## **MISSION STAFF**

Men staying at the Mission. Most of them have accepted Christ on coming to the Mission for help. All attend daily Bible Classes.

# LIGHTHOUSE

What was at one time a Buddhist Temple has become a lighthouse preaching Jesus Christ. "To give light to them that sit in darkness and in the shadow of death to guide our feet into the way of peace."

## PROGRESS

We hope by the end of September to have the dormitories for overnight lodging finished. This will afford greater opportunities to help the homeless to find their eternal home. We still need help in this area.

REMEMBER THE MISSION  
IN YOUR WILL

## PRAY

Last month the Mission fed 1,137 free meals, giving great opportunities to witness to many lost souls. Praise the Lord some responded, some went on their way rejoicing, and some are staying here at the Mission taking part in the rehabilitation program studying and attending Bible Classes every day. Pray for these who make decisions that they will be strengthened in faith to go on for the Lord.

## BEDS

Would you care to sponsor a dormitory bed? So far the response has been sufficient to purchase only a few beds. We have space for forty beds. If you care enough and are able please help us fill our dormitory by sponsoring at least one bed or more at \$15.00 each. The name of the sponsor will be placed on each bed to let that one who sleeps there know someone cares and is praying for him.

## FROM THE MAIL BOX

In your latest bulletin you mentioned the need for sponsors for dormitory beds at \$15.00 each. We would like to sponsor one bed, and are enclosing our check for \$15.00

Thank you for letting us share in this great work for our Lord.

Yours, in His name,  
B. & R.R.
