

February 5, 1926.

Mr. William Randolph Hearst,  
Ambassador Hotel,  
Los Angeles, California.

Dear Mr. Hearst:

Mr. Trinkkeller was abroad when  
the fire screens were made and his shop, and  
no shop I could find ~~could~~ do better. I  
thought they could be used in the less im-  
portant places later, and will have Mr. Trink-  
keller make finer ones.

Sincerely yours,

JM-dem
