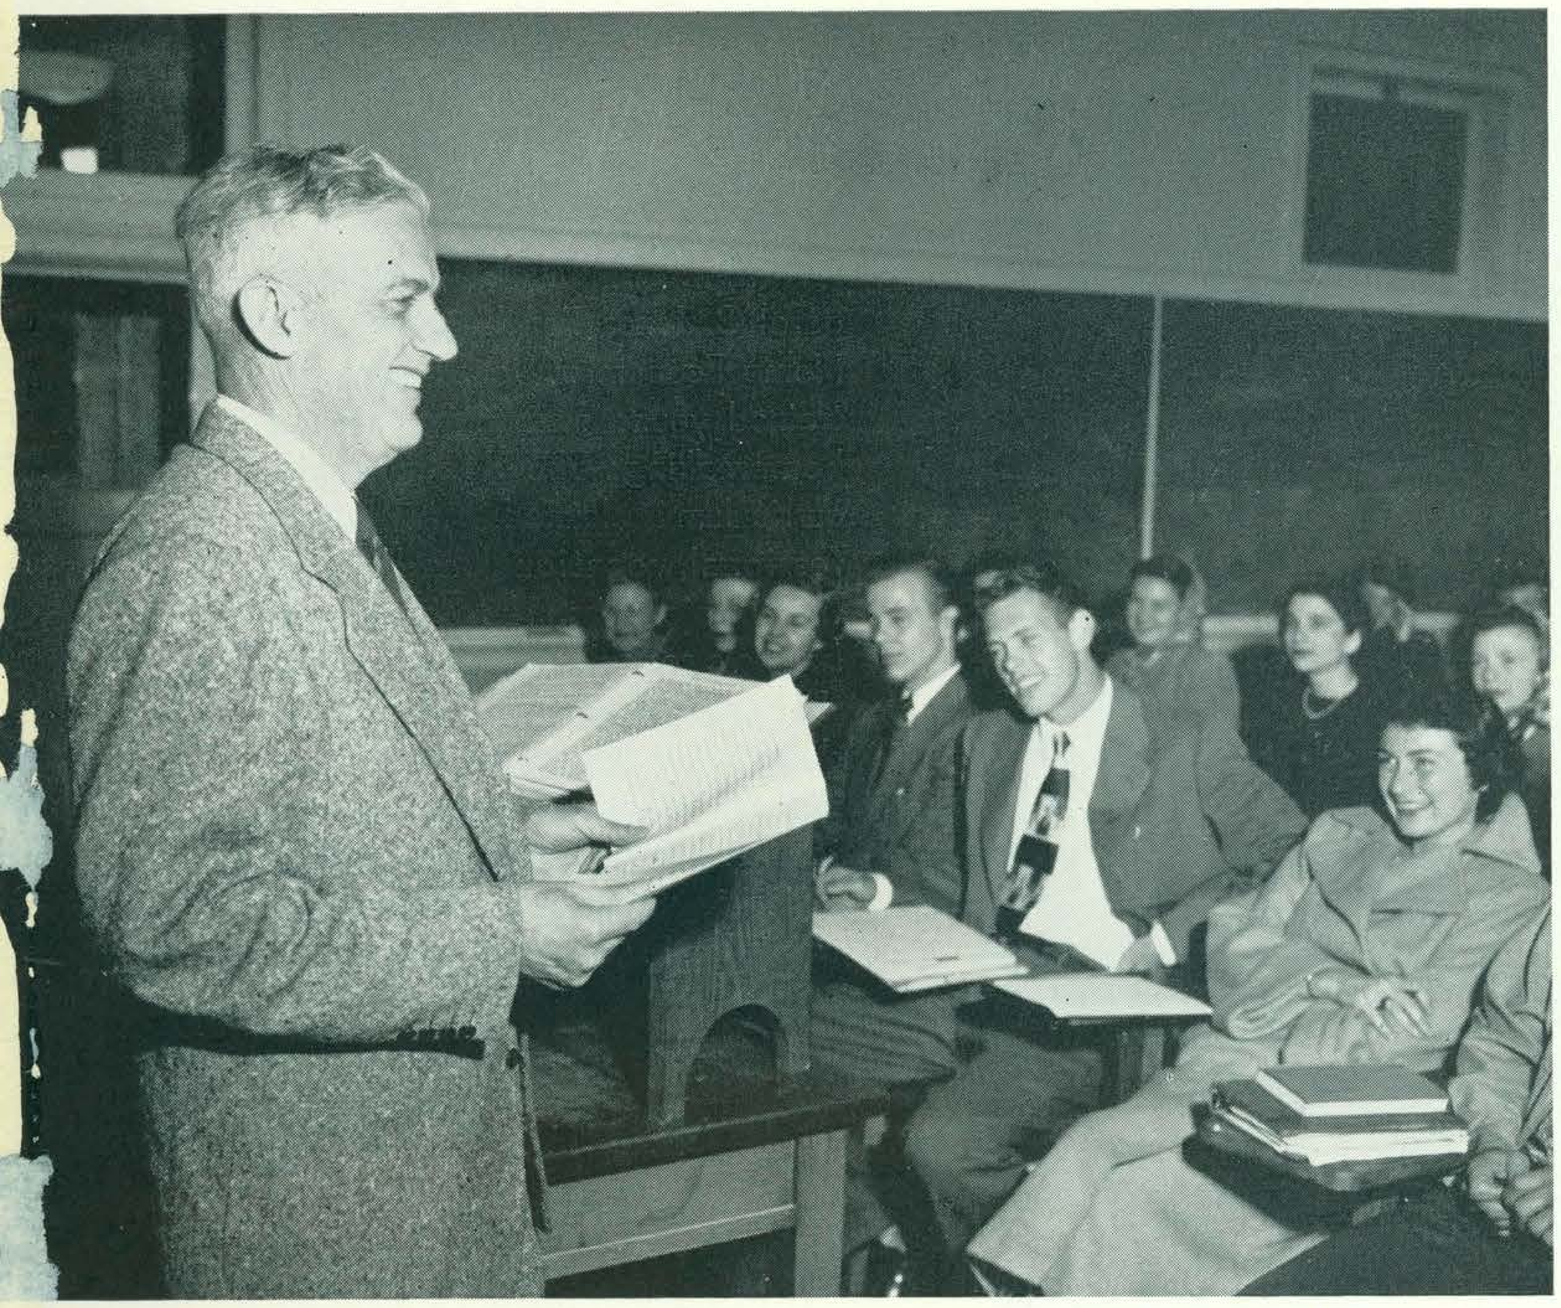

The oldest and the largest of the California teacher training institutions, San Jose offers work leading to 21 credentials in teaching and administration and the master's degree in education. Dr. Sweeney to the right is assisting Dr. Richard Lewis in the Audio-Visual Aids Department.

ENGINEERING—Dr. R. J. Smith. The Engineering Department looks back on four years in temporary laboratories and forward to completion of the new building. Certification of our aeronautics program by the C.A.A. this year is the first step in a long-range program to secure wider recognition of our training. In June we graduate our largest class.

Here, Department Head Smith and William Sorbo observe the flow of air through a duct by the centrifugal fan as part of the mechanical engineering laboratory work.

ENGLISH—Dr. R. W. Barry. This year the number of students enrolled in literature courses exceeds those enrolled in composition. The requirements for the master's degree in English parallel those of universities.

The annual income from the Phelan bequest of $10,000 is awarded to students for proficiency in writing. The best composition by students is published annually in the literary magazine, The Reed. The publication is edited by the members of Pegasus, the creative writing society of the college.

HEALTH—Miss Margaret M. Twombly. Background of war in Korea. Letters to draft boards. R.O.T.C. examinations at night. Influenza, measles, mumps, headaches, sniffles. Immunizations. Burns, cuts, chemicals. Fractures, sprains, and dislocations in runners and walkers. Why slalom when they can't walk?

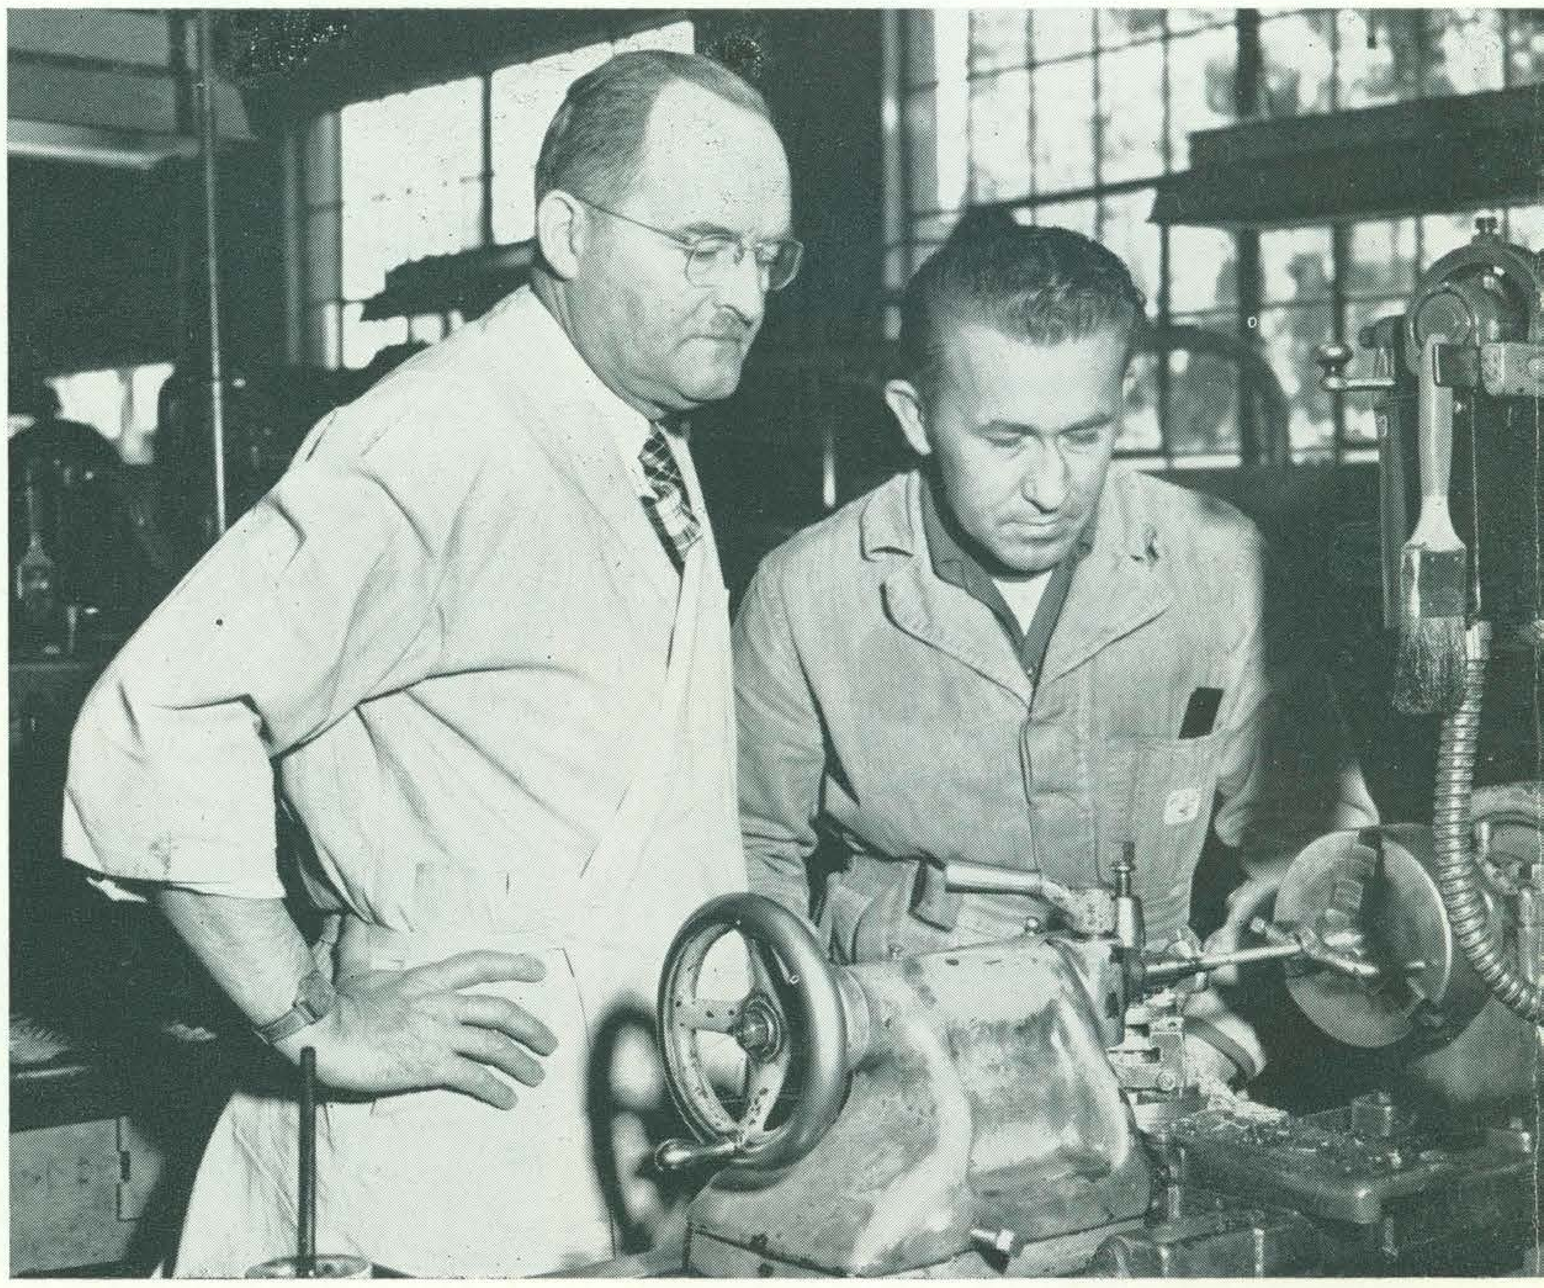

Building program? Cubbyhole in the new archway. Better for hearing tests than under the stairway and the plumbing. Four physicians, six nurses, laboratory technician, physical therapy technician, five secretaries, four instructors. Bee hive . . . Alan Talboy is being interviewed by Miss Twombly.

HOME ECONOMICS—Dr. Margaret C. Jones. For thirty years the Home Economics Department has trained young women for general homemaking. The department's curriculum is planned to satisfy professional, vocational, and avocational objectives. The department boasts a real Home Laboratory on the college campus. Major students live in this actual home situation under the guidance of a trained teacher for six weeks during their junior or senior year. This picture was taken in the living room of the cottage.

INDUSTRIAL ARTS—Dr. H. A. Sotzin. Last year, 1950, the Industrial Arts Department graduated its largest class, eighty-five students. The department has grown from one instructor and a handful of students to its present size with 500 majors and minors and a staff of 20. The demand for industrial arts teachers has invariably exceeded the supply. Our biggest need is a new physical plant with adequate space, as the quarters built 25 years ago have long been overcrowded.

JOURNALISM—Dr. Dwight C. Bentel. A new degree major, Newspaper Business Operations, was added to the Journalism Department this year. Other A.B. courses in the department are Reporting-Editing, Advertising, and Press Photography.

The new major will prepare students for work in circulation and promotion of newspapers. There are six full-time and fourteen part-time faculty members, and 192 majors in the department.

LIBRARY—Miss Dora Smith. In 1930 the Department of Librarianship was authorized by the State Department of Education to grant a special credential in Librarianship. This credential may be combined with a general. A full major program without the special is offered in children's library work. However, the principal objective of the department is the training of librarians for the public schools.

The department occupies a suite of offices, a classroom and laboratory on the second floor of the library.

MATHEMATICS—Dr. W. Howard Myers. The Mathematics Department has been fortunate in building a faculty of outstanding teachers with high educational and scientific attainments. The department's graduates are capable students who compare favorably with similar graduates of major universities throughout the nation.

Available are M.A. degrees in Mathematics and A.B. degrees in teaching and non-teaching fields, courses basic to science and engineering, rich quantitative experience for prospective elementary school teachers, and work in pure mathematics for interested students.

MILITARY SCIENCE—Col. James J. Hea, R.O.T.C. The Reserve Officers' Training Corps Unit has continued to grow as an increasing number of students have come to realize that leadership of civilian soldiers in time of war is as much a responsibility of college men as the leadership of purely civilian activities in time of peace.

Col. Thomas A. Lee, Air R.O.T.C. San Jose State College is playing an important part in the expanding Air Force program. September enrollment found the department swamped with a fifty per cent increase over last year. There were three new arrivals to the teaching staff: Captain Richards and M/Sgt's. Dittrich and Carroll.

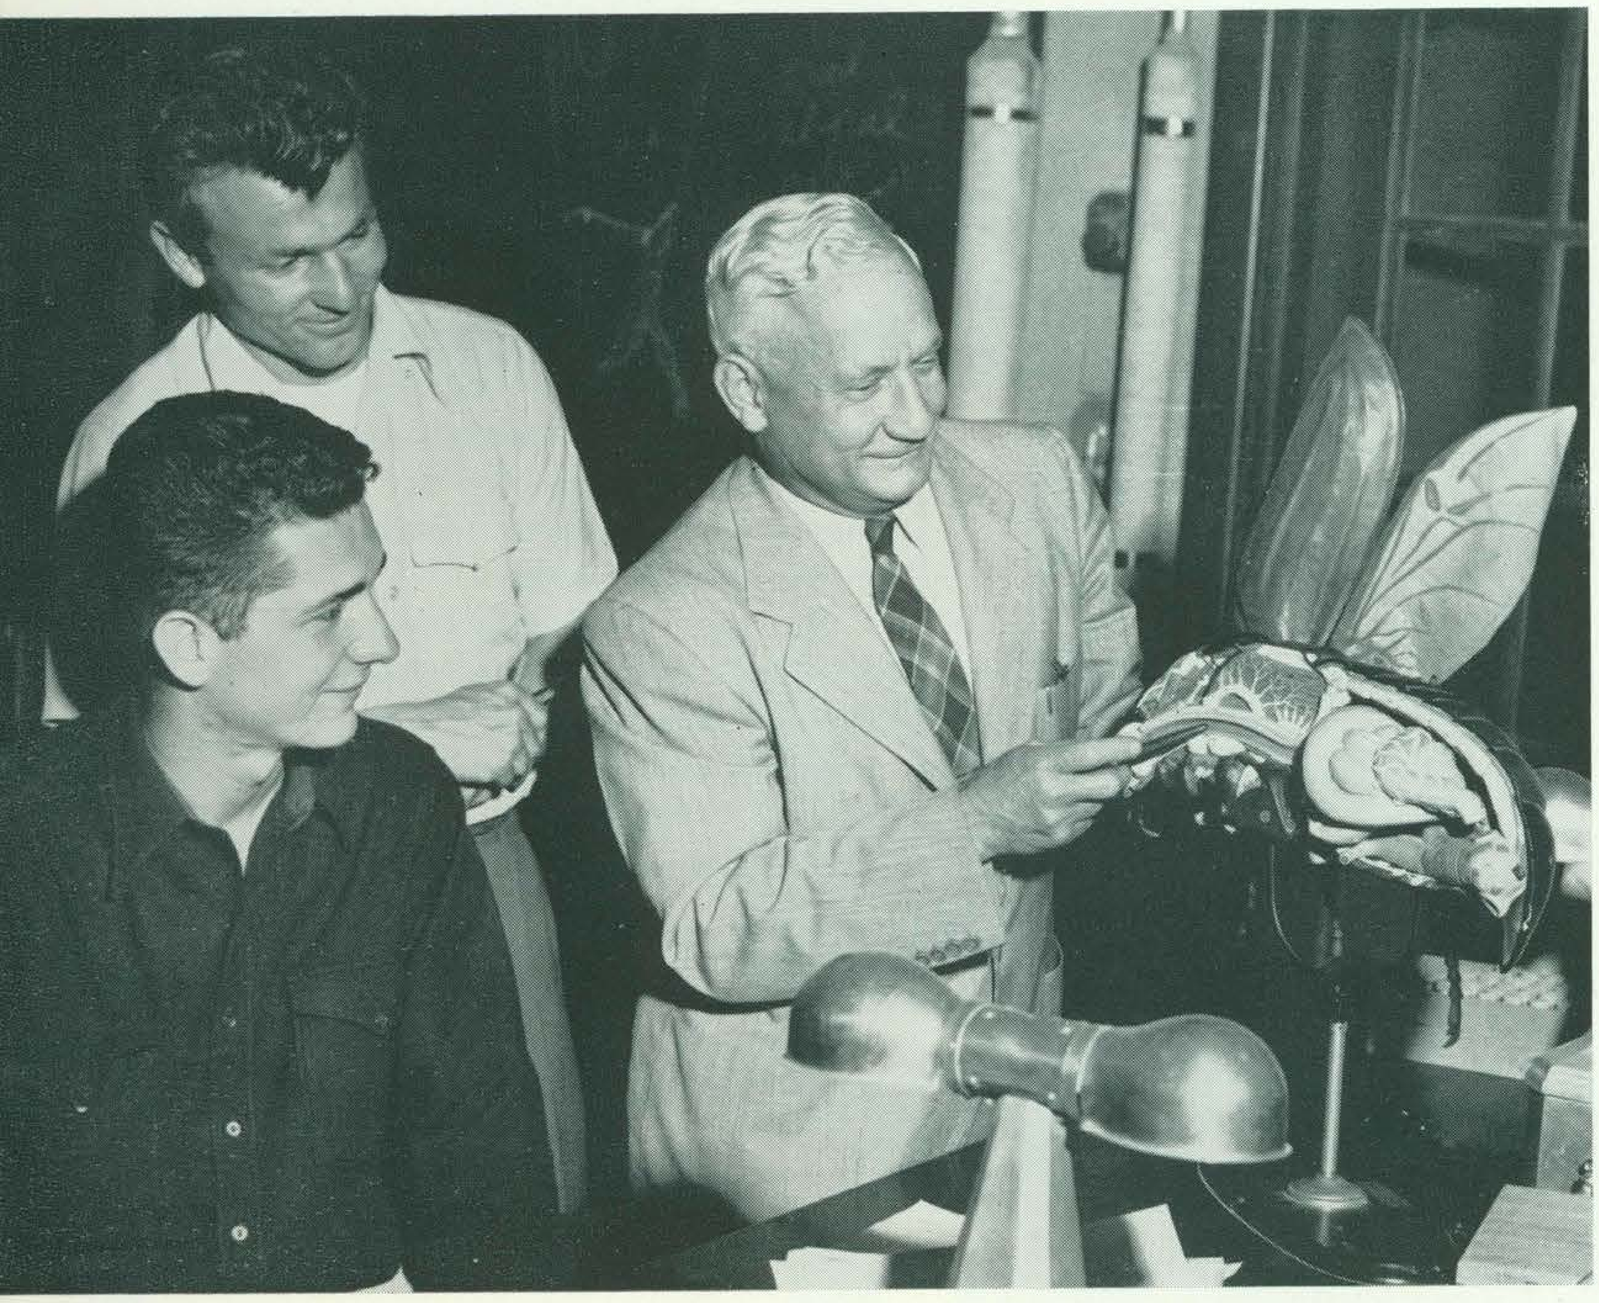

MODERN LANGUAGES—Mr. L. C. Newby. The Modern Language Department has for many years been unique among institutions of higher learning in its emphasis upon the spoken language. This development is of even greater importance in this shrunken world.

This year, the French honor society, Iota Delta Phi, presented, under the directorship of Dr. A. B. Gregory, one of Moliere's plays, Le Malade Imaginaire. Mr. Newby, at left, attends one of the rehearsals.

MUSIC—Dr. Lyle Downey. A small building which once housed the campus elementary observation school now houses the Music Department, one of the most active departments on the campus. A staff of 22 specialists, covering all branches of music, offers a wide variety of courses and supervises a large number of activities.

In addition to the major student organizations—Symphonic and Marching Bands, A Cappella Choir, Symphony Orchestra, and Choral Ensemble—chamber music groups and performing combinations present programs on and off campus.

NATURAL SCIENCE—Dr. Carl D. Duncan. The Science Department's guiding philosophy is to meet the science needs of students. Forty-six courses with majors in more than twenty fields plus sanitation and conservation programs are offered.

The full-time equivalent of more than a seventh of the student body who are trained by the department prove the department's usefulness.

In the photograph, Dr. Duncan is explaining the anatomy of a June beetle using a large scale model.

NURSING EDUCATION—Miss Pauline E. Davis. This is the department's fifth year. The enrollment includes students from two local hospitals, pre-nursing schools, and degree students. This year has brought the introduction of advanced courses providing for specialization in two fields of nursing education —teaching and psychiatry.

OCCUPATIONAL THERAPY—Miss Mary D. Booth. In the eight years since the occupational therapy course was organized, college enrollment has increased to 124 plus 22 students in clinical training. Our graduates are serving in the armed forces, Veterans Administration hospitals, state and private institutions. (Miss Booth is at the left.)

PHYSICAL EDUCATION—Mr. Glenn Hartranft. The Men's Physical Education Department is recognized for its outstanding program. Of the 400 P.E. majors enrolled, 70 are in the present graduating class. San Jose P.E. men are in demand at high schools and junior colleges throughout the state.

One new staff member appointed this year is Bill Perry who handles the intramural program and is football line coach.

One major change was initiated when men were supplied with gym clothing by the college. . . . Tiny Hartranft and Coach Mumby are shown in the gym.

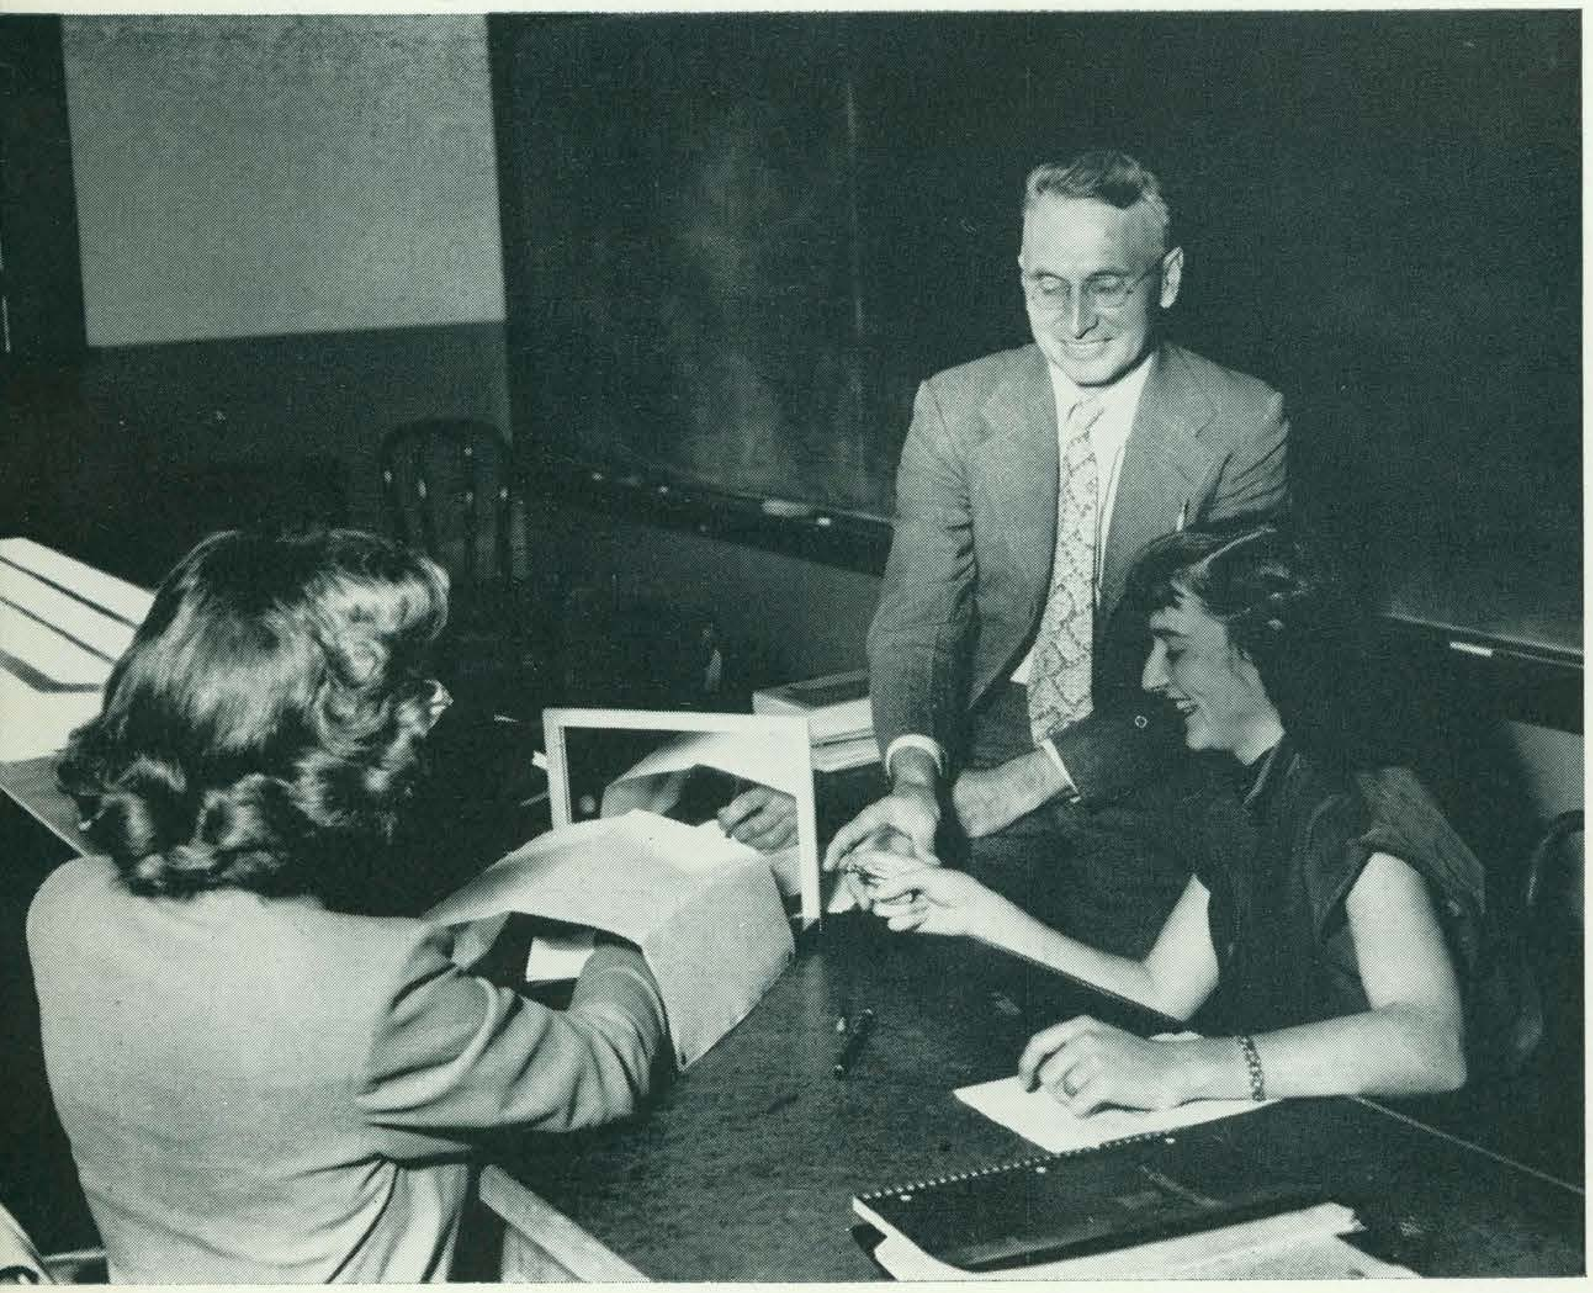

PHYSICAL EDUCATION—Dr. Irene Palmer. Big news in the Women's Physical Education and Recreation Department was the completion of their new building in January. Our women now have a dance studio, a gymnasium for basketball, volleyball and badminton, a folk dance and fencing gymnasium, an adaptive gymnasium for posture and body mechanics, an open court for ping pong and a swimming pool.

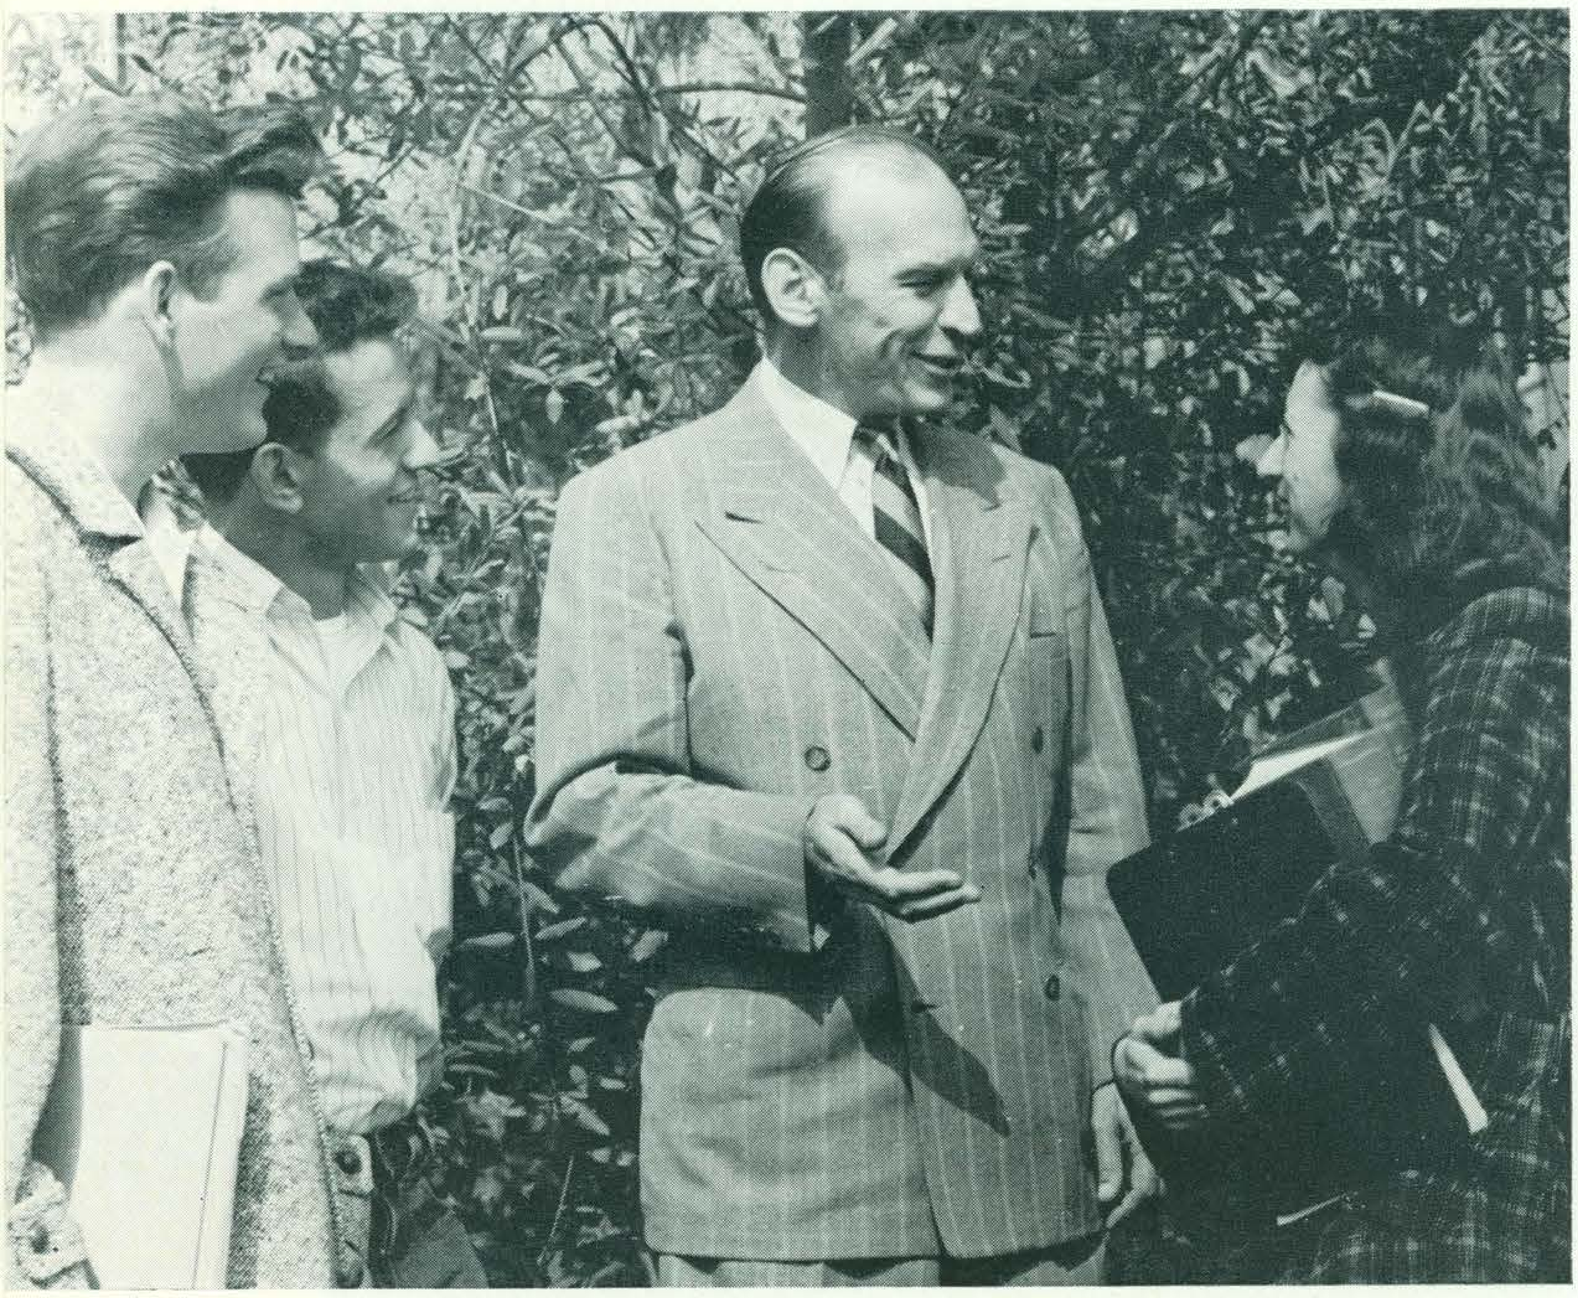

These facilities are used for regular class work, Women's Athletic Association activities and in the Co-Recreation program. . . . Department Secretary Mrs. Luedemann, left, is shown here with Dr. Palmer.

POLICE SCHOOL—Mr. Willard E. Schmidt. The Police School, now celebrating its 20th anniversary, continues to grow along with law enforcement programs in approximately 24 colleges throughout the nation. This points to a significant trend in professionalization of police service commensurate to needs of our country. We assisted in establishing some of the new programs with common objectives. Continued coöperation from other departments assures we will not be surpassed. A class in gunnery is pictured here.

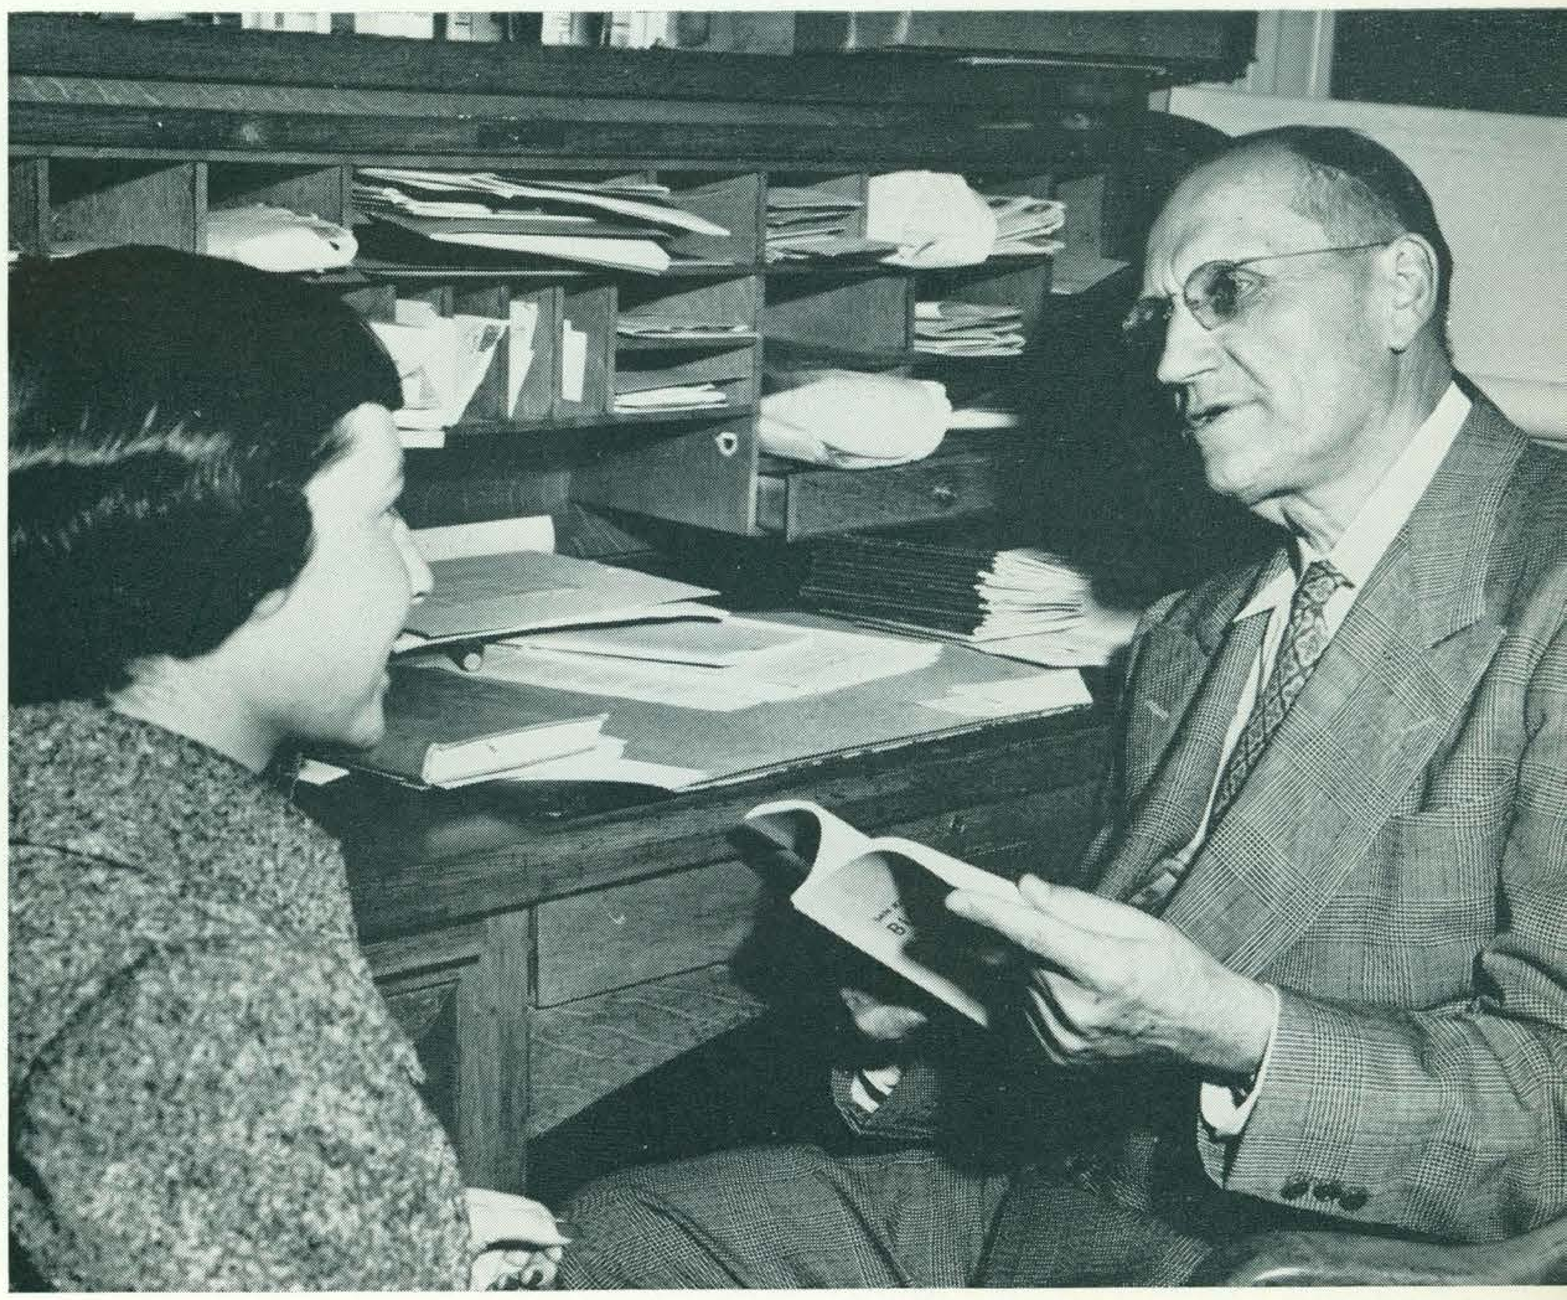

PSYCHOLOGY—Dr. C. W. Telford. The Psychology-Philosophy Department is making a significant contribution to the 3,000 students enrolled in its classes. The departmental staff of 20 members represents specialists in the fields of experimental psychology, physiological, clinical and industrial psychology, counseling and guidance, educational and child psychology, and statistics. Over 60 courses, ranging from the subcollegiate to the graduate level are offered. Graduate work has been expanded most in the past year.

SPEECH AND DRAMA—Dr. Hugh W. Gillis. An addition to activities this year was the open debate tournament held during fall quarter. Novice debaters discussed compulsory student body membership in state-supported colleges. The department hopes to sponsor the event annually.

In addition to academic training, the department offers entertainment in the form of play production, forensic activities, personal help in speech problems and individual training for hard of hearing students. An informal seminar is pictured.

SOCIAL SCIENCE—Dr. William H. Poytress. The chief development in the department during the current year is an attempt to make its offerings more functional. To this end the following changes have been made: (1) the beginnings of an "area study" program; (2) the laying of the foundation for a major in Labor Relations; (3) the setting up (in conjunction with three other departments) of Public Relations as a major field of study; (4) the institution of a major in Geography. Dr. Poytress is shown here with Kay Dewey.

Dave Down, President

The 15 members of the Student Council are elected by the Associated Student Body to conduct the government of San Jose State. Council members serve year terms and are elected at the end of Winter and Spring quarters. The Council abides by the constitution, considers budgets, decides campus issues, and oversees activities. Open meetings are held in the Student Union.

Student Court

In the Hall of Justice sits the Student Court. Gavels in hand, five iustices and the Chief Justice maintain law and order on the campus, prosecute violators, uphold the Constitution, and decide the fates of those they subpoena. At election time the Justices prepare ballots, work at the polls, and count votes.

Barton Collins
Alumni President

The Alumni Association this year established the position of Alumni Director. Former State student Joe Juliano received the appointment to this position. At the present time the Alumni Association includes ten chapters. Its activities range from Fall and June Homecoming to the publication of the monthly ALUMNI BULLETIN and the awarding of two $150 freshman scholarships. The Alumni Executive Board consists of 14 elected members, the Association President, the Association Director, and the presidents of the various Alumni Chapters.

Members of the Alumni Executive Board shown below are, TOP ROW, left to right: Gene Jung, Joe Juliano, Emerson Arends. SECOND ROW: Harry Hardiman, Ben Muccigrosso, George Link, Peter Hansen. Associated Women Students

Every woman A.S.B. cardholder is a member of A.W.S. and is entitled to participate in its activities. An organ of the student government, A.W.S. attempts to meet the needs and interests of campus women. Most of the activities of A.W.S. are traditional. One of the most important is the big and little sister program. Other outstanding events of the year sponsored by A.W.S. are the publication of Campus Compass, the A.W.S. Jinx (for women only), Hearts Delight, (girl-ask-boy Valentine dance), and March Melodies, a spring sing fest for women's living groups. This year a new tradition was started—Women's Week, where the women take over and run the campus the week preceding the Heart's Delight dance.

Joanne Keeler, 1st Vice-President

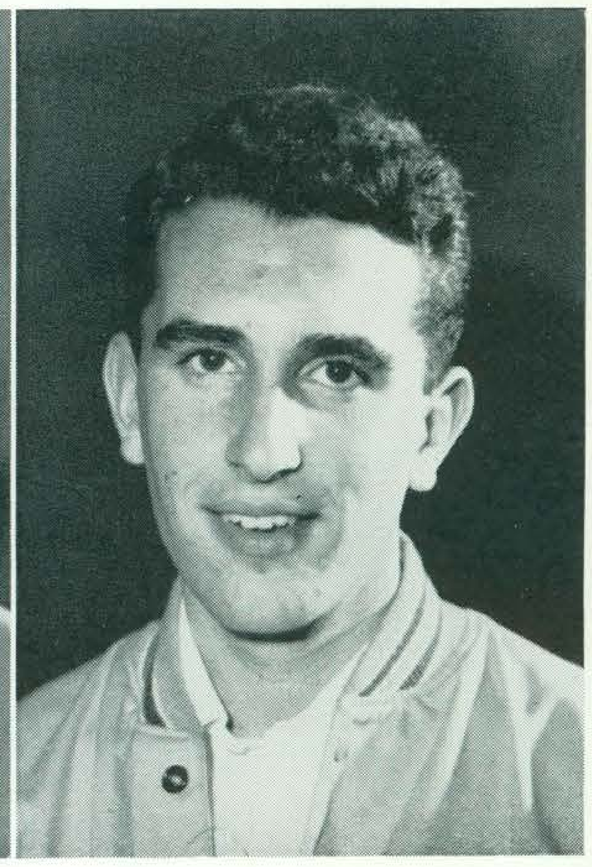

TOP ROW, left to right: Mildred Knowles, Joyce Malone, Marge Goody, Edith Perazzo.
SECOND ROW: Shirley Crandall, Pat Flanagan, President Joan Hale, Joanne Keeler, Mrs. Izetta Pritchard.

Fall Quarter's A.W.S. "get-acquainted" Jinx sponsored a pie-eating contest. Just who was the winner is doubtful, but there seems to have been plenty of pie.

Rally Committee

Officers of the Rally Committee: SEATED, left to right: Beverly Frane, Joyce Brizard, Yvonne Gineste, Johnny Melendez, Beth Calvin. STANDING: Ed Mosher, Tom Mullan, Ed Dickinson.

Card tricks! Street parades! Noise rallies! are the Rally Committee's tasks. During the football season the members organize rooting sections; sort, hand out, and collect the metallic stunt cards used at half-time. The group meets all-year-round under the direction of a Student Council appointed chairman. Students become members of the Rally Committee by attending the first two meetings of any quarter.

The Rally Committee poses en masse for your La Torre photographer.

Social Affairs

One of the hardest working groups on campus is the Social Affairs Committee, an A.S.B. sponsored organization. These industrious workers, led by chairman Alice Hays and adviser Dr. Murray Clark, are responsible for the Homecoming Dance, the Wintermist Formal, and a Spring Quarter dance, in addition to three Reg. dances. Seated at the table in the foreground are Delta Duke and Alice Hays. From right to left are: Dr. Murray Clark, Miss Anna L. Loze, Edward Ord, Cliff Lindsey, Garrett McClung, Ruth Rector, Yvonne Bass, Mary Power, Margie Beal, Madalyn Sandoval, Kay Morgan, Carol Ryan, Winifred Graf. The four girls in the second row from left to right are: Mary Ann Stadler, Shirley Hubbard, Janice Evans, and Jill Iverson. Standing at the rear are: Fred Hare, Bob Dean, and Chuck Wing. Second photo shows the Decoration Committee at work.

Because of the unusually large December graduation class, an evening banquet at the De Anza replaced the annual President's Tea. The seniors intend the banquet as an annual affair. They hope also that the very successful Senior Overnight ski party at Cal Lodge will become another tradition.

Senior Orientation, Spring Quarter, plus the Asilomar Overnight, seem to be enough to keep the Council busy, but the Junior-Senior Mixer and the Senior Ball climaxing Senior Week received deserved attention.

The Junior Class found that aftergame dances were a fine way to raise Prom funds. Under Prexy "Ozzie" Osborn dance plans were under way early. Other activities included an all-class barbecue, but it rained and 90 steaks were washed out. Undaunted, juniors participated in the Junior-Senior Mixer . . . loser contributing prize. Ringing the college chimes before major campus events is the tradition established by the Sophomore Class. For the first time an all-class rally was held Fall Quarter in Morris Dailey. This year's La Torre staff has attempted to present an interesting record of student activities of the past year. It's been a great year with lots of work, but it has been fun, too! Here is your 1951 La Torre staff: Floating gracefully above her staff, Co-Editor Iris Elwood looks forward to a time when there will be no La Torre deadline to meet. Just below Iris, Co-Editor and Sports Editor Ted Breeden critically watches the camera, while to his left, Bill Lytle, La Torre Business Manager, keeps a wary eye out for William Felse, Graduate Manager and sales tabulator. Beneath Bill, Dianne Kinney, Copy Editor, smiles happily—no more copy! Maggie Nakamura and Arturo Moreno, Art Editors, are jubilant over their new and unusual water color division pages. La Torre salesman Chuck Wing poses proudly in his new R.O.T.C. uniform. Loyally covering the LYKE half of the sign over the door is staff photographer Bud Gagnon. Just below stand two more staff photo men, Dick Zimmerman and Bill Gilmore. Cheerful LaVerne McCollum, art staffer, starts the bottom row while at the extreme left of the picture defiantly stands hot copy writer Darlene Dewey. Reading across the bottom row we find layout artist Louise Cothary; copy writer Irene Sprague sitting happily on the large ladder; prominent campus personality Jeanne Kerwin with folded arms; Rita Rabenstein, student teacher; Jane Brady, art staffer, smiling her approval; Miriam "what'll I do with my hands" Jamison; second hot copy writer Keith Kerwin; and hard-working La Torre secretary, Eileen Higgins. Attempting to smother a Spartan Daily, chief photo man Bob "puniab" Stone smiles smugly. The Speech and Drama Department has proved itself through the years to be one of the top college drama departments in the country. Year after year this department stages difficult and complex productions and every year enjoys a successful season. This year the department had another great year with a successful blending of the classical drama and the contemporary theatre. Late season hits included Chekhov's "The Three Sisters" and "Noah" by Andre Obey.

Football

Entering a new phase of athletic competition San Jose State College launched its initial football team under the new status of an Independent and, guided by new Head Coach Bob Bronzan, met some of the finest teams on the coast. San Jose State gridders coached by Bronzan, Backfield Coach Bud Winter, and new Line Coach Bill Perry made a good account of themselves as evidenced by national rankings and the possibilities of scheduling future games with even more outstanding teams of the nation. In their first season after breaking away from the California Collegiate Athletic Association, the Spartans tallied six wins, three losses and one tie.

Fullback Harry Beck reaped all sorts of honors via the ground route, setting a new college rushing record, becoming rushing leader of the Independents, and receiving honorable mention on the United Press All-Pacific Coast team.

Center Keith Carpenter, highly rated stalwart on defense as well as offense, received honorable mention on United Press All-Pacific Coast team.

End Billy Wilson, greatest all-round athlete in Spartan history, was selected on the first team of the United Press All-Pacific Coast team.

Halfback Gibby Mendonsa came into his own as an outstanding ball carrier for a hustling Spartan team.

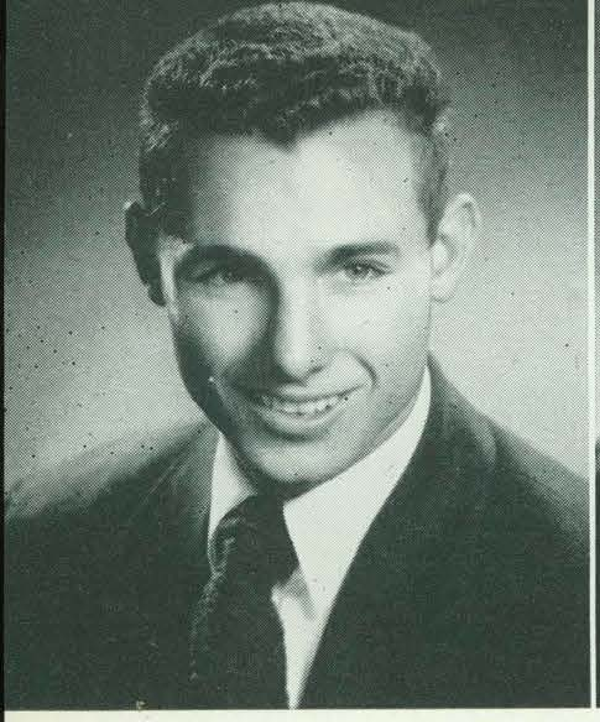

Quarterback Gene Menges continued to demonstrate his passing prowess to the extent that he was selected for honorable mention by Collier's.

Spartans 16
Indians 33

Dropping their football season opener to a highly rated Stanford machine, the Golden Raiders gave indications of potentialities with a late offensive attack that brought beads of perspiration to the brows of the Indian followers. Highlighting the initial 1950 fray for the Spartans was a 35-yard pass from Gene Menges to End Billy Wilson, who gathered in the ball and stumbled 45 yards into the Stanford end zone. Menges bewildered the Indians in the final period by alternating perfect pitches to Bob Amaral, Harry Beck, Bill Walker and Frank Morriss. Stanford All-American End Bill McColl was the top man on the field. Center Keith Carpenter and Quarterback Stan Wacholz were defensive stars for San Jose.

Spartans 26
Aztecs 0

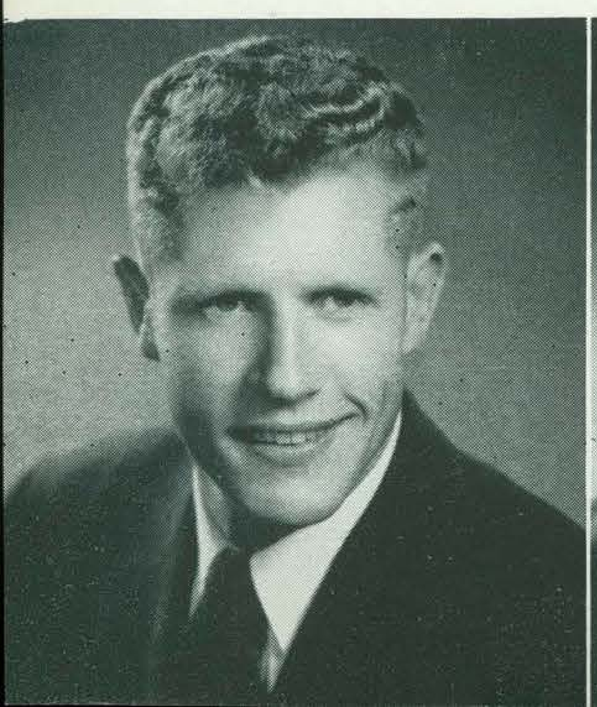

For nearly two quarters the C.C.A.A. title hopeful San Diego squad and San Jose State team fought unyieldingly. Two lightning thrusts by the Spartans in the remaining four minutes of the first half reassured Raider adherents. Beck trudged 32 yards before being dropped on the Aztec two-yard line, but scored the initial touchdown on a subsequent play. Quarterback Menges used the "bootleg" play to score his only six pointer of the season. Menges flipped to Wilson for another score and little Max Houlihan engineered the final scoring thrust aided by Bob Sykes and Bob Osborne.

Failing to capitalize on two scoring opportunities in the first quarter San Jose State staggered into the fourth quarter of their clash with their cross-town rivals trailing 10-0, but by the final gun the Spartans had roared back to grasp victory by a 14-10 margin. The final gun was all that could stop the rampaging Golden Raiders Harry Beck and Buddy Traina as they compiled 209 and 127 yards respectively. Beck drove over from four and three yards out to score both touchdowns and Fran Kluewer converted successfully to dash the hopes of the 1950 Orange Bowl champions.

Spartans 7
Loyola 14

Paced by potential All-American George Musacco and passing marvel Don Klosterman the offense-minded Loyola team punched over to score in each of the first two quarters and then put up a stiff defense to suppress the "comeback" squad of Coach Bob Bronzan. A pass from Menges to Osborne early in the fourth quarter was good for 56 yards and a touchdown, Kluewer converted. The Spartans failed to score on a subsequent series of plays that found the Lions halting the Raiders on the Loyola seven-yard line. Halfback Archie Chagonjian squirmed free on numerous occasions to furrow the brows of the Loyolans.

Spartans 0
Dons 27

Husky Ollie Matson and the U.S.F. Dons proved to be the nemesis of the Spartans for the second straight year as they tromped all over the revenge-minded Golden Raiders. Ranked nationally as a top defensive club the U.S.F. squad had one of their better nights as they stymied the Spartan aerial and ground attack. After the San Jose team flubbed two scoring opportunities in the first quarter they never seriously threatened again. Outstanding in the line play were Billy Wilson, Jim Wheelehan, and Ed Miller. Stan Wacholz was outstanding in the secondary as were Gibby Mendonsa and Buddy Traina.

Spartans 48
Waves 7

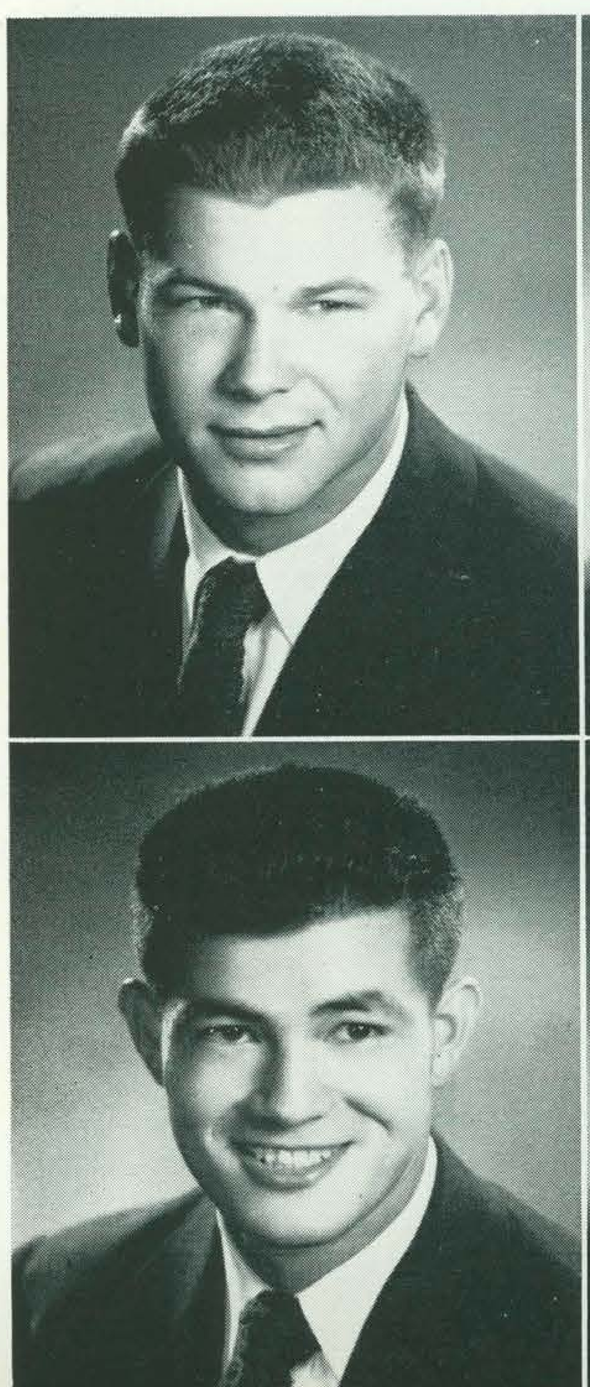

Off and running the Spartans led the Pepperdine Waves from kickoff to the final gun. Four and a half minutes had elapsed after the start of the contest and already the Gold and White had swept over the Waves for two touchdowns. For a brief moment the Waves threatened in the second quarter as they made the score 13-7, State still leading, but again they relapsed. Breaks, sharp offensive and defensive play by the Spartans turned everything to their favor as backs Gibby Mendonsa, Orland DiCiccio and Harry Beck tallied two touchdowns apiece with Frank Morriss adding a seventh.

A magnificent maximum effort by the Spartan line squelched the efforts of a determined Fresno State team and catapulted the Spartans on their way to victory by laying down the blocks to spring Gene Menges, Billy Wilson, Archie Chagonjian, Harry Beck and Bob Sykes for long gainers. The contest was marked by the elusiveness of a slightly damp pigskin which cut down on passing yardage and accounted for seven fumbles for each team. Beck had one of his better nights as he scored three touchdowns; Gibby Mendonsa ground out another; and Max Houlihan tossed to End Bob Amaral for the final tally.

Spartans 18
Gaels 6

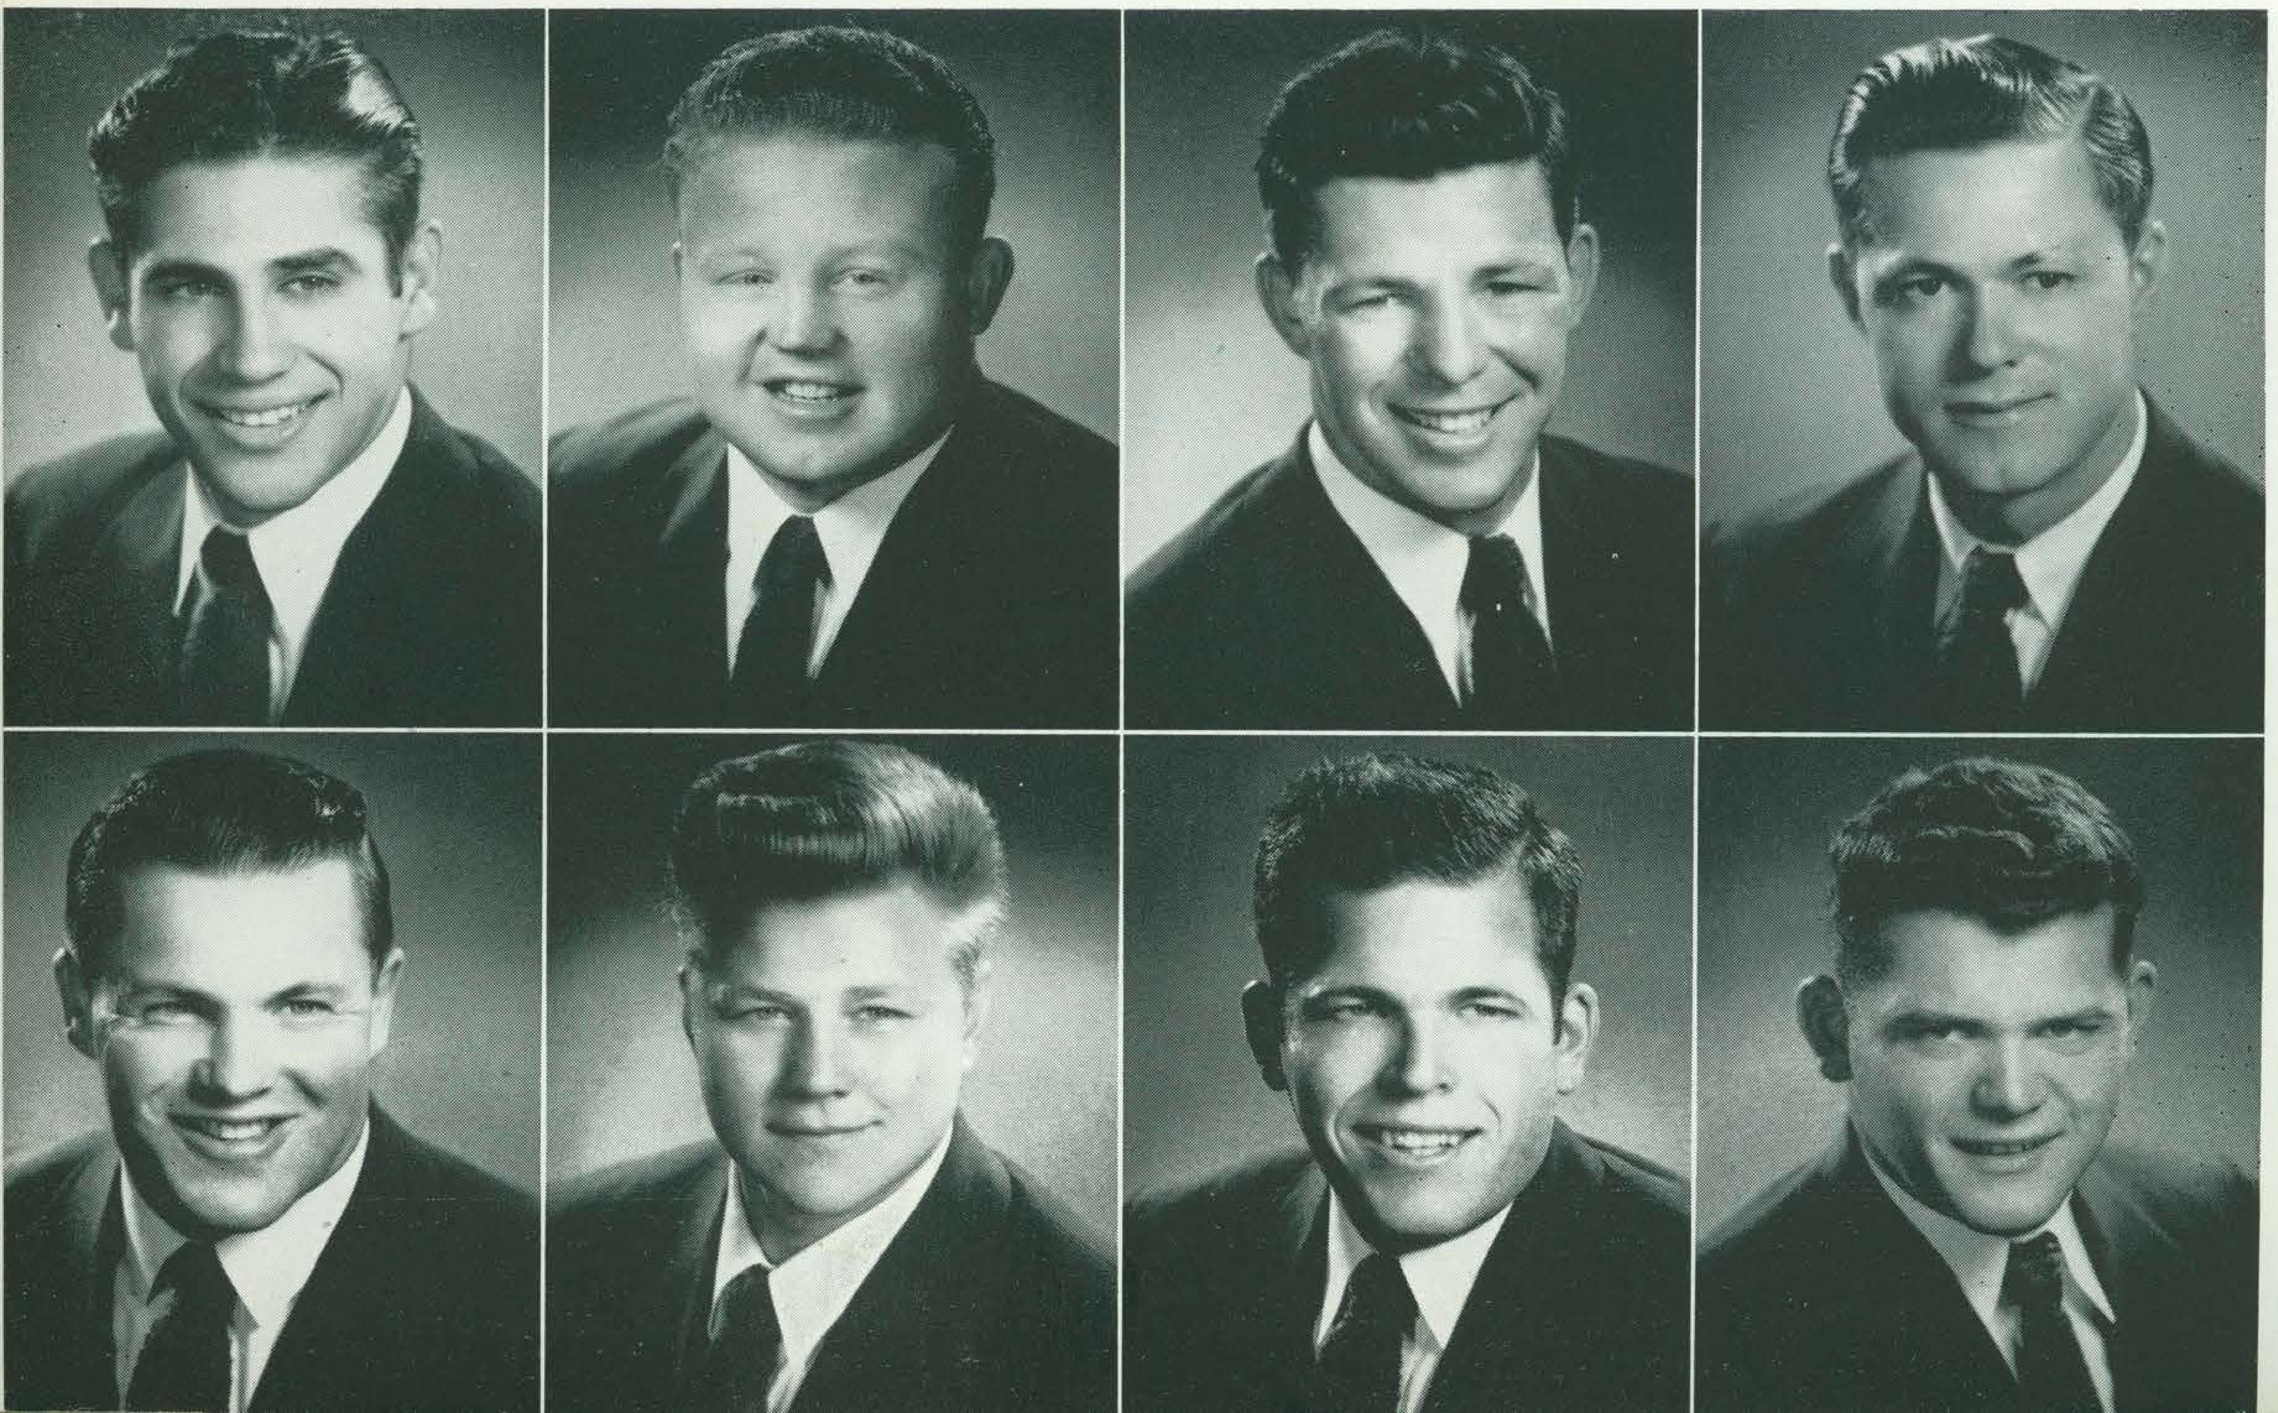

Treating the San Jose State Homecoming crowd to another of their last gasp spurts the Spartans came through with a blazing climax in the final four and a half minutes of their clash with St. Mary's. After a scoreless first period San Jose and the Gaels scored in quick succession and failed to convert. With the ball tucked beneath their arms, Gael backs John Henry Johnson and Frank Cassara and Spartans Beck, Mendonsa and Chagonjian roamed the field for considerable yardage throughout the contest. With improved protection Quarterback Menges completed nine out of 13 pass attempts for 114 yards, while Beck piled up 155 yards to eclipse the season total yardage record set by Harry Russell last year.

Nature and the College of Pacific provided one of the toughest games of the season for a grimly determined Golden Raider team that was pointing for a victory over the Tigers, but instead had to settle for a 7-7 deadlock. The Spartan forward wall failed to yield to the backfield witchery of the College of Pacific, thus cutting down on the expected offensive attack. What the San Jose line failed to do Harry Beck supplemented by booting the slippery ball 12 times for a 40.3 yard average and averaged 7.4 yards per run. Beck, a modern "swamp fox," skittered 60 yards for the State score and Kluewer converted to provide the clincher.

Spartans 32

Bad weather and player fights highlighted the Gold and White in their season final against Montana in Honolulu's Police Benefit game. Gene Menges drew high praise from the rival coaches and the Islanders as he was highly adept in handling a wet ball in completing nine out of 16 passes for 156 yards. Menges passed for two Raider touchdowns and set up two others as the Spartans were handicapped by fumbles, penalties and the loss of Beck early in the contest. Frank Morriss filled in for Beck and did a highly creditable job. Billy Wilson, as usual, was outstanding.

Coach Tom Cureton

Frosh Football

Serving as a proving ground for future varsity teams the frosh football squad, under Coach Tom Cureton, met several outstanding teams of the area and though suffering defeat in every case, except for a 26-26 tie with Fresno State, produced several individuals to be mentioned in future years in connection with Spartan athletics.

TOP ROW, left to right: Coach Cureton, LaClergue, Hinman, Duncan, Hamilton, Kennedy, Bennett, Jerner, Cassidy, Rice, Ambler, Cleghorn, Hendrickson, Barry, Johnson, Coley. SECOND ROW: Sekock, Lera, Sarro, Smith, Mancine, Cederlind, Moore, Ferguson, Jacobs, Hamber, Pappas, Oetinger, Barnes, Keene, Faulk. BOTTOM ROW: Mascot, Carpenter, Stephens, Pierce, Berg, Carbello, Pfeffer, Walsh, Snyder, Mitchell, Nuetz, Thomas.

Faced with the loss of key men from the 1949 team, Coach Charley Walker, nonetheless, had a good turnout for the 1950 water polo squad and was able to piece together a balanced squad. The poloists played a stiff schedule, but were consistently a threat to their opponents. However, a lack of depth kept the Spartan splashers from putting four quarters of inspired play into any one of the bigger meets. Other outstanding members of the squad, not pictured, were Bill Chang, Bill May, Bob Hamilton, Jack Hibner, Harvey Luke, and Glen Farnum.

Basketball

Going high into the air, George Clark, San Jose's 6' 5" center, snags the rebound from Beloit's waiting hands. Spartan Bob Enzensperger crouches, ready to spring to his aid.

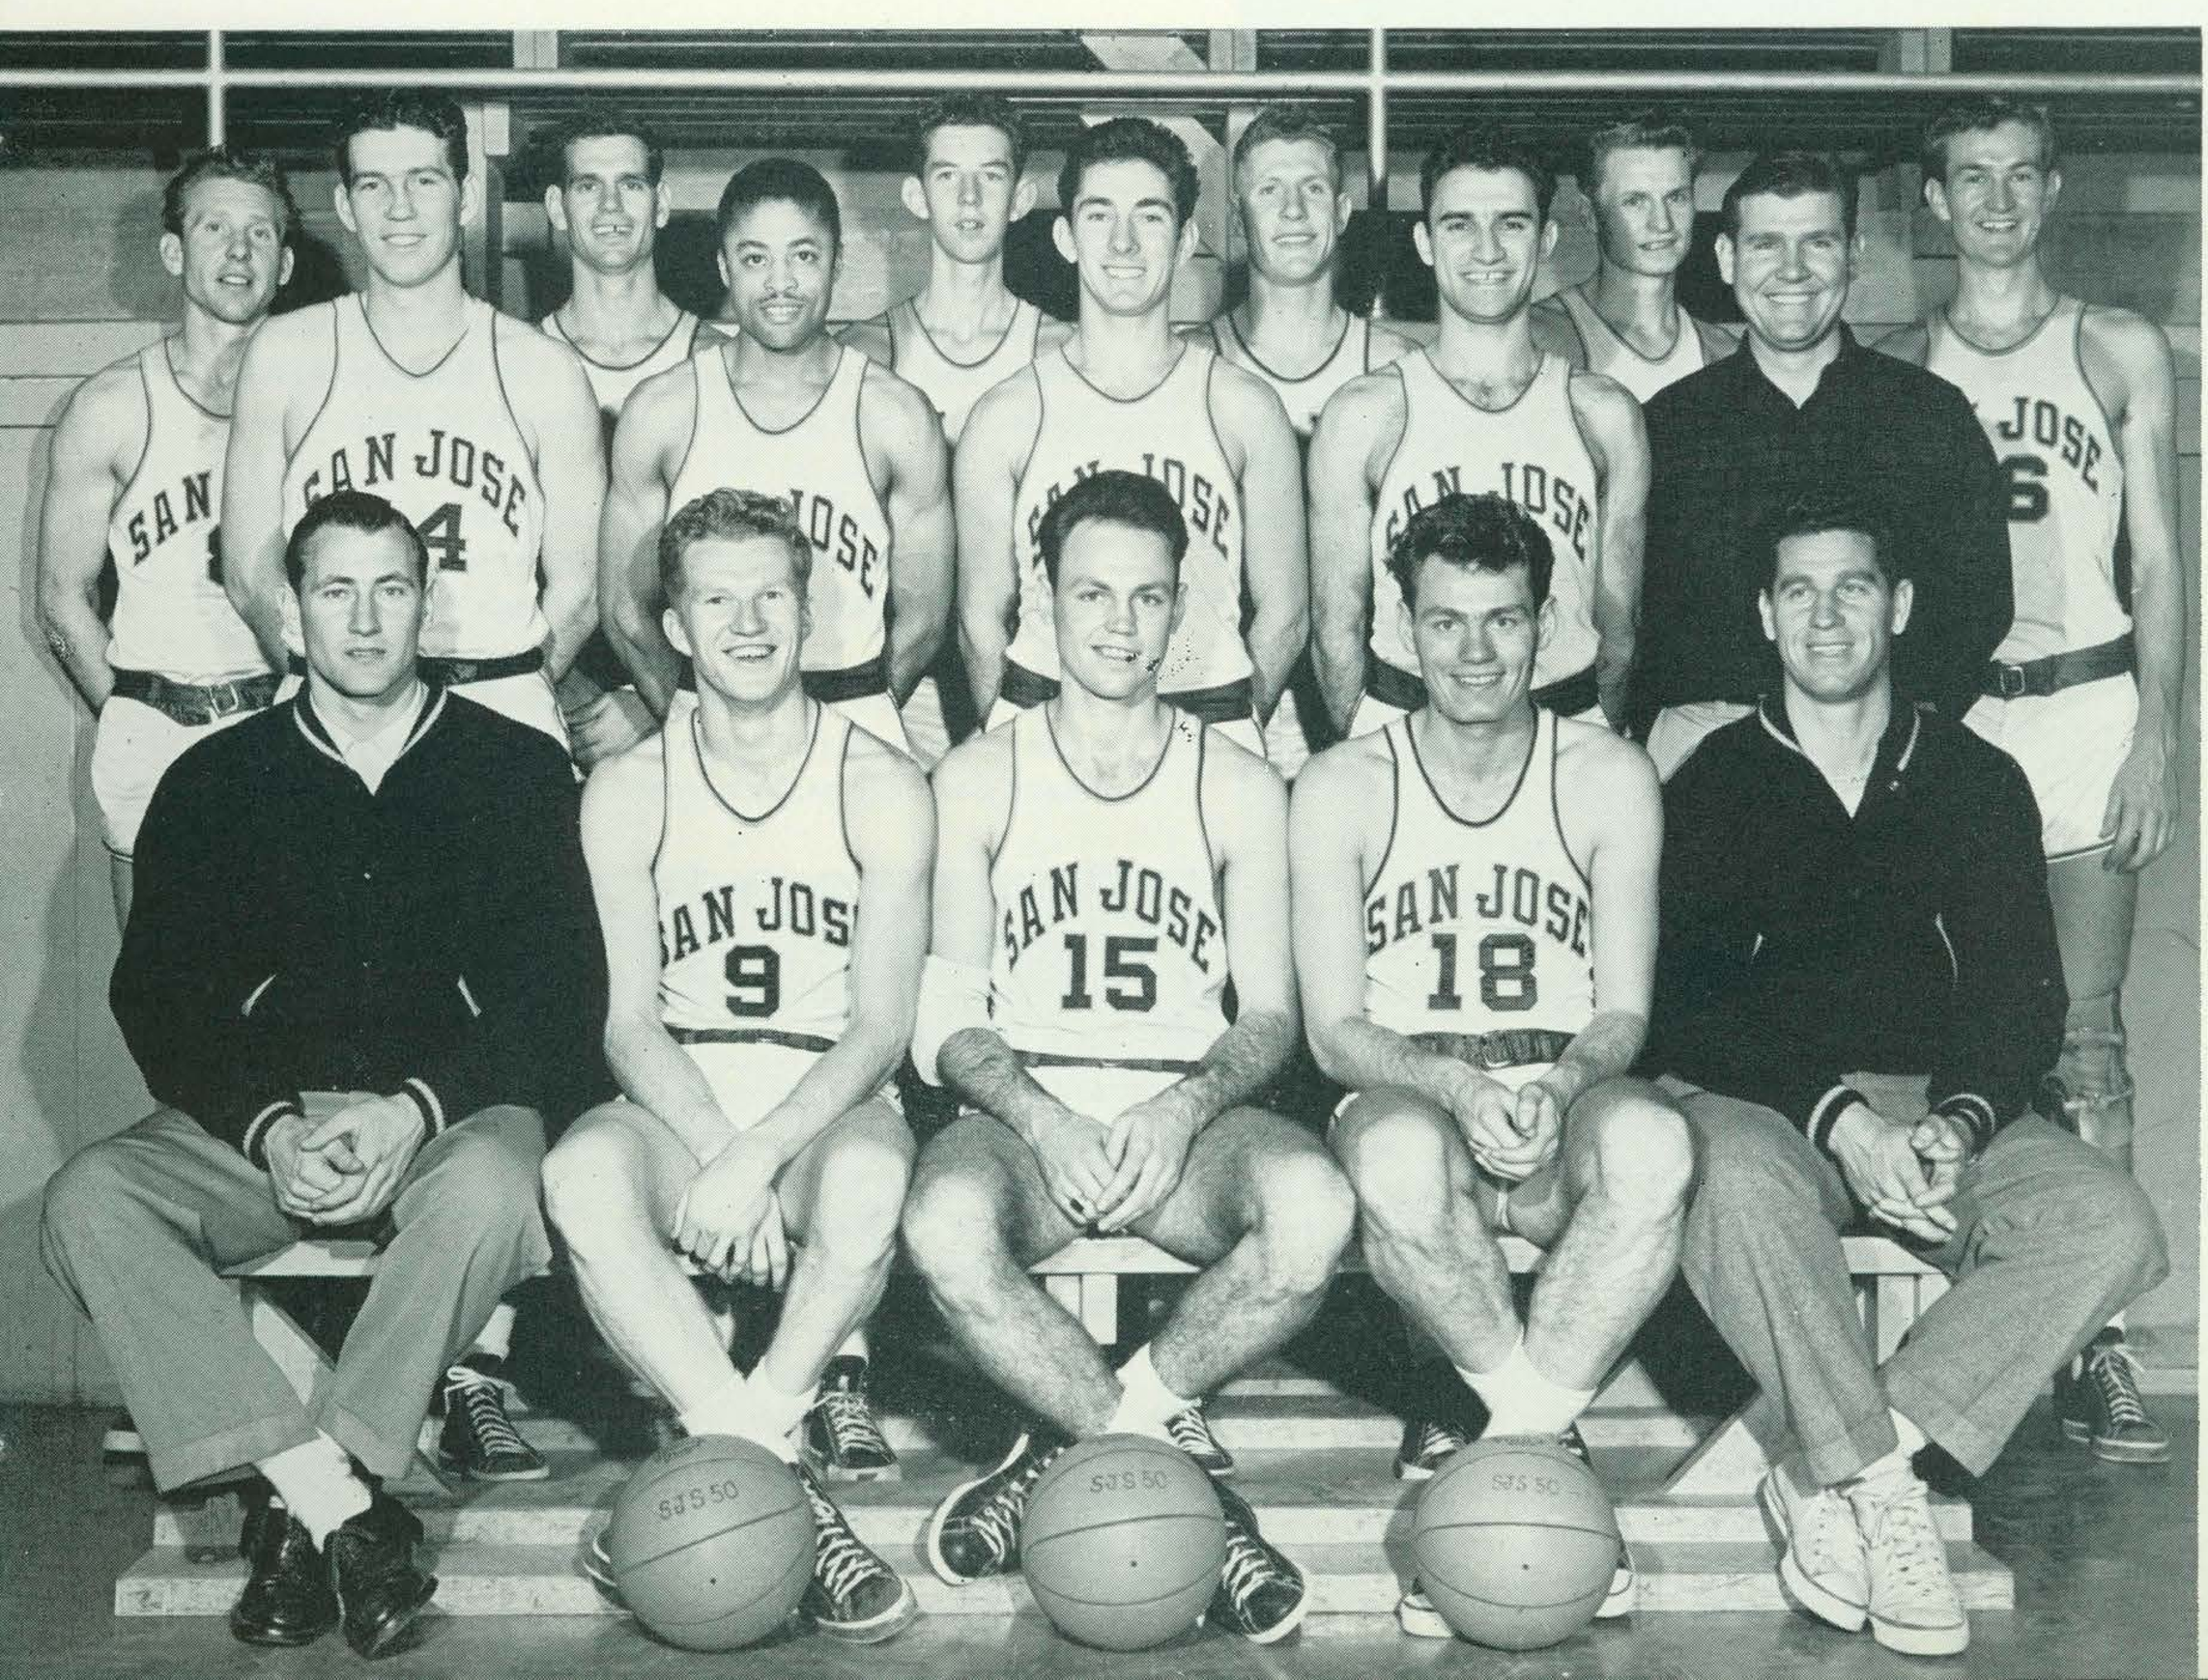

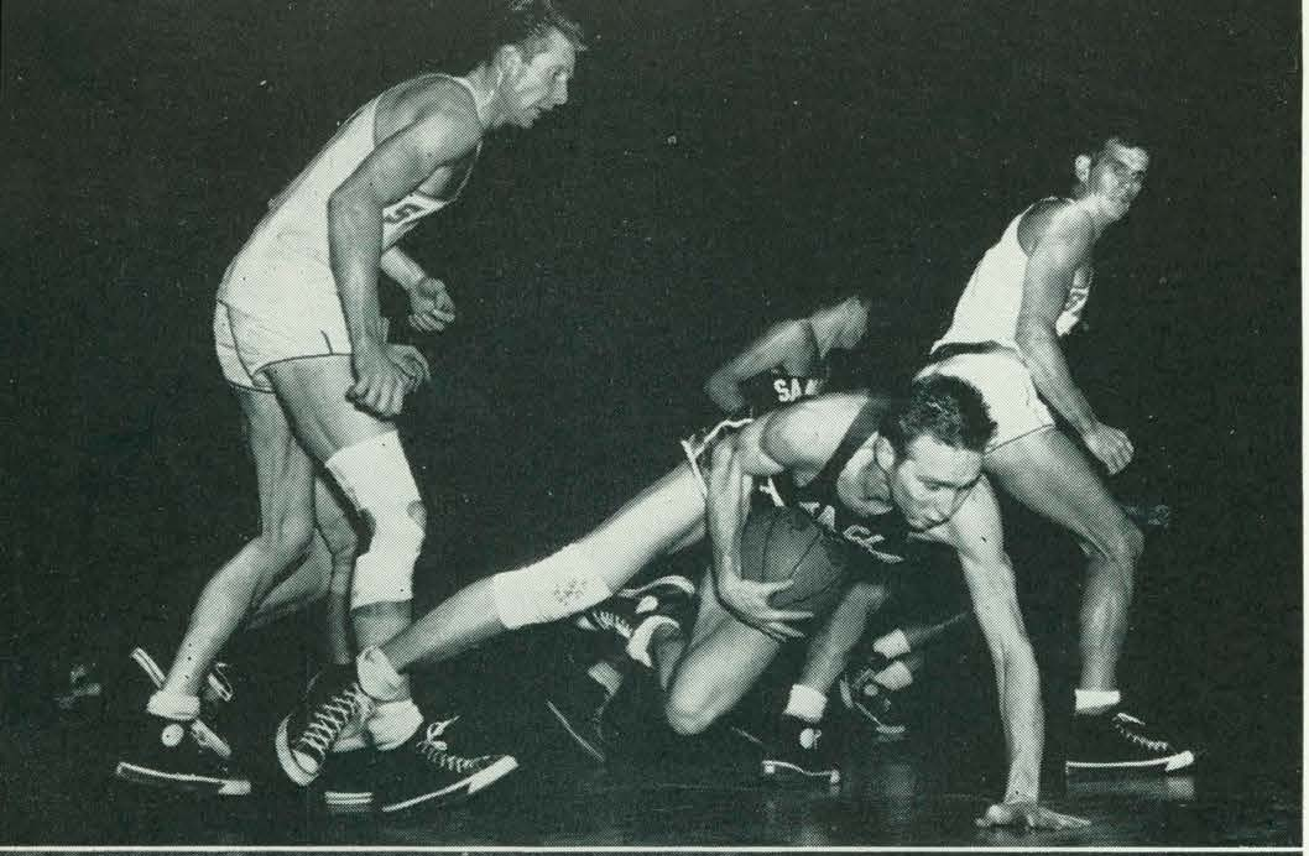

Playing one of the toughest basketball schedules in their history, the Spartans went up against U.C.L.A., Stanford, Beloit, Colorado, Arizona, U.S.F., Santa Clara, C.O.P., Wisconsin, Manhattan, Duquesne, Hamline, St. Mary's, Stewart Chevrolet, and others. Though the team faltered on a few occasions, they closed out the season in grand fashion by winning 13 of their final 17 games. Their driving finish brought them an invitation to the N.C.A.A. Basketball Tournament. Dean Giles became the second highest scorer in San Jose State history by racking up 369 points for the season. Spartans Giles, Clark, and Crampton were selected on the first annual Northern California Independent College All-Star Team. Elmer Craig was selected on the second team, while Spartan Team Captain, Bobby Crowe, received honorable mention.

Coach Walt McPherson

FIRST ROW, left to right: Ass't Coach Bob Wuesthoff, Ted Prescott, Bob Enzensperger, Duane Baptiste, Coach Walt McPherson. SECOND ROW: Lee Deming, Bobby Crowe, Elmer Craig, Mort Schorr, Mgr. Harold McGill. THIRD ROW: Dean Giles, Billy Wilson, Lee Jensen, Stan Wacholz, Chuck Crampton, George Clark.

Frosh Basketball

Coach Tom Cureton's frosh squad had hardly been formed before the Korean situation necessitated the drafting of several outstanding prospects. Reforming, the team started slowly, but made great strides in the latter part of the season to post impressive wins over Campbell High School; Leonard's; San Jose High School; Hartnell J.C.; and Santa Clara, 50-49. The frosh team came up with the oddity of the year when they played a 47-47 tie game with the St. Mary's frosh. At the final buzzer, St. Mary's had apparently won the tilt, 47-45; but a check of the scorebook brought to light another San Jose basket. Fifteen minutes had elapsed and an overtime was impossible, thus, 47-47. Top men for the squad were Steve Burnett, Sal Burriesci, Leroy Small, Jerry Smith, Clark Arneal, John Martini, Kaye Tomlin, Doug Miller, Maurice Duncan, Jim Vettel, Howard Rapp, and Jim McHugh.

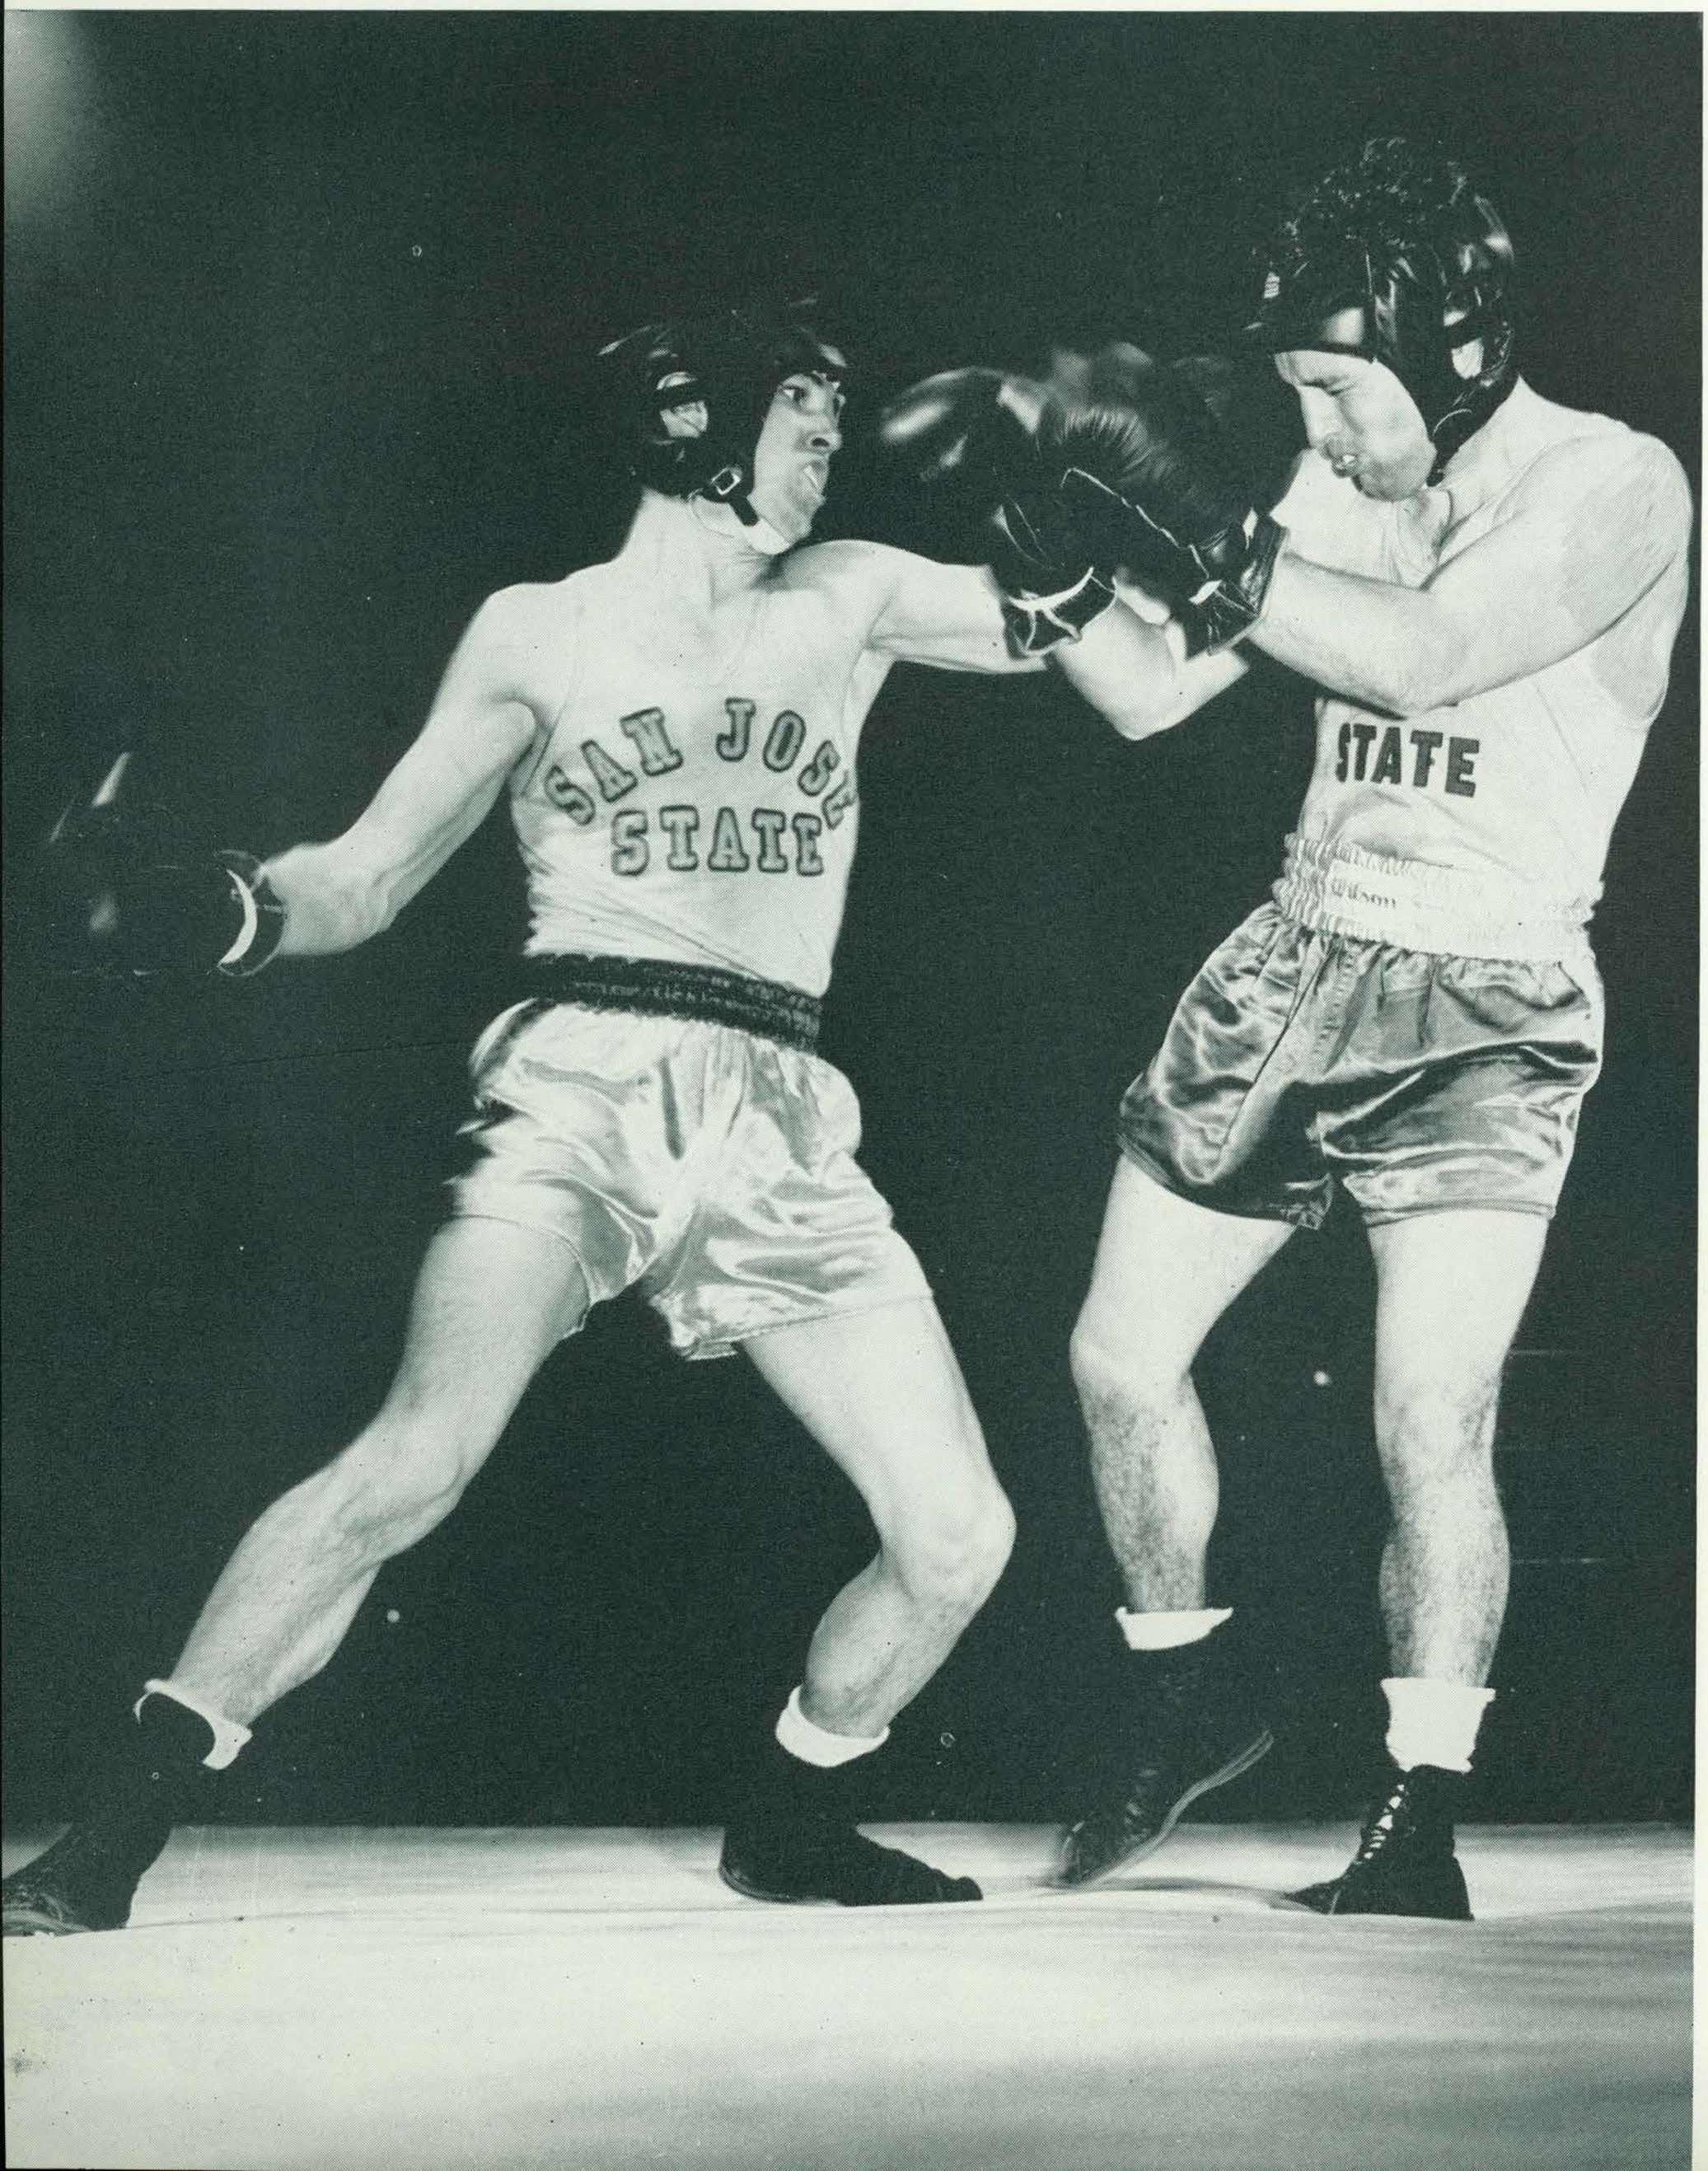

TOP: Spartan Doug Miller drives in for a lay-up as teammates Steve Burnett and Clark Arneal set to take the rebound should the try fail. U.S.F.'s Frank Evangeho, far right, set a new Spartan gym record in tallying 38 points.

Boxing

Sparta's Johnnie Johnson and John Bowman, San Francisco State, in a 145-lb. bout.

San Jose State boxers fashioned an impressive record as they went unbeaten in dual meet competition. Coach Dee Portal's boys fell victim to the flip of a coin and the decision of the judges to drop from contention in the Pacific Coast Intercollegiate and N.C.A.A. boxing tournaments, while individual boxers punched their way into the finals. In the P.C.I. finals 125-lb. defending champion Mac Martinez dropped a close decision, as did 165-lb. Nick Diez, 130-lb. Al Tafoya and heavyweight Jack Scheberies. Representing the Spartans in the Nationals were 125-lb. Intermountain Collegiate Champ Don Camp, Team Captain Tafoya, 145-lb. Johnnie Johnson, Diez and Scheberies. Diez and Scheberies gained the finals, but again were decisioned within reach of the illusive titles. Spartan ring prominence was heightened by the performances of the boxers, indicating an ambitious schedule in San Jose's boxing future.

Lower left: Spartan boxing team captain Al Tafoya strikes a glancing blow off the headgear of Washington State's Phil Largent.

Judo

Enjoying a highly successful season, Coach Yosh Uchida's Judoka turned in top performances. They dominated the annual Northern California judo championships by successfully defending their varsity team honors of last year and copping four individual titles. Jim Foster and Wes Dobbs each captured five wins to share individual honors and pace the team to the title. Ivan Bland posted five wins to take the brown-belt division trophy and Ray Capella walked off with the white-belt honors and the division trophy. Members of the championship team were Captain George Best, Ford Harvey, Gilbert Baker, Dobbs, and Foster.

Coach Yosh Uchida

KNEELING, left to right: black-belters Ford Harvey, Johnnie Johnson, and Murl Tullis. STANDING: Warren Ramey, Bruce Hipkins, George Best, and Coach Yosh Uchida.

SECOND ROW: Garry Smith, Howard Hays, Richard Self, Don Feak, Robert Filler, Don Ling, Russell Roberts, and Takeo Shishido. THIRD ROW: Coach Charley Walker, Wayne Parish, Fred Alvord, Douglas Murray, Chester Keil, Fred Postal, Chesley Douglas, and Dave Millovich.

Swimming

Enjoying one of their best seasons, the Spartan splashers gained impressive victories over Santa Clara, Arizona, St. Mary's, San Francisco State, and California Aggies. Freshman Howard Hays and Team Captain Dick Lebedeff inscribed their names in the record book with their performances. Hays cracked the school and Spartan Pool record for the 150-yard individual medley, while Lebedeff set a new standard for the 200-yard backstroke in 2:31.5 minutes.

Tennis

KNEELING, left to right: Don Gale, Butch Krikorian, Chet Bulwa, and Bud Edmondson. STANDING: Coach Ted Mumby, Bob Phelps, Tom Castaldo, Larry Mumma, and Don Straub.

Rated as one of Coach Ted Mumby's greatest tennis squads, the 1951 edition lived up to the plaudits of its followers by surmounting its opposition with aggressive and dogged play. Sophomore Butch Krikorian increased his standing by living up to his potential. Teamed with Chet Bulwa the two became one of the most formidable doubles in the nation.

Taking over the duties of the rifle team coach, Captain Hugh Donovan was forced to start from scratch, with only two experienced team members and meager facilities. Team initiative was sufficient to handle the administrative work and improvement of range facilities. Equipped with Remington Matchmasters, Winchester 52's and Stevens Army Target 22's, the Spartan team, a member of the Northern California Intercollegiate Rifle Conference, competed against the sharp-eyed Davis, California, Stanford, Santa Clara and University of San Francisco teams. The San Jose team also met Penn State, Santa Barbara, University of Alaska, and Florida via postal matches.

KNEELING, left to right: Frank Huglin, Ed Hageman, Tom Willis, Grattan Perry, and Walter Reinhardt. STANDING: Captain Hugh Donovan, Jack Reichart, Warren Winovich, Kaye Tomlin, Dan Estrada, and Alfred Malech.

Short on returning lettermen but bolstered by enthusiastic newcomers, Coach Ted Mumby's gymnastic team this year suffered their losses by the barest margins. Loss of Glenn Walthall because of Navy duties, was one contributing factor which prevented the team from being on the winning side of the ledger. Veterans Mario Valdastri and Don Peckham gave standout individual performances for the Spartans.

Baseball

Team Captain Walt Johnson attempts to snag a careening foul.

Like most of the Spartan athletic teams, the baseball team was faced with a rough schedule and ever-dwindling player ranks. Pitching seemed to be a major problem for Coach Walt Williams' squad. Loss of mound aces Ralph Romero and Pete Mesa was sorely felt. Hitting was good, but could not cope with team deficiencies. In their initial game against Stanford, the San Jose nine played one of their better games, though dropping the decision to the Indians, 1-0. Although the majority of the squad was new to the San Jose ranks, the newcomers were able to take hold; and every game was kept in doubt until the final out of the final inning.

Wrestling

Led by Co-Captains Frank Waxham and Lee Jordan, the Spartan matmen had one of their better years. The San Jose State team, coached by Ted Mumby, finished fourth in the Pacific Coast Invitational mat tourney, with Ben Ichikawa, Ray Bunnell, and Frank Waxham, defending champion in the 157-lb. division, gaining the finals. Waxham was the only finals winner as he successfully defended his title. The team won the Northern California Novice A.A.U., and for the fourth year in a row, the Northern California Junior Tournament. Coach Mumby was recently elected president of the Pacific Coast Intercollegiate Wrestling Association.

Track

Sparta's George Mattos begins the powerful swing upward which has carried him to a height of 14'5" and numerous national and international pole vaulting laurels.

Surpassing the achievements of many of San Jose State College's past thinclad squads, the 1951 track team, with top men and depth in many events, had a triumphant season. From the outset of the season, Coach Bud Winter's cindermen showed a proficiency for garnering points, but dropped the opener, 66-65, to the San Francisco Olympic Club. The following week the Spartans hit their peak in trouncing their opponents in a five-way meet: San Jose State 89, California 81, College of Pacific 43, San Francisco State 7, University of San Francisco 0. Outstanding performances were prevalent from distance men Dore Purdy, Bob McMullen, and Paul Jennings; sprinters Bob Crowe and Jim Gillespie; hurdler Paul Dennis; broad jumper Ron Maire; pole vaulter George Mattos; weight man George Nickel; high jumper Herman Wyatt; 440 man Don Davis; javelin thrower Boyd Porch, and 880 men Bob Anderson and Jim Grant.

THIRD ROW: Jim Grant, Dan Sawyer, Bob Crowe, Paul Dennis, Frank Johnson, George Nickel, Herman Wyatt, Dave Persing, Paul Jennings, and Don Davis.

Timber toppers Jim Gillespie and Paul Dennis match strides over the low hurdles at the University of California.

Herman Wyatt misses at 6'8" height after a winning leap of 6'6".

Beating the Bears to the pass, Spartan 440 stalwart Don Davis passes the baton to hurdler Paul Dennis.

Spartans Joe Greggans, Dick Barger and Bob Crowe receive the congratulations of their coach, Bud Winter.

George Nickel begins his preliminary gyrations prior to hurling the platter a distance of 155'5".

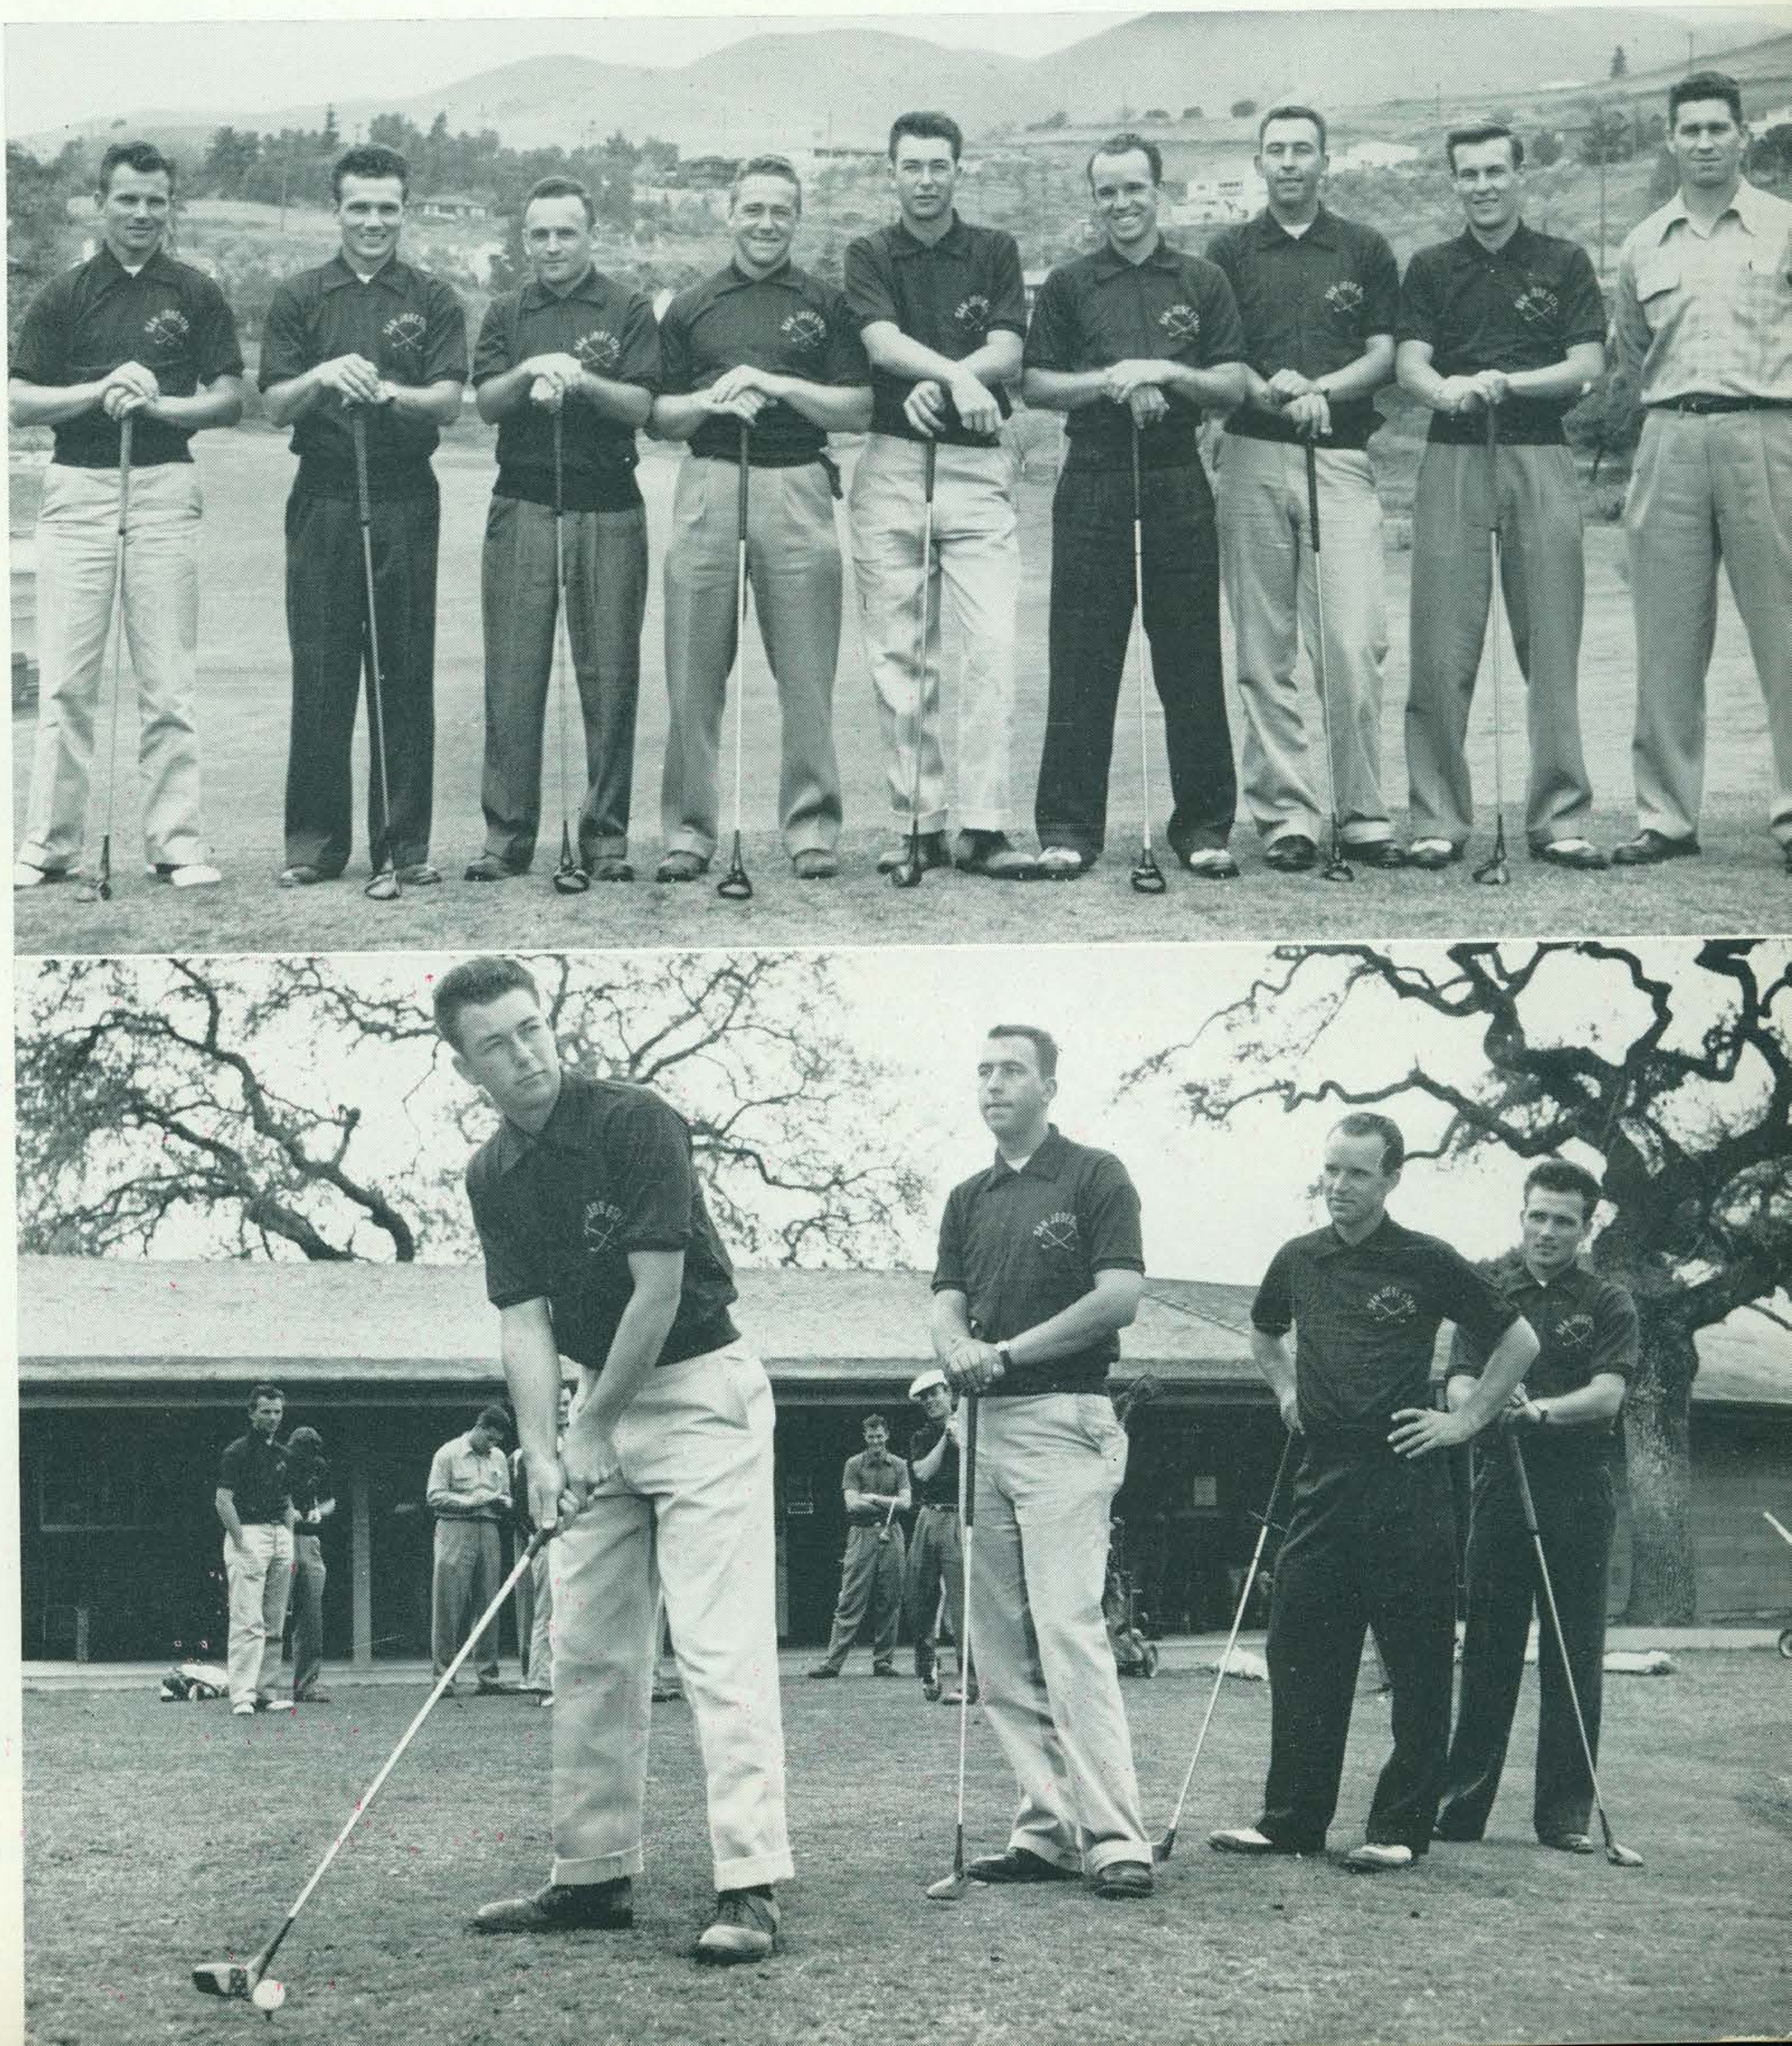

Frank Johnson, Bob Anderson, Boyd Porch, Hal Frisch, and Bob Crowe plot the downfall of the Cal track team.

Golf

Faced with the loss of most of the 1950 squad, Coach Walt McPherson depended heavily on veterans Ken Venturi, Jay Hopkins, Dom Pagano, and Wally Regan to point the way for the newcomers. Three strokes kept the San Jose State golfers from winning the Northern California Intercollegiate team title as Stanford edged them 297 strokes to 300. Ken Venturi demonstrated his mastery of the tricky Pasatiempo Country Club course by defeating Stanford's Roland Conklin for the individual N.C.I. title.

Alpha Phi Omega

The Gamma Beta chapter of Alpha Phi Omega, the largest Greek letter organization in the U.S., was founded on this campus in 1939—the first national fraternity at San Jose State! Quarterly projects conducted by this organization are: the Bindex, the Book Exchange, the painting of the Macfadden Health Cottage, and the providing of campus cigarette urns. This year's major project was the construction of a student parking lot near the campus. Other activities include the forming of a local A.P.O. Alumni Association and a Bay Area Inter-Chapter Council.

A-Phi-O's begin clearing debris from the proposed student parking area. Left to right: Garrett McClung, Russ Mitchell hiding Jinx Johnson, Marino Mangiola, Bob Dean, Lauren Swanson, and Herbert Hansen heftily heaving the plank.

Kappa Sigma Kappa

The Kappa Sigs came on campus in the winter quarter of 1947; and, although not recognized by the I.F.C., their first four years at State have been highly successful years. A swank dinner dance at Rickey's keynoted this year's social calendar. Officers are Jack Scheberies, president; Charles Gardner, vice-president; Chris Arce, treasurer; Chuck Murray, secretary; Gene Blanc, sergeant-at-arms; and Carlton McWilliams and Arturo Fallico, advisers.

Clubs

Alpha Gamma

The annual art exhibit highlighted the activities of Alpha Gamma, local art fraternity, during this year. The exhibit was heralded as one of the best ever featured on this campus and was enjoyed by many students and faculty members. Alpha Gamma members also enjoyed dances, parties, guest speakers, and gallery tours throughout the year.

Officers are, left to right: Art Moreno, treasurer; Betty Yoho, vice-president; John de Vincenzi, adviser; Fred Cooper, president; and Marilyn Collins, secretary.

The bottom picture shows the entire Alpha Gamma membership as they gathered for their formal initiation in February.

C. S. T. A.

The California Student Teachers' Association is an organization for any junior or senior student working toward a teaching credential. Dr. Carl Rich is the adviser of this student branch of the California Teachers' Association. The C.S.T.A. is an active group, holding regular meetings and several get-togethers during the school year. Officers are Arnold Levine, president; Eleanor Nelson, vice-president; Beverly Bergstrom, secretary; Richard Morrice, treasurer; Ron LaMar and Ruth Mahr, representatives-at-large.

Founded in 1947, the purpose of the Engineering Society is to acquaint its members with the more practical aspects of their chosen profession. The group was founded through the assistance of Dr. Smith and Mr. Walton, advisers. The society invites men in the engineering profession from local industries to speak and answer questions about engineering in general and job openings in particular.

This campus organization, under the sponsorship of Miss Marie Carr, has been one of the school's most active groups and certainly one of the most interesting. The fact that State's drama department enjoyed a fine season this year is due largely to the activities of the San Jose Players.

Ski Club

One of the largest organizations on the campus, the Ski Club is open to all student ski enthusiasts. Besides the trips to the snow, the members of the Ski Club are entitled by their membership fee to participate in several club dances, spring quarter beach parties, and movies of previous ski trips. The club meets once a week where these various activities are planned. Officers are Bill Cancilla, president; Norman Simpson, vice-president; Patricia Mason, secretary; and Marcia Wheeler, treasurer. Adviser for the group is Dr. Rusmore. At right is pictured Pat Mason, Ski Club queen for this year.

Spartan Spinners

Gay, colorful costumes may be seen flying in time to the rhythmic music of folk dances from many countries on Tuesday nights when the Spartan Spinners take over the Y.W. C.A. Under the enthusiastic guidance of Dr. and Mrs. Carl Duncan and Mrs. Sarah Wilson, the Spinners have learned and enjoyed many new folk dances this year.

Pictured above, FIRST ROW, left to right: Robinette Woodside, publicity chairman; Dr. Duncan, adviser; and Mrs. Duncan, adviser. SECOND ROW: Margaret Jacobsen, refreshment chairman; Mrs. Wilson, adviser; Jo Anne Flenniken, secretary; Martin Tucker, treasurer; and Mary Ellen Wise, acting president.

Co-Rec

This comparatively young organization continued its very active program last year. Co-Rec sponsors a multitude of events to provide opportunities for friendly student get-togethers. These events include badminton, swimming and dancing.

Above, LEFT TO RIGHT: Jeanne Empey, dance chairman; Charlotte Maloyan, ping pong chairman; Ardith Frost, adviser; Edna Thompson, co-chairman; Bill Ernst, co-chairman; Eleanor Pidoli, equipment and badminton chairman; Dan Sawyer, volleyball chairman; Janet Openshaw, secretary; and Shirley Cook, general staff member.

Women's Athletic Association

Women students that enjoy a good work-out in archery, badminton, bowling, fencing, golf, hockey, tennis, orchesis, riding, swimming, or volleyball will welcome the W.A.A.'s year-around program. This group has been active on the San Jose State campus for 33 years. W.A.A. officers are Ruth Laine, president; Colleen Brooks, vice-president; Alice Kent, recording secretary; Mary White, corresponding secretary; and Annabelle Vargas, treasurer. Miss Eleanore Coombe and Miss Mary Wiley serve the W.A.A. as faculty advisers.

Officers are Bernard Schorr, president; Mort Schorr, vice-president; Beverlee Blaustein, treasurer; and Dr. Cooper, adviser.

Hillel

The International Students organization helps students from other nations get acquainted with their fellow students on the SJSC campus. Meeting twice each month, the group, which has a large number of members, has social meetings to foster a feeling of friendliness. Speakers from other lands are invited to meetings. In this way the club feels better understandings of other nations' cultures are established.

It's been a busy year! There was the football season with the rallies and the dances . . . the many nights of the novice boxing tournament . . . homecoming . . . senior overnight . . . women's week with the special edition of the Daily and the Heart's Delight dance . . . we all watched the Theta Chi Dream Girl contest . . . and attended the Reg dances. Then came the basketball season . . . the Junior Prom . . . Revelries . . . and ten thousand other things. There were the many (perhaps too many) pleasant hours in the Coop and the Union . . . and the goodbyes we said to boys leaving for the Service. We saw the new women's gym completed . . . we loafed in the sun at Santa Cruz.
