

Hi Patricia: (also I got the picture
to send to the DPT people)

It just dawned on
me a little while ago that the
planning meeting + barbecue
for Rushman Camp is today
not tomorrow - so I'm leaving
for it in a few minutes. Of this
info frees you a little bit in
anyway regarding phoning
me tomorrow about going out

to your Mom's I'll be pleased.
I'll probably be here all day
until you call — so pick your
most convenient time.

The News gave me an am-
ful papers via Jim Vaden's
suggestion so when you need
a few more for the story I'll
probably still have them.
Enjoyed last night at 177 West
+ you were beautiful! — Carl.
