October 8, 1927.

Dear W.R. :

This will introduce to you Mr. August Thyssen, who is head of the steel industry in Germany and who was a great friend of Judge Gary's. This will also introduce to you Mr. August Thyssen's friends, the Duke di Morignano and Comte Edouard Oppersdorff.

They are very anxious to see the ranch and I think it would be very nice if you would send someone down there to take them over the place.

MILLICENT
