Oxnard, California 93030

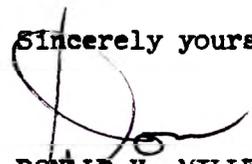

April 26, 1976

Dear Jane,

Your contribution to the recent campaign for my re-election to the Oxnard City Council is greatly appreciated. I hope, as a councilman, I can reflect your views in trying to make Oxnard a better place in which to live.

It is concerned people like you who make our democratic system of government work. By participating in this election, you have had a strong voice in that system.

Sincerely yours,

DONALD H. MILLER
