OXNARD. CALIFORNIA

Dear Lady Mayoress,

I trust I am addressing you correctly. Thank you for your warm invitation and we are looking forward with increasing excitement to the visit to your city.

The enthusiasm shown by the Channel Island Harbour people and the Ski Clubs is rather frightening and I hope we can live up to the occasion.

The Australian water ski team hope that we can assist in the promotion of your Channel Islands Harbor Celebration program, and look forward to meeting you in August.

Yours respectfully,

Terry Bennett
