Dear Kay:

I hope this letter finds you not only still with the Democratic National Committee but also completely recovered from the rigors of the campaign as well as the Inaugural. As I have said many times, I am certainly most appreciative to the National Committee, and to you in particular, for all the aid and assistance you were to us during the 1960 Presidential campaign.

I am specifically writing to you on this occasion in regard to Senator Henry Jackson of Washington, our former National Chairman.

Mrs. Jane Tolmach, Chairman of the Ventura County Central Committee, on May 19 wrote to Senator Jackson requesting that he come to their county, which is just next door to Los Angeles, for a fundraising reception and dinner anytime after the Congress adjourns.

I can assure you that any of your efforts in this regard will be greatly appreciated.

Kindest personal regards.

Sincerely,

JOSEPH E. CERRELL
