Subject: Halaco Clean up

Dr. Tom Holden, Kathy Long, Louise Rishoff, Carla Castilla, Peter Brand, Wayne Praskins:
At a Halaco Community meeting last night at CAUSE Centro Mujer - called by Beatriz Garcia (CAUSE organizer) we continued to discuss the importance of:

1. Acknowledging and continuing to unite with the outstanding work started by the Ormond Beach Task Force and EPA. The group will focus on exploring effective means or a speedy clean-up of the Halaco site and .
2. Specifically to insure improvements for the site's trespassing and additional needed security is implemented.
3. Beatriz Garcia will continue to coordinate community meetings with all of you. I am sure the meetings will be positive, productive and helpful.
4. Due to medical eye treatments for starting serious eye problems - I will not be able to continue attending meetings but will offer assistance when needed and am asked by any of you.

I have enjoyed working with all of you.
Lupe
