SENIOR LEGISLATURE REPORT

By Joe Gaynes

The most critical bills affecting senior citizens are now going through the legislative process in Sacramento. The Senior Legislature, in its session last October, gave priority to legislation that would remedy all the facets of the nursing home problems.

Eight bills were introduced, covering penalties, abuses, complaints, procedures, etc. Since the whole problem affects the total population sooner or later, the bills are sponsored by a fine group of legislators representing both parties.

The bills have just passed through the Health and Human Services Committee, with amendments imposed by the Health Facilities Industry, which watered down penalties. The bills are now ready to go to the Committee on Aging in the Senate and the Assembly.

Ventura has three members on the Assembly Committee, namely, Cathy Wright, Tom McClintock and Jack O'Connell. We feel that the bills will now be polished and properly readied for floor action in the Senate and the Assembly. We are confident that the State of California will become one of the leading states in the nation in protecting its elderly and handicapped who must spend their remaining years in long-term care facilities.

YNCG has invited Carla Rush to speak on Alzheimer's Disease, on May 21 at 7:00 p.m., in the AR. Carla, who is currently working towards a Ph. D., wrote her Master's thesis on Alzheimer's. She also has a deep personal interest in the psychological aspects of the disease because her mother is an advanced victim.

NEW POOL HOURS CHANGES RESCINDED

By Will and Anne Janoff

"We are leaving the hours as they have been." This was the announcement made by L.V. Board member Lou Okun to the unusually well attended regular monthly board meeting on Monday, April 2. "The operating hours for the Leisure Village swimming pool at this time is officially set at 6:00 a.m. to 11:00 p.m., seven days a week," he continued.

Okun reported on the decision of the board to rescind the regulation made earlier this year which would have sharply curtailed hours when the pool would be open. Covering for the pool was also abandoned. The board felt that it would not be as cost effective a measure for saving energy as they had originally believed.

Newly-elected President, Carmen Read, indicated that the board's previous decision was changed due to the efforts of the ad hoc "Save Our Pool" committee who "did a very thorough and convincing job."

Okun opened his remarks by explaining, "We did listen to the words and protests of those residents who are most involved with the use of the pool." He reaffirmed the board's decision to have lifeguards on duty at all hours that the pool is open, but that the value of the guards to the residents and the cost effectiveness would be reconsidered.

YOUR NEIGHBORS CARE GROUP HONORS BLOOD PRESSURE STAFF

By Romaine Lambert

Your Neighbors Care Group sponsored its annual Appreciation Evening on April 2 with a catered dinner and dance in the AR for those who have participated in the Blood Pressure Clinic during 1983. Those honored were Sylvia Altes, Dorothy Anderson, Janine Blymer, Sonia Brink, Karl Cannon, Catherine Case, Tibe Elsen, Philip Farber, Ruth Hart, William (Woody) Hart, Harry Jacobson, Morris Katz, Maxine King, Romaine Lambert, Miriam Norman, Sandy Okum, Freddy Popkin, Frank Rogers, M.D., Charles Rothermel, Lura Wallace, Morton Wilner, M.D., and Leoni Ziler.

Special guest and honored speaker was Mrs. Harlene Smith, Coordinator, High Blood Pressure Program for Ventura County Health Agency. It was under her guidance and that of Bill Miley, Director, that the Clinic was established in Leisure Village in 1977, the first such free clinic in the county. Mrs. Smith expressed appreciation to all those volunteers who have participated in the program during the past year. (Certificates which ordinarily would have been presented at this event were awarded in December in recognition of the Rose Parade's theme this year, "A Salute to the Volunteer.") She noted that the clinic con-

ducted, 1,075 screenings. Of these, 144 were elevated. These persons were referred either to their own physicians or for additional monitoring at the clinic. This number of elevated pressures represents only 13.3%, a low figure as compared to other clinics, which is an indication, Mrs. Smith feels, that L.V. volunteers are doing a good job in educating their clients to combat hypertension. Mrs. Smith also expressed her pleasure at once again meeting with six of the original team who are still operating after seven years on this program, namely: Blymer, Brink, Case, R. Hart, Lambert and Okum.

Another highlight of the evening was the selection by Y.N.C.G. Board of "Woman of the Year, Most Caring Neighbor." Sandy Okum, President, made the presentation to Ruth Hart, the familiar figure at the desk these past years. She was the recipient of a beautiful engraved desk set.

Another special award went to Dorothy Skuro, one of our telephone people, whose dedicated service has proved above and beyond what is expected of her role. She was presented with an imposing-looking lemon tree!

Dancing or just listening to Ed Abdelnour's tapes followed this rewarding program.

BETTER COMMUNICATION SOEELY NEEDED

Villagers recently voted down a proposal to increase the number of Board members to seven and the term of office to three years. The vote was 689 "Yes" and 711 "No".

Unfortunately, a long ballot count ensued, and this led to a false charge against Board Chairman Ed Salzer and his subsequent resignation.

ILV regrets Ed's resignation and fully endorses the Board's expression of loss "of Ed's loyal services and expertise as the guiding force of this Board and of the tremendous forward progress the community has enjoyed since the Board was sworn in on July 1, 1983. . ."

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

After the controversies which have arisen between the LV Association and certain resident factions at recent Board meetings we must all agree that better communication between them is something to be desired.

Admittedly some of the latest dissatisfaction was caused by too hasty action and poor preparedness regarding the balloting, but lack of communication was by far the biggest factor in causing the trouble.

Both parties involved are at fault. Most residents pay little attention to what goes on until they are directly affected by Board decisions such as those which lately had to do with the swimming pool. Homeowners should realize that they should be knowledgeable about village policy in order to protect their investments in their homes as well as to watch the cost of operating our wonderful village.

On the other hand, the Board should realize that residents are often unable to attend meetings and therefore should do everything possible to inform as many as possible as soon as possible when a major change is contemplated. This can be done by posting notices in the area of the activity, by contacting club officers to inform their members of new proposals, by mailing letters and by improving "The Voice" especially by publishing committee minutes and by headlining in bold print or boxing any major change or proposal well ahead of any final vote upon it.

In the future, better communications could serve to eliminate embarrassment and humiliations to well-meaning volunteers of the Village.

LETTERS

We welcome Letters to the Editor but cannot print unsigned material.

To my many dear friends in L.V., your cards and notes of love and encouragement meant so much to me during my hospital stay. With friends like you behind me I know I can soon be well again. Jack thanks you too, for your moral support, I truly love you, one and all.

Anne Fosdick, V.41

Those of us who live in the Village are aware that Leisure Village trucks ride upon and rub out the sidewalk along Leisure Village Drive. When I called Mr. Skip Roberts today in an effort to have the trucks ride in the road instead of the sidewalk I was told:

1. It is more convenient for the trucks to ride on the sidewalk to save the three feet they would have to walk from the road.

2. The sidewalk was poorly laid with inferior materials and will have to be replaced within the next five years; the cost to be borne by us as the residents.

In answer to Mr. Roberts I wish to say publicly:

1. Even though it might be more convenient for me as a resident to drive my car on the sidewalk, I would be prohibited from doing so.

2. If the sidewalk was poorly laid with inferior materials, the developer should be forced (by legal action, if necessary, as developers have been in other parts of the country. There have been test cases.) to replace the walk.

Most importantly, the sidewalk is unsafe and since Mr. Roberts did not deny that the trucks do rub out the sidewalk (the tire rub marks are clearly evident) it behooves him to work for our safety (sprains and broken bones) and in our behalf, as manager, to have the practice of trucks riding on the sidewalk stopped.

Estelle Ellison, V.42

Our many thanks to friends in the Village for their sympathy, help and understanding during the long illness of my Ray, namely Reidar Eriksen. Especially those living in Village One!

Gladys Ericksen
and daughter Gwen, V.1

I tried to make it fast! So that I could say "Thank You" to all my wonderful friends for their beautiful flowers, cards and goodies and phone calls. You really cared! Thanks a million.

Betty Ettinger, V.22

My two sons and I thank all of Harold's good friends for their thoughtfulness and generosity at the time of Harold's death.

Marjorie Peet, V.6

I wish to express my sincere appreciation for all the letters, cards, phone calls and comments I have received after my resignation from the Board. Your kind expressions of support are most helpful.

Ed R. Salzer, V. 30

We now have two new businesses, both under one roof in our shopping center. We need them--they need us!

Ray Jiminez, owner of Paradise Farm--the food and produce operation--owns a retail store in Oxnard, a wholesale meat and wholesale produce company. He promises that his prices on produce will be lower or comparable to any of the same quality in town, because there is no middleman involved, nor any added freight from L.A. Produce Market.

Max Christensen, manager of the Danish American Meat Company, spent four years at school to get a Danish Butcher's Degree. One look at his meat display must convince us of its quality.

ABOUT NEXT MONTH

Coordinator for next month will be Betty Murray. Copy should be placed in the box by the parking lot door of the Rec Center by May 7. Final deadline for LATE-BREAKING NEWS ONLY is noon, May 14. To arrange for photographer call coordinator at least 3 days in advance.

CURRENT ISSUES FORUM TO HONOR FOUNDER

Harry Becker, founder and president of the Current Issues Forum from inception until 1984 will be honored at the Forum's 5th annual luncheon on May 10 at the Mercury Savings & Loan.

Villager Joe Gaynes, a member of the Senior Legislature will speak on senior citizen legislation. Persons interested in attending the luncheon should call 484-0124 or 484-8834.

At the regular meeting on May 25, Dr. Desmond Jones, Oxnard College, will give an over-view of U.S. foreign policy.

CURRENT ISSUES FORUM

By Herbert Swartz

What was expected to be a confrontation between Ramona Ripston, executive director of the American Civil Liberties Union for Southern California, and Hunt Braly, administrative assistant of state Senator Ed Davis, before the Current Issues Forum on March 30, did not take place. The speakers were in agreement on many civil rights issues--they both supported the gay rights anti-discrimination bill and opposed the school prayer constitutional amendment.

Ms. Ripston reviewed many of the stands taken by the ACLU in the defense of the First

Amendment. There were some victories and some defeats in cases brought by the ACLU recently. She cited the suit against the L.A. police department for illegal spying which resulted in a \$1.8 million settlement for the ACLU against the City of Los Angeles.

Other issues that have been brought up by the ACLU involve suits against L.A. County to improve conditions in the jails and a suit in behalf of homeless people. On the national level, ACLU is seeking the right of El Salvador refugees to stay in this country for three years or until conditions improve in that country.

Mr. Braly emphasized the need for a balance of rights in citing some differences between Sen. Davis and the ACLU. As examples he mentioned the Victims Bill of Rights law passed by the state of California and the Olympics Bill sponsored by Sen. Davis which permits the Olympics Committee to view the conviction for crimes record of employees being considered for jobs.

During the question period several Villagers protested the ACLU defense of the American Nazi Party march in Skokie, Ill. in 1978. Ms. Ripston defended the ACLU actions, saying that there is no way to take a stand against the free speech of any group without endangering the First Amendment rights of all groups who happen to be unpopular with the majority of the population.

ILV BOARD INTERVIEWS ED SALZER

By Harry Becker

Long-range planning in order to establish better budget management and to avoid the need for any special assessments in the future--this was the goal set by Ed Salzer, who recently resigned the Association presidency as well as his membership on the LVA Board of Directors.

In an interview with three members of ILV's editorial staff, Salzer outlined some of the Board's achievements during his incumbency:

Most notable of these has been the increasing role played by Channel 12 broadcasts of Village Board meetings and club activities and events.

The Channel 12 Message

Center has been improved, as has FM reception. There are still some problems with TV reception, according to Salzer, but this is due to the age of the equipment. At present there are no reserves to cover the cost of replacement.

Other achievements include:

Adoption of a plan for sidewalk replacement.

Construction of a storage building.

Repair of the swimming pool.

Satellite TV provided at reasonable cost; especially helpful to shut-ins, who are given a wider range of entertainment.

Business History

My entire business career was with operating units of ITT.

Started as a commercial representative with Mackay Radio in Seattle, in 1932. In 1941 I was appointed commercial manager for the Pacific Division in San Francisco. In December 1945, I was transferred to New York where I served in Sales and Marketing until my retirement in December 1968. The latter part of my work was in marketing development and planning. During this period I was elected a Vice-President of All American Cables and Radio and also of the Commercial Cable Company (predecessor companies of the present ITT World Communications, Inc.).

Military

Called to active duty on De-

cember 8, 1941, with rank of Lt. (JG) U.S.N.R. Served in posts in Seattle, Manila and Tokyo (Communications Intelligence). returned to civil life in November 1945 with the rank of Commander U.S.N.R. (retired).

Retirement

In 1970 my wife and I purchased a home in Rossmoor, New Jersey (which started as a Rossmoor Leisure World). 1971 to 1974 I served as an Association Director at Rossmoor.

In 1974 we returned to California and purchased our present home in Village 7. During 1975-76 and 1976-77 I was a Director of LVA, being one of the first two directors elected by the residents. After stepping down, I served on the Finance Committee and several ad hoc committees.

At present I am a director of the Camrosa County Water District. My term expires in November 1985. I see no conflict of interest in serving on both boards.

POOL

From Page 1

"We are going to have life-guards until we are shown that it is a waste of money," he declared.

Responding later, one of the ad hoc committee members stated that the additional pool guards was the remaining problem to be resolved. "We need a guard on duty for the regular 8 hours a day as we've had till now for our incapacitated residents, visiting children's hours, for supervision of inexperienced swimmers, and the many other services the guard provides. However, the extra one and one-half guards that will be needed to fulfill the new rule requirement will cost from \$16,000 to \$20,000 extra a year. This unprecedented

guard duty schedule and reckless expenditure of the Association's funds is totally unwarranted, and if there are available dollars, there are many more urgent uses to which they could be put," the committee member stated.

Following the meeting one of the residents was heard to remark, "I hope the board got the message. When they're considering important changes regarding our recreational facilities, residents input must be sought before making new rules."

Retaining the ad hoc pool committee was suggested by one of the board members and other residents.

WOMEN'S CLUB

By Jeanne Carlson

(Photo By Stabler)

Winners of the Spring Hat Parade. Left to right, Billy Brooks, Betty Goldberg and Bea O'Brien.

Women's Club April meeting was the traditional spring potluck salad luncheon and hat contest. The food and festivities were the main event. Hats of all kinds were part of the fun. President Edna McCormick wore an orange beanie with the words, "Where's the Beef?". Two ladies topped with foil skull-caps labeled "Hershey's" attended and Per-

ry Horodas made herself a confection of I.B.M. cards. Harold Wickham provided both background and program music on the organ.

After lunch a short business meeting resulted in the adoption of the proposed budget for 1984 and the amendment to the by-laws which gives the Nominating Committee more time to work was passed. (This was re-

ported incorrectly last month as having been passed instead of being read.) A vote was passed to omit the June Fathers' Day Picnic this year.

The club will purchase a board for Bingo which will explain which game-pattern is being played at the time. The president also announced a gift of \$100.00 from Norma Blonder, V.25 which will be used as a raffle prize at the September Bazaar. April's workshop worker award (always an African violet) was presented to Harriett Miller for knitting contributions. Her title for the month was "Playboy Bunny". (The award's title changes with each meeting.) Edna also announce the ongoing sale of raffle tickets for the colorful large afghan-blanket crocheted by Grace Lane.

The climax of the meeting was the Hat Parade. Categories were: hat from member's own wardrobe; prettiest hat made by a member; funniest hat made by a member. Winners were, respectively: Bea O'Brien, V.7; Betty Goldberg, V.44; and Billy Brooks, V.4. The club thanks all contestants as well as Harold Wickham and Al Levinson for their help.

The next meeting will feature Grace Back, exotic dancer with the talented tummy and gorgeous costumes. There will be Trading Post. All ladies are welcome, Thursday, May 3, 1:30 in the AR. Please do come.

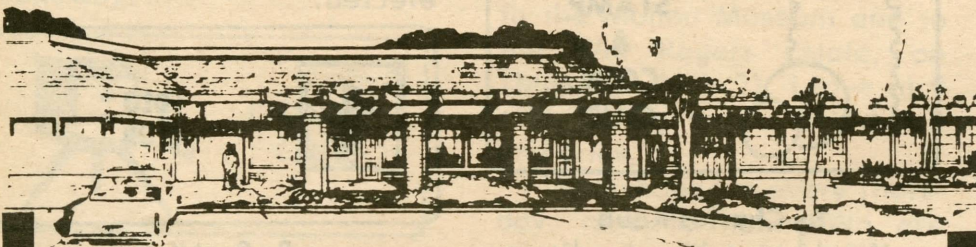

BOOK REVIEW GROUP

By Jeanne Carlson

The audience had a special treat at the April Book Review when Ailsa Muldoon told about the drama "Juno and the Paycock", an Irish tragi-comedy. She also charmed the group by playing her Irish harp and singing. This was Ailsa's first appearance before this group and she will certainly be welcomed again.

For May and Mother's Day, Jeanne Carlson will review Erma Bombeck's work with emphasis on her latest book, "The Second Oldest Profession", (motherhood). We will meet Wednesday, May 9, at 10:00 a.m. in the WCR. Everyone is welcome.

"Then I heard about Hillhaven Home Health Services. Besides providing nursing and other professional care, they have homemakers on staff. I have all the care I need right here at home, and it's less expensive than being in a hospital. Next week, Hillhaven's sending me a physical therapist to help me start walking ...and it's wonderful to be home."

EASTER TREAT FOR CHILDREN

On April 17, Women's Club prepared and delivered 175 Easter treats to the Children's Ward of Camarillo State Hospital. Marion Tamkin organized and supervised the project. (I.L.V. apologizes for giving Marion's name wrongly in the March issue.) Kate Marks and her crew did the packing.

Members brought homemade cookies for the baskets which also held candy. This is one of the Club's most enjoyable activities of the year.

VILLAGE PLAYERS WORKSHOP

By Roie Beck

A one-act play, "Fortune is a Cowboy", was presented as a workshop at the April meeting of the Village Players. Edna Steiner and Ruth Smith gave commendable performances under the direction of Irv Leeds. It is hoped new members will volunteer for future workshops to gain experience on stage or in directing.

Ailsa Muldoon, chairman of the nominating committee, presented a slate of officers for the coming year. At the May meeting, nominations from the floor will be accepted, and election will take place.

HAPPY HOOFERS

By Roie Beck

The Happy Hoofers, with a successful show behind them and a closet full of new costumes, have resumed their charity appearances outside the Village.

Recently a group of them, plus Happy Hooper chanteuse Renee Green, performed at the Jewish Home for the Aged in Reseda.

They will next be seen in "High Fever Follies", fund raiser for Pleasant Valley Hospital. Joan Johnson, a Hooper herself, is talent coordinator. A Broadway director has been flown in to put on the show. There will be three performances at the Community Center on Friday and Saturday, April 27 and 28.

VILLAGE SWINGERS SQUARE DANCE CLUB

VILLAGE SWINGERS HOLD ANNUAL SPRING FLING

By Romaine Lambert

The Village Swingers Tenth Annual Spring Fling Square Dance on April 8 proved once again that any event under capable leadership with cooperation of competent committees plus enthusiastic support of all members is bound to be a success. Everyone has been duly thanked, but perhaps the satisfaction of a job well-done is the real reward.

The theme this year was "Square Dancing--Our National Folk Dance." Varied-colored crepe paper petticoats, sissy pants, slippers and boots hung from the ceiling while murals depicted the history of folk dancing. Guests were greeted by ladies in pink polka dot bonnets matching their club dresses, and were directed to a pink booth to receive their favors--pink garters--to be worn provocatively, of course, by the ladies and to be worn proudly on their sleeves by their partners. Mascots Polka and Dot Swinger presided at one end of the stage, while a mountain of door prizes stood at the other end.

Bill Peters of San Jose conducted an innovated and challenging dance which was received with enthusiasm. Round dancers had their additional pleasure from the cues by Doug Hooper and Vi Ray. This graceful couple also delighted the assembly with a beautiful demonstration.

The Fling is over, but Spring brings other pleasures. On the 17th the Swingers were privileged to help celebrate the 80th birthday of their first full-term president, Everett Fuller. Dorothea and the Norman Fullers hosted the surprise for the honored guest by serving a luscious birthday cake to all the dancers. Everett has not let his newest title, Octogenarian, keep him from square dancing. Congratulations, Everett.

On May 8 there will be NOMINATION OF OFFICERS for 1984-85. Recommendations from the floor will also be in order.

VILLAGE PAINTERS SPRING SHOW

By Sally Becker

The Village Painters Spring Show will be held on Sunday, May 6, from noon to 5:00 p.m.

All resident artists and art students are invited to show their oil or acrylic paintings, watercolors, pastels and drawings. Membership in the Village Painters Art Club is not necessary.

Be sure to get your entry form in the Recreation Office. Completed entries must be returned to the Recreation Department by May 1.

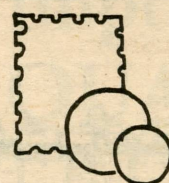

For more information, please phone Ruth Boyd at 484-3851.

VILLAGE PAINTERS

By Sally Becker

On May 2, Village Painters will have a very unusual program. Berdie Bordon will demonstrate her use of string and watercolors to create a beautiful piece of art.

See some of her fine art work at Mercury Savings from mid-April to mid-May.

STAMP & COIN CLUB

By Charles Kaub

Would you like to display some of your stamps or coins at the Annual Bazaar this Fall? If so, please contact one of us at the club and we will be happy to assist you.

On April 17 we heard a fine lecture given by our own villager Gordon Smith, who is one of the few contemporary experts on the stamps of Brunei and Sarawak.

May 1 a stamp and coin raffle will be held followed by a general swap session. On Tuesday night May 15, Hal Fee will give a fascinating slide presentation on the birds, beasts and animals of the British Empire. Don't miss this fine lecture. All villagers are welcome to this and all of our Tuesday evening meetings at 7:30 p.m. in the MCR. We meet on the first and third Tuesdays of each month.

GEM AND MINERAL CLUB

By Don Holmes

Gem and Mineral Club's Field Trip Chairman, Kal Haber took a group to a location near Palmdale, where they collected jade, jasper and agate. The next Field Trip will be to the Victorville area on Saturday, May 5, for rhodonite. Kal plans to leave early, probably at 7 a.m., so we will have more time in the field and miss the evening traffic rush. Call Kal at 987-7564 if you're going to drive or ride. Bring rock bag, pick, shovel, lunch and drinks.

The program at the April meeting was put on by Joe Poliack and Monte Robson, assisted by Seymour Fisher. They demonstrated the art of enameling on metal, both by hand blow-torch and by oven, using the kilns in the Ceramics Room. For the May meeting, Program Chairman Jack Bennett has secured Meg Easling, Certified Gemologist and Designing Goldsmith from Ojai.

The May meeting will be on Wednesday, May 23, at 7:30 in the MCR. New officers will be elected.

SOLO CLUB

By Bert Kunz

The bi-monthly pot luck dinner of the Solo Club was delicious as always. Entertainment was provided by Jo Ann's Dance Studio in Camarillo who put on a nice variety of numbers.

There is no pot luck dinner in May. Instead we will go "out to dinner" at the Olde Timer's Restaurant in Oxnard on Thursday, May 24. We will car pool in the East parking lot at 5:30 for a 6 o'clock dinner. We must make reservations so please call Eleanor Evans, 482-2260, and let her know you are coming.

Our monthly brown bag lunch meetings are held at 12:30 in the WCR on the 3rd Friday of each month. Various card games are played by anyone interested. Come and try it.

VARIETY GUILD

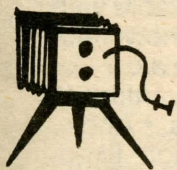

By Jeanne Carlson

Variety Guild's big July production, "The Best of Broadway" is progressing nicely but it is so well-organized due to its segment construction that few people realize how much is being accomplished.

Professional director, Mike Monahan, comes in from time to time to check and advise while the individual directors are working on their special sections. Betsy Goodspeed, professional musician, rehearses with the musical numbers, has made tapes for chorus parts, and avoids long waits during rehearsals.

This organization and efficiency is due largely to Executive Producer, Lillian "Pepper" Heimowitz, who is busier than a hive of bees and the whole cast appreciates her work.

May and June Guild meetings will take place at 7 p.m., second Thursdays, AR, and will be followed by rehearsals. The word is out: "July Will Bust Out All Over" with "The Best of Broadway!"

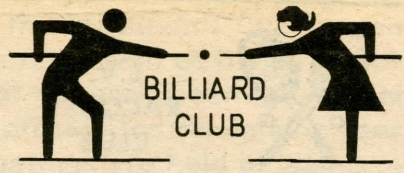

CAMERA CLUB

By Dorothy Levy

Camera Club's activities this month included an inside shooting session when we further explored portrait taking. Two lovely young women as models provided inspiration and opportunities for members to improve their camera techniques.

The Picture of the Month in the club house lobby, taken by Jesse Levy, depicts shadows of a group of Villagers on a tour of Death Valley as they viewed the spectacular mountainside called "Artists' Palette".

New officers were chosen and elected this month. They are planning further activities for the coming meetings. On June 16 we will have our annual Club Luncheon at Mercury Savings. An outstanding film will be shown then by Bob Vanderhaven.

BILLIARD CLUB

By David Robbins

At the March 27 meeting of the Billiard Club we had an excellent turnout, with all officers present. Our membership chairman announced that there are now 103 members.

We have posted a plaque on the B.R. wall honoring those people who made donations toward the purchase of our new table which we are all enjoying.

Our next meeting will be held April 24

THE CERAMIC CLUB

By Don Holmes

The Ceramic Club is going to the Studio of Vivika and Otto Heino in Ojai, by car caravan, on Thursday, May 17. Leave at 10 a.m., bring brown bag lunch. Coffee will be furnished by the Heino's. Sign-up sheet in the Ceramic Shop.

Also sign up for the bus trip to the Malibu Museum and to the Will Rogers Estate, on Thursday, June 21. Leave at 9 a.m., bring brown bag lunch and drink.

Workshops are every Thursday, nine to noon. We are starting to make things for the Club to sell at the Leisure Village Anniversary in September. Next Club meeting will be on Thursday, May 10, at 10:30 in the Lanai Room.

E.Z. SQUARES DANCE CLUB

By Bill Roffman

On March 18 we celebrated our formal induction into the A Square D organization with a student level dance. At break time we received our charter from the President of the A Square D organization (local unit) and are now an official club of this organization with all its privileges and benefits.

We dance every Sunday 4:30 to 7 p.m. Our regular caller is Sam Atkinson. All village square dancers and guests are invited.

INDOOR OUTDOOR GARDEN CLUB

By Maxine Fritz

In your mind's eye when you think of the month of May, what do you see? Lots of beautiful flowers and lovely gardens--right? When you think of Japan, isn't it usually tea drinking and flower arrangements, as well as tiny gardens that provide atmosphere and beauty? Well! The Garden Club will satisfy all of these fantasies on these subjects during May.

At the meeting on Thursday, May 10, at 9:30 a.m. in the WCR, the program will be Flower Arranging and Japanese Gardens. Social time before the program and Q & A afterwards, as usual. Plan to visit two L.V. patio gardens after the meeting.

Then on Friday, May 11, a bus trip to UCLA. Group will leave at 9:00 a.m. and visit Sculptured Gardens at 10:00, lunch on campus in cafeteria at 11:30 and stroll through Japanese Gardens from 1:00 to 3:00. Expect to be home by 4:30. Price, which includes lunch, is \$13 for Garden Club members and \$14.00 for guests. Contact Audrey Reid, 987-2690 or Martha Moffitt, 987-1855 for reservations. Many thanks to them for arranging this special visit to UCLA gardens as it is not always available. They suggest comfortable shoes.

Planning committee is very excited about the Floral Tea scheduled for Thursday, May 17 in the AR, amidst an old fashioned Victorian garden setting. Even a gazebo, no less! There will be flower arrangements and table settings by Garden Club members to see. A limited number of tickets are available and may be purchased in the lobby on Monday, April 23 and Wednesday, April 25, as well as from members. They will not be sold at the door on Tea day. Call Ruth Tomales, 482-3082 or Ellie Winston, 484-5610 for ticket information. Price is \$2.50 and Tea Time is 2:00 to 3:00 p.m. or 3:00 or 4:00 p.m. Ladies and gentlemen are invited to attend and recall a more relaxed and romantic day.

Racquet Club caps, insignia (patches), racquets, and paddles may be obtained from Sam Woronow. Call him at 484-1631. Some very special arrangements have been made to provide beginning tennis players with a good quality beginner's racquet at a price too low to quote. See Sam!

Signup sheets are posted on the bulletin board adjacent to

the courts. Entry fee 50 cents.

If you have seen the attractive ladder schedules posted on the bulletin board, Will Janoff is responsible for the computer printout which produces them. Zo's phone committee did such a fine job of reminding members of the March meeting that we had 72 in attendance. Joe Morrison has fabricated some very good looking hangers for the tennis courts. Sylvia Gardarian, as Sunhine Committee Chairperson, continues to need your help in learning of any member who is ill.

Your Mother Deserves the Very Best

"My mother made a lot of sacrifices for me because of her great love. But, she's gone now. So, I think a lot about all of the happiness I could have given her in her senior years. I really wish I had known about Heritage House then -- she would have truly enjoyed the companionship of the delightful seniors who make up the Heritage House community.

This residential care home is designed for active seniors who appreciate excellent cuisine, sparkling conversation, games, excursions and entertainment, or even a cocktail before dining.

Lois Bonsworth, RN

But, it also has 24-hour aides who are responsive to those special needs prescribed by a family's physician.

The personal care is here when needed, but it's the unceasing love that's most important. Sure, it costs a little more -- but, I think a great mother is worth it."

Call today for a free 4-color brochure with pictures and facts about everything you would like to know. Then come in and see it like it is -- the finest in residential care and love.

(Depending on where you live, you may have to pay local and state taxes.)

**VILLAGE
CHORALE**

**By Dorothy
Barrus**

The celebration of St. Patrick's Day was a lively one this year. The Chorale and Friends provided a magic Time Machine Ship for the fun seekers; it whisked them through space to exotic places. Billy Pachter, our very own leprechaun, provided navigational data to Captain "O'Woodenschek" who manned the helm and took us around the world. Along the way through song and dance we were delightfully entertained. Members, Ruth Hart, Sophie Lebetkin, Rawza Kates, Helen Gold, Edna Steiger, Margaret Freeman, Bea Fallick, Thel Belanger, Bob Barrus, George Goldfarb, Amy Puro, Ruth Helfer, were among the first. Farther along the way were Elaine Shainhouse, Dorothy Karlin, Norm Friedman, Joan and Woody Woodenschek.

Robby Karlin was at Riley's Bar on the morning of St. Patrick's Day, just when all were trying hard to get their acts together for the BIG GREEN PARTY. The performers from the Time Machine were joined by Kay Avery's treatment of "The Heather on the Hill".

As a finale number Arthur Kates' "McNamara's Band" made their popular appearance. Having Bill Marvel as pianist, helped insure the show's success.

This year we found a four-leaf clover. Shamrocks to Dorothy Karlin's writing and directing, ably aided and abetted by the Woodenscheks. Charles Possel and Elaine Shainhouse created the Time Machine, which took us on our memorable journey. An Irish blessing to all--especially those reliable people who worked behind the scenes for our enjoyment.

LOCAL PADDLE TENNIS TEAM VANQUISHES MISSION VIEJO PLAYERS

By Will and Anne Janoff

Twenty-one L.V. paddle tennis players traveled South to Mission Viejo to trounce the Casta Del Sol Paddle Tennis Association by a lop-sided score of 186 to 70. The tournament took place on the home courts of Casta Del Sol Saturday, March 24.

This was the first of many planned bi-annual invitational tournaments to be conducted jointly by the two communities. The event was initiated and organized by Jerry Doctrow, former president of the L.V. Racquet Club.

Climaxing the day's events the hosts held a cocktail and dance party in the home team's club house. One of the villagers commented later, "They were such gracious hosts it was almost embarrassing to have defeated them so badly."

Scheduling for the next match in November of this year is already under way. Doctrow indicated that he hoped we could get permission from the

L.V. Board of Directors to hold the return match here in Leisure Village.

Participants in the tournament from Leisure Village were Jerry and Flo Doctrow, Doug and Kit Ross, Leo and Sylvia Gardarian, Bernie and Jackie Solway, Jerry Banchik, Ben and Rosalie Miller, Kay Bell, Will and Anne Janoff, Bob Hasen, Al August, Lloyd Crane, George Lomkin, Niki Goodman, Len and Miriam Halpern, Woolf Phillips.

Other villagers came along and participated as a cheering section and as spectators.

THE TIKVAH GROUP

The Tikvah Group will conduct a Sabbath evening service followed by an Oneg Shabbet at 8:00 p.m. on Friday, May 11th at the Mercury Savings and Loan in Camarillo. For information and reservations call 484-8102, 484-8834 or 987-1771.

LOOKING AT CHANNEL 12

By Jack Whalen

Would you like to see your yard and garden, or perhaps a neighbor's shown on Channel 12? If so, requirements are simple: submit the name(s) in a specially prepared box that's located in the Recreation Office.

A number of judges, carefully selected from L.V.'s Garden Club, will visit all homes nominated during the early weeks of May. Five gardens will be selected and taped interviews will soon follow. The winning showplaces will be shown on Channel 12 a number of times during June and July.

One of the funniest and

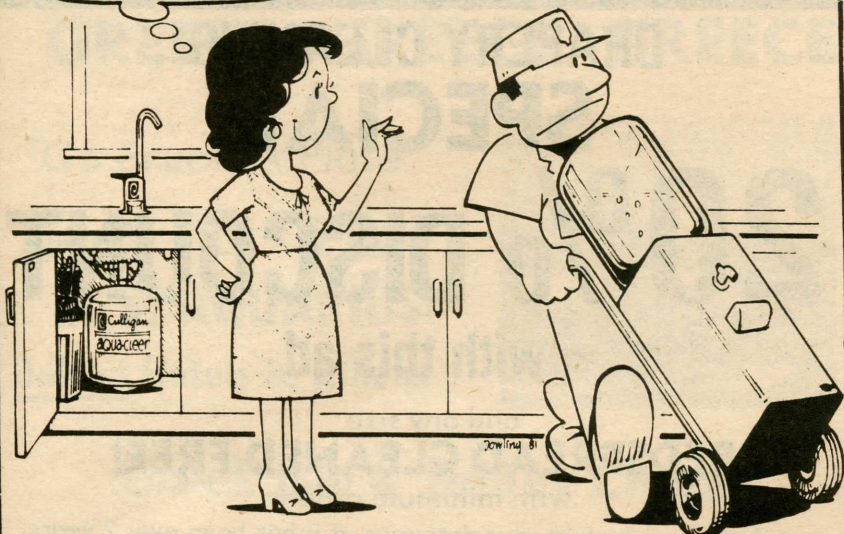

most informative short films ever made on pressure cooking, "Just About the Quickest, Safest, Cheapest Cooking Method Ever", will screen late in April and soon after, a full hour film titled "Obesity" will screen. The latter film, sponsored by the National Institute on Health, explains our energy metabolism and how too much food and lack of exercise results in an expanded waistline.

During May we will repeat "The Story of the Port of Hueneme", an excellent film, telling the importance of the port to the County of Ventura.

Orchestral Society

By Betty Murray

Forty-five members of the L.V. Community Orchestra under the direction of Arthur Kates presented an enjoyable musical program on April 1 to an appreciative audience in the AR.

Kates, also acting as the Master of Ceremonies, introduced each selection with a sketch about the composer, or the music, injecting his special touch of humor to the commentary.

The music spanned the centuries from Overture in G by Georg Telemann (about 1710), to selections from Franz Lehar's "Merry Widow Waltz", to the contemporary (1960) Theme from "Exodus". In the lively gypsy number, concert mistress, Sally Raderman, played a haunting violin cadenza.

"Doll Dance", a piano noveltette from the 1920's featured the keyboard skills of Selma Si-

mon and Rawza Kates.

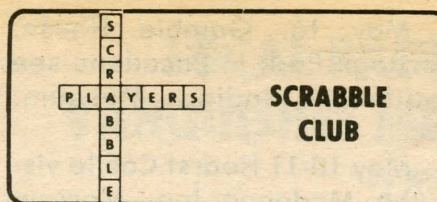

Soprano Miriam Hasen sang the theme from "Love Story" and "Greensleeves".

Six puppet musicians, operated by friends of Rawza Kates, and led by "Arturo", performed a march, which (thankfully) was backed up by the orchestra, as the puppet musicians became very involved in Punch and Judy antics like batting and poking their fellows, instead of watching "Arturo's" baton. Rawza herself designed and made the puppets.

Included in the well rounded program was music from "The Mikado", "Tannhauser", Gounod, and "Swedish Melody".

Orchestra continues rehearsals on Monday evenings at the home of Director Kates, to prepare for the next village concert on June 10.

SCRABBLE CLUB

By Pearl Greenfield

The Scrabble Players Club was very well attended during the month of March, attracting seasoned players as well as newcomers. On Monday, March 26, we welcomed three new members: Delia Buzin, Anne Barash, Elsie Pusateri, and Margaret Rothenberg who joined us for the second time. We hope you will all return!

A relative newcomer, Wilma Casner has become a regular player, enjoying and improving her game at every session.

Winners in the March 12th game were Betty Schatz, with a combined score of 713, and Yolani Lipscher with a close 711. Winners on the 26th were Esther Gollub with 751 and Betty Schatz runnerup with 679.

Once again, I would like to say we welcome novices as well as experts. Murray Greenfield and I are always available to help.

LIVE BAND DANCE

By Dene Dunne

It was very gratifying to have so many of those attending the dance on March 31 express their enjoyment of Nick Fryman's Combo One.

One of our original 100, who had not believed she would care for live music, said she was truly enjoying it. She said L.V. had never had musicians with such a good beat. We are looking for a return engagement in the fall.

All those who reserved tables obviously enjoyed sitting with their friends. Unfortunately, the message on Channel 12 asking smaller parties to call for assigned tables went unheeded by some, causing some confusion. We hope this problem will be remedied before our June 16 dance. Suggestions are welcome.

Of interest to non-smokers: only two tables were requested for smokers, twenty-four for non-smokers.

PLANNED ADULT COMMUNITY REPORT

By Sandy Okum

As President of Y.N.C.G., I was called to a special meeting concerning SB 1662 on Wednesday evening. I volunteered to get letters signed, asking the Senator to support this bill in Committee. Those had to be in Sacramento by the following Friday. Thursday I acquired an old list of YNCG of Village Helpers. By Friday morning, two of our telephone people recruited over 40 villagers to go door to door to get the letters signed. I personally reproduced 2000 letters and delivered 30 to 90 blank letters to each of these willing helpers. By the following Tuesday I picked up most of the signed papers. Friday, our manager Skip delivered about 2500 letters to Sacramento.

We proved something that can be valuable to us in the future. In any emergency, we now have a viable list of people upon whom we can call in any major disaster such as earthquake, flood, fire, etc.

and I am sure we can get more volunteers.

The letters that you so generously signed concerning the age requirements in an adult community are now being considered—not as SB 1662, but SB 1553 by Senator Boatwright. At present this bill requires one person to be at least 55 years old and that each other resident except the spouse or a person who resides with or provides primary physical or economic support to the person 55 years of age or older, be at least 45 years of age.

CLUB REPORTERS: In accordance with the rule in Journalism That the WHO, WHAT, WHEN, and WHERE of your story should be in the first paragraph of the article, please mention the name of your group as the Tuesday Club, or Checker Champs, or whatever. The general meeting of the Bocce Club was held March 29 at 7:30 p.m. in the AR.

President Joe Carfagna and all the officers were very heartened by the turn-out of members.

Thanks again to the Rhythmettes for a very enjoyable program.

We all wish to thank Leisure Village Management for the renovating of the Bocce courts. They are getting better and better to play on. Another big thank you to Leonte Read and Guy Caraccia for the excellent score boards. We are so fortunate to have members who give so much time and effort to our club.

Our next general meeting will be held April 26, 7:30 p.m. in the AR. Another fine program is planned. A group of Hawaiian dancers from the Sherri School of Dance of New-

The 1984 officers of the Organ Club were installed with poetic verses by Maxine LaPorte at the Potluck Luncheon on March 23. ORGAN CLUB — 1983-84.

By Maxine LaPorte

And now the order of the day
Will be a brief verse resume
Of all the things that we have done
That made this past year so much fun.
In March our potluck installation
Filled us with goodies and inspiration.
Our Monday workshops led by Kay
Improved our playing in every way.
Remember the practice in the Hall?
This was of benefit to us all.
In August our Club was eager and ready
For the Baxter Concert by Marty and Eddie.
Their beautiful music inspired us all
We practiced and practiced all that fall.
The Holiday harmony affair in December
Is one that we all will long remember
While our organ virtuosos sounded the beat
We feasted on cookies and punch; what a treat.
And then the Concert two weeks ago
Was a beautiful, happy, exciting show.
Tony Wilson played many a score
The audience loved it and asked for more.
We've had a year packed full of pleasure
A year we'll think about and treasure.
Your willing help and cooperation
Is ample cause for celebration.
The time has come to say adieu
And thanks to everyone of you.

All Hart

By Ruth Hart

Someone in the village once called me anonymously, and asked why I always write about pleasant things, and didn't I ever feel depressed or have problems. I answered her by saying that no one wants to hear how I feel miserable and have the flu and that Woody has pneumonia, so I'll get on with the happy news. Besides, I have a deadline to meet.

Ruth Weiss, V. 42, is telling friends her mother Fanny Levin eloped, just up and ran away to Los Angeles. Ruth and Irving, although happy for her, are feeling kind of blue as mama has lived with them for many years and we as parents worry about these runaway marriages.

Harry Holcombe, V.15, is making more commercials for Country Time Lemonade. This time it was taken at our Old Camarillo House. Watch for it to be coming up on TV soon.

Millicent and Sieg Hofmann, V.11, celebrated their 58th anniversary on March 10. Congratulations to both.

Bertha and George Moy, V.1, returned from their trip to Tahiti. I hear Bertha had quite a time getting George away from those lovely girls and on the plane.

Florence and Henry Hamrol, V.14, are happy to announce the Bar Mitzvah of their grandson Eric Lange on March 31. Daughter Linda and her husband Dick gave a huge party at Marina Del Rey with guests coming from Florida, Chicago, Denver, San Francisco and Sacramento.

Estelle and David Miereanu, V. 17, announced the marriage of Estelle's daughter, Olivia Graff, to Carl Goldstone, of Hellsboro, California, on March 24. Olivia is a stewardess for Western Airlines.

Helen and George Dennis,

V. 13, are back from their trip to Georgia, and a visit to Helen's sister.

Joan and Woody Woodenscheck, V.24, took off for their hometown in New Jersey, then a few days in Sea Island, Georgia, where they spent their honeymoon.

While in Palm Springs recently, we ran into Mildred and Barney Vaughn, V.16, who were visiting her sister and her husband for a few days. Sometime you have to leave the village to see your next door neighbors.

Hope you all enjoyed the St. Patrick's day show as much as we enjoyed doing it. Also enjoyed being invited to sing at the B'nai B'rith Women's donor party as guests of Renee and Ralph Greene. It was held at the Officers' Club at Camarillo Airport, which is a really nice place for a party, by the way.

Due to recent surgery, Mike Lyle, our CPR instructor, V.25, has had to cancel, temporarily, plans for a CPR class. Best wishes for a speedy recovery, Mike.

Folks are not responding to my call for news. I can't continue a column without it. Give

me a call, 482-7390, or drop a note in my garage door mail slot at 4201, V.4.

Til next time: "Never fear shadows, they simply mean there's a light shining somewhere nearby."

LETTERS FROM PAGE 2

Beef, pork, milkfed veal and lamb, and chicken are there. Personal service and special cuttings are always available. A new hot service--barbequed chickens, ribs, etc., is planned soon. Fleming Larsen, the owner, opened his first store two years ago in Sepulveda. His operation has been so successful that he can afford to advertise in the L.A. Times Thursday Food Section every week.

We villagers always bemoan the fact that the previous owners closed shop. Now we have another chance. Let's not just say that we will support these independent merchants--let's do it!

Although the doors are now open for business every day, a Grand Opening is scheduled for soon after the Easter and Passover Holidays.

At the Shuffleboard Club meeting April 3 there was further discussion of the plans to renovate the courts and President Louise Colbert explained her efforts to get an estimate from a contractor that could be presented to the Village administration.

Also discussed at the meeting were assignments of tasks in preparation for our annual picnic to be held on June 22.

As previously stated, although our courts are no longer as eye-pleasing as they once were, many of them can be used, and our organized play group is still in full swing. Monday, Tuesday and Wednesday at 9:15 a.m. for those who enjoy morning activity and Thursday at 2:00 p.m. for those who prefer afternoon play. Lessons for beginners Mondays, 9:00 a.m.

The next meeting will be in the MPR at 7:30 p.m. on May 1.

He revealed that a new, improved VOICE would be mailed to each home about the middle of the month, in lieu of distribution by the Camarillo DAILY NEWS.

Though he is no longer an officer of the Association, Ed Salzer made it clear that he stands ready to cooperate with his former colleagues.
