Dear Councilwoman Tolmack,

On behalf of the Oxnard Beach Committee we wish to thank you and the other council members for your favorable stand in regard to acquiring the beach property proposed for development by Mandalay Bay Associates and the adjoining Andrews property for a park. We wish to be of assistance in any way we can to make this possible.

At this point all Oxnard development has been oriented toward the boat owners who are definitely in the minority. Even when you tried to get a portion of Channel Islands Harbor reserved for swimming, you were defeated. Now is our chance to have a good sized beach area for people who just like to go to the beach and relax or whatever they like to do.

We thank you again for your leadership in favoring "Oxnard Beach" for everyone.

Respectfully,

*Alice C. Wennerholm*
