Dearest Patricia: 10 min to 6:00

I met The Shilkens
on the way out of the Morris Dailey
& didn't get away from Mrs.
Shilken for another 20 minutes,
or I'd have tried to phone you earlier.

I'm going to Leroy on S. Second
now for dinner. I'll try to reach
you again when I get back. A meal

There doesn't take as long as Original
Joos. If I don't get you — please
phone me when you get in. — Just
for 3 minutes or so I'd like to
talk with you.

Love, as always — Carl

And I hope you do better than
your fondest dreams in your
exam tomorrow.
