Dear Miss Mangan:

Enclosed are several items which Mrs. Martin Litton asked me to send you. These deal with the proposed development of Mineral King, and more specifically with a public hearing which was held by the Tulare County Planning Commission last December.

In addition, I am taking the liberty of sending you a copy of the statement which I made on behalf of our Chapter at that hearing. Perhaps you will find in it information which has not appeared elsewhere, especially with regard to cost of the access road and the extent of local opposition.

You might be interested in a tally of speakers which I made at the hearing:

20	pro-conservation
14	pro-Disney
3	difficult to classify
2	declined to comment
<u>39</u>	total

I hope the above and the enclosures will prove of use to you.

Sincerely,

George W. Whitmore
