

From Me To You

ON YOUR BIRTHDAY

Hello - Mom Father -

Wishing you exactly
What I've wished you
all along -

A heart that's *light*
and *carefree*

And as happy as a song!

HAVE A WONDERFUL BIRTHDAY

*Love who has
engraved my heart
with new light.*

Patricia

A circle of gold
bound in rare sphere,
A symbol of love
two minds in flight.
Close to thy heart
wear now & then
Oh, remember,
remember
but for thy delight,
Dear Carl -
