Dear Assemblymember O'Connell:

The Ventura County Commission for Women wishes to thank you for your participation in the program for our women's history luncheon on February 21 in Ventura.

We appreciate the certificate of recognition for the Women's History Project of Ventura County and we appreciate also your personal presentation of the certificate.

We are delighted with the success of our first women's history luncheon and look forward to its becoming an annual event.

Thank you for sharing this first one with us.

Sincerely
