Place

Think with you household should go under slitting but after being with him yesterday believe better give him little time to familiarize himself with general conditions before assuming it. Rossi report was evidently misleading as no question but that O'Brien had house, flowers, fire and lunch ready for guests. There is every indication of care & orderliness in household. She made mistake in going to San Luis for quick trip ^{although} with Rossi's knowledge and apparent approval as he loaned her his car for five hours to go ~~to~~ saying wanted to show guests around himself at George Hearst's request -
