ADOHR-ABLE BABIES

No need for Bill

to make New Year's resolutions as long as he keeps his old ones—to wit: a daily quart of Adohr Certified Milk. Proud parents of this Adohr-able Baby are Mr. and Mrs. Cliff Carling, 1326½ North Havenhurst, Los Angeles, Calif.

Your Baby is entitled to the recognized advantages of *fresh milk*. Ask your doctor for a *fresh milk formula* suited to the age and physical condition of your baby. See your doctor at

regular intervals so that the formula may be changed to suit the development of your baby. The benefits from this will last throughout childhood and adult life. The cost is trifling.
