May 5th, 1924.

Mr. W. R. Hearst,
137 Riverside Drive,
New York City, N.Y.

Raimonda Ruiz ceiling stored safely. On its receipt I imagined you intended to plan the Alhambra to fit it, making one long room across front with domical pavilions at ends but like dome in center better for exterior effect of whole hill grouping. Regarding stained glass windows do not think they fit into present work. Am leaving for San Simeon and will telegraph as to time. needed if we do House C baths now.

Signed
