

PAUL DODD
... calls Asilomar conference

'Very crucial issue'

Dodd backs prop. 2

President Paul Dodd yesterday stated his support for what he termed "the very crucial issue" of state school bond Proposition 2.

"Voting Yes on the bonds is the best investment the state can make," Dodd said. The proposition would make \$380 million available to California colleges and universities.

"California institutions must expand quickly or risk losing valuable students to private or out-of-state schools," Dodd continued.

Dodd explained it will take five years to turn the bonds into new facilities if they are passed.

"SF State needs new space more than any other State

College," Dodd said. "For example, the science departments are crying for expansion. Fourteen per cent of our students major in science. The need is critical."

"We must grow," Dodd said, "and our troubles are just beginning if the proposition is turned down."

"We have no time to wait," Dodd said. He emphasized there would be little chance of acquiring new land for the college if money does not become available soon.

"SF State has a strong, even national, reputation in some areas. Without the needed funds we will be forced to turn away great numbers of talented students who need to study where we are strong."

Dodd gave his views at his first Gater press conference of this semester.

Turning to the three day

faculty Asilomar conference beginning Wednesday, Dodd praised the "open, free discussion" of ideas he expects there.

"It's almost impossible to get over a thousand faculty members together," Dodd said. "This is our best opportunity."

Activity info MUST be to Gater by 2

SF State will be closed tomorrow through Friday due to the Asilomar Faculty Conference. So will the Gater.

Therefore, all club and activity information for events scheduled for Monday and Tuesday of next week MUST be in the Gater offices in HLL 207 by 2 p.m. this afternoon.

If the information is not in by 2 p.m. this afternoon, notice will not appear in next Monday's or Tuesday's papers. No exceptions will be made.

DeLuca on Soviets

1 man to rule Russia

Assistant Professor of international relations John DeLuca said yesterday the current joint leadership in the Soviet Union will not last long.

"These men (First Secretary of the Communist Central Committee Leonid Brezhnev and Premier Alexei Kosygin) will have different ideas, and one man will emerge dominant. Collective Russian leadership in the past has always preceded one-man rule."

DeLuca, speaking to 20 students during the college faculty-student discussion and sack lunch, spoke at length on the deposing of Premier Khrushchev, the implications for China and the American presidential campaign.

"In the last two days the Soviets have told us that Khrushchev was too old. They have also said he had hare-brained ideas, was not assisting the international Communist movement, and that he had built a cult of personality.

"Those statements reflect confusion in the ranks. Things are still going to occur. Any view could win out, and any man."

Sipping his cold coffee, DeLuca said China has emerged very strong from recent events.

"First China exploded her atomic device. Then Mao Tse-tung's prediction that Khrushchev was to fall soon came true."

"The Chinese position in the world Communist Party is good," DeLuca said. "In fact, Mao suddenly is the best established Communist leader in the world."

One student, lunch in his lap, asked DeLuca about the possible effect of Russian

events on the presidential race.

"I think it will help President Johnson enormously," DeLuca answered.

DeLuca said he thought world events as startling as the fall of Khrushchev have great effect on American voters.

"When the world is changing, voters tend to rally around the incumbent," he said.

"The election of Goldwater would give America three presidents in one year. Americans don't operate that way."

Afterwards, DeLuca talked to the Gater about his background. He said he is inter-

JOHN De LUCA
... one man will emerge'

ested in "Soviet relations with foreign Communist Parties."

In 1959 DeLuca was a guide with the American National Exhibit which brought American culture and then Vice President Richard Nixon to Russia.

While studying for his doctorate at the University of Rome in 1962, DeLuca was invited to observe the Italian Communist Party's tenth Congress. He was able to interview several leaders, including the late Italian Communist Party head Palmiro Togliatti.

This is DeLuca's first semester at SF State.

Erich Fromm lectures on affluence here today in gym

Erich Fromm, American psychologist and author, speaks today for the College Lecture Series at 12:30 in the Main Gym.

Lecturing at SF State for the second time in two years, Fromm will discuss "Spiritual and Psychological Problems of Affluence," a topic he has written about in several recent books.

Both "Escape From Freedom" and the "Sane Society" deal with the problems of man in an industrial society from a spiritual and psychological point of view.

A member of the American Psychological Association, Fromm presently teaches at the National University of Mexico.

The German born psychoanalyst and social philosopher received his PhD in 1922 at the University of Heidelberg. He also trained in psychoanalysis at the Berlin Institute.

In 1934 he came to America and since then has become a US citizen and taught at Columbia, Yale and Michigan State University.

Although well known for his recent book

"The Art of Loving," he has written many other sociological and psychological works.

Among them, "The Sane Society," "Escape From Freedom," "Man for Himself" and "The Dogma of Christ."

"The Dogma of Christ," a collection of talks on which he based his last speech here, demonstrates man's revolutionary character and criticizes the orthodox concept of the Freudian theory which tends to ignore the weight of economic factors.

Associate Professor of Psychology Hyman Silver, who will introduce Fromm, said of the noted psychologist:

"You can't place him in one ideological field, he's a man who knows much about theology, social science, social and psychological behavior.

"Most important he has served as an integrator of Marxian and Freudian ideas of the past and applied them to modern man," he explained.

Gater briefs

• An anti-Proposition 14 benefit will be held at the Longshoreman's Hall, at 300 North Point, Saturday, October 24, from 8:30 p.m. to 11:30 p.m., it was announced by Terry McGann, spokesman for Students and Faculty Against Proposition 14.

With \$2.50 tickets available at the door, the show will include actors Barry Sullivan and Van Heflin, SF State graduate John Handy and his Freedom Band, the Monte Waters jazz orchestra and the Guggenheimer Sauerkraut Band.

• SF State Young Republicans and Students for Mailliard are sponsoring a luncheon on Tuesday, October 27, at 11:30 a.m. in the Common's Faculty Dining Room for Congressman William S. Mailliard.

The luncheon is being held to raise money for Mailliard's campaign. Tickets are priced at \$3.00 a person.

Reservations can be made through Ernest Heinzer, 269 Randall, San Francisco.

• The memorial film to the late John F. Kennedy, "1,000 days," will be screened today in ED 117 at 2:15 p.m. SF State Students for Johnson are sponsoring the showing. All students are invited.

• SF State's Placement Office will be open during the Asilomar Faculty Conference, tomorrow through Friday.

Letters to the Editor

Blood Drive

Editor:

I recently heard of the annual Blood Drive to be held at San Francisco State College on October 29, and would like to publicly urge the students to give their support so that the college will have an adequate supply of blood credits for the 1964-65 year.

Last year two members of

my family underwent serious surgery, each requiring a large amount of blood, which the college contributed. For this my entire family is grateful and we would like to urge the student body to contribute to the Blood Drive on October 29. One never knows when a personal need may arise and it is reassuring to know that the campus Blood Bank has blood credits available to students and their families.

I urge the students to give, and give generously, when the Bloodmobile comes to campus October 29.

Carol Ann Barbosa

Minors Welcome

Born Twice

Every one of us has been born at least once. Some people, however, have been born twice. The twice-born among us are called "Christians." The second birth, called in the Bible the new birth, is a spiritual awakening and quickening—being made alive in Christ. The new birth is God's response to the personal commitment of any individual to the Lord Jesus Christ. While all of us are born physically, few are born spiritually because of the self-centered tendency innate in each of us. By nature we seek our own way of life and only occasionally does an individual reach the point of asking God for help. Spiritual birth occurs only when an individual surrenders his heart and life to Jesus Christ as Lord and Master.

Following the ten commandments and living an approximately moral life has never gotten a single soul into heaven (Galatians 3:10-13). Neither is it possible to earn God's favor by meritorious works (Ephesians 2:8, 9); God alone is capable of constructive action and only as He lives through men are they able to please Him.

Nicodemus (John 3:11) was a well-educated, intellectual religious leader who sought out Jesus in order to discover how it was that men were admitted to the kingdom of heaven. The answer which Jesus gave nearly two thousand years ago is the answer which still holds true today: "you must be born again."

"One night Nicodemus, a leading Jew and a Pharisee came to see Jesus.

"Master," he began, "we realize that you are a teacher who has come from God. Obviously no one could show the signs that you show unless God were with him."

"Believe me," returned Jesus, "a man cannot see the kingdom of God without being born again."

"And how can a man who is getting old possibly be born?" replied Nicodemus. "How can he go back into his mother's womb and be born a second time?"

"I assure you," said Jesus, "that unless a man is born from water and from spirit he cannot enter the kingdom of God. Flesh gives birth to flesh and spirit gives birth to spirit; you must not be surprised that I told you that all of you must be born again. The wind blows where it likes, you can hear the sound of it but you have no idea where it comes from and where it goes. Nor can you tell how a man is born by the wind of the Spirit."

"How on earth can things like this happen?" replied Nicodemus.

"So you are a teacher of Israel," said Jesus, "and you do not recognize such things? I assure you that we are talking about something we really know and we are witnessing to something we have actually observed, yet men like you will not accept our evidence. Yet if I have spoken to you about things which will happen on this earth and you will not believe me, what chance is there that you will believe me if I tell you something about what happens in heaven?" (John 3:1-12 Ph)

The new birth is real, something which must be experienced for yourself. Join the twice-born by meeting our Lord Jesus Christ today. In our pragmatic age the only convincing proof is to see for yourself that He is indeed the Alpha and the Omega, the everlasting God. Find out for yourself. Don't take another's word for it.

Contemporary Christians on Campus, Box 11791, Palo Alto

Blood drive here next week

RELEASE FOR MINOR BLOOD DONORS

My (son) (daughter) _____ has my permission to make a donation of blood to the Irwin Memorial Blood Bank of the San Francisco Medical Society and, for that purpose, may submit to the tests, examinations and procedures customary in connection with donations of blood. I agree that neither the Irwin Memorial Blood Bank of the San Francisco Medical Society nor its agents shall be in any way responsible for any consequences to him or her resulting from donation of blood or procedures relating thereto. I hereby release and discharge the Blood Bank and its agents from all claims or demands arising out of such blood donation. It is understood that the above-mentioned organization may use in any way it may deem advisable any blood donated.

Date _____

(Parent) _____

I have read the above release and join in it.

(Child) _____

In the presence of:

SF State's annual blood drive will be from 8:30 a.m. to 3:30 p.m., October 29, in Gym 217. Appointments for donations will be accepted at tables in front of the library and Commons from 10 a.m. to 2 p.m., October 19, 20, 26, 27, and 28.

Unmarried minors must present a signed parent-permit slip for appointments.

A low fat meal—with no cream, butter or fried foods—should be taken four hours before donating blood.

Dorms get flicks every Sunday

Movies are shown every Sunday night at 7:30 in the residence hall dining room.

Students who live in the dormitories and their friends may attend the movies. Admission is 25 cents a person.

In the past, "Cat on a Hot Tin Roof," "Hud," "Advise and Consent," and "Psycho" have been presented.

Tentatively planned for the future are "The Apartment," "Giant," "Prize," and "Seven Brides for Seven Brothers."

The movies to be shown are

chosen by a committee made up of 12 students—one student from each floor in Mary Ward and Merced Halls.

"The Green Archer," a movie shown in serial form which has run for four weeks and has 10 more to run, is also being shown along with the regular feature.

SF whomps Redlands, 27-7

By ROBERT NEUBERT

Redlands University jumped SF State's defense Saturday for a 90-yard pass play with only 1:45 playing time elapsed. Redlands looked a gift horse in the mouth, and the Golden Gators rallied for a 27-7 win in Cox Stadium.

About 2000 fans watched as Redlands' Bob Thomas juggled the opening kickoff and was dropped on his own six yard line.

Two running plays netted

four yards and then southpaw quarterback Derek Shelton unloaded a bomb. Sophomore Dave Kramer pulled in the toss at midfield and raced to the goal on a 90 yard play.

That was all the scoring for the Bulldogs, as the Gators drove for two insurance touchdowns within the final nine minutes.

With 8:33 left on the 45 yard line, wingback Norm Eliason cut over the middle from the right side and caught quar-

terback Don McPhail's pass at the 15 and went in for the score.

Fullback Jim Crum plunged over the middle from two feet out for the final TD with 1:25 remaining.

Haskell converted and Redlands was through.

After posting their first score, the Bulldogs again gained the offensive when Tom Nelson intercepted McPhail's pass on the first Gator play from scrimmage. Redlands had the ball at the 50, but could not take advantage of the break.

End Paul Riggins punted from the Gator 35 into the end zone, and the Bulldogs' momentum was broken.

Neither team could generate much of a drive until the second quarter, when the Gators drove 85 yards in six plays.

A Shelton pass was picked

off by defensive halfback Tom Janis with 4:47 left in the second period. His 18 yard return put the ball on the Redlands 25.

Combining speed with power, Piggee took a handoff and swept right end for 22 yards. Brown cracked the Redlands line three times, scoring on a plunge over center.

Haskell's kick gave the Gators a 14-7 lead.

SF State might have scored again that quarter except for a referee's questionable call. Redlands, with Jim Price as (Continued on Page 4)

Gator JV booters down Dons 9-3

By BRIAN MacDONALD

SF State's bongo-beating junior varsity soccer players forgot to bring their drums Saturday morning, but as usual they put on a good show for the opposition.

The JVs outbooted the USF Dons 9-3, boosting their undefeated season record to 5-0.

Daniel Doniama scored four times, Juan Lopez two, and Jean Daniel N'Donga, Jean Baptiste Ikoko, and Tom Pemberton each found the net once.

On the second of Doniama's scores, a USF goalie found himself sprawled on his face, having been faked out by the nimble-footed Gator. Doniama faked a low kick and subsequently drilled in the score over the reclining Don.

The former Congolese student has been totaling at least a goal per game. Against the University of California September 29, Doniama scored all Gator goals, leading SF State to a 4-3 victory.

In the second contest of the morning, the varsity Dons reversed the trend, beating SF State 6-1.

Last year the USF squad lost to St. Louis 1-0 in overtime for the national collegiate soccer title.

This season they've lost only one game: 5-2 to Stanford down on the Farm.

Last Wednesday SF State lost an identical dual to the Redmen, 5-2, on the Stanford

field.

The ball was booted in Gator territory most of the game. One Don scored a goal using his head; letting it fly off his skull and it flew over goalie McAllister, right into the net.

SF State had so little ball control, there were only two attempts at the goal.

Gator soccermen play again on the WRA field tomorrow at 3:15 p.m. against the San Jose Spartans.

The victorious JVs defend their record against the Spartans at 1 p.m.

The JVs triumphed over San Jose State 3-1 on the Spartan field.

Bulldogs fall prey to aerials

(Continued from Page 3)

its new field general, was forced to punt deep in its own territory. Punter Riggins fumbled the snap from center near the goal line, ran forward, and kicked a line drive into a horde of onrushing line-men.

Haskell scooped up the kick and roared through the confused Redlands squad for an apparent TD. But roughing the kicker was called, and the Bulldogs remained in possession.

Both teams mounted serious offensives in the second half, but the Gator goal line guardians kept the Bulldogs outside the SF State 16.

In the third period, Redlands rumbled to the Gator 16 on a series of Shelton aerials, but SF State put on a vicious red dog, and Hubbard dropped Shelton for a 12 yard loss.

Next Saturday the Gators host the University of California at Davis in its Far Western Conference opener.

Last year's FWC co-champions will be out to give the Aggies their fourth loss in five games.
