#### STATE AND FEDERAL AID TO VETERANS

The office of the Dean of Students maintains liaison with the Veterans Administration and the State Department of Veterans Affairs. The Veterans Counselor at the college assists veterans in conducting their affairs with these agencies.

In order to enroll and obtain benefits under Public Law 550 ("Korean" GI Bill), a veteran must obtain a Certificate for Education and Training (VA Form 7-1993) from the Veterans Administration and present it to the Veterans Office at the time of registration.

The college is also approved for the training of disabled Korean War veterans (Public Law 894). Veterans who plan to attend the college on this program should notify the Veterans Administration of their intentions to enter Fresno State College well in advance of the registration period.

Veterans planning to attend the college under benefits available from the State of California (Cal-Vet) must obtain the required authorization each semester from the State Department of Veterans Affairs, 700 Capitol Avenue, Sacramento 14, California.

Information on the above educational programs at the college may be obtained by writing to the Veterans Counselor.
