00:04:34:01 - 00:04:37:06

Speaker 3

Okay okay. Thank you.

00:04:37:08 - 00:05:02:19

Speaker 2

We'll see if that actually is what we need. Or are you sick. It's different Parola but certainly we swab if we give out. La vamos explicar Lucifer, this is departamento. You get a kid. Ellis Bible study said give us in mint. The ES para registrar gets el proceso. But or you don't know own momentum sobre departamento de eso with community relations.

00:05:02:21 - 00:05:28:13

Speaker 2

Think I me look at giving me see me departamento system medical center. The list is like you see I'm at Del Anderson Medical Mira I would you're hoping to see in the secondary there. Yeah I can see the principal is going to schools ahead of Estudiantes. They left those different services because they're the most likely barrios de la de Los programas pueden estudiar aqui no collection.

00:05:28:20 - 00:05:52:01

Speaker 2

What kid. Muchos mixed up in let's system my team. You meet there Marco. I don't give but para leave Mercado Rita. They train the secondary. Are you también siendo in the primary? For the most part. And I'm for the Spanish consortium. Don't let them. Don't estamos don't program those. And then, they will grab a resource that they'll get done.

00:05:52:03 - 00:06:23:25

Speaker 2

Yeah. This is the servant who then. Tenemos the institutions aqui para Sydney. Look para para cacique. Another lexicon. Who is doing so simplemente. Yes. Always looking at. Look you have. No, no, you have

to excuse my Spanish. It's not that great. But in English, basically, I was the point we. I applied for the job of school and community relations representative and basically the president has said go out to the high school.

00:06:23:27 - 00:06:46:22

Speaker 2

You know, right now I do 30 high schools, go out into the high schools, look for the students that are not Poco, that maybe are really interested in coming to school. So what I do is I go out, I make appointments, and I go to 30 high schools and I go in from native 11th and 12th grade. Now we're starting to go in the middle schools.

00:06:46:25 - 00:07:09:09

Speaker 2

Why? Because many of the students that are in seventh and eighth grade are now starting to drop out. Why are they dropping out? So our mission in our department is to go out there and to talk to them and to encourage them and say, you know what? Don't drop out, go to school. There's a lot of role models.

00:07:09:09 - 00:07:33:24

Speaker 2

You'd be surprised lot the Hispanics that are at the college level now we're getting educated. Come on with it. Don't drop out. The same thing is happening in the high schools. A lot of turmoil right now. It's a it's pressure right now with a lot of the young people. So basically I go in and I try to encourage them and I tell them the services that we have here and the different programs that we have.

00:07:33:29 - 00:07:56:10

Speaker 2

And you know what I tell them? You know what? You can be that doctor that you want to be, or you can be that lawyer. You can be anything that you want to be. Since I know this system and many of us here on the college know this system, we can tell them, we can share it. And it's not that hard to get in, not at all matter of filling up forms, finding out who are the people that you ask for financial aid?

00:07:56:13 - 00:08:21:00

Speaker 2

Where are the programs? What can they do for me to keep me in school? That's basically it. Also, our department goes out and we talk to the people that have dropped out, adults not only concerned with our high school people, but with the adults that have dropped out. So we I go into different independent adult programs, and those people that have maybe signed up for maybe an English class or a math class, I'll go in there and I'll make a presentation.

00:08:21:00 - 00:08:43:26

Speaker 2

Okay, you know what? You're 18. You can come to City College. You know what? If you're if you're ESL, you can come to this to San Jose City because we have a very strong ESL program here. And I can help you with the application. I can tell you about what placement test you have to take, and I can and I know the people in the registration so I can help you.

00:08:43:26 - 00:09:05:05

Speaker 2

I go, I can come to your place and I can sit down there and we together can fill out the form. The other last thing I'd like to say, because I know we want to get on with the program, is that I'm concerned about once the people sign up here and I and I system in the matriculation to get to the campus, what we do is what we call special projects.

00:09:05:05 - 00:09:33:28

Speaker 2

And what it is, is once you're here, now you're here now you're signed up. How many of you would like to do community service work? I get call from the high school from the middle schools, average students already sixth, seventh and eighth. They're called at risk already. They need help. Maybe one hour, maybe two hours tutoring, maybe somebody to go visit and sit down and talk to that person, that Hispanic student in the old language so they can understand that, hey, somebody should care about you.

00:09:34:00 - 00:09:53:03

Speaker 2

They continue to do your education. So we do different special projects. So my office is located in the counseling office. So what do you sign up? I would love for you to come in and help me go out into the community, go into the middle school and go into the adult centers. I would love for you to help me.

00:09:53:03 - 00:10:18:27

Speaker 2

And you know, what it is, is that we kind of give back a little bit of the love that we've had. So that's my job, and I love doing what I do, but I would love to share that with you if that's maybe one of your goals. What you're starting here at the school and if you have any cousin daughters, primas, whatever that are interested that are in the high schools, I would love to have their names so that I could go visit them at the high school.

00:10:19:00 - 00:10:35:27

Speaker 2

I have that freedom to do that, and I would love to sit down and say, you know what? You can do it, she said. With it, nobody can stop you and I will help you, and the people here on campus will help you. So that's basically what I do. We took it up support, for example, and I'm in the counseling building.

00:10:36:00 - 00:10:50:11

Speaker 2

If you can do that, I would love to help. Have you help me and have a good day and I hope to I'll be talking to you again, which is.

00:10:50:14 - 00:11:26:01

Speaker 1

So that up? I'm not that young. You're not thinking that beyond. And you know what? For those of you who came in late, I. I would probably, I will never. You will not in Espanol. Yes. You're not. That's two in English. Okay. I think. Come in here a month, from under, I can see on the microphone here on the 24, not so many comments previously.

00:11:26:04 - 00:11:48:20

Speaker 1

when I was like, my name comes there, and Prime Minister John E and in the English part, we're going to have Snyder, Cardona. Okay. And, but either we'll do the financial aid and English, we're going to be filling out the forms for financial aid. They will help you in that workshop.

00:11:48:22 - 00:11:51:05

Speaker 4

And on.

00:11:51:07 - 00:12:05:07

Speaker 1

00:12:07:06 - 00:12:36:07

Okay, so profession, in espanol, are you the Financiera, which is the neighbor? You could either, since you're in and say uno versus area. And because I would, I went to the back office.

00:12:36:09 - 00:13:00:19

Okay, so I was saying, when you and your, that no side of your cafe, you open it, you get to have a in calendar and and this will show you, the holy days, and it will show you when the plans start. When they end. And basically the whole starts when the semester starts.

00:16:14:00 - 00:16:21:06

Speaker 4

Okay? The next calendar is a date. What should this is this is a very important calendar.

00:16:21:06 - 00:16:27:23

Unknown

And I want you to put in the package because he has all, I need to be ready for work.

00:16:27:23 - 00:16:55:25

Speaker 4

And so many. And he will tell you if you go to your, right hand of the calendar is January 14th. And he says bringing you from the patient by for regular semester. This will give you the date, the right thing for you to follow through. the semester will tell you when is the, late registration period.

00:16:55:27 - 00:17:21:21

Speaker 4

You'll tell you, wait, wait, can you drop this class and don't get annotation on your on your regular computer? Tell me about a spring break. The holy good, will tell you if you're graduating. What a different tissue. This will be the dates. So it will be the. It will be very important for you that for those, then I will give you, I give you a map.

00:17:21:23 - 00:17:50:29

Speaker 4

So, you know, where is everybody? If you go up the logo on your on your, on your left in San Jose City, and then you go to see me on the freeway. If you going to that, it's eight in the corner right here. That's, that's the administration building and it's what's in the administration. No financial aid you go to pay you to be there.

00:17:50:29 - 00:17:54:23

Speaker 4

And this room is five.

00:17:54:26 - 00:18:22:21

Speaker 4

So maybe you want to write down the whole thing Monday through Thursday from 8:00 to 530. And Friday is to be open from 10 to 40. Okay. So it's right there in time. You want to there's always, personnel with us to speak English and in between.

00:18:22:24 - 00:18:27:26

Unknown

So there are always going to be somebody that you'll be able.

00:18:27:28 - 00:18:29:24

Unknown

Also, for some of you.

00:18:29:27 - 00:18:49:21

Speaker 4

Can't come between those times if you call us and tell us, you know, I'm working to get this right, I need to see someone will be there. You know, if you tell us to take a picture since because the office is close to 660. Ministry of Work. So you will let you. It's possible. so we'll try to get some arrangements with.

00:18:49:24 - 00:18:58:16

Speaker 4

But we'll get there early or something. Or you can just pick up a chair at 430 or 5. Just give us a call. We'll get the general public there.

00:18:58:16 - 00:19:02:12

Unknown

So because.

00:19:02:14 - 00:19:13:12

Unknown

There. I it's on my phone that.

00:19:13:14 - 00:19:24:26

Speaker 4

But you can also for pick cards with, financial aid number 12312.

00:19:24:28 - 00:19:49:20

Speaker 4

You know, your fourth item, this is a financial aid, educational. I thought if you if you qualify. Okay. I hope that you when you get qualify. But if you qualify, this will be of great help. You. Okay, we're going to go to a town council, and you're going to get that that those people for all of us.

00:19:49:22 - 00:20:17:24

Speaker 4

What are you interested in? You know, it's our accounting business. And you're going to take that and you're going to see what works. You need to transfer or to get a certificate or to graduate from. Yeah. Or you can sit down with a counselor and said, I want to know, what do I think this is? You know, the of course, courses they go to, they don't invite them over courses when they need that one.

00:20:17:26 - 00:20:50:02

Speaker 4

And you can use this to take any courses you can take in any sequence. And then you can balance them. You know, two different courses, two courses. It's up to you. So you will have an idea. What do you mean to take? this is part of counseling, but I always like to tell students it's very important that if you're going to transfer, if you take transfer courses.

00:20:50:05 - 00:21:01:08

Speaker 4

Sometimes the easy ones are difficult to transfer, but it's better to sweat a little bit. And then you have that option even if you're not going to transfer. It.

00:21:01:10 - 00:21:09:29

Unknown

Yeah. Why not. And then you have those courses. So.

00:21:10:02 - 00:21:56:08

Speaker 4

You know South Beach 45 is East and Bridge and everybody's okay. Thank you. Let's just. And that's very important because you know speech for parties to simplify the speech and speech 44. Is basically the speech qualified audience is great. And those are important things that you need to ask your counselor. Remember people here, I'm not going to give you information because they want to give you information.

00:21:56:11 - 00:22:04:24

Speaker 7

And I say, okay, you lose and you cheat. You want to the.

00:22:04:26 - 00:22:09:23

Speaker 4

You think you really want to get a chance to see?

00:22:09:24 - 00:22:11:02

Speaker 7

That's the only one that's okay.

00:22:11:08 - 00:22:19:11

Speaker 5

Well, don't it for us to examine that yourself. You know what? You.

00:22:19:13 - 00:22:21:24

Unknown

You have to do Monday. Okay.

00:22:21:27 - 00:22:50:13

Speaker 5

And do this. What? Why? And all love is enough to make a decision easily. Understand what outcome is going to. Is yourself out of the money. So you must specify that you know how to. And this is this is and this is business of to decision okay. This is not the process a little like opposite for creating a commercial about your connection with us from America.

00:22:50:15 - 00:23:06:05

Speaker 5

And the question. Yes, the question. The reason I don't like this is because you question, but it's a matter of time. Okay. This is another way. Not for him or.

00:23:06:07 - 00:23:36:23

Speaker 5

For. One of us other business personas can also model is it can be yourself when we give us a piece, a piece in a very important part of the money that someone, for the sake of the industry, you love it. I think that we see, I look at you guys to know that even this with the taxes or to cancel, CPM in your school to get an education on the credibility of success.

00:23:36:25 - 00:23:40:29

Speaker 5

whether the thing that I mean that we can get the opinion that.

00:23:41:01 - 00:23:42:14

Speaker 2

Or that you for.

00:23:42:16 - 00:23:49:15

Speaker 5

A little kid where this is the outside of the. Some.

00:23:49:18 - 00:23:52:10

Speaker 4

But I think it all works for.

00:23:52:11 - 00:23:56:02

Speaker 5

You, at least for the author of this. In this of the.

00:23:56:04 - 00:24:01:14

Unknown

I will give you.

00:24:01:16 - 00:24:03:10

Speaker 4

Okay.

00:24:03:12 - 00:24:25:28

Speaker 5

in this song and muscle music. But it's just that it's just precise. No matter what. Let's put more muscle music so that you can. We have more than two channels. What? You see? What? You have to tell me something. I it is given to me. This is. No, I don't

00:24:26:00 - 00:24:35:10

Unknown

I see it will happen for a little bit soon.

00:24:35:12 - 00:25:09:14

Speaker 5

In this big summer, I know that most of these guys maybe started with this noise. Okay, so this is something that somebody. See this? You live on this, they will see this massive difference. Most this this one. No, I am not one that is always this on the left, but I spend a lot of anybody.

00:25:09:14 - 00:25:13:21

Speaker 4

Listening to my this.

00:25:13:23 - 00:25:34:25

Speaker 5

Okay. see? This is closest to us. And also when we see a skin also that some of us are getting ready for this something.

00:25:34:27 - 00:25:40:15

Unknown

And we have some.

00:25:40:18 - 00:25:41:14

Unknown

That was.

00:25:41:16 - 00:25:58:00

Speaker 5

Pleasantly here. So of this is more standard go is less extreme. Other. Yes. But.

00:25:58:02 - 00:26:00:10

Unknown

That's not the question. Go this.

00:26:00:16 - 00:26:04:24

Speaker 5

This is it's whether.

00:26:04:26 - 00:26:09:00

Speaker 4

If you wait.

00:26:09:02 - 00:26:20:01

Unknown

For the.

00:26:20:04 - 00:26:25:14

Unknown

It's going to go and get this.

00:26:25:16 - 00:26:42:08

Speaker 4

We have this feeling. We have what we call the seaweed wrap, which is, you know, that that we have is called by bio. Or of government of France.

00:26:42:10 - 00:26:45:05

Speaker 7

It's called. Yeah.

00:26:45:07 - 00:26:59:25

Speaker 4

But they eat and we see VA is for those that are receiving welfare.

00:26:59:28 - 00:27:41:17

Speaker 4

and suicide general system. But yeah I think this one it's based on income. And the family and this will be phase of need all you guys because it is all all of them family. It I need to qualify for this. We go for this year qualify for this this one that we use most of the time they distribute doesn't qualify for financially what this film has of me and this the feeling is only pay for your bit.

00:27:41:24 - 00:28:14:23

Speaker 4

Yes, I only pay for my classes and show papers and will pay for your \$10 pocket. You will pay for nothing, just your umbrella. Still. to give you an idea, it's like if you are single, your new friend, every single, not you. If you make more than 3500 a year, it will qualify for. You. There are two in the household.

00:28:14:25 - 00:28:27:12

Speaker 4

You make more than 50,000. You. Is for very low. But this one will be the.

00:28:27:14 - 00:28:36:02

Speaker 4

So even if you don't qualify for not you know will we will find out why this. And like you guys know it's \$30.

00:28:36:02 - 00:28:40:29

Unknown

Forget it. And \$10. Don't think that's 31.

00:28:41:04 - 00:28:41:27

Speaker 4

I mean that's 20.

00:28:41:27 - 00:28:48:11

Unknown

Percent with those.

00:28:48:13 - 00:29:26:15

Speaker 4

We have the forms in the little office and they have the forms, and there is no records. You can come in and you have to be signed by financially. So you always have to go over there. So you have the funds for the in the, in the financial. It's at the time. So this registration is waiver and. They it so if you want you know oh I advise that if anybody is going to be application before you have to pay always going to be for us.

00:29:26:16 - 00:29:29:16

Speaker 4

But it must know it's free. So you want.

00:29:29:16 - 00:29:33:11

Unknown

To know even in this.

00:29:33:13 - 00:29:47:05

Speaker 4

And and I know it's hard. It's hard enough still. But go and enjoy the office and get your questions answered. Don't say one.

00:29:47:07 - 00:30:05:29

Speaker 5

You know this one. You go to see if I don't know what actually posted this photo. See your ready to go. Okay okay. Yeah, you really have to keep working other.

00:30:06:01 - 00:30:12:05

Speaker 5

People.

00:30:12:07 - 00:30:18:06

Speaker 5

Yes. This.

00:30:18:09 - 00:30:21:24

Speaker 7

Know that's the key okay.

00:30:22:00 - 00:30:36:14

Speaker 5

It is the extended opportunities program and services is it. And I'm going in the list. This, what is the most important office? Because it is the.

00:30:36:16 - 00:30:40:01

Speaker 7

National care program.

00:30:40:03 - 00:31:07:06

Speaker 5

In is the local people in my small program, which is the office. And we have this, you know, locally made the most of this money that people have in the middle important, but nothing else. Are you even. Yeah. I, you know, okay, I you realize you have to give me give it hopefully not within the city, but within.

00:31:07:09 - 00:31:34:00

Speaker 5

I can say that I that yes. So is the okay is there a secret and to I see that, but a person is somewhere is the classic in middle school program. So what is this one a baker working on that for most of us, it's the most essential services. If you just give us the, the give up.

00:31:34:00 - 00:32:03:27

Speaker 5

And throughout the whole last same round of it. But it's worth it in an effort to see the performance. I see that means, like, I mean, I think that if in the case of, say, I think this, I didn't I didn't think of this, is that the level that here is that the name, this person, the the other committees, academic, there's so many different things to make it specific.

00:32:03:29 - 00:32:30:08

Speaker 5

You make a list when I think. In this office that this one is better than this one. Yeah. Unless the program. yes. My supervisor, that's what I said. Yes. Nothing else. You can do it. I just wanted you. Like you said, it was an activity level. Okay, I will say that this. You must be genuine, I see it, this is fantastic work.

00:32:30:08 - 00:32:31:22

Speaker 5

The last man looks beautiful.

00:32:31:23 - 00:32:41:14

Speaker 7

Whether he knows he. If you like. It depends on the community. I don't mind it.

00:32:41:14 - 00:32:48:19

Speaker 5

It's, You're welcome to go to work for. The owner is on this example.

00:32:48:21 - 00:32:50:04

Speaker 7

if you see.

00:32:50:06 - 00:33:09:29

Speaker 5

What the moment with what? look it up and this must be a that is still put in her own self-esteem. Yeah. It doesn't mean this and that. And I don't want. But I said that you go, but you can't. what is this is something,

00:33:10:02 - 00:33:17:15

Speaker 4

I don't even. I refuse this. Yeah. Not, public comment that this is this community.

00:33:17:15 - 00:33:24:20

Speaker 7

Because a lot them it's not 100% is a woman and it looks level and that is like.

00:33:24:22 - 00:33:29:09

Unknown

Well, I'm.

00:33:29:12 - 00:33:31:26

Unknown

And I and so them it I guess the.

00:33:31:26 - 00:33:33:13

Speaker 7

Number of possible.

00:33:33:16 - 00:33:36:09

Speaker 5

That's on the first one is given. This is the left.

00:33:36:11 - 00:33:38:08

Speaker 7

The annual family income.

00:33:38:15 - 00:33:41:23

Speaker 5

Look it is possible to have it so that yes it.

00:33:41:26 - 00:33:45:07

Speaker 4

is know always remember sooner where.

00:33:45:07 - 00:33:56:00

Speaker 5

There must have been women. You said. Yeah, this was a little too much. They want to put the fuck this person on.

00:33:56:03 - 00:34:16:25

Speaker 5

Influences. But on the back of the mouth will. Is it? I think you just laughed a lot. You see that? You see the there. Are you looking us? Yeah. Yeah. No, I think I see the community having money in this pussy. So this one when I was thinking this application because I give him this. Yeah, but I need you to pick up at the office working on this question.

00:34:16:27 - 00:34:24:22

Speaker 5

And that's what this allows. This is the is what is most. But if you look at the give the mothers see one let to.

00:34:24:25 - 00:34:25:22

Speaker 7

Be.

00:34:25:25 - 00:34:32:28

Speaker 5

the part for the financial aid. Is that possible.

00:34:33:00 - 00:34:36:24

Speaker 4

Yeah. 30 you're out of the ten.

00:34:36:26 - 00:34:58:04

Speaker 7

And then there's another level for that. You're not at a college level until you completed 30. So you just need to know, especially those those of you that are planning to transfer exactly. Now that's indicated. this is the giving.

00:34:58:06 - 00:35:03:02

Speaker 1

Them now the the one.

00:35:03:05 - 00:35:06:12

Speaker 7

So it's important that you know this and write it down for yourself.

00:35:06:12 - 00:35:12:18

Speaker 4

So you know where you're at. See the counter.

00:35:12:21 - 00:35:20:12

Speaker 7

so then one of the things that will happen, the counselor will put down your classes here. Then you need to to make sure you get your schedule of classes.

00:35:20:14 - 00:35:24:22

Unknown

And you work out your class. It looks good.

00:35:24:24 - 00:35:28:06

Speaker 7

Yes. You should not receive an email. I just received mine at home.

00:35:28:06 - 00:35:35:01

Unknown

Useful so I don't know if they have a house. but you might want to check.

00:35:35:03 - 00:35:41:25

Speaker 7

otherwise you can come in. For instance.

00:35:41:27 - 00:35:42:13

Speaker 7

And they also.

00:35:42:13 - 00:35:47:21

Unknown

Have some type, concerns. Thank you so much for just.

00:35:47:24 - 00:36:08:15

Speaker 7

The other thing is. The other thing I want to talk about is some of you may be, but this, is if you, let's say you attended class last semester and you got less. You one semester. You're okay.

00:36:08:18 - 00:36:19:26

Unknown

You want. Just because we need to fill this form for you, to show you, and then.

00:36:19:28 - 00:36:22:10

Unknown

00:36:22:12 - 00:36:30:04

Speaker 7

So if you go to, don't waste your time and go stand in line to get registered, it is only going to send you back. So the counselor.

00:36:30:04 - 00:36:32:14

Speaker 4

Will have to take you.

00:36:32:17 - 00:36:33:18

Speaker 7

To get registered.

00:36:33:25 - 00:36:41:24

Unknown

Of another thing. so like I talked about this one, that kind of thing. Yeah.

00:36:41:26 - 00:36:48:03

Speaker 7

For those of you that are on financial aid, you got to have this filled out. Don't come to the counselor and say, I just.

00:36:48:03 - 00:36:54:28

Unknown

Need your signature on this form. To do it, you need to make an appointment to see,

00:36:55:00 - 00:37:15:18

Speaker 7

And a lot of students say, but I've got to pick up my check today. It's still not going to happen. So it's really important. Be aware that you've got to plan ahead, because you're not going to get the money and money. So try to get this done before school starts. For those, take naps or tell the counselor to give you two years.

00:37:15:21 - 00:37:24:03

Unknown

And it's on record. You don't need to do in. And as long as they've got it in your file. Yeah, have that.

00:37:24:05 - 00:37:34:28

Speaker 7

Yeah. And then you ask them for a copy of it or you know, somehow it should be in the financial aid to your need. as long as it's in your financial aid form.

00:37:35:00 - 00:37:39:20

Unknown

And the other thing that I think is very important.

00:37:39:23 - 00:38:01:06

Speaker 7

Let me see how far you stand. Just let me know. And I would encourage you to keep this in your binder so that you always see what these dates are. Okay?

00:38:01:09 - 00:38:09:21

Speaker 4

For your.

00:38:09:24 - 00:38:40:16

Speaker 4

if you made a five year employment and go to three. And, So not this time. Six. Okay. Young enough. as a person that, you know, to, get them online and, of course, you know, that just, you know, you know, be, open. You just your, and them a kind of just, you know, don't.

00:38:40:16 - 00:39:06:01

Speaker 4

Yeah. I don't think this is what I'm. You understand? In this acquaintances. I see this. you know, from, say, this, John and from security, you almost remember that it was in their employment program.

00:39:06:03 - 00:39:51:02

Speaker 4

Yeah, yeah. And they don't. We encourage that. Is this this guy is not here then. And, this is this is for. Something. you know what I see? What is one of the other is. Yes. The is, is that is when to go. And this is what I think they woke up from. And there was some, especially when I started it, before the very next event is when someone will come us in our people in the system is, you know, that's is an important aspect of what he does.

00:39:51:04 - 00:40:18:15

Speaker 4

What that they don't is so fun to play. They say, well, no, it's also coming to the security. No, do not must inform us in this that you don't want to prevent any secure immunity from working anything. But, I

don't know, time, but it seems like. And we know it's necessary if they block others scheme or something.

00:40:18:17 - 00:40:31:06

Speaker 4

Yeah, it's not because many of these directors, you can sit in an office and sit there is the point, you know, so in this presence of you,

00:40:31:08 - 00:40:53:22

Speaker 4

You do almost this. But I don't think that those schools are going to succeed. But do you see alternatives to that instead of all that one second? So, the problem, you know, or is you you don't have to do that. It's more important than it is that we can see it in the classroom. This is not equal.

00:40:53:22 - 00:41:07:05

Speaker 4

I can see that. Okay. Those classes and muscle members, some facilities, those classes that might be able so much is missing. So it's more important if.

00:41:07:05 - 00:41:18:03

Speaker 5

It is difficult to sustain any of them that's, you know, any longer. You need.

00:41:18:06 - 00:41:19:18

Unknown

You can just said to.

00:41:19:18 - 00:41:23:08

Speaker 7

Me it was a good experience, especially when.

00:41:23:11 - 00:41:33:18

Speaker 4

You start really start eating it. you're not asking it beneficial. It's completely useless. It's been like that.

00:41:33:20 - 00:41:34:09

Speaker 7

Okay. Bit a little.

00:41:34:13 - 00:41:46:02

Speaker 4

Bit. Yeah. I need, like, I'm out.

00:41:46:04 - 00:41:58:15

Speaker 4

Of. Work. And then there are other ways you can teach. yeah. And agencies in the city.

00:41:58:17 - 00:42:00:07

Speaker 4

Yes. So also.

00:42:00:07 - 00:42:06:24

Unknown

You have to ask, and you're on campus year old and for year.

00:42:06:26 - 00:42:23:27

Speaker 4

And it's on a sliding scale. So if you they would successfully year it's 95 point if they're student loans, it's student free. I think you're still having full time.

00:42:24:00 - 00:42:36:01

Unknown

Yeah. If you pay. So the right to decide to do that, if you don't qualify is also, a modification.

00:42:36:04 - 00:42:43:01

Speaker 4

And I think so if you don't get the student.

00:42:43:03 - 00:42:58:22

Speaker 7

And so if you want to apply for the child development center, you need to go and file a separate application and school. It's building okay. You will test out the students. There's a map in front and the front of the way in the back.

00:42:58:24 - 00:43:03:11

Speaker 4

It's a montessori program, so you will be ready.

00:43:03:14 - 00:43:06:20

Speaker 7

To offer breakfast, lunch.

00:43:06:23 - 00:43:11:23

Unknown

Yeah. And staff really open.

00:43:11:26 - 00:43:13:23

Speaker 7

But you do have to apply early.

00:43:13:23 - 00:43:19:09

Unknown

There is a waitlist classes over the course. You have to be.

00:43:19:11 - 00:43:24:26

Speaker 4

Old a few years and nine months.

00:43:24:28 - 00:43:27:04

Speaker 7

If anyone has any questions because I have.

00:43:27:04 - 00:43:27:22

Speaker 4

Two children, they.

00:43:27:22 - 00:43:34:19

Unknown

Have two years. You know.

00:43:34:21 - 00:43:39:29

Unknown

So two years that most of you have,

00:43:40:02 - 00:43:42:26

Speaker 7

Many apply to college.

00:43:42:28 - 00:43:52:03

Unknown

Anybody who happens, you. But you can do is a continuing student. Okay.

00:43:52:06 - 00:44:12:23

Speaker 4

So you want to know what goes on. some of the main concerns that I have that I wanted to share with you today with the applications area is to make sure that you're in the right lines and registration happens. We have a lot of, like, applicants, and it's really hard.

00:44:12:26 - 00:44:19:23

Unknown

To service them when people are coming to applications just to ask questions about.

00:44:19:26 - 00:44:41:16

Speaker 4

Their classes and the process for this and that. They have the information, and that's where you go in this kind of questions. If you can find out, like a master in your classes or it's been canceled or whatever, you need to go to the information you have. If you've changed your address, you may not have gotten your registration letter.

00:44:41:18 - 00:45:16:07

Speaker 4

We do not get notified through the post office. Come in and fill out the change about this for any any information. You can fill that out with. Change your classes and come to applications. Yes. So registration. Want to drop the class? Go to the Information County. Drop the most of you need. You need at the for practically everything you want to do it all go to the information.

00:45:16:10 - 00:45:24:01

Speaker 4

But anything to do with red we have to go to the website. Yeah yeah applications for applications.

00:45:24:03 - 00:45:28:24

Unknown

Placement test. You know, on your page change your for instance, if you're not.

00:45:28:24 - 00:45:35:00

Speaker 4

A citizen or you're a nonresident, as far as the California resident.

00:45:35:02 - 00:45:40:18

Unknown

Was given your name and you want to change to become a resident, changes will be.

00:45:40:20 - 00:45:46:13

Speaker 4

Then you can yeah, you do have that. If you have transcripts from the college.

00:45:46:15 - 00:45:51:21

Unknown

Said you need to do so like real two years ago. If you have any.

00:45:51:21 - 00:45:58:15

Speaker 4

You instability never your but it stays here for you for just this time last.

00:45:58:17 - 00:46:03:16

Unknown

Year. When you see a counselor, it tells you that you're for whatever reason. So try to make it a point to.

00:46:03:16 - 00:46:23:28

Speaker 4

See a counselor. These point for this registration, it's very important. A lot of students come in with this letter stating that they're applying the time for counseling, and they need to be to know this is just for registration time. And then they get upset because according to the date and time is very late. This date for December is very is a long time.

00:46:24:01 - 00:46:32:23

Speaker 4

So try to get your information very carefully also, if not more, continue to like this one here. This person does not have.

00:46:32:23 - 00:46:38:27

Unknown

To see 1017. Underneath this. It says that this is really not.

00:46:38:29 - 00:46:55:25

Speaker 4

An appointment to come and to my home here and just to because here in this point here, people that you just here. This is for children.

00:46:55:27 - 00:47:04:16

Speaker 7

It's \$13 per unit. So population classes help make up the money that they.

00:47:04:18 - 00:47:14:04

Speaker 4

Pass is \$10 per semester for the house. And if you want to party, it's optional. It's \$20 for the whole semester gaming motorcycle to date.

00:47:14:07 - 00:47:19:20

Unknown

If you have, a car and a motorcycle, you just pay \$20 for.

00:47:19:22 - 00:47:26:16

Speaker 4

Unless you already know that is 20.

00:47:26:19 - 00:47:32:11

Speaker 4

Also, I bring that example, but also the body will say if there is a hole.

00:47:32:11 - 00:47:39:07

Unknown

In your mattress, you will have a number here. If you don't know what the number is for the information about.

00:47:39:09 - 00:47:50:19

Speaker 4

The tell me what the home is. You have to go to that extent that the province will care for you and don't worry about it at the time you understand that you feel.

00:47:50:19 - 00:47:52:02

Speaker 7

Very insecure about that.

00:47:52:02 - 00:47:57:10

Unknown

To say that you can't invest. I received it's incomplete registration.

00:47:57:12 - 00:48:00:00

Speaker 7

It's not clear if you don't want to leave and come back.

00:48:00:02 - 00:48:06:21

Speaker 4

You just give it to the operator. No care for your mom.

00:48:06:24 - 00:48:07:28

Unknown

I know you start.

00:48:07:28 - 00:48:09:01

Speaker 7

Asking.

00:48:09:04 - 00:48:14:24

Unknown

In the initial half a second ago that.

00:48:14:26 - 00:48:32:24

Speaker 7

You're gonna need this. How do you see it? And I say the same advice. You can get a number. Is it that you don't have the numbers and I this that you you want to know that question for me? Yeah. Because I'd be utilizing the same. The same honor. Okay. Good. Then we'll see you guys. You don't just as I said.

00:48:32:24 - 00:48:41:16

Speaker 7

Okay, let's get in our lap. Issues did not happen. And I say one of us mechanics, if you like it doesn't mess this one.

00:48:41:16 - 00:48:47:28

Speaker 5

It's okay if I have a relationship.

00:48:48:01 - 00:49:13:20

Speaker 7

Okay. The it's my basic. Where is everybody that you see? I started to see other I see okay I just say give us any indication just this is that there's gonna be a I don't I need to see that this is one of the numbers that the momentum the person is. They got information at the moment or Sunday mass in case I need noodles.

00:49:13:22 - 00:49:40:09

Speaker 7

Yet you look I need to get this not is not any of the employees that most cannot care. Them that are getting given this person be them as it is week or something. Now like I say get this is like okay okay okay. And we have and ten that is this update for me and okay. Last class is like I said in that class go there and I say it is.

00:49:40:11 - 00:49:46:29

Unknown

One of my classroom. Okay. Go get back outside cuz she.

00:49:46:29 - 00:50:15:13

Speaker 7

Doesn't even she said something and even mathematical. Don't give us okay. No matter what are those classes you got to get I think you get a class in the. Assignment window. Yes. You know, you see, you know, I just get this back on Saturdays. See my. You want the sign up on the internet? Number 340. There's plenty of them there.

00:50:15:13 - 00:50:20:13

Speaker 7

You want to, is there? Just is. Do that.

00:50:20:15 - 00:50:26:19

Speaker 5

Honestly, for me to figure out what you know and figure.

00:50:26:21 - 00:50:49:04

Speaker 7

Looking kind of confused and is getting even or not even from inside of I bathroom is the first meeting of the where the command project will be ceiling see to see I is can you see me? Yeah. And you say that the lady say level one I keep you know let me minus two models for this. Much better let me get.

00:52:16:17 - 00:52:24:09

Speaker 7

What you know, you have to put this in to get in here and to get the event. And so you have an event. What's in this? In fact, what is this like?

00:52:24:09 - 00:52:34:03

00:52:50:05 - 00:53:06:01

Speaker 7

This. I wanna, like you say, he's never been. Too busy to not. I think that doesn't.

00:53:06:03 - 00:53:07:05

00:53:07:05 - 00:53:11:18

Unknown

The side, is.

00:53:11:20 - 00:53:17:26

00:53:34:25 - 00:53:53:27

Speaker 7

You know what? Is he going to go? Okay. This morning? No. See? Okay. And it doesn't get it. Is there like, I find this conversation that they need to, I, I'm gonna last my yesterday and just comes in and creates the beginning to have extra. Okay, so I leave.

00:53:53:27 - 00:54:00:02

Speaker 3

We're something in the build up. Okay? If I talk to them a bit.

00:54:00:05 - 00:54:02:02

Speaker 1

Okay. I told them we are.

00:54:02:05 - 00:54:22:15

00:54:32:16 - 00:54:34:25

Speaker 3

You know.

00:54:34:27 - 00:54:36:02

Speaker 7

Get it.

00:54:36:05 - 00:54:36:10

Speaker 3

Some.

00:54:36:11 - 00:54:36:28

Speaker 4

You know.

00:54:37:01 - 00:54:44:26

Speaker 5

Getting examine.

00:54:44:28 - 00:54:59:27

Speaker 7

00:55:00:00 - 00:55:02:05

Speaker 5

So you probably don't want.

00:55:02:08 - 00:55:06:00

Speaker 3

To know that. Don't think make a difference.

00:55:06:05 - 00:55:07:23

Speaker 5

I don't wanna.

00:55:07:25 - 00:55:11:27

Speaker 4

I've been this about what I.

00:55:12:00 - 00:55:25:02

Speaker 7

Speaker 4

Go. Yeah.

00:56:02:02 - 00:56:19:13

Speaker 7

Again it is not going to be because until you know something, until they see rather than on the other side. You know, when I see this kid, that's wrong. Yes. then I'm just giving myself on that. If there's one.

00:56:19:13 - 00:56:24:21

Unknown

Answer to give us that. Nice. I feel like this that.

00:56:24:23 - 00:56:35:23

Speaker 7

is the, a lot of my classes are more than on that. it put into.

00:56:35:26 - 00:56:36:25

00:57:34:18 - 00:57:36:29
