Dear Jane:

I enclose an article appearing in the June is-sue of Reporter Magazine hittin, the news stands the mid-dle of this week. It gives a clear picture of what we are trying to do in the Democratic Party in California.

I thought that perhaps you could persuade someone on the Oxnard Press Courier to do a feature article on it. There is a local angle in view of the expanding clubs movement in your area, and, also, you could make some local comments that would give it a local flavor.

If you are able to get anything printed, please send me a copy. Do try to do it before the elections since the great virtue of this article is that it destroys the suggestion that there are any bosses in the Democratic Party in California.

Very sincerely,

ALAN CRANSTON, President
California Democratic Council
