Dear Volunteer:

Welcome to the ranks of dedicated Johnson for President volunteers.

By setting up your home as a Johnson for President neighborhood center, you have joined a large and ever-growing volunteer movement which will ensure an overwhelming Democratic victory at the polls on November 3rd.

Yours is one of the most important functions in a political campaign in a year in which it is no exaggeration to say that the future of our country, indeed of the world, is at stake.

The assignment you have undertaken is one which every neighborhood volunteer can perform. This includes placing the Johnson Neighborhood Center sign prominently on your lawn, wall, or garage door, setting up the picture of President Johnson, and making the bumper strips and campaign literature available to your neighbors.

Included in your kit are bumper strips, sample literature, and absentee ballot applications for neighbors who may not be able to go to the polls on election day. More materials will be available shortly. You may mail in the enclosed request card for anything you need. Or, feel free to phone us - MA. 3-5833 - for information and materials.

And thanks --- you are a real "VIP" - Volunteer in Politics, that is. And with thousands of people like you, we will carry California overwhelmingly for President Johnson and his running mate, Hubert Humphrey.

Sincerely,

Tom B. Carvey, Jr.  
President
