OFFICE OF
WILLIAM RANDOLPH HEARST
LA CUESTA ENCANTADA
SAN SIMEON, CALIFORNIA

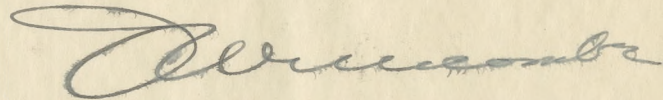

May 14, 1937

Dear Miss Morgan :

Replying to your letter of the 12th stating
that you can use the mantels which are in the warehouse in New
York if Mr. Hearst prefers them, Mr. Hearst says,-- "No. But
they are pretty mantels to use SOMETIME and somewhere."

Best wishes,

Sincerely yours,

P-S I tried to reach you
this afternoon through your
office and home phones to
tell you that the Vultee
was leaving Mills Field for
the Ranch if you cared to
come down on it. JW
