licensee ever assumed actual occupancy and regardless of whether a licensee who has assumed actual occupancy moves out prior to the designated period of obligation. The university shall refund all money collected in excess of such obligation as soon as reasonably possible. A copy of *Title 5*, Section 42019 is available in the University Library, Student Affairs Office, and Housing Office.

Other Fees. The schedule of refunds for *the health service fee, the Associated Student Body fee, the Student Body Center fee, and the facilities fee* is set annually. Refunds are dependent upon the length of time between the opening of the semester and application for refund. Application must be made and the student body and student identification cards must be turned in to the Student Records Office.

Credit Cards. Visa and Master Charge bank credit cards may be used for payment of student fees.

Estimate of Expenses

The basic expenses for attendance at CSU, Fresno for a year (two semesters) for full-time students who live away from home will range from approximately \$4,200 to \$5,200. These figures are exclusive of nonresident tuition fee, but include an estimate of such personal items as clothes, laundry, and incidental expenditures. Students who live at home or share apartments with other students and commute to the campus are able to reduce their expenses considerably below the estimated figure. The cost of board and room may also be reduced by cooperative living arrangements or part-time work in exchange for room and board.

Average Annual Cost of Education and Sources of Funds per Full-Time Equivalent Student. The 19 campuses and the Chancellor's Office of The California State University are primarily through funding provided by the taxpayers of California. The total State appropriation to the CSU for 1985/86, including capital outlay and employee compensation increases, is \$1,344,407,000. The total cost of education for CSU, however, is \$1,419,772,444 which provides support for a projected 242,870 full-time equivalent (FTE)* students.

The total cost of education in the CSU is defined as the expenditures for current operations, including all fully reimbursed programs contained in state appropriations, but excluding capital outlay appropriations and payments made to the students in the form of financial aid. The average cost of education is determined by dividing the total cost by the total FTEs. The average cost is further differentiated into three categories: State Support (the State appropriation, excluding capital outlay), Student Fee Support, and Support from Other Sources (including Federal Funds).

Thus, excluding costs which relate to capital outlay (i.e., building amortization), the average cost of education per FTE student is \$5,846. Of this amount, the average student fee support per FTE is \$858. The calculation for this latter amount includes the amount paid by nonresident students.

Source of Funds and Average Costs for 1985/86 CSU Budget (Projected Enrollment: 242,870 FTE)

	Amount	Average Cost Per Student (FTE) ^a	Percentage
Total Cost of Education.....	\$1,419,772,444 ^b	\$5,846	100.0
—State Appropriation	1,032,103,683 ^c	4,250	72.7
—Student Fee Support	208,302,903	858 ^d	14.7
—Support from Other Sources	179,365,858	738	12.6

^aFor budgetary purposes, full-time equivalent (FTE) translates total head count into total academic student load equivalent to 15 units per term. Some students enroll for more than 15 units; some students enroll for fewer than 15 units.

^bThe total cost of education does not include the amount related to the capital investment of the CSU. The estimated replacement cost of all the system's permanent facilities and equipment on the 19 campuses is currently valued at \$4.6 billion, excluding the cost of land.

^cThis figure does not include the capital outlay appropriation of \$60,831,000.

^dThe average costs paid by a student include the State University Fee, Application Fee, Catalog Fee and Nonresident Tuition. Individual students may pay less than \$858 depending on whether they are part-time, full-time, resident or nonresident students.

Debts Owed to the Institution

Should a student or former student fail to pay a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid (see *Title 5, California Administrative Code*, Sections 42380 and 42381). For example, the institution may withhold permission to receive official transcripts of grades from any person owing a debt. If a student believes that he or she does not owe all or part of an unpaid obligation, the student should contact the campus business office. The business office, or another office on campus to which the student may be referred by the business office, will review the pertinent information, including information the student may wish to present, and will advise the student of its conclusions with respect to the debt.
