SUBJECT: Registration Enrollment Report No. 3, Spring Quarter 1959-60

April 5, 1960

Archives

Attached is a third report of enrollment at the San Luis Obispo campus for this Spring Quarter.

This report includes all students who were registered as of 5:00 P.M. April 4, 1960 and consists of:

1. A total enrollment summary by department, division, enrollment type (regular or limited), and class level (regular students only).

At the bottom of this page the enrollment is also broken down by sex.

2. An enrollment status summary giving a breakdown of first time and transfer students, continuing students, and former students by class level, enrollment type, and matriculation status.

It should be noted that:

1. The next registration enrollment report you receive will be the Internal Statistical Report, which you may expect during the week of April 18. The Internal Statistical Report, which is prepared immediately after the official State Report, has the same census date as the official State Report and will include the final official total registration data for the quarter.
2. The final official registration figures will probably differ only slightly from the figures on this, the third registration enrollment report.
