

MIDNIGHT PROWL RULES

1. For every pass, you plus one friend are admitted to the Midnight Prowl scavenger hunt. DO NOT GROUP TOGETHER. Any group efforts will be disqualified.
2. Do not break any laws....(speeding etc.). If KCPR is notified of such an offense, you will be disqualified from the event.
3. Upon completion of the Midnight Prowl, the "winner" must show proof that he/she has completed all the stations required. Everybody will get different clues, so where you go may not necessarily be where other partners go.
4. Bring your pass wherever you go!!!
5. Only ONE person will win the Grand Prize, so it will be in your best interest not to discuss clues or locations with other people.
6. Bring along something to write on and anything else you think you might need.....(I'll leave it up to your imagination.)
7. If stopped by the police, try not to mention KCPR. You are responsible for your own actions.
8. Have fun!
9. GOOD LUCK
10. Keep your car stereo tuned to KCPR all night for Midnight Prowl updates.(91.3)
