Hi Lupe,

Thank you very much for ordering the poster for me. I plan to take it to work and put it up there.

I will also give Supervisor Flynn a call.

Thanks for your help.

April, it was a wonderful surprise to see you and your mom (my schoolmate friend) the other night at City Council. I ordered more posters and will let you know when they arrive - so you will have one free of charge.

Concerning the pipelines - the best person to call is Supervisor John Flynn - he is trying to obtain State funds that will pay for the pipes; his phone number is 487.6331.

It's our understanding that the cost per household will be about \$27,000. This is a State mandate and the City of Oxnard is currently working on this project in our neighborhood, College Park.
