DM2 Nº 4

winter

This issue of Drunken Master 2 is recognized and fully endorsed by Mr. Snow-miser as the official

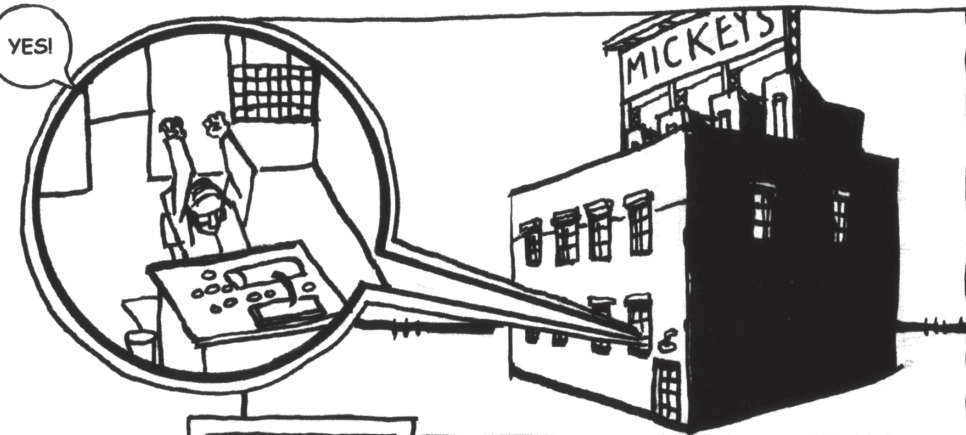

winter issue even though it is at the time of this writing half way through March. But really, who cares what month it is? You should just be happy that you're getting to read a winter issue in the first place. Some places never really get a winter and here you are ... complaining

"Boo-hoo. But Kiiiiyooshiiii, Spring started on the 20th of March! Boo-Hoo!"

I am sorry, but your cry baby technique only makes my resolve that much easier. The more you complain the stronger my Kung-Fu becomes. Get it?! Better pipe down kid.

But hey, a spring issue is already in the works. It will be a special *found image scrap book*. I have no idea who will get any use out of it or if it will have any nutritional value whatsoever, but I just know that it will be out in about the end of May. Really though, there is little you can do about it anyways.

YES!

Do you know what I do here at the Mickey's factory?

Do you know what I do?!

I invent all the words with the definitions on the inside of every Mickey's Fine Malt Liquor big mouth bottle caps. They send me the bottle caps and I use my pen and my sharp wits to render a new word inside each cap. I hand write thousands of caps everyday. This is my job for over forty years now. I don't screw the caps on to the bottles though. That's Fiedelstiens job down stairs.

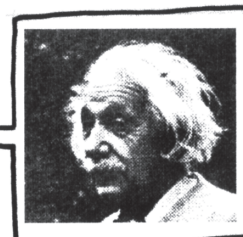

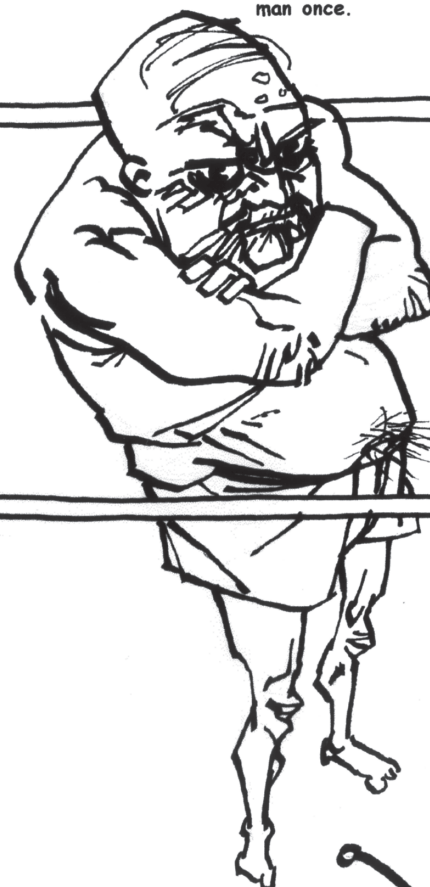

No one here at the factory has a job quiet like mine. Many of my co-workers wish they could do what I do but they would never be able to fill my shoes. With all due respect, my peers just do not have the mind or the tenacity it takes to come up with half the things I come up with. I'm really good dammit! I'm a writer. I've been doing this for over forty years!

I always knew I was going to be a writer, ever since I was a young man. I know it might be hard for you to imagine but I was a strapping young man once.

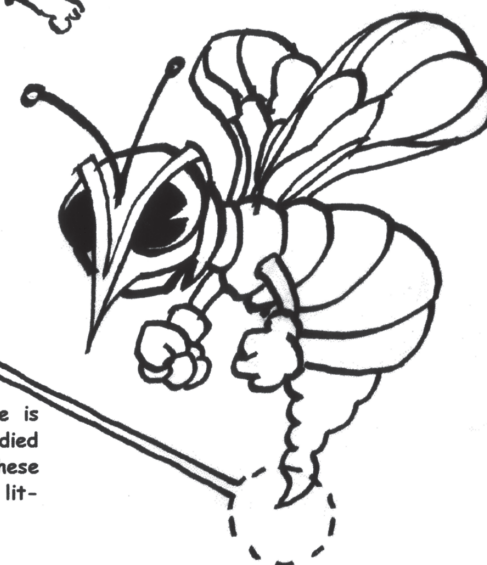

Back in my college days the ladies used to call me Tarzan because I would show off my athletic prowess. My most powerful muscle though, has always been the noodles between my ears.

No one could out muscle me when I flex my imagination. No one!

When I want to write something funny there is nothing God or man could do to stop it. I studied the masters. Shakespeare, Voltaire, Wilde, these were funny men. My bottle caps are the stuff of literature.

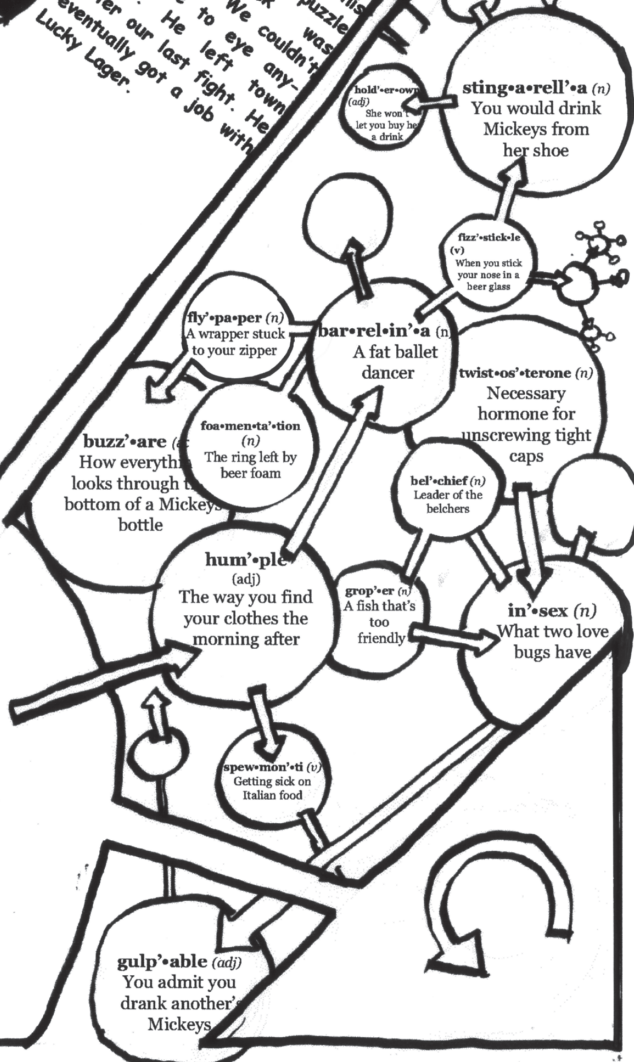

Back in school I studied with my best pal Jack Soo. He was a writer as well. We would always try to "out funny" the other guy. Our competitiveness kept us on the cutting edge of funny.

Our competitiveness eventually drove our friendship into a bitter rivalry. For the future of comedy, the future of pictograms. It was a pictogram puzzle that Jack was obsessed. We couldn't see eye to eye any more. He left town after our last fight. He eventually got a job with

Jack, always trying to make me feel like I was only the second funniest man in the business. Like I was using an obsolete technique. Damn! I studied the masters! I know funny! I make Mickeys a literate drink! Lucky Lager bottle caps are only good for illiterate neanderthals and their cave walls. I read Shakespeare Jack! Did you read Shakespeare Jack?! Did you?!

I am a writer. When you write about something important, people will listen. I have changed how men drink beer.

Damn you Jack. You should have listened to me.

I am the best!

I guess these two girls are supposed to be twins. I wonder if they got a two for one discount when they bought these.

I say, that even though these are fake ID's, you can still sorta tell which one is the good twin and which one is the evil twin.

What would happen if I went looking for these addresses? Do you think they would mind if I visited? Or would I just get lost looking for a place that doesn't exist?

I love this one

ARTS AND CRAFTS

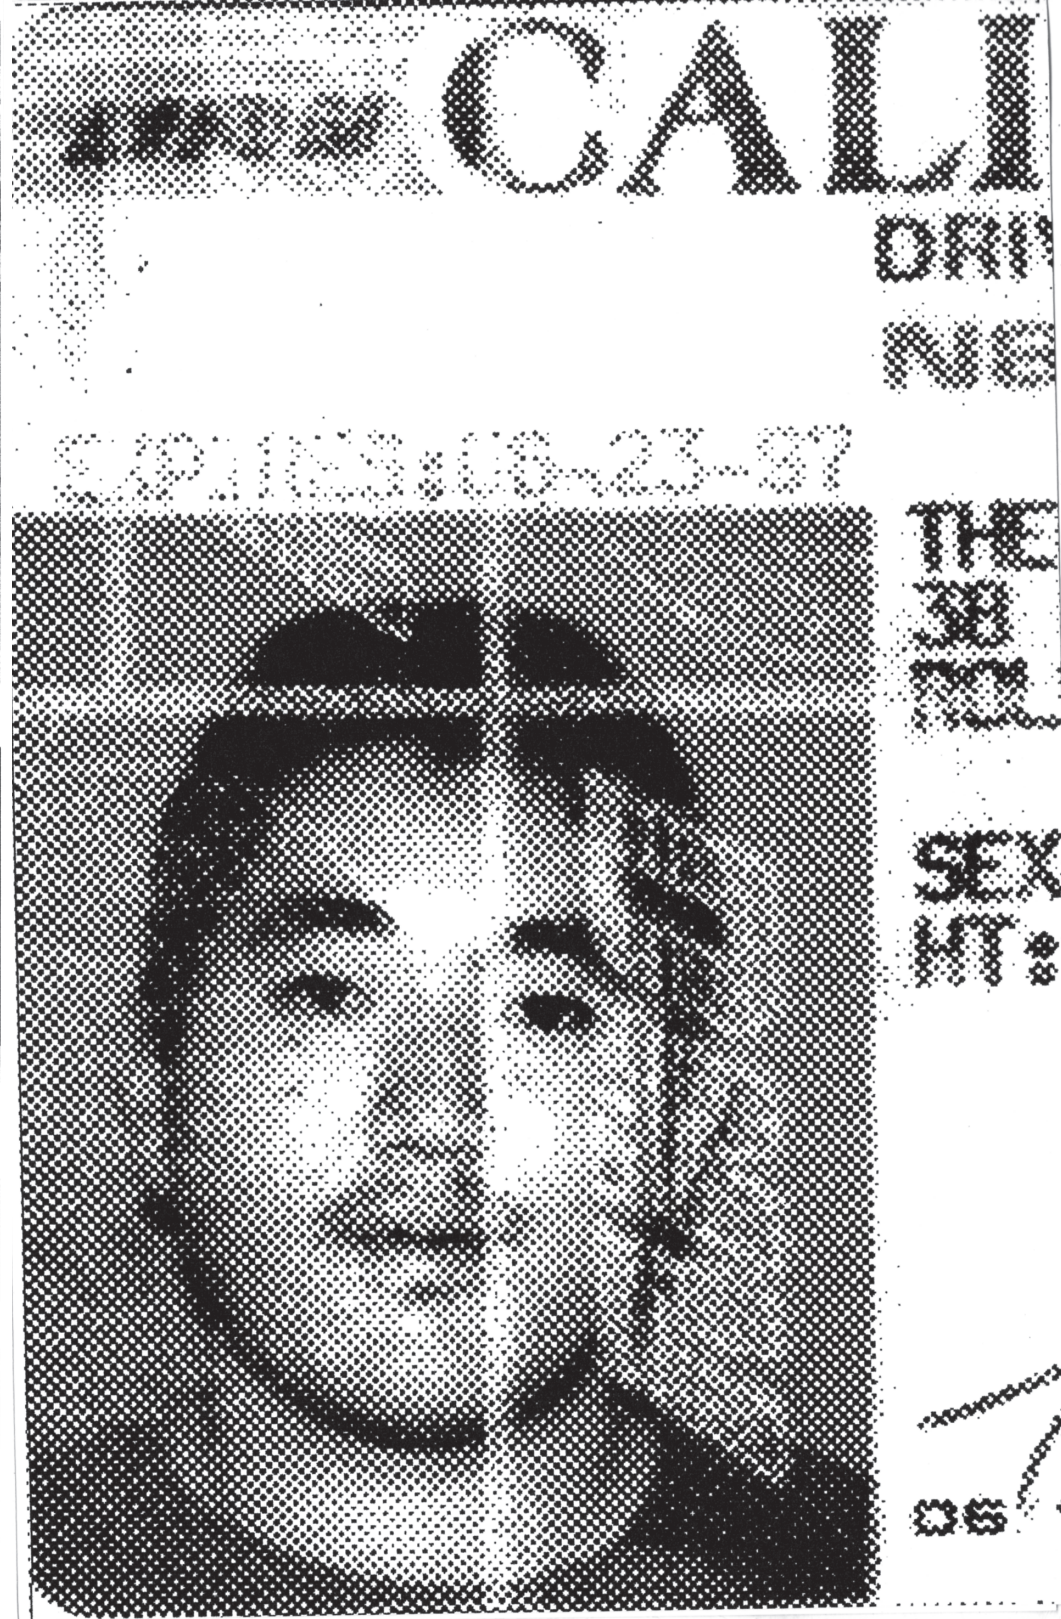

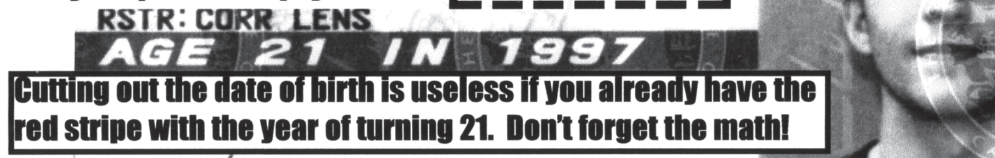

This is a page of real I.D.'s that have been manipulated.

When the kids can't find Mc Carther Park or anyone who will sell them a fake, they have an opportunity to be creative! Remember, neatness counts

If you're really desperate you can always just cut the date of birth right out of your drivers license. No one can prove that you're a minor this way. Just don't make the mistake that this young man made with his I.D. Can you spot the "oopsy"?

THE DRUNKEN MASTER INTERVIEWS RADOSLAV S.,
PRIVATE INVESTIGATOR.

DM2: What is the connection between surveillance and stalking?

Radoslav S: Similar ... but different at the very same time. Surveillance consists of watching potential bad guys... stalking pertains to bad guys doing the watching. But I guess in the end they could be the same thing.

DM2: Have you ever fallen in love with anyone you were hired to watch?

RS: Love? What is this? Let me look this word up in a dictionary. One moment please... OK ... I've read the definition and it's definitely NO.

DM2: How have people responded to you when they realize that they are being watched or followed?

RS: I've been confronted by individuals in the past... it can be ugly. I've had my life threatened on occasions. Maybe that's why I do what I do for a living... I'm hoping someone blows me to pieces or stabs my throat so I finally end this prolonged journey of consumption.

DM2: While you are working, do you ever pretend that you are James Bond?

RS: I do have a James Bond compilation cassette which I do listen to at times when I'm pursuing subject. A co-worker of mine pretends to be J. B. but not me. I'm a professional. They call me Super Spy Private Eye, baby!

DM2: Are you paranoid of being spied on, more than most people?

RS: Absolutely. My paranoia stems from my outward feelings of disgust I have for the imperialist government and U. S. military. If anyone is spying on me ... it's those knuckleheads. I recently re-wrote the pledge of allegiance to its proper format. It goes like this.

I pledge allegiance
to the flag
of the United Corporations of America
and to the Imperialism
for which it stands
world domination,
without a God,
invincible,
with false liberty
and injustice for all

DM2: Thanks again for your time

L.A.E.X

I met Radoslav when he lived in Los Angeles. Radoslav had a variety of different jobs while in LA but mostly he was a private investigator. He eventually pursued this career full time where it has taken him back to his home town of Milwaukee.

I think we have so many misconceptions about what private investigation is about, mostly because of all the movies and dime store novels, but just in case you are considering a career change here is some Q & A with some one in the field.

**GET A
JOB!!!**

This is the first in forthcoming installments for DM2. It's the career guidance section. Because if you're anything like me you stay up nights wondering what you'll be doing for the rest of your life. I will try and interview people in different fields of employment and I guess you'll have to take it from there. One of these days maybe you can make a "living".

In Japanese custom's it is considered poor judgment to offer a gift in

multiples of four. The number four can be pronounced "shi" in Japanese, and this word

can be interpreted as "devil" or some other evilness. You would never give four tea cups, you'd give three. Why give four roses to your

significant other when one does the trick without the superstitious overtones. Haven't you ever wondered why it is Mitsubishi instead of

Shisubishi? Now you know why and you can show off to all your Japanese friends in the anime chat room. And

here it is... it's fantastic issue four! The issue that was voted least likely to get finished in high school. I wanted to make up for the absence of the usual cast of

characters in the last issue. As most of you already figured I can not take much credit for the comic images in the Dennis Woodruff story. Speaking of which- would you believe that on the very day that

I finished issue three and was bringing some copies (literally just stapled and folded) for my friends Dickie and Wrigley to see at the local coffee house (today's inverted opium dens), guess who came prancing up to our table to sell us his video (a "movie" loved by over three thousand people)

but none other than Dennis Woodruff himself. I really can't give the moment justice other than to say I boned out on letting him see the issue. He

kept on asking to see it too.

"Hey maaan. Do you like independant films? You guys want to buy my movie? What do you all got? It looks really coool. Did you do that? Can I have one?"

"No."

"Well you know I would really love to advertise in your publication!"

"Yeah?"

"So can I have one?"

"No, but thanks."

"That's coool. I support what you are doing 1o1%. Can I have one?"

"No."

"... you want to buy my movie?"

You have to picture three people reading the guys message while that very guy is hovering over them sort of doing his interpretive dance around the table to illustrate the comic. It was a strange moment to say the least.

The story about my friend Dave is true. It was actually told to me by Dave himself.

Would you like to get in touch with Dave? Apparently he is quite the pen-pal! If you would like to correspond with Dave, please let me know and I will get you in touch with the man. Dave may very well become your new best friend You never know but I can't promise anything... you know how it goes.

The Ichiro and Floating Boy story was done right after I realized that I let December 7th go by with out lighting off any fire crackers. I think the story came out really stiff. I think it has to do with the fact that I really like Ichiro and I was very self conscious about doing a good story. A party is being organized as you read this for this coming December, all are invited.

Hey, I went to my first ever IPEX zine fest last october I shared a table with Miss.

“hey mister... why does your breath smell funny? Eeek!!”

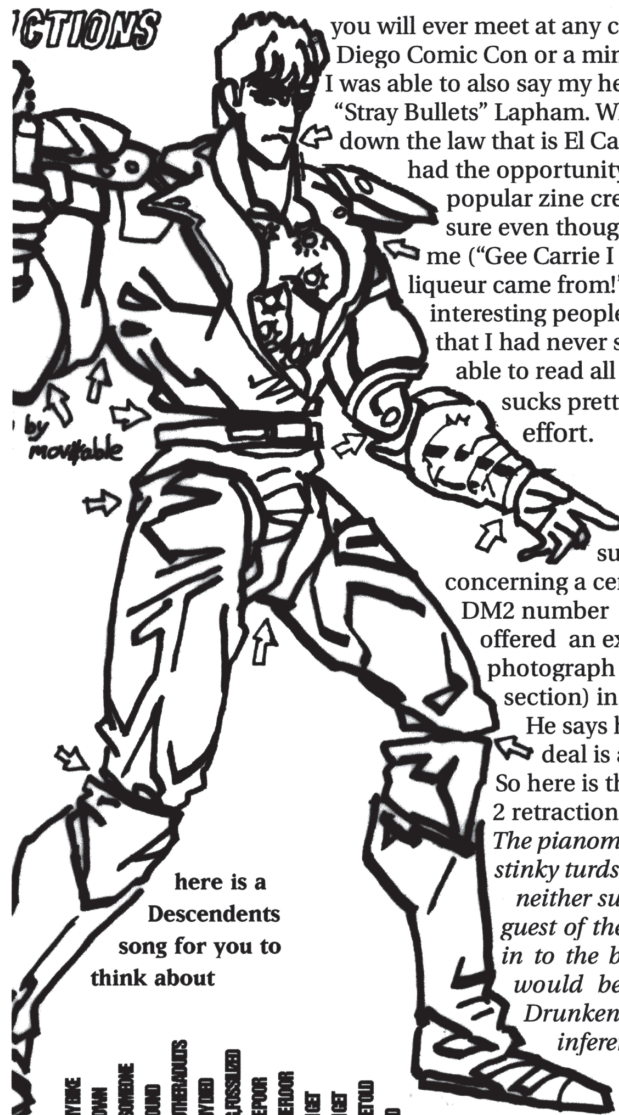

I did get to talk a little to the Giant Robot fellows who were just ... what can you say? Giant Robot is a pretty big influence on DM2. Giant Robot, it's the magazine for you... and even you, Sumo Boy.

Los Bros Hernandez were also hanging out at their very own table at the zine fest. It's nice to see these guys have no problem hanging out at a little convention even after the fact that they have become "main events" at larger conventions across the world. Probably one of the bigger influences on my love for comics, Beto and Jaime are, bar none, some of the coolest cats

The parts shown by the arrows are movable

you will ever meet at any convention whether it's the major San Diego Comic Con or a minor zine festival.

I was able to also say my hellos to the sharp shooter Mr. David “Stray Bullets” Lapham. Who with Maria were there to lay down the law that is El Capitan. The 99 Zine fest was good. I had the opportunity to share a table with a extremely popular zine creator who maintained her composure even though I kept on insisting she drink with me (“Gee Carrie I have no idea where all this malt liqueur came from!”)and I was able to meet all sorts of interesting people and pick up all sorts of periodicals that I had never seen before. I actually have not been able to read all the stuff I got. A percentage of it sucks pretty hard but they all get an “A” for effort.

There has been some interior strife here at the DM2 offices. The pressure is on to resend certain remarks concerning a certain pianoman that were printed in DM2 number three. The man in question has offered an exchange wherein I would get use of a photograph for this issue (in the fortune cookie section) in exchange for a complete retraction. He says he flushes, I say flush more. But a deal is a deal and I am a man of my word. So here is the official, and first, Drunken Master 2 retraction-

The pianoman does not, nor has he ever, left giant stinky turds unflushed. These brown bombs were neither submerged nor afloat. No roommate or guest of the house has ever accidentally walked in to the bathroom unawares that these turds would be waiting patiently for them. The Drunken Master apologizes for any unwanted inference or misunderstanding.

inference or misunderstanding.

Please keep the mail coming. Very special kung fu bow to those who have written reviews or even mentioned DM2 -Sara, Davida, Carrie, Juniper, Sean. Thanks guys.

So much to tell you all about, so much that is going on but it's as if I will only get the chance to share when it's all over. You know? After the fact. I feel like I am caught in the center of a tornado and from the center of the whirl wind I can see out, and out side, spinning spinning spinning really fast, is reality.

WITH THE ULTIMATE FIGHTING CHAMPIONSHIP'S DEBUT THE AMERICAN PUBLIC WAS RE-INTRODUCED TO THE WORLD OF MIXED MARTIAL ARTS COMPETITION. INSTEAD OF COMPETING ONLY WITHIN ONE'S OWN DISCIPLINE, WE SAW BOXER COMPETE WITH KICK BOXER, KARATE COMPETE WITH KUNG FU, OLYMPIC WRESTLER COMPETE AGAINST JIU JITSU, AND SO ON AND SO FORTH. EVENTUALLY WHAT DEVELOPED WAS A HYBRID STYLE OF FIGHTING THAT BEST TOOK ADVANTAGE OF THE PARAMETERS AND RULES ALLOWED IN THESE ORGANIZED ABOVE GROUND CAGE FIGHTS. THE FIGHTERS WHO DID THE BEST TENDED TO BE THE FIGHTERS WHO EXPANDED THEMSELVES AND THEIR TECHNIQUES WELL PAST THE POPULAR DEFINITION OF THEIR STUDIED DISCIPLINE. THEY DID WHATEVER IT TOOK TO WIN. CONSEQUENTLY IT WAS ONLY A MATTER OF TIME BEFORE PEOPLE WERE NO LONGER SO MUCH AS CLAIMING ANY SPECIFIC STYLE RATHER THAN REFERRING TO THEMSELVES AS *NO HOLDS BARRED FIGHTERS* -A MORE GENERALIZED TITLE DESCRIBING A WELL ROUNDED FIGHTER DISCIPLINED IN A VARIETY OF COMPLIMENTARY STYLES OF COMBAT INCLUDING- BUT NOT LIMITED TO- STRIKES, GRAPPLING, AND SUBMISSION HOLDS. THE ABBREVIATED TITLE OF *NHB* WOULD BECOME POPULAR FOR MANY (BUT NOT ALL) OF THE COMPETITORS CURRENTLY INVOLVED.

THE U.F.C. AND IT'S ILK ARE BANNED IN MOST STATES AND IT IS A TRUE PAIN IN THE ASS TO FIND A CABLE COMPANY THAT WILL OFFER THE PAY-PER-VIEW. NAY SAYERS HAVE CALLED THIS FORM OF COMPETITION BRUTAL, INHUMANE, VIOLENT, DANGEROUS AND A SURE SIGN OF THE DECLINE OF CIVILIZATION AS WE KNOW IT. OF COURSE THESE SORTS OF REMARKS ARE A OPEN INVITATION FOR PROFESSIONAL WRESTLERS OF POPULAR T.V. ENTERTAINMENT TO TRY THEIR HAND AT *NHB* FIGHTING. AND THAT'S WHAT A FEW DID. AFTER ALL WHAT DIFFERENCE IS THEIR BETWEEN PRO-WRESTLING AND *NO HOLDS BARRED* FIGHTING? HMMMMM... THE FOLLOWING LIST IS A SHORT SUMMARY OF SOME OF THE MORE NOTORIOUS ENCOUNTERS.

THE PRO-WRESTLER

THE NHB FIGHTER

NOBUHIKO TAKADA

vs.

RICKSON GRACIE

PRIDE 1, JAPAN 1997

TAKADA CAN BE COMPARED TO A YOUNG JERRY LAWLER OR YOUNG HULK HOGAN OF JAPANESE PRO-WRESTLING. ALTHOUGH LEGITIMATELY VERSED IN MARTIAL ARTS HE NEVER PARTICIPATED IN ANY NHB FIGHTS THAT I KNOW OF UNTIL NOW.

THE LIVING LEGEND. MAY BE THE MOST CELEBRATED OF THE GRACIE DYNASTY CURRENTLY PARTICIPATING IN NHB FIGHTING WITH A NO LOSS RECORD RUMORED TO BE WELL OVER 400 WINS AND NO LOSSES.

RICKSON WINS BY ARM BAR. IN VERY JAPANESE MANNER TAKADA LEAVES THE RING WITH A TOWEL WRAPPED AROUND HIS FACE. THEY WOULD MEET EXACTLY ONE YEAR LATER FOR A REMATCH WHERE TAKADA WOULD BE BEAT AGAIN BY THE SAME ARM BAR. PROBABLY THE MOST HYPED MATCHES OF RECENT TIMES.

KAZUSHI SAKURABA

vs.

CONAN SILVEIRA

ULTIMATE FIGHTING CHAMPIONSHIP, JAPAN 1997

LIKE SHAMROCK, SAKURABA BEGAN HIS CAREER DOING THE PRO-WRESTLING SHOWS BUT IS ACTUALLY MOST FAMOUS FOR BEING A NHB FIGHTER. I HAVEN'T HEARD OF HIM DOING ANYMORE PRO-WRESTLING IN RECENT TIMES.

BRAZILIAN JIU-JITSU CHAMPION AND ALL AROUND SCARY GUY. HE'LL TRY YOUR KUNG-FU ... AND SHOVE IT UP YOUR ASS.

BABY-FACE SAKURABA TAPPED OUT CONAN BY ARM BAR IN A UP-SET VICTORY. FOR SAKURABA THIS WOULD BEGIN HIS RECORD OF NO LOSSES IN HIS LEGITIMATE NHB CAREER. I KNOW VERY LITTLE ABOUT THIS JAPANESE FIGHTER- HE'S YOUNG, HE FIGHTS OUT OF TAKADA'S DOJO, HE'S AMAZING TO WATCH, AND HE IS SCHEDULED TO FIGHT NONE OTHER THAN ROYCE GRACIE IN A HIGHLY ANTICIPATED FIGHT AT PRIDE GRAND PRIX THIS MAY 2000.

TONY HALME

vs.

RANDY COUTURE

ULTIMATE FIGHTING CHAMPIONSHIP 13, USA 1997

TONY HALME IS PROBABLY BETTER KNOWN TO WWF FANS AS LUDVIG BORGA OR TO JAPANESE PRO-WRESTLING FANS AS THE VIKING. EVIDENTLY HALME WAS THE HEAVY WEIGHT BOXING CHAMPION OF FINLAND.

THE THREE TIME GRECO-ROMAN NATIONAL CHAMPION AND THREE TIME ALL AMERICAN WRESTLING CHAMPION WENT INTO THIS FIGHT AS A AMATEUR WRESTLER. YOU CAN SEE HIS BEAUTIFUL CAULIFLOWER EARS IN A RECENT NIKE ADD.

IT ONLY TOOK ONE MINUTE FOR COUTURE TO APPLY A REAR CHOKE FOR THE VICTORY. 300 POUND PRO-WRESTLER TAPPED OUT TO 214 POUND GRECO-ROMAN WRESTLER. AMATEUR WRESTLERS ALL OVER THE WORLD GET THEIR ATHLETIC NAMESAKES VINDICATED.

SCOTT CHARLES BIGELOW

vs.

KIMO

THE U-JAPAN, 1996

BETTER KNOWN AS BAM BAM BIGELOW IN THE PRO-WRESTLING CIRCUIT. THE BEAST FROM THE EAST. HE'S HUGE AND MEAN AND HE WAS A BOUNTY HUNTER IN REAL LIFE BEFORE HE WENT INTO RASSLIN'.

THE WARRIOR FOR JESUS. HE LOOKS AND SOUNDS MORE LIKE A PRO-WRESTLER THAN A PRO-WRESTLER DOES, BUT I WOULD NEVER TELL HIM THIS TO HIS FACE.

IT WAS THE BATTLE OF WHO'S GOT THE CRAZIEST TATTOOS. ALL THE SHEER SIZE THAT IS BIGELOW DID NOT DO MUCH TO PROTECT HIM FROM GETTING HIS FACE BUSTED OPEN AND FINALLY GETTING CHOKED OUT BY THE SMALLER SUPER POWERED JESUS FREAK KIMO. NO WORD ON WHETHER GOD APPROVES OF KIMO'S BEHAVIOR.

KEN SHAMROCK

vs.

ROYCE GRACIE

ULTIMATE FIGHTING CHAMPIONSHIP 5, USA 1995

SHAMROCK HAD A BRIEF CAREER AS A PRO-WRESTLER (CALLING HIMSELF VINCE TORELLI) BEFORE HE BECAME A LEGITIMATE NHB FIGHTER BUT MOST PEOPLE KNOW HIM AS A ULTIMATE FIGHTING CHAMPION THAT ONLY LATER WENT TO THE WWF.

ROYCE 'S NAME HAS BECOME SYNONYMOUS WITH THE ULTIMATE FIGHTING CHAMPIONSHIP WHERE HE NEVER LOST A FIGHT, EVEN TO GUYS ALOT BIGGER THAN HIM. HE IS HALF BROTHER TO RICKSON GRACIE.

IN THE FIRST ULTIMATE FIGHTING CHAMPIONSHIP (USA, 1993), SHAMROCK WAS BEAT BY A QUICK SIDE CHOKE. THEY MET AGAIN AND FOUGHT TO A CONTROVERSIAL DRAW WHEN THE REF STOPPED THE MATCH WELL PAST OVER TIME (THEY FOUGHT FOR OVER 36 MINUTES NON STOP!). THEY WERE BOTH WINNERS AT TALKING SMACK.

ALEXANDER OTSUKA

vs.

MARCO RUAS

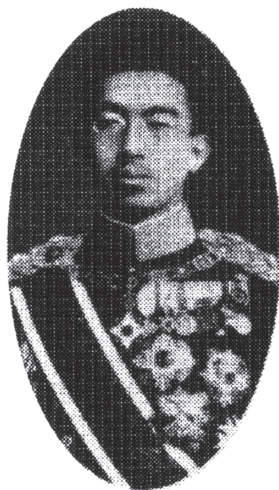

PRIDE 4, JAPAN 1998

A RELATIVE NEW COMER TO PRO-WRESTLING WHERE HE WAS ONLY EXPERIENCING MILD FAME. I DON'T THINK 'ALEXANDER' IS HIS REAL FIRST NAME.

FIGHTING OUT OF BRAZIL THEY CALL HIM 'THE KING OF THE STREETS'. RUAS IS THE BRAZILIAN VALE TUDO CHAMPION, A UFC CHAMPION AND THE CREATOR OF HIS OWN MARTIAL ARTS SYSTEM CALLED RUAS VALE TUDO. UNDISPUTED BAD ASS.

OTSUKA STUNNED THE WORLD WITH A UP-SET OVER RUAS. OTSUKA WAS CLEARLY GETTING HIS ASS KICKED EARLY IN THIS FIGHT BUT RUAS WAS SLOWLY WORN DOWN BY THE YOUNG NEW COMER. EVENTUALLY, THE BRAZILIAN WAS UNABLE TO ANSWER THE BELL FOR THE THIRD ROUND, GIVING THE TKO VICTORY TO THE VIRTUALLY UNKNOWN OTSUKA. A REMATCH IS INEVITABLE.

Kiyoshi

Greetings my friend! Happy new year! I can't believe the world didn't blow up. What am I going to do with all these batteries I bought? What about all those bottles of water? The canned food!!!

Just kidding. Y2K is no BFD.

How was your Christmas and new years? Good I hope. Juliet and I went to Big Sur for Christmas with her family. It is so beautiful up there. We went to Monterey and Carmel too. Have you ever been there? It seems really nice.

Anyways, I just wanted to say hi. Did you get my response from your "get to know me" questionnaire? After I read yours, I feel alot closer to you, Kiyoshi. Are we soul mates?

Well, we will have to get together soon. Are you busy these days? I tend to get busy when I think things aren't so busy. Things seem to be not so busy. well, take care. Say hi to Leslie.

Eulogio

Los Angeles, CA

Yes Eulogio we are soul-mates. I tend to feel especially close to you when you tend to feel not so busy.

Hi,

You know your book about Dennis Woodruff and all that crap? You know I've worked really hard in this town and I'm trying to do something good with my life and, you know, I'm going to ask god right now to keep comics like yours coming in the mail because I think it's kind of - kind of

stupid

to not get comics like yours. And you know, I don't know any important people, and I really pray that people who waste my time at coffee shops to do really stupid things - like wasting my time and money on something as lunacy as VHS home movies.

I'm sorry my friend I don't even know why. I guess you think it's kind of strange insight into some guys mind. And you're right.

I really

want to do big things and I'm I'm really asking god to make sure my 2 bucks gets to you because I know this town is full of people who have no art in their life other than to get me to buy their VHS tape.

And I don't do interviews! I'm a Union Cinematographer bro... so don't fuck with me.

Sincerely,

DT

Los Feliz, CA

Sometimes it's best to just to be a good listener.

Hello Mr. Kiyoshi,

I never sent you quids for your next issue. I apologize.

I feel like I'm one of your other geeky zine buddy girls, writing on this cutesy stationary. Although I've stopped doing zines. I am such a phaser. I get bored with everything so fast. What is my problem?! Tell me, please, Master Chop Chop Onion!!

Oh by the way "Um Jammer Lammy" is not the same as "Parappa". Only the beginning. It's way more difficult, and it rocks. I really like the fact that both Parappa & Lammy are both sort of losers, but win in the end anyway.

anyhoo

I'll see you round

tell Ken I said "We must love all men."

love,

not-so-eno-scent

Pasadena, CA

Are you kidding?! What's wrong with geeky zine girls who use cutesy stationary? They make my day! Don't be so down on yourself eno, you will win in the end anyways. Punch! Block! Kick!

Hey K-Dog!

Sorry for the big silence...it's not neglect...you know I (heart) you!

I have been meaning to gossip with you...I am just lame.

Luv,
Miss Sunshine

I have always said that travelling is good for you. If any of you readers go anywhere don't forget to send me a postcard.

I just received your questionnaire today, pretty interesting, I'll respond promptly!!! Hope you had great holidays!! What are you doing for New Years?? I'm hoping to spend mine in a bomb shelter in a nice remote area. I loved the last two Drunken Masters!! Ichiro is now on my list of modern day heros, I kid you not. It actually took me back to a place and time when I thought I was Cyndi Lauper, an innocent time. In fact, since I brought up the subject, its embarrassingly enough one of the reasons it took me so long to reply back to you. Yes, it took a couple months of intensive therapy to just sand away the rough edges of the experience, so to speak. I of course don't hold your comic book responsible at all. These things are bound to resurface sooner or later. Hopefully I will talk to you or hear from you soon!!!!!!

You can be Cyndi Lauper if I can be Capt. Lou Albano

Should I retire that salutation? I giggle like a 12 year old whenever I write it but I understand if you are not as humored as I. Do you still talk to Gary Gygax?
ok sorry....

Hey I watched the movie "The Whole Wide World" last night. Have you seen it? It's about Robert E. Howard. it was sad. It almost made me boo hoo. I thought of Garrett. Mostly because the words "naked women" and "chains" and "orgy" came up a few times. sigh.

p.s. today isn't your birthday is it???

To my Drunken Master,

Your Drunken Style Kung fu makes my heart beat "a pitter-patter". You coax smiles from my lips as you trip over barstools and crash into waiters. all for the sake and dedication of your martial art. Oh, worthy drunken Master, I pledge my loyalty, my heart, and my dollar to you and your superlative dojo. Ichiro, Usu-Boy Zero, Floating Boy, Mr. Stanky Head, and those female wrestlers all seem to be worthy students, yet i find jealousy pierce my heart at the sight of the Gordian Death Knot Girls. They are not worthy of your masterful teachings!

Teach me. I especially love the knowledge of weaponry. Send those two females to go be Nitro Girls; take me as your disciple.

Consider my offer. I can provide references and sake. But take heed of the warning, the challenge, that I am issuing to the wrestling girl stapled whore... **My weapons will win the heart of your Drunken Master. I shall defeat you. I shall replace you. I shall woo the knowledge of drunken Style Kung Fu and become the real woman by his side.**

Looking forward to the next issue!

Kitty

I told you that geeky zine girls rock, didn't I?!

IT'S A NEW MILENNIUM THEY CAN DO ANYTHING.

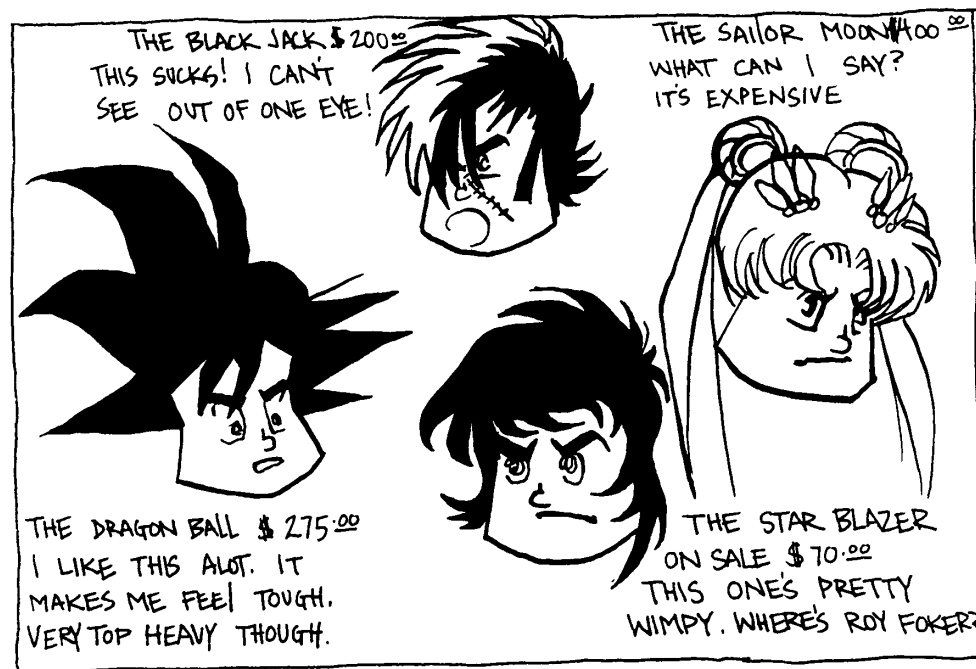

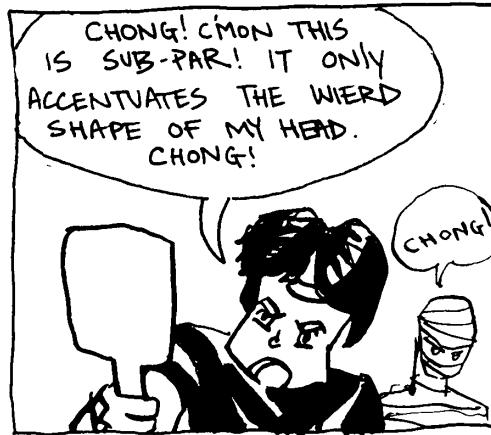

"I USED TO THINK IT WAS COOL TO BE BALD."

"GIRLS WOULD RUB MY HEAD FOR LAUGHS AND GIGGLES."

BUT THEN THEY WOULD GET REALLY BAD SPLINTERS.
